THREE MEN THAT HAVE MADE GOOD

Candidates for Borough Commissioners at Election
MAY 12th

RHODES - JOWETT - OETTEL

Study the facts and conditions existing prior to the recall and compare them to the administration of the past eighteen months.

The water department has been put on a paying basis for the first time since 1912. Unexpected problems have been avoided.

Streets have been asphalted and plant owned by members of public.

Road improved and new department operated at lower cost than in any other previous period.

Police department efficiently operated at lower cost than in any municipality in the state.

Rhodes, Jowett and Oettel have pledged themselves to this policy of economy.

Election Day: Tuesday, May 12, 1931. Hours, 8 A.M. to 8 P.M. Daylight Saving Time.
