Missonellie requested that the AC unit also be included on the proposal and that a pre-approval be required before the releasing of funds. J. Metzler indicated that the current proposal is a good deal since the grant would cover 80% of costs and it is understood that any reassessment would need to stay within range of the original proposal. No action was taken by the board and a final walk-through will be conducted on 10/16/13 at 10:30 am.

Technology

- a) K. O'Dowd confirmed that the BCCLS windows upgrade went smoothly and that the LPT1 printing module partnership now includes 10 other libraries.

Metzler inquired whether or not insurance coverage is needed by the actual entity that collects the registration fee. R. Goldberg inquired about whether or not the Yoga firm required a 1099 form after receiving payment. L. Missonellie suggested we ask the auditor to clarify this issue. A motion was made by R.
