Charles Buono Re-elected by Local Firemen

Interesting election held at Company No. 2

MORRELL CLOSE

Holt Declined Nomination After First Ballot

After one of the most interesting elections that was ever held in the Fire Department, Chief Charles Buono was returned to the distinguished position of Fire Chief. This is the third term that the members of the fire companies have honored Mr. Buono. The contest was held at Fire Company No. 2 on Tuesday evening.

Although Arthur Morrell, assistant chief of Company No. 4, threatened the chiefs' position by causing three ballots, it was readily expected after the first ballot that Buono would be re-elected. The results of the vote on the first ballot proved that Morrell would not be able to win had he secured the complete strength of the Holt supporters. The only opportunity the No. 4 candidate had was to have some of the members of Chief Buono's ranks fail to vote for him in the following ballots. However, the supporters of Buono were solid.

The results of the second ballot indicated that Morrell could not be elected and the firemen who had supported Morrell cast their votes for Buono in the third ballot of the evening.

Commissioner John C. Housani acted as chairman for the election and George Gale was the secretary. Herbert Pilthaury and James La Puri were the official tellers for the election.

After the election Chief Char-

H. WETTYEN ADDRESSES ROTARY CLUB

Discusses The Problem of Termites and How To Stop Pests

At the Rotarians luncheon Wednesday afternoon, it was agreed that a member be appointed to represent the club at the meeting of the Citizens Athletic Committee, to be held Wednesday evening. The Rotarians have offered their whole-hearted aupors to this noble movement of bettering the physical development of the youth of our borough.

The principal speaker of the luncheon was Harold Wettyen who delivered a lecture on termites, and the harm they cause to buildings. Mr. Wettyen told the club how the tiny beasts will find its way into the wooden foundation of any building and eat away the wooden beams until they have to be replaced. This generally happens to houses that have been built in wooded sections, where the termites have thrived.

Mr. Wettyen warned the mem-

FIREMEN DISTURBED BY FALSE ALARM

While the firemen were celebrating the victory of Chief Charles Buono, some thoughtless individual turned in an alarm from Box 2-1 at May Street and Elberon Avenue. After answering the alarm that interrupted the festivities at 12:50 A. M., the firemen discovered that a false alarm was sounded.

HEALTH BOARD WARNS AGAINST VIOLATIONS

Fine will be imposed on all who break regulations

Warning all parents whose children are under quarantine, that according to the State law, any individual who violates their quarantine regulation is subject to a $50 fine.

The reason for this ruling is due to the fact that a number of children have been seen shopping or aboard buses when they were supposed to be confined to their homes.

The records show that during the month of March, there were twenty-two cases of measles, one of diphtheria, three of chickenpox, six of mumps, three of whooping cough, and one of erysipelas.

To prevent the spread of any of these contagious diseases, the parents are urged to keep their children home if they are suffering from coughs or head colds.

Plan for a full season of radio this year. They are one of the nations cough, and if you choose your varieties carefully, are one of the best as well. Syrups, ammonium salts, some common cough

MAYOR RHODES' CAMPAIGN OPENS TONIGHT

Affair to be Held at Llewellyn Hall

ENTERTAINMENT

Maitland and Correll to Speak for Mayor

Announcing that the first campaign session of the supporters of Mayor Arthur Rhodes would be held tonight at the Llewellyn Hall, Raymond Rhodes, campaign manager for the mayor, opened the political battle for Commissioner election.

A.H. Correll and Robert Maitland will be among the guest speakers in support of the mayor. They will outline the work that Mayor Rhodes has accomplished during the past four years and restate the campaign pledges that Arthur Rhodes made during the last Commissioners Election.

It is expected that Mayor Arthur Rhodes will speak on several prominent issues of the campaign. According to reports the mayor will outline the progress that has been made in the Department of Finance, since he assumed the duties.

After the political speeches the guest of the evening will enjoy entertainment prepared by "Doc" Bradley.

A. H. CORRELL NAMED CHAIR'N OF YOUTH WEEK

Meet Fri. to discuss plans for May 5th-12th

Chairman A. H. Correll of the National Youth Week movement has called a meeting for tomorrow night at his home 197 Kingston avenue for 7:45 P. M.

National Youth Week is devoted to the youths of the borough to build up their character and sense of citizenship, and to give them some initiative to carry on the duties they will be called upon to perform later in life.

The purpose of the meeting will be to organize a committee and anyone who is interested in this movement is invited to attend.

BOY SCOUTS TO PRESENT GALA AFFAIR

Many Talented People To Appear At Washington School

Rehearsals of the talent who will provide the entertainment sponsored by the Hawthorne Troop No. 8, Boy Scouts of America, indicate the affair to be held April 10th at Washington school will be one of the outstanding affairs of the Borough.

Many talented entertainers are being secured for the program to assure a most enjoyable evening. Well known professional artists of outstanding ability have signified their willingness to cooperate with the boys on this occasion.

The program will consist of tap and fancy soft shoe dancers, popular in the New York area; musicians; vocalists; monologists; and many other entertainers.

The function is being supported by the popular Fire Department Band, who will be out in full uniform.

Tickets may be purchased from Scouts or from the following committee members: John Pomidor, Louis Lettman and John Vitrose. Proceeds will be utilized to provide equipment and supplies for the boys in their scout work.

EASTERN STAR HAVE FASHION SHOW

The Hawthorne Chapter Order of Eastern Star held a Fashion Show in the Masonic Temple, yesterday afternoon and evening. Many interesting patterns were displayed. A great many of the local women attended the event which was most instructive.

ATHLETIC EVENT AT HIGH SCHOOL

Funds to be Raised For Athletic Equipment

APRIL 23RD

Capacity Crowd to Fill Gymnasium; Famous Personages to Appear

In an attempt to raise funds to be used for the advancement of athletics in the high school, a group of public spirited citizens held an interesting session in the high school Wednesday night at which time plans were made for a monster athletic event on April 23rd.

William Mahon, chairman of this outstanding athletic event, announced his tentative plans for the occasion. It was his opinion that exhibitions of the art of fencing, wrestling and high class boxing could be presented to a capacity audience in the high school gymnasium.

The affair will last about three hours and includes many thrilling experiences during the evening. Many of the prominent personages of the sport world will be present to make this one of the most popular sport programs in the county.

WALTER CASSON CHARGED WITH GRAND LARCENY

Accused of taking car from R. Comstock

Charged with grand larceny, Walter Casson of 192 Pasadena Place was brought before Judge Schoenmaker in the police court last Friday.

Rodney W. Comstock of 67 May street, the plaintiff, accused Casson of breaking into his garage and stealing his car.

The accused was released on a $250 bail, pending action by the Grand Jury.

The car, a green 1928 Chevrolet coach, has not, as yet, been found.

If you haven't cet in your seed order, do so immediately. Seed stocks run short when planting season comes around, and you might not be able to get what you want.

Appointment of Local Postmaster Due Next Week

Acting Postmaster Kelly to Make Announcement

SUB-STATION ISSUE

Hogan's Endorsement to Settle Issue

According to acting postmaster Thomas F. Kelly of Paterson, no announcement will be made concerning the appointment of the local postmaster until next week. Several changes in the set-up of the local and Paterson offices must be made before the issue will be definately decided.

In reference to the sub-station appointment, Mr. Kelly stated that the matter was not definitely settled. However, he expects that this will be regulated at the same time the other changes are made. Ted Flood and Moerkirks are the two confectionary stores that are bidding for this station. Both merchants have a great number of their friends working for them to secure the appointment.

Postmaster John Dodd will remain at the local station until the matter is definitely settled. The names of the proposed candidates for the office are George Adderly and Leo Heintjes, two of the local carriers. Both men are very popular in the affairs of the borough having resided here for a number of years.

It is expected that the candidate receiving the official endorsement of James Hogan, local Democratic leader, will be selected as the postmaster. Mr. Hogan would not issue a statement concerning the selection.

COMMUNION BREAKFAST AT ST. ANTHONY'S

John J. Fitzgerald to be Guest Speaker

WALSH CHAIRMAN

Holy Name Choir to Render Selections

The Holy Name Society of St. Anthony's Church will hold their annual Communion Breakfast on Palm Sunday April 14th, in the Parish House. Approximately 200 men are expected to participate.

Among the selected speakers will be John J. Fitzgrald of Paterson Chamber of Commerce.

The Holy Name Choir under the direction of George Adderly will render a special program of music. Violin solos by Mr. Arthur Draeger of Paterson; a cornet solo by Mr. Michael Calinet will be included in the program. The "Palms" will be sung by the choir, Mr. Alex Thoma will sing "Thy Will Be Done", and he will be assisted by the choir.

The remainder of the program will be as follows:

"Onward Christian Soldiers" in four parts, "Jesus, Jesus, Come To Me", and "O, Lord I Am Not Worthy".

The men will attend the 8:30 o'clock Mass and receive Holy Communion in a body, after which they will proceed to the Parish House where they will be served breakfast.

Mr. William J. Walsh the general chairman of the committee urges all the men of the parish to reserve this date.

The members of the committee are: Edward Warburton, Edward J. Farrell, J. Naughton, Michael Calinet, C. Stark.

Miss Kathleen Hodges will preside at the organ.

ALUMNI ASSOCIATION TO HOLD BUSINESS SESSION

The Hawthorne High School Alumni association will hold the regular business session of the group at the high school next Tuesday evening. Charles Guarrie, president of the group, will announce plans for the play that will be presented in June.

J. H. DEMAINE ANNOUNCES HIS POLICIES

Candidate for Commissioner Expresses Opinions

J. H. Demaine, local merchant, who is seeking the office of borough commissioner promises a square deal for everybody. Proposing a program of strict economy, including the reduction of taxes, Mr. Demaine started his campaign battle.

"We're further in debt this year than we were four years ago," stated Mr. Demaine as he expounded his platform.

Born in England 65 years ago, Mr. Demaine came to this country in 1907 and settled in Rhode Island. He is the father of four World War veterans, having had three sons at the front and the other boy on the navy. During the war Mr. Demaine was employed by the Browne and Sharpe people of Rhode Island, where he assembled and inspected the Lewis guns that were used at the front.

Since he came to New Jersey, at the age of 19 he has never been affiliated with politics of any kind. He is the founder of the Hawthorne Social Club.

Mr. Demaine is an honest and straight-forward citizen, and is admired by the people of the borough for his fearlessness and honesty.

BOOSTER CLUB PLANS SOCIAL FUNCTIONS

Roller Skating; Sport Social and Dance Scheduled

At a regular meeting of St. Anthony's Booster Club held Tuesday evening in the social hall of the church, final plans were made for the roller skating party to be held at Hackensack. The group will meet at 7 o'clock at the school and will leave at 7:15 in private cars. Miss Corlis Lockhurst is chairman of the Committee in charge.

An invitation was received by the President and read by the secretary from the Trinity Club in Coytesville inviting the members to attend a sport social which will be held Friday, April 26. Any member who intends to make this trip should get in touch with Gertrude Easton, Chairman, not later than Sunday, April 7, as arrangements must be made with the Trinity Club at the earliest possible convenience. There is a call for cars to be used for transportation.

TOWN CLUB PLANS SUMMER ACTIVITIES

Smoker Scheduled For April 26th

A large gathering attended the semi-annual meeting of the Senior League of the Town Club last Monday evening in their club rooms at Jefferson Place.

The members are planning a number of affairs before the summer season arrives, the first to be a smoker on Friday evening, April 26.

After the meeting, refreshments were served.

HAWTHORNE POLITICAL HIGH-LIGHTS

Because of the tremendous interest that is being displayed by the citizens of Hawthorne in the Commissioners Election to be held on Tuesday, May 14th 1935, the Hawthorne Press will endeavor to keep its readers informed on the many interesting events.

The watchful-waiting policy of the Commissioners Election was given a set back last week when the majority of the prominent candidates indicated that they were officially in the race.

Many individuals who contemplated being affiliated with one group or another received a surprise when these announcements were made.

More than twenty names were composed, by rumors, to the various potential commissioners. It certainly left many would-be candidates feeling blue for public consideration. Only a few of the many rumors were affiliated with him during the past four years. This has been proved by their great enthusiasm to secure signatures to the Rhodes petitions.

J. H. DeMaine, local merchant, who was the first candidate to place his name in the field, is expected to launch a terrific campaign. Undoubtedly, he will affect the ballot in the North End of the Borough where he resides.

According to the latest survey of the contest, it seems that the commissioners election is still any person's race. It would be very foolish to predict the results of the election at this time, because some "dark horse candidate" might enter the contest and change the entire scene.

Undoubtedly, the public will not tolerate the ago old platforms of economy and "I promise to do this and that".

People will demand real issues, they are desirous of learning more about their government. Every citizen wants to know exactly what the candidate proposes to do if he is elected.

So the honorable sirs who are in the race for the high offices should sharpen their pencils and attempt to make up a program that will be attractive to John Doe.

man-Ordway-Schoonmaker ticket, the candidates have been silent on the combinations that they will make.

It is rumored that Robert Maitland will be affiliated with Mayor Arthur Rhodes. However, neither candidate will confirm the statement.

Mr. Canley, who made his declaration last Wednesday, has not received the endorsement that his fellow Democrat, George Long, has secured from the local party.

Mayor Arthur Rhodes, has the united support of the people, who

PROMINENT LOCAL COUPLE WILL MARRY HERE SOON

Wedding in Near Future

Bob and Betty are sweethearts
And Hawthorne is their home.
And all about their wedding
We'll tell you in this poem.

They've engaged A. J. Roughgarden
To build their bungalow.
There's nothing in the building line,
He doesn't do, you know.

Naturally Irvy Myers was selected
To supply materials for their home.
Only the most reliable firms,
Are included in this poem.

E. A. Johns will write fire insurance
On their cozy little nest.
Johns was selected
'Cause his companies are the best.

Of course the Hawthorne Floral Shop
Will supply the wedding flowers
They've already sold just heaps of them,
To Betty's friends for showers.

That they'll have a little family
Is mutually agreed.
At the Hawthorne Pharmacy they will purchase
The supplies their babies need.

From the Lafayette Hardware they'll buy a lawnmower
And all their garden hose.
To this store for its money's worth
Is where everybody goes.

They'll go to Trumbour's Service Station
For oil and Richfield gas,
For penny-smiling service,
Here's a place with class.

From the drudgery of washday
Betty will escape.
An Easy Washer from the Grinwis Electric
Will preserve her pretty shape.

With awnings from J. H. Powers in Paterson
Their home will look real nice,
See Powers about some awnings.
They're moderate in price.

When the little Bobs and Bettys
Chance to come along,
They'll feed them Paul Waibel's Dairy Milk,
To make them big and strong.

Down at the Hawthorne Auto Sales
Bob bought a Chevrolet.
He says it has all light cars trimmed
In every single way.

They'll buy their bread at Evan's Bakery
Because its made in town.
When they buy bread shipped in here
They're turning home-folks down.

Of course they've engaged Faber
Their plumbing to install.
Faber was selected
'Cause his work is best of all.

They'll buy their foods at Hunter's Market
Everytime they can.
They like to deal with Hunter.
'Cause he's a local man.

'Bout money to build their little home,
They won't have to worry.
Bob owns Hawthorne Building & Loan Shares
And he can raise it in a hurry.

The way some men are henpecked,
Surely is a shame.
But Bob'll go to Bader's Bowling Alley
And shoot a little game.

Instead of buying new shoes
And throwing 'way the old.
They'll take them to the Lincoln Shoe Repair
And have them heeled and soled.

Now Betty's very beautiful,
Has pretty skin and hair,
And the Rosebud Beauty Shop in Paterson
For both of these will care.

Piano lessons from Mrs. Peebles
Their little Bobs and Betty'll take,
Its surprising the difference in children
Piano lessons make.

They'll go to DeMaine's for newspapers
And magazines to read
That DeMaine's headquarters for hospitality
Is generally agreed.

Betty's getting out her lighter clothing
To have it cleaned for spring.
She'll send it to the Acme Dry Cleaners
They clean just everything.

Thomas Van Ypren will paint their home,
Both inside and out.
That he's Hawthorne's leading painter,
There isn't any doubt.

There's still a cold spell coming,
Better look into your bin,
And if there isn't coal there,
Have Teddy Piccione and Son put some in.

Betty'll have the Terrell Floor Service
Use Dura Seal on her floors.
Here's a permanent treatment
The modern housewife just adores.

SCOUT TROOP 2 HOLDS REGULAR MEETING

Scout Troop 2 held its regular meeting last Friday evening at 7:15 o'clock. A new club troop was started with eight members present. Any boys, who are at least ten years old, wishing to join, be present at one of the meetings of the troop which are held every Friday evening at Lincoln school.

INCREASE IN RELIEF SMALLER THAN JANUARY

Passaic Shows Decrease Since Last Month

March—Although the roll of active cases in the State ERA was increased during February, as aggregated from records of the 21 counties showing aid was given to 616,779 persons distributed among 168,692 cases, State Headquarters has been gratifyingly impressed by two facts—that the February ratio of increase in case load was the smallest over the preceding January of any year during the ERA history and that the increase was the smallest since the presene cycle of growth began last July.

The February increase of cases was 2,312, or only 1.4 per cent above the 166,380 cases in January. This was one-tenth of the 14 per cent increase in February a year ago. In February, 1933, the expansion over January was 10.9 per cent.

As to persons aided the showing was even better. February's total, 5,879 higher than January's 610,900, was an addition of only 96 hundredths of one per cent.

During the month 15,566 new cases were added, as compared with January. Of the new cases, 7,129 or 45.8 per cent were never before on relief, and 6,144 or 39.5 per cent had not received aid during the preceding two months but had been on the rolls prior to December 1, last. The other 14.7 per cent were not active during January. January's new cases numbered 20,048; December's 20,048, and November's 23,340. The February decline in new cases was 22.4 per cent from the January figure.

Six counties, Bergen, Gloucester, Middlesex, Passaic, Union and Warren, developed decreased loads last month. Declines of the case loads in Bergen, Gloucester and Warren were the first since last August. That in Middlesex was the first since last June, and in Passaic the fall was the second consecutive monthly one.

Of the total increase in case load, 66.2 per cent occurred in the resort and southern counties with 33.8 per cent in the more densely populated sections.

Total relief expenditures for the month were $4,996,816.98 of which administration represented $323,181.39 or 6.4 per cent. The average monthly cost of maintenance was $31.24 for each family and $11.78 for each non-family person.

Cash for food, food orders, milk and board represented 68.3 per cent of all relief costs; fuel 13.2 per cent; shelter 8.4 per cent; medical aid 5.5 per cent, clothing 3.3 per cent; gas and electricity nine-tenths of one per cent and miscellaneous charges, such as moving, transportation, purchase of household necessities, burials and other small items grossed four-tenths of one per cent.

In February last year, the relief rolls carried 387,553 persons embraced in 99,843 cases. At that time the Civil Works Administration was in operation, paying wages in the State to more than 99,000 men and women. Half the CWA roster was of heads of families taken from relief or approximately 45,000. There represented about 180,000 persons for whom the ERA, otherwise, would have had to care.

INCREASE IN TRAFFIC ACCIDENTS IN 1934

Pedestrians and Motorists At Fault

Traffic accidents were more numerous and more severe in 1934 than any previous year.

Eight of the worst driving mistakes responsible for last year's tragic record are listed by the National Bureau of Casualty and Surety Underwriters as follows:

(1) Driving too fast for condition, a cause named specifically in 22 per cent of all accidents resulting in fatalities charged to drivers alone, and a distinct and sometimes controlling factor in accidents attributed to many other causes. (2) Driving on the wrong side of the road. (3) Violating right-of way rules. (4) Cutting in. (5) Passing on curve or hill. (6) Failing to signal or signalling improperly. (7) Driving off roadway. (8) Reckless driving.

Pedestrians made fatal errors too. Four of the worst were:

(1) Crossing between intersections, a mistake that accounted for more than 25 per cent of all pedestrian fatalities. (2) Crossing against the signal light at intersections. (3) Playing in the street, an error made chiefly by children, resulting in 16 per cent of all pedestrian deaths. (4) Coming from behind parked car.

Motorists and pedestrians! Avoid these fatal errors in 1935—and you will be doing your part to reduce the traffic toll.

FAMOUS COMEDY DOG AT LOCAL THEATRE SAT. MATINEE

"Pete" The famous Our Gang Comedy Dog on the stage of Hawthorne Theatre Saturday Matinee only.

PETE one of the most famous dogs in the country will be on the stage of the Hawthorne Theatre Saturday Matinee Only, April 6th.

What? You don't know Pete? Where have you been all these years? Haven't you ever seen the "Our Gang" comedies in the movies, and haven't you noticed the star of the gang with his natural born monocle? That's Pete. Only a dog? True enough, but there isn't another one like him in the world.

Pete is ten years old. He made his screen debut at the tender age of three months, appearing in an Educational comedy. When he was six months old he signed his first contract, appearing in twenty-four episodes of the "Fighting Blood" series. After that he played with Harold Lloyd in "The Freshman", and then portrayed the character of Tige in Buster Brown comedies.

Pete can justly lay claim to being one of "California's best known native sons". His father Pal, was a famous movie star and his mother a well known Pasadena society dog of English extraction. He is fond of applause, and while working in pictures demands recognition from the director upon completion of every scene he appears.

Pete is not a bit too high hat. He likes his public, likes to mingle with them, and is exceptionally fond of children. His teeth are brushed twice a day and his diet is specially prepared.

Pete is owned by Lieutenant Harry Lucernay, who distinguished himself as a member of the military intelligence by securing information of the most vital importance for the Allied Forces during the World War, and who also travelled all over Europe as the official observer for the American Expeditionary Forces.

RECONSTRUCTION FINANCE CORPORATION SECURES STOCK OF CLOSED NATIONAL BANKS

Washington, D. C., March 28, —Purchase by the Reconstruction Finance Corporation of the remaining assets of closed National Banks and payment to depositors of 60 per cent of their proved claims, is provided for in a bill jointly introduced in the Senate today by United State Senators W. Warren Barbour and A. Harry Moore of New Jersey. Over 160,000 depositors would be affected in New Jersey by the bill, Senators Barbour and Moore said.

Depositors, who in the reorganization of national banks closed since January 1, 1930, accepted bank stock in whole or in part for their deposits, would similarly be reimbursed up to 60 per cent of the value of the stock they accepted, the R.F.C. being authorized under the bill to purchase such stock from them. Distribution of the money paid by the R. F. C. to bank receivers or conservators would begin immedately after consummation of the purchase of the various proved assets by the federal finance corporation.

Liquidation of the assets thus acquired by the R.F.C. would take place within 10 years. The R.F.C. would be permitted, under the provisions of the legislation, to require additional security on notes, and stock holders would not be relieved of any assessment liability. Interest to be paid the R.F.C. by debtors is limited to four per cent.

The following statement was issued jointly by Senators Barbour and Moore:

"There are still many hundreds of thousands of dollars tied up in connection with national banks which closed after January 1, 1930, and also in respect to banks that closed, and have since reorganized. A definite and continued hardship on depositors has resulted. It is obviously to the interests of recovery that this money be released and put again into circulation.

"The purpose of the measure, as outlined in its title, is to provide relief to depositors in closed national banks, to promote resumption of industrial activity, increase employment and restore confidence by fulfillment of the implied guaranty by the government of deposit safety in national banks. It is evident that the conversion into cash of assets long held by individuals unable to avail themselves of the potential value of the assets will markedly contribute to achieving these ends, particularly in a state as highly developed industrially as New Jersey.

"This measure imposes no extreme burden upon either the treasurer or the Reconstruction Finance Corporation, as under its terms the R.F.C. is authorized and directed to acquire assets only of proven worth. Nor will it result in quick or forced liquidation, with resultant harm to values in the communities, as 10 years are provided for the liquidation of the assets thus acquired by the R.F.C.

"The measure also will put an end to the receivership racket, which so often results in receivers costs wiping out the assets of closed banks."

INEZ CHURCH GUEST SOLOIST AT NUTLEY

Accompanied By Famous Harpist

Inez Church, soprano, who recently scored successes in the concerts of the Woman's Club of Hawthorne and the E.R.A. concert at the Hawthorne High School was the guest soloist at a special Lenten Vesper service at the Nutley Presbyterian Church. She was assisted by the world renowned harpist, Miss Mildred Dilling.

Her selections with the organ and harp accompaniment were Ave Maria, Schubert; and Sheep and Lambs by Sidney Homer. Mrs. Ramsey formerly of Troy, N. Y. was the organist.

Mrs. Church is the soloist of the Eastside Presbyterian Church in Paterson and is a member of the Woman's Club of Hawthorne.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

EGGS and butter are again somewhat cheaper but meat prices have stiffened after a temporary easing, though certain cuts offer good value. Potatoes continue to be the most economical purchase possible though several vegetables of the type called "hardware" are inexpensive—including bulk carrots, rutabagas, white turnips, parsnips, onions, old cabbage and kale. Green beans, peas and cauliflower are moderately priced.

Good Florida oranges are again available at about the same price, size for size, as navels. Apples, grapefruit and bananas are unchanged in price. Strawberries become more plentiful.

Recent weather has been favorable to salt water fishermen.

Here are three menu suggestions which are suited to three budget levels and the season:

Five in Arlington Apartments

Alarmed by the smell of smoke at 4:30 A. M. last Sunday morning, Mr. J. Greendyke of apartment 3-G in the Arlington Apartments, awoke to find one of his living room chairs ablaze. With no extinguishers available, Mr. Greendyke put in a call to the police station, and asked for assistance. Captain W. Henion answered the call and arrived in time to prevent the flames from spreading.

The cause of the blaze was undetermined.

P. O'BRIEN STRICKEN WITH HEART ATTACK

Attending St. Anthony's Church at Time

Peter O'Brien, eighty years of age and a retired railroad engineer, suffered a heart attack while attending St. Anthony's Church last Sunday morning.

The aged man was taken to the rectory where he was attended by Doctor Albert Van Eerde. After treatment by the local physician, he was taken to his home in the Mawhinney ambulance.

Mr. O'Brien who is one of the pioneers of the borough, resides at the corner of Florence and Lafayette Avenues.

GEARY FIVE KEEP LEAD IN BOWLING

St. Anthony's In Second Position; Mele Wins Prize

The Geary Five maintained their one game lead in the Hawthorne Bowling League when they took two games from the Bader Recreation at the St. Anthony's alleys. Both teams were in poor form, although Sinnema and Himschoot rolled 200 scores to put the Geary boys in the advantageous position. Harry Riggottie rolled up a total of 615 for the night.

The St. Anthony club dropped two to the Masonic on the Bader boards, coming to the front only in the second game which they won by 75 pins.

The Hawthorne Diners won three games from the Durrenberger team at the Bader Alleys. The Diners were in rare form with F. Chrisbacker rolling two 200 scores and Valz; and M. Chrisbacker one apiece.

Mike Calinet's Five took two games from the Burtt quintet on the Masonic strips. After a poor start the Burtt boys finally found the groove in time to cop the last game.

Dominic Mele rolled 256 establishing the high score for the month. He will receive the fancy rug donated by Mr. Burtt.

The team standings are as follows:

Team	W.	L.	Aver.
Joe Geary Five	55	23	917.22
St. Anthonys	54	24	921.77
Haw'rne Diner	51	24	906.75
Burtt Five	37	41	878.40
Bader Rec	34	44	879.17
Durren'er Five	30	48	872.32
Calinet Five	27	51	850.57
Masonic Club	24	54	840.4

Someone said the other day that the situation in Europe was so bad that even Santa Claus couldn't settle it. Well, we hope he won't try it anyhow. Uncle Sam has all he can do right here in the United States.

Maybe if enough of the Western soil blows into the East we will have some real dirt farmers right in the Agricultural Department.

Somehow or other Secretary Wallace reminds us of a fellow who is trying to put a 28-inch tire on a 30-inch wheel.

We would judge, after reading a number of recent legal opinions, that some of the court rooms in the country are not displaying blue eagle very prominently.

BEAR LAKE CLUB HOLD SESSION AT ICE HOUSE

Plans are made for fishing season

The Bear Lake Club held their monthly meeting at the Hawthorne Ice Company last Monday evening, where they discussed their plans for the coming fishing season which will open May 20th.

The bass, according to Mr. Gurnee, are plentiful, and the members expect to have the best fishing ever known in these parts.

Any one wishing to join this organization may do so by calling on Mr. William Dater of 147 Lafayette avenue, as there are still a limited number of associate memberships still open.

After the meeting the members enjoyed refreshments.

OBITUARIES

Following a major operation at the St. Joseph's Hospital, Mrs. Urban Pistor of Schoon Avenue of the borough, died Monday afternoon. Mrs. Pistor is survived by her husband, parents, and two sisters, Anna and Hortense of Scranton, Pa.

Prayers for the dead were recited by the Rosary Society of St. Anthony's Church Tuesday morning at 11:30 A. M. o'clock. A requiem mass will be celebrated at St. Anthony's Church tomorrow morning at 8:00 o'clock, and will be attended by the members of the Rosary Society in memory of their late member.

Mrs. Urban Pistor was the sacristan of this society, and an earnest worker in anything she undertook. All members are requested to attend this Mass to pay last respects.

ST. ANTHONY'S TO PRACTICE SUNDAY P. M.

Dominic Mele will coach team

The first practice of the season for the St. Anthony's baseball team has been called for Sunday afternoon at 2:30 on the Glen Rock diamond. Anyone seeking a position on the team is invited to attend.

Coach Dominic Mele, has plenty of material and has visions of a Holy Name League championship.

The league is due to open May 1st.

JUNIOR DEPT. TO CONDUCT M. E. SERVICE

Young people to report on Met. Youth Conference

The Sunday evening service at the Methodist Church will again be conducted by one of the organizations of the church. This Sunday, the Church School will be in charge. The Junior Department of the School will provide the music in the form of a Junior Choir. The Intermediate Department of the School will conduct the worship service, and act as ushers. The Senior Department will use the time ordinarily taken by the sermon to bring a "Panel Report" of the Metropolitan Youth Conference in New York.

This church was very fortunate in being able to send five delegates to the conference which was held in Riverside Church in New York on March 8th, 9th, and 10th; this conference stands out as one of the significant gatherings in the present Christian Youth Movement. The delegates were addressed by Church leaders and others of national importance. The delegates from Hawthorne Methodist Church who attended the conference, and who will participate in the joint report on Sunday evening were Otho E. Hooper, Jr., James Barker, Charles Meyers, Jr., Grace Moore, and Jessie Blake.

BEST PLACE FOR A WAR

Well, if any European nation really craves a war, we'd rather see it fought in Africa than in Europe, and preferably in the middle of the Sahara Desert.—Burlington Hawkeye Gazette.

His Eyes Have Not Been Dimmed by Civilizing Influences

Eyes of man and beast were intended for use in natural light or darkness. During the ages of development of civilization, man has found it increasingly necessary to use his eyes in unnatural light. His reading, his study, his art, his craft, have demanded the use of his eyes under artificial illumination—the fire, the candle, the kerosene lamp, the gas jet, the electric bulb.

Until recently artificial illumination has never closely approximated natural light, and the result—man's eyes became old too soon.

Today we know more of illumination and the ill effects of improper light for close work. We know how to safeguard eyesight by proper illumination during evening hours.

Ask our lighting department to check the illumination in your home. This will be done without charge. It is a part of our endeavor to help our customers to get the most from their electric service.

PUBLIC SERVICE
A-3334

War Veterans' Problems Increase

Last year American Red Cross chapters dealt with the problems of nearly 400,000 veterans and their families. The workers find that as the years go on their responsibility increases rather then decreases. Changes in legislation, the increasing age of veterans and the consequent increase in physical ills, bring new needs for sympathetic treatment by trained Red Cross workers. In addition to this service to veterans the Red Cross served as the official medium between the people and the men in military and naval service, giving aid through this service last year to 6,979 men in the army, navy and marine corps.

Trained to Save Lives

First aid certificates were issued by the Red Cross last year to 130,972 persons who finished the course of instruction put on by the chapters. Included in this list were more than 70,000 foremen, time clerks and other key employes on Federal Civil Works projects. Further evidence of the government's endorsement of the first aid program is found in projects now under way where Red Cross chapters, at the request of the War Department, are giving first aid instruction in CCC camps. Where it has been requested by Army engineers the same instruction is also made available to key men working on federal water conservancy and flood control projects.

The Public has been trained during the depression to keep a watchful eye on governmental affairs and it is expected that the candidate who can prove his policies most beneficial to the Borough of Hawthorne will be the victor.

Centrals' 'Press Time'

SAM BRUNO

Howdy folks!

I suppose you are anxiously waiting to hear the names of the candidates in the contest for the most popular member of the Central A. C. Inc.

The reason for Lester Ackerson walking around town with his assured look is because he has attained the substantial lead of one vote over the other candidates. (By the way, the other candidates have not secured any votes as yet.)

With Lester assuming the attitude that he was elected Mayor of this noble borough, it made me investigate the ballot. Not contrary to my original opinion, I discovered that he granted Lester Ackerson the only vote in the contest. According to Ackerson, it was a matter of strategy.

It is my contention that it is not very good policy to vote for yourself when it is just as easy to bribe a vote. So I'm waiting for the individual that I approached on the question to deposit his ballot, and after that is completed I'll cast a second ballot for Bruno thus placing myself in the lead.

Maybe next week will tell us more about the election, and yours truly might be able to reveal some interesting news about the method of voting. By the way, don't forget to send your votes in as soon as possible.

At Monday evening's session of the social committee, it was reported that plans were progressing very satisfactorily for the dance. Dave Davie and Angelo Maineti reported that they had already distributed the total of 400 tickets of which the majority had been paid.

It is expected that the dance will be a grand social success, and all members and friends who are desirous of going should secure their tickets in advance from the club members.

Until we meet again -
Keep smiling.

BILL O'GRADY

"Howdy Folks"—Writing this column is going to be one of the toughest jobs I've ever had to do, for I have just come home from the funeral of one of the best friends a man could ever have, —my aunt.—I was always her fair-haired boy no matter what mistakes I made and I just can't find words to tell what my feeling is, as I struggle with this week's column.

But as my good pal N. T. G. always says—"the show must go on"—

We had a big detail down to the dinner for Claude C. Post at Dover last Thursday night, and among the speakers of the evening were, Natz Cohn Past Dept. Commander, Father Corr wartime Chaplain of the 114th Inf., and Hon. Harold G. Hoffman, the Veteran's Governor of our state.

Found out that night that the Post has two charter members of the Sissy Club, (no I don't have to name them; everybody knows who they are.)

When the Commanders-in-chief of the Sissy Club moved out of Dover with their squad, they left Comrades Dhondt, Nelson, Kenyon, Bohnny, Drason (the Russian Gas-man from Goffle Rd.) and your humble columnist, behind as a mopping up detail, and did we mop up?

The Ways and Means Committee pulled a fast one on your old scooper and are going to have a Spring Dance the 10th of next month up at Blasberg's. It's too early to start crowing about this affair,—more later.

Guess I had better tell you who the chairman of this affair is going to be, before I bring down the wrath of the unofficial five man Advisory Board upon my head. The chairman will be Comrade Hank Masten.

While we're talking about chairmen — Officer of-the-Day George Titus has got himself the Poppy Day job again this year—mark this date on your Mawhinney Ambulance Calendar—Saturday May 25th.

Had a story about Americanism Day prepared for last week, but due to lack of space it did not appear, but the Editor tells me you will find it else where in this paper.

There hasn't been any command "to cease firing" on those Bonus Letters comrades, so let's give them everything we have, for the next week is going to tell the story.

Get your eyes sharpened up for that Bagatelle Match to be held next Monday night up at the American Legion's new home.

Nothing new on the Baseball front "Gang, so keep those fingers crossed. Will give you the dope as soon as I get it myself.

A committee of citizens with Bill Mahon (well known Paterson fight promoter) as chairman, are sponsoring a big Athletic Night in the High School Gym April 23rd. Let's get behind them comrades and help them put it—over—the—top.

From what Bill tells me it will be a great show, and Ladies here's the chance you have been waiting for—to see a real Boxing Exhibition—so date your husband for that night.

No joke this week, because the way I feel you're lucky you got this much.

MRS. J. BUSER, NEW BOARD MEMBER TAKES SEAT MONDAY

Mrs. Lena Heyes Resigns—Edward Eichman Re-Appointed at Meeting—Committees Appointed For Coming Year

PRINCIPAL FAIRCLOUGH REPORTS

Business Manager George F. Kearns Gives Views On Matters Pretaining to Schools of Borough—Number of Changes Suggested

The resignation of Mrs. Lena Heyes, recently re-elected member of the school board and the appointment of Edward Eichmann, recently defeated candidate for re-appointment, in her place served as the highlight of Monday evening's re-organization meeting of the Board of Education.

Mrs. Josephine Buser, a new member, and at present the only woman on the board, was welcomed to her place among the commissioners by President W. J. Maynard and the rest of the body.

Election of officers and the appointment of the standing committees constituted the first business of the newly organized group. The results follow;

For the fourth consecutive time, W. J. Maynard was unanimously chosen to fulfill the president's chair. Arthur Gionti Jr. was made Vice-President and George Kearns remains as clerk to the board.

The committees were appointed as follows; Finance- Josephine Buser, Thomas Moore and W. J. Maynard; Teacher Committee- Philip Ferber, John McLaughlin and Frank Guillemin; Fuel, Janitor and Supply- Albert Stemmer, Arthur Gionti and Edward Eichmann.

The first Monday of each month was again adopted as the regular meeting night.

It was unanimously passed that the present staff of teachers be retained for the coming year at the same salary schedule, upon motion of Commissioner Mc Laughlin.

The report of the lunch room chef showed 350 children eating in the school cafeteria every day.

School Nurse Mrs. Alma Langfritz reported; 8 pre-natals, 25 babies, and 110 pre-school children now on her list; 34 treated for cuts and minor injuries.

Mr. Flood, who has charge of the leisure time activities for the E.R.A., was granted the use of the school playground during the summer months for outdoor activities.

Principal Miss Harriet Fairclough reported as follows;

Mr. President and Members of the Board of Education:

The attendance for the month of March has been fairly good, 94.8%. The two eighth grade classes attained an average of over 98.% for the month.

The school has worked in conjunction with the Recreation Committee for the entertainment given Friday night, March 29th. The children not only sold $11.-70 worth of tickets, but also supplied a half hour of entertainment, 27 children taking part in the program.

Mr. Johnson, of Hawthorne High School, has been here twice to confer with the graduating class and parents of these boys and girls. The enrollment of new students for next year in Hawthorne is;

	Boys	Girls	Total
General Course	2	7	9
Practical Arts	8	0	8
Commercial	2	9	11
College Prep.	6	3	9
	18	19	37

Two boys will enroll in the Vocational School, one boy for Agriculture and one will leave school.

We have had two new families move into the Borough, each with one child going to Hawthorne High School.

One boy, Austin Campbell, has left school.

We have received the fourth report from Hawthorne High school which I have tabulated as follows:

Out of 416 marks 21% or 87 are A's; 34½% or 144 are B's; 9% or 39 are D's and 3% or 13 are E's.

There are 2% more A's this time than last, about the same B's 2% more C's; 5% less D's 1½% more E's.

11 received at least A's and the rest B's.

9 received one or more failing marks.

Have ordered a set of James Truslow Adams new history of the U. S. This history is to be kept up to date ... next ten years ... Mr. Kearns this will be charged against the Library Account.

On March 4th., Mr. Kearns explained to the two eighth grades, the set up of the school budget and the Borough budget. Miss Meszeros and Miss Campbell were with the classes so as they might use the information for civics and arithmetic.

Following is the statistical report:

possible days	8175
present days	7726
absent days	449
tardy days	16
transpt. days	4269
% of attendance	94.8%
On roll March 31st.	391
On roll March 1st.	389
Transferred In	3

Respectfully submitted,
Harriet Fairclough, Principal

Business Manager George Kearns reported as follows;

Board of Education,
Borough of North Haledon, N. J.
Gentlemen:

Report for the month of March is as follows:

As directed by the Board of Education, the grills in the old school building have been closed and since that time I have not had any complaints of odors from the basement.

All 2½ gal. fire-extinguishers in the school bldg. have been recharged by our Fire Chief, David Walker. One new 2½ gal. soda tank has been purchased and installed in the basement corridor of new school bldg. as recommended by the Insurance Co. New hose for the soda tanks, and pyrene extinguishers in the Shop were recharged.

Plans and specifications for the construction of a dish gutter have been prepared by Schilling & Spinnler, Borough Engineers and this project was submitted to the E.R.A. for approval. Under this plan the Board of Education will pay for the material used and the E.R.A. will furnish the labor.

Mr. Flood, in charge of Leisure Time activities for the E.R.A. has requested the use of the playground during the summer months for out-door activities. Would like the Board to decide on this request.

Would like Mr. Guillemin to inspect one of the trees on the school grounds, this tree most of the upper branches are dead and the roots are exposed, may be best to remove the tree.

Would like the Board's opinion on matter of loaning the auditorium chairs, several requests have been made lately for the loan of these chairs. When the chairs were purchased a few years ago the Board then decided that the chairs were not to be taken from the building.

On March 29th. through the courtesy of Mr. Sieber, President of the Haledon Board of Education, I took the boys of the Eighth Grade to visit the Paramount Diner Building Co. of Haledon. In the construction of lunchroom wagons there is such a variety of materials used and different trades involved I thought it might be good for the boys to see one under construction. Mr. Singler loaned the Bus for this trip to Haledon and back.

On financial matters, the Finance Committee, audited the books and have a report for the Board.

Respectfully submitted,
George F. Kearns,
Business Mgr.

E. R. A. MINSTREL TROUPE WORK HARD

Work is progressing very rapidly on the E.R.A. Minstrel to be given in the near future. A very large cast of school children and adults is working hard under the very capable direction of Supervisor Flood and other E.R.A. employees to make the affair a success.

The Borough Hall is being used for rehearsals several afternoons each week.

NEW MEMBERS ADDED TO COMPANY NO. 1 ROLL

Eight new members were added to the roll of Fire Company No. 1, at their regular meeting Tuesday evening. They are; Daniel Vacca Sr., Roy Scheren, John Suter Jr., Earl Kearns, Norman Sykes, Frank Goerdes and Daniel Vacca Jr., all of whom joined as social members. Paul Wiesner was accepted as an active fireman.

The various committees gave reports, all of which were followed by lengthy discussions. Arrangements were completed for the entertainment and dance to be given Saturday. It was stated that it may be necessary to hold the affair two nights because of the demand for tickets.

It was also decided to keep all minor non-members out of the hall and recreation room except on their regular meeting night.

PINOCHLE CLUB ENJOY REAL SUPPER

Daniel Vacca and Wife Act As Chef and Host Saturday

The North Haledon Pinochle Club and a large group of friends enjoyed a real Italian spaghetti supper Saturday evening at the Belmont avenue fire house. Daniel Vacca, who is known for his excellent cuisine methods in the Italian style acted as host and chef together with his wife.

The evening was started off with a series of games following which the meal was served. During and after the repast entertainment galore was given. Dan says, "A good laugh helps juggle the delicious streamers to the proper place."

Among those who entertained were; Charles Marticek, who gave an imitation of an ultra modern buck and wing dance; John Bokar sang several comical songs; George Van Dyke, who dressed like a small girl and recited juvenile pieces. Best of all, Dan Vacca gave some of his famous "dynamite" tricks holding the audience spell bound.

FRIDAY'S SHOW HUGE SUCCESS

The circus and bazaar staged by the various departments of the First Presbyterian Church, Friday evening was pronounced a success both financially and socially by the committee in charge. It proved to be something different, much to the satisfaction of the audience.

The committee and Reverend Thomas De Lawrence wish to thank the many who helped make the affair a success.

A MISDEAMNOR TO START FIRES

Fire Chief David Walker and Assistant Chief Charles Marticek have issued the request that anyone intending to burn brush about his home let either the chief or the assistant know about it, so that in case of an alarm they will know just what is what. Assistance will be given parties wishing to protect their property by burning the dry brush, if application is made to the department.

It will be considered a misdemeanor to start fires of any extent without the consent of the fire department and violators will be punishable by law.

POUNDMASTER LEE COMPLETES CHECK-UP

Sixty more dogs than last year making a total of 514 registered was the report of Poundmaster Joseph Lee following his complete check-up of all the dogs of the borough in his house to house Campaign.

Mr. Lee also reported that he destroyed forty dogs since the first of the year and has a large number in captivity at the present time. Anyone may have one of these upon payment of the small fee attached to the service.

COACH FRED COURIER TO PICK TEAM LATER

Coach Fred Courier was busy over the week-end with the Lakeside Nine, giving them some good work-outs in tossing and hitting. The team will be announced after the next practice and Coach Courier is confident of having a good team and asks that groups desiring games get in touch with him soon.

BENEDICTS' RANKS LOSE OUT TO CUPID

Well Known Borough Resident To Be Married Saturday

CAST OF TWENTY

Other Surprises In Store for Audience—Extra Tickets Printed

The marriage of Herman Gionti to a well known resident of North Haledon next Saturday at the Belmont avenue fire house is drawing much comment from North Haledonites who contemplate coming down to see the ceremony.

The joining in wedlock of these two members of the community entails a cast of over twenty important personages of the borough, all of whom are well known. Those who will take part follow;

Maid of Honor- David Saunders; Brides Mother- Richard Kuhnert Sr.; Bride's Father- Anthony Hilaire; Bride's Grandmother- Richard Saunders Sr.; Jilted Sweetheart- Tommy Fazzio; Best Man- George Van Dyke; Bridesmaids- William Brautigam, Daniel Vacca, Halmuth Lang, August Bingler;

Flower Girls- Fred Currier, Otto Huebner; Bride- Charles Marticek; Groom- Herman Gionti; Ring Bearer- George Frankovits; Preacher- Henry Van Dyke.

In addition to this unusual type of entertainment, the fire fighters have prepared several other surprises in the form of a one act play entitled, "The Flash", starring Andrew Hilaire, George Van Dyke, and John Bokor and specialty numbers by Harry Howe and Frank Bokor.

Following the exceptional program of entertainment dancing to the music of a popular orchestra will be enjoyed by those who wish to trip the light fantastic.

The public is cordially invited to come out and enjoy a night's fun but the firemen wish to make it plain that they will not be responsible for any mishaps caused by excessive laughter.

The plays will begin promptly at eight- thirty. Come early as an extra hundred tickets had to be printed to satisfy the demand. Requests have already been made to have the performance two nights.

PROUD PARENTS

Mr. and Mrs. Arthur Gionti, Jr., are the proud parents of a bouncing baby boy, born in St. Joseph's Hospital, Tuesday evening. Both the mother and the "blessed event", Eugene, are doing nicely. Also the father!

HENRY LUCAS ELECTED HEAD OF LOCAL CLUB

Other Officers Also Take Seats—Large Attendance

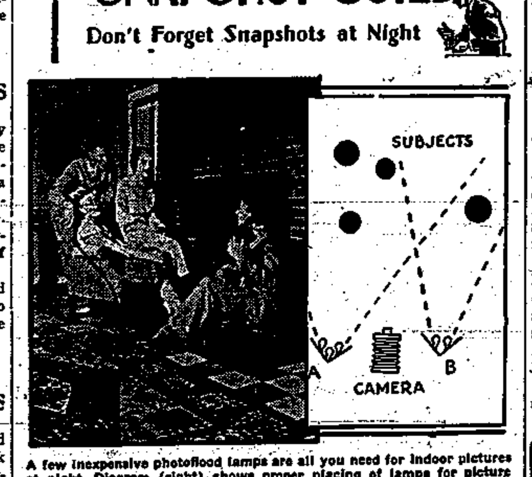
The Squaw Lake Rod and Gun Club has as its new head, Henry Lucas, who succeeded Fred Walders after one of the largest elections in years. August Bingler was reelected vice president, Len Kuiken, treasurer, and Samuel Buser Jr. secretary.

Due to the large attendance much business was accomplished. The work of the Fish and Game Commission was one of the main topics with objections made to several of the pending bills concerning sports in which they were interested. Secretary Buser was instructed to communicate with the district representatives concerning them.

Plans for the coming fishing season were also discussed with many tentative plans made for the trout season which opens in April.

The SNAPSHOT GUILD

Don't Forget Snapshots at Night



A few inexpensive photoflood lamps are all you need for indoor pictures at night. Diagram (right) shows proper placing of lamps for picture (left). Diaphragm opening, f 6.3; shutter speed 1/25 of a second.

ALTHOUGH you may not be one of those lovers of the great outdoors and prefer the warmth of the old fireplace or furnace these cold, damp wintry evenings, there is no reason why you should not enjoy your camera, for it is always ready for action in or outdoors—an all-weather friend.

Time passes quickly and before we realize where the days and weeks have gone the air begins to get a little balmy and we are thinking of the garden, the yard or those pleasant drives in the car after dinner.

The next three months, however, are ideal for snapshots at night in the house and if you have not already experienced the pleasure of this fascinating pastime you have certainly missed a lot of fun and failed to "follow through" on your amateur photographic knowledge.

The "hey-hey-hi-de-ho" days of youth are the ones we always remember and as snapshots at night are so easy to take why not start in right now and make picture records of the many happy winter evenings at home. All you need are three or four photoflood lamps for brilliant illumination and a camera with an f.6.3 lens, or faster. Photoflood lamps cost only twenty-five cents each and as they are good for two hours of picture taking, the cost per picture is negligible. For the best results you should use the modern super sensitive panchromatic film. It is available in all standard sizes.

Let's suppose that Mary and you are entertaining Betty and Jack and everybody is as happy as the foursome above seem to be. Let's make a snapshot at night of your party.

The diagram indicates the relative placing of the subject, lights and camera for this particular group. For a different setting you can place the lamps accordingly.

After you have located the group in the finder and the camera is set place an ordinary floor lamp, with the shade tilted upward, at position "A" as close to the subject as possible but out of the range of you finder. Lamp "A" should have sockets for three photoflood lamps. Two will do if you can have the lamp within three or four feet of your subject. (The light intensity increase as you place the lights closer to the subject and decreases when farther away.) Two photoflood lamps should be placed in lamp "B." Where shades on home lamps cannot be tipped for directing light on the subject, remove the shade. In such cases, some sort of reflector back of the lamp will throw more light forward, a white cardboard, a pillow case, or even a bright dishpan held directly behind the lights will help.

Set the diaphragm at f.6.3. If your camera is equipped with a self-timer set the shutter speed at 1/25th of a second, turn on your photoflood lamps, take your position in the group and—click—it has made a snapshot at night for you.

If you have a box camera you had better use a photoflash lamp (not to be confused with photoflood lamps). Here's what you do. Place the floor lamp slightly back of and a little to the right or left of the camera. Remove the shade and screw the photoflash lamp into one of the sockets—and be sure the current is "off." Assuming you have located the group or subject in the finder, open the shutter as you would for a time exposure and immediately turn on the photoflash lamp and after the flash of the lamp close the shutter at once.

Simple enough, isn't it?

The possibilities for indoor picture taking are endless and you are missing a lot of fun—and fascinating pictures—until you try it.

DANCE VERSUS SPAGHETTI; WHICH WINS?

Mayor's Request of Conflicting Dates Are Disregarded

A very poor turn-out was had at the entertainment and dance given under the auspices of the North Haledon Recreation Committee Saturday evening, at the High Mountain road Fire House.

Reasons for the poor showing were not evident except that a spaghetti supper was being served at the Belmont fire house at the same time, which kept a large number from attending the benefit program. However it is hoped that those who did not come will at least help forwarding the amount of their tickets.

The entertainment was deserving of the highest praise and it was a pity that there were not more there to enjoy it. The committee wishes to thank those who helped and especially thanks those who so generously donated their talent for the good of the community.

INSTRUCTIVE TRIP ENJOYED BY TWO EIGHTH GRADES

The boys of the two eighth grades of the Memorial School enjoyed a very instructive trip to the Paramount Diner Builders establishment Thursday afternoon. The trip was made as part of the regular vocational training given in the school under the capable direction of George Kearns, manual training instructor.

The class studies were based upon woodworking and metal working, giving the young mechanics the theory of each together with practice in the simpler arts and crafts. At the body building factory they were able to see their teachings being carried out by professionals.

CLOSE SEASON WITH FAST, HARD VICTORY

The Lakesides A. C. closed its basketball season with a victory over the Hawthorne Convicts by the tune of 37 to 28 in a very fast and hard fought struggle. The game was played on the High Mountain road fire house court, Sunday. Suter scored 17 and Gurrel 14 for the locals.

After the game, coach Edward Rainey was presented with a beautiful wallet with his name and the names of the players inscribed in gold. Assistant coach, Mr. X. was also awarded with a belt. It is planned to have a banquet in the near future for the members.

SIDEWALK GRADING UNDER W. BRAUTIGAN

The grading of sidewalks by the E.R.A. program is progressing very nicely under the capable direction of Supervisor William Brautigam. Many local unemployed men are being given work through this project, which will provide safe walking places for the pedestrians of the borough, and especially the school children.

CALL FOR HELP GETS POOR ANSWER

Work Goes Ahead—Field is Being Put in Shape For Season

Work on the recreation field is going right ahead in spite of the rather poor response to the call for aid from the citizenry of the borough. The rock has been drilled and blasted during the week and arrangements have been made to have soil dumped on the low parts of the field before the week is over.

Now that the baseball season is gnawing at the very souls of the enthusiasts, it is wondered by the recreation committee whether or not volunteers will come forward to put the field in shape for the opening games. It was also pointed out that with the number of athletic organizations now existing in the community the members ought to be anxious to do their share of the work. The backstop is up and the infield is in pretty good shape. Let's get at the outfield!

The Lakesides A. C. is planning to do some work on the field in the near future. There are many strong boys in the group who are full of ambition and who like to work outdoors and who, knowing that they will use the field a great deal, intend to do their share.

FAST AND FURIOUS FUN IN "THE WINNING TICKET"

May Robson in "Grand Old Girl" at Hawthorne Theatre

"Grand Old Girl"

Those who revere the memory of some school teacher who has helped them on the way to success, will be particularly interested in the new May Robson starring feature, "Grand Old Girl," it is claimed. The picture, an RKO-Radio feature, is said to pay a striking tribute to the teaching profession, appears at the Hawthorne Theatre Thursday and Friday, April 4-5.

With Miss Robson in the role of an elderly high school principal, the story centers about a theme of unselfish devotion to duty and gallant courage. Knowing that to do so may cost her both her job and her retirement pension, the aged principal conducts a spirited one-woman campaign, to rid the town of a secret drinking and gambling place which threatens the moral welfare of her students.

This struggle, which has its highly amusing aspects as well as its serious side, builds to a highly dramatic and poignant climax, featured by the appearance of the President of the United States to pay a tribute to the teacher of his youth.

"Silver Streak"

Recording on the motion picture screen the crowning achievement of a century of railroading, RKO-Radio's "The Silver Streak" brings to the public the first glimpses of the new streamline train of the Burlington Railroad. The Burlington Zephyr, rechristened "Silver Streak" for the picture, appearing at the Hawthorne Theatre as a co-feature of "Grand Old Girl".

Aside from its strong element of drama, "The Silver Streak" is indeed a cinema show-case of modern wonders. In addition to the fast new train, the first pictures of the Boulder Dam are brought to the screen. The first scenes of the new Moffat Tunnel, that put Denver on the main line of a transcontinental railroad and required twenty years to drill, are screened for the first time. The great invention of medical science, The Drinker Respirator, commonly called the "iron lung", that is a boon to sufferers from lung paralysis, also is shown for the first time.

"The Winning Ticket"

There's always something funny about families of mixed nationalities—but when such a family is headed by Leo Carrillo and Louise Fazenda that's something else again.

Wholesale hilarity is presented by this team, introduced as the latest comedy team of pictures, in "The Winning Ticket," Metro-Goldwyn-Mayer's uproarious romance of the Irish Sweepstakes, playing at the Hawthorne Theatre on Saturday, April 6th.

Carrillo, who made Italian comedy dialect famous in "Lombardi, Ltd.," is inimitable as an Italian barber, with Miss Fazenda as his belligerent though affectionate Irish wife. Ted Healy aids and abets the new team as the shiftless brother-in-law.

James Ellison plays the romantic lead, and Luis Alberni and Akim Tamiroff, as Italian relatives, add greatly to the hilarity of the occasion. Three clever children appear, Betty Jane Graham, Billy Watson and little Ronnie Fitzpatrick.

The comedy highlights include the barbers' picnic, the comical "reconstruction" of the baby's hiding the missing ticket, the uproarious quarrel in jail, and other lively and diverting details.

"Society Doctor"

Following the success of "Men in White," the medical drama in which Clark Gable and Myrna Loy scored one of their greatest hits, Metro-Goldwyn-Mayer brings to the Hawthorne Theatre screen, starting Sunday and Monday, April 7th and 8th, its new story of hospital life, "Society Doctor." In the new feature the romance within hospital walls is played by Chester Morris and Virginia Bruce.

"Society Doctor," in which a lifetime of love, drama and pathos is crowded into the brief span of eight hours, tells the story of Dr. Morgan, young chief interne in an emergency hospital, and of his friendly enemy, Dr. Ellis, and their competition for the love of Madge Wilson, a pretty nurse.

Morris plays the role of Dr. Morgan who feels that there is no place in his life for love or marriage. Virginia Bruce, who recently scored an outstanding hit as Jenny Lind in "The Mighty Barnum," is seen as the nurse, Dr. Ellis, the third member of the triangle, is portrayed by Robert Taylor, a comparative newcomer to the screen who holds promise of progressing far in pictures.

The new drama is said to be replete with thrilling action from its opening sequence to its final fade-out, with the high point of the story occurring when Dr. Morgan is shot by a gunman in the hospital. When all the surgeons of the old school refuse to operate in order to save his life, Dr. Morgan directs his own operation on himself, with his rival, Dr. Ellis, wielding the knife.

"Mills of the Gods"

With a cast that fairly sparkles with stage and screen personalities; "Mills of the Gods," a Columbia production, will head the new program at the Hawthorne Theatre starting Tuesday and Wednesday, April 9-10. The picture should be of great interest to all theatre-goers as it deals with a modern, topical theme.

May Robson, veteran screen trouper, has the starring role—that of the owner of a large plow company. When she is confronted with bankruptcy and the possibility of closing the mill, thus throwing hundreds of employees out of work, then does Mary Hastings solve a problem employers face in the country today—keeping the mill open and out of the red.

Fay Wray and James Blakely are seen as the two extravagant grandchildren who are brought to realize that money isn't everything. Miss Wray, who has appeared in eight pictures since the first of the year, adds a new type of a role to her record. She is the last word in sophistication. James Blakely, imported by Columbia from the New York stage, plays his first major role in this picture. He is seen as the adoring brother of Miss Wray.

"SEQUOIA" DEPICTS REVOLT OF ANIMALS AGAINST MAN

Harvey Stephens, Constance Bennett, Clark Gable in "After Office Hours"
At the Warner Theatre in Ridgewood

Secrets of the wild things of the great American forests and animal scenes never before witnessed by human beings are now to be seen on the screen in "Sequoia" (pronounced "See-qu o-y a h"), Metro-Goldwyn-Mayer's startling and "different" picture, now showing at the Warner Theatre Ridgewood, Thursday and Friday, April 4-5.

Struggles to the death between male deer during the mating moon, the unceasing warfare of mountain lions and other wild animals have been captured by the camera after one of the most unusual series of expeditions in the history of motion pictures.

For months in the spring and summer, until heavy snows blocked the roads and trails, M-G-M's little band of adventurers penetrated the great mountain wilderness of the West. With camera and sound track they went into governmental game preserves where the sound of a gun is never heard, and where wild life exists as in the days when the white men first came across the prairies.

"Ruggles of Red Gap"

With Charles Laughton, eminent English actor, in the title role, "Ruggles of Red Gap," Harry Leon Wilson's famous story of society in the backwoods of America during the rollicking 1900's, comes to the Warner Theatre, Saturday and Monday, April 6-8.

Produced by Paramount, the picture features Laughton with an all-star comedy cast, including Mary Boland, Charlie Ruggles, Roland Young and ZaSu Pitts, in the ludicrous tale of the perfect butler, won in a poker game and brought back to Red Gap, U. S. A. to create a furore in the provinces.

The film opens in London where "Ruggles" changes masters as the result of an all-night poker session. On his first day with his new — and democratic — master, "Ruggles" starts out to show him the picture galaries and winds up on a drunken spree.

Brought to the United States, he is introduced to Red Gap society as Colonel Ruggles of the English Army. The butler becomes so infused with the democratic spirit himself that he loses his old feeling of servility and starts out on a career of his own.

"After Office Hours"

Speed, action and romance are the high points of "After Office Hours," new Metro - Goldwyn-Mayer production playing at the Warner Theatre Tuesday and Wednesday, April 9-10.

A fast-moving story of adventurous romance, it deals with a society murder-mystery against a background of modern-day newspaper life.

RUGGLES OF RED GAP
at the Warner Theatre

Two famous stars, never teamed before, share honors. They are Clark Gable and Constance Bennett, who are slated to go a long way as a team. Indications are that they will follow in the footsteps of the famous Crawford-Gable and Shearer-Gable combinations, so popular with fans.

In this film, Gable plays a hard-boiled newspaper editor who is determined to get his story even though it requires the tactics of the Northwest Mounted. Constance Bennett plays his beautiful society reporter—and romantic nemesis.

When the editor, out to "break" a threatening scandal, runs into a cold-blooded murder, excitement begins. Unlike most murder-mysteries, the audience knows who is the murderer, then enjoys watching the mystery unraveled by a trained newspaper investigator.

Maybe they could use some of the black western soil dust on those rocky farms in Vermont and New Hampshire.

Maybe Huey Long intends to show us a new stream-line political machine if he goes into action this year.

MUSICAL COMEDY "ROBERTA" NOW PLAYING AT FABIAN

At last the screen presents the perfect musical comedy.

RKO-Radio, which produced "Flying Down to Rio" and "The Gay Divorcee", has outdone itself with "ROBERTA", opening tomorrow at the Fabian theatre, a glamorous, romantic and tuneful production starring Irene Dunne, Fred Astaire and Ginger Rogers.

A delight to the eyes and the ears, and a treat to the emotions, "ROBERTA" contains every element of entertainment. The romantic story, richly spiced with comedy and containing some strong human interest drama, is closely knit, convincing and entertaining. Without the delightful musical numbers and superb dancing, it would still hold audience interest.

Those singing and dancing numbers, however, rank as the best ever brought to the screen. Lovely Miss Dunne never before has sung so beautifully as she does in this picture. As for Astaire and Miss Rogers, they positively surpass themselves.

A brilliant fashion parade, in which strikingly beautiful models display a wide variety of stunning creations, is a colorful feature of the picture.

The story centers about romance in a Paris gown shop after Huck Haines and his former All-American football player pal, John, are stranded in France with a jazz band. John suddenly finds himself proprietor of the "Roberta" gown shop in Paris and falls in love with the beautiful head designer, who is an exiled Russian princess. Huck, the irrepressible, finds a great dancing partner, and a big heart throb, when he meets an old girl friend from his home town, who is masquerading as a countess.

Randolph Scott is John, who makes love to Miss Dunne. Astaire and Miss Rogers are the Huck and Countess of the story. Splendid supporting performances are contributed by Helen Westley, as Madame Roberta; Victor Varconi, Claire Dodd and Lois Alberni.

"ROBERTA" will establish entertainment standards for a long, long time.

Peter Smith, famous narrator presents his latest interesting sport reel, entitled "DONKEY BASEBALL". The weekly news events, rounds out the Fabian de-luxe program.

Here is a lesson for those European nations: Finland is the only nation which paid us what she owed us; and Finland is the only one of the debtor nations who doesn't seem in danger of getting into war. The moral is that it pays to be honest and settle your debts.

AMATEUR NITE ENJOYED BY LARGE CROWD

Expert Talent Appears at High School

Amateur Nite was presented at the Hawthorne High School auditorium last night by the Excelsior Band of Paterson, under the direction of Professor Benjamin Selletti.

Following the presentation of the twenty three piece Excelsior Band by Mayor Arthur Rhodes, they played three selections, "El Capitan," "Field Cornet", and "Old Soldiers Never Die."

Six year old Betty Vogel who received the first prize from a field of twenty-five contestants sang "Barnacle Bill the Sailor". She was received by the 1500 applauding spectators with much enthusiasm.

Joseph Selletti received the second award for his sparkling trumpet solo. Coming from a family of musicians, Selletti is well known around Paterson and the vicinity for his musical talent. Matthew Selletti, his eleven year old brother also rendered a trumpet solo.

The Eli Colored Trio from the Roger William Church of Passaic received tremendous applause after harmonizing the lullaby "Mighty Like A Rose." They were awarded the third prize.

Thunderous applause from the capacity audience greeted the unanimous decision of the judges. The members of the judging committee were: Mayor Rhodes, Al Smith, and William Boote. Peter Vogel acted as the master of ceremonies.

CHILDREN MAKE PLAY REALISTIC

Peter Lowe, a toddling tot of four, and one of his friends were playing with his fire-engine Wednesday morning and decided to add a touch of realism to their little leisure by sounding fire box 1-6. Firemen answered the call, but couldn't locate the fire. After questioning the kiddies they discovered the cause of the alarm and scolded the youngsters. The children promised never to do it again.

LET'S GO, AMERICA!

Surveys show that America is "getting behind the wheel" in greater numbers this Spring than at any time for the past four years. And as a "Spring Tonic" for motor cars, a revolutionary method is now being used to make a new kind of summer oil, it was announced here today.

A GAS transformed into liquid under pressures of from 200 to 250 pounds per square inch plays a vital part in the revolutionary process perfected by the Socony-Vacuum Oil Company to provide motorists with a new kind of summer motor oil announced today. The new oil will be available this week throughout the country.

The gas transformed into liquid as a step in the new refining process is known as propane. Stored in two huge cylindrical tanks, it is powerful enough to blow up an entire town, yet it performs a most revolutionary development in the history of the petroleum industry.

The propane is liquefied by subjecting it to high pressures and then acts as a solvent which removes all of the valuable parts of the crude oil. Meanwhile, another solvent known as cresylic acid dissolves and settles the natural impurities present in even the finest crude petroleum, yielding it of carbon and gum forming elements. After the impurities have been carried away, the propane-oil mixture is permitted to reach room temperature and the propane, once more a gas, bubbles away.

The process insures for the first time an oil free from weak and unstable elements which burn up with engine heat. Motorists who use the new summer Mobiloil will be able to drive farther this season and spend less in oil purchases. The new summer Mobiloil has the highest resistance to gumming of any oil yet developed. After 100 hours of engine operation with old-type oils the engine valve chamber is coated with gum formed by impurities which the old chemical refining processes failed to remove from the crude oil. Gum causes higher repair and overhaul expenses for the motorist.

Road tests from Canada to Mexico in more than 100,000 miles of driving have given the new summer oil thorough practical trycils. Such a hard-driving cross-country test as that staged by Harry Hartz, race driver, famous for his high quality of the new oil, automotive engineers point out.

Two huge plants at Pamlebore, N. J., and Beaumont, Texas, were built especially to provide full production facilities for the revolutionary process perfected by Socony-Vacuum engineers after years of research and study on the new refining method. Chemists describe the new process as a physical one as contrasted with the chemical refining methods of distillation and acid treatment previously used. The new oil also contains materials in its composition from the rich lubricating oil without any chemical change in the oil.

COACH KING WORRIED OVER BALL MATERIAL

Team will be minus good batteries

Coach King is worried over the baseball situation at the High School.

"Infielders and outfielders, I have some.

But, pitchers and catchers, I have none." Gums up the whole situation.

George Maher, former ch...seph High burler, on whom Mr. King had depended to do the mound work, recently passed the age limit for High School athletes, making him ineligible to participate in any school athletics.

Five games have been listed up to date; two with Preakness Talent, two with Saxonys, and one with College High of Montclair, leaving five open dates on their ten game schedule.

The players have been practicing indoors for the last couple of weeks, waiting for the warmer weather to allow them to play at Weidmann Oval, their field for the coming season.

REGULAR TEAM TO BE PICKED BY COACH GIONTI

The boys of the Memorial school are anxin' to go with their baseball togs just itchking for the start. With the pleasantry weather the fewer has surged up and they can be seen tossing the old horsehide about with considerable dexterity.

Before the next week is over the coach, Herman Giontie, expects to have the regular team picked. He also intends to have several second teams in order to start the younger boys off on time to have a better team when they ups a bit.

There is still a number of veterans from last year's team who will probably take their places again with as never blood. If the new field is made soon several twilight games are planned for the various groups.

RANGERS ATHLETIC CLUB SHOW SPIRIT

The Rangers Athletic Club has made a start in showing its attitude toward the athletic field. Saturday they went 'out in a large body armed with rakes shovels and hoes and leveled off the field. It is expected that other organizations will follow suit in the near future.

CHARLES SCHOEFFEL PASSED AWAY SUNDAY

Many Friends Mourn Loss of Well Known Personage

Friends regret the passing of Charles Schoeffel, Sr., husband of Henrietta Schoeffel, Sunday, at the home of his son, Charles Schoeffel, Jr., Summer Ave.

Mr. Schoeffel was well known in the borough and surrounding communities being one of Paterson's pioneer jewelers. Although he had been inactive for the past two years, Mr. Schoeffel conducted the jewelry establishment on Broadway for more than fifty years. His son is now carrying on the business.

Mr. Schoeffel was born in Switzerland. He was a member of the Fellowship organization, Swiss Turn Verein, Helvitia K.U. of C. Gretli Maennerchor, Social Hall Association, Helvitia Dunkerchor, Paterson Sangerbund and the Steuben Society.

He is survived by his wife and son, Charles.

CREDIT SHOULD BE GIVEN

The Hawthorne Press believes that they are presenting a non-partisan point of view when they declare that Mayor Arthur Rhodes and the gentlemen who assisted him in preparing the budget for this year should be congratulated for their excellent service to the community. The taxpayers of Hawthorne should be pleased to be informed that the tax rate for the fiscal year 1935 will drop 23 points.

To be fair the people of this community should give credit to the County Tax Commissioners of which Mrs. Teresa L. Ghesquier is a member for their firm stand to have the equalization system of county tax adopted. The County Board aided the borough by granting us a reduction of approximately $15,000.00. This aided the commissioners in reducing the tax budget.

We believe that credit should be given where it is deserved.

Boro Tax Rate Reduced

ships to receive a substantial reduction for the first time in many years. The members assisting Mrs. Gheqvier on the commission are Herman Tobin, Democrat, chairman; and Robert Williams, Republican.

Although the district school tax increased from $191,545.45 to $211,515.11, the commissioners were able to reduce the budget of the borough affairs enough to make a decided drop. However, it is evident that the amount paid to the state for school tax decreased $4,661.57 which accounts for part of the necessary increase in the school budget.

The commissioners were able to reduce the direct local tax from $269,909.07 to $257, 494.26, saving about $34,414. 81 in this item. However, the mandatory expenditure for soldiers bonus increased $402.18.

The manner in which the money collected on the property tax will be spent is as follows:

State School	.24¼
Soldiers Bonus	.01⅝
County	.63⅛
District School	1.56
Local	1.75
Grand total	4.20

Alex L. Gray Enters Local Political Race

(Continued from Page 1)

Gray also has served as Tax Assessor since 1931.

In 1931 he was campaign manager for Messrs. Rhodes, Ottell and Jowett. He also acted in this capacity during the campaign of 1929 for Rhodes and Jowett.

Mr. Gray has been affiliated with the following organizations: Joppa Lodge No. 29 F. & A. M. in which he is treasurer, member of the Scottish Rites, Exempt Firemen, and a member of the National Guard.

Having resided in the borough for more than twenty years, Mr. Gray has been acquainted with the affairs of this community. He is the father of three children: Mrs Marion, at home; Seamen H., teacher at the Hawthorne High School; and Helen, wife of C. T. Harding, representative of the Standard Oil Co. at Washington, N. J.

School Board Plans Several Improvements

(Continued from Page 1)

Harold Voorhees of the finance committee stated that he was cooperating with Mayor Rhodes to secure sufficient funds to meet the payroll for the board employees. At the present time, the revenue collected will not be enough to meet the April 15th demand.

The following individuals and organizations were granted requests: Rotary Club use of the high school auditorium on May 3; Citizens Athletic Committee use of the high school gymnasium on April 23; Hawthorne Post Junior Bugle and Drum Corp use of the gymnasium in the high school on Saturday mornings during April, May, and June; Hawthorne High School Alumni Association use of high school auditorium on June 7; Doris Statham use of Lincoln school at usual fee for May 17; and the E. R. A. Symphony Orchestra permission to use Washington and Lincoln Schools one night each during the month of May.

It was decided that graduation for the grammar schools would be held in the following manner: Washington in their own school; Lincoln in their own school; and Franklin, Roosevelt, and Lafayette in the high school.

Two E.R.A. workers were secured to aid the grade schools in their physical training work. The board granted the sum of $50. to purchase equipment for the schools and playgrounds.

Miss Mildred Hildebrandt was hired as a half time teacher for six weeks to assist the teachers in training the pupils for the graduation exercises.

2 P. M. to 10 P. M. Hours Set For Registering

(Continued from Page 1)

hours for registration are from 1:30 P. M. to 9:00 P. M. Eastern Standard Time and from 2:00 P. M. Daylight Saving Time. These hours will be observed by the District Boards of Registry on April 30.

An act pending in the State Legislature will make it mandatory for all citizens who are desirous to vote on May 14th to register on April 30th. This law will recede the privilege of voting by affadavit on the day of election.

Petitions were presented by citizens and property owners protesting against a proposed junk yard that they claimed might be established on the property at the corner of Royal and Warburton Avenues. The matter was referred to the borough counsel, because no request for a permit was made.

Petitions entered the commissioners session when James Longson asked the mayor to clear the street about the $47,000.00 loan to meet the teachers payroll. After a mising a few words about the loan, Mayor Rhodes settled the issue and stated that many organization aided in securing the funds. However, he believed the aid of the county democratic leaders helped in securing the approval of the loan.

Several matters of routine business were attended to by the commissioners.

Local Man Charged With Relief Fraud

(Continued from Page 1)

9 to March 6 Van Ostenbridge received the sum of $177.83 for services rendered as a bricklayer at the North Jersey Training School. During the same period he received $82.40 in food, clothing, coal, cash, and etc. On February 28th Van Ostenbridge appeared at relief headquarters and assured the authorities that he was not employed.

Van Ostenbridge told Judge Schoonmaker that he had only paid off in back debts with the money he had earned and he had checked off the relief list a month ago. However, he was informed that the E.R.A. funds were not to be used to pay off back debts or was it a finance organization.

The County Relief department was represented by special investigator, Louis E. Bloetjes, who charged Van Ostenbridge with the intent of cheating and defrauding and to accept by false pretense the funds from the E.R.A.

A complete list of the amounts that Van Ostenbridge received from the Emergency Relief Administration between January 9 to March 2 are as follows:

Milk, $4.03; coal, $5.72; cash, $10.30; cash, $11.00; clothing, $2.45; coal, $5.72; milk, $5.25; cash, $10.30; clothing, $2.75; stove grate, $1.25; milk, $2.08; cash, $8.90; milk, $4.03; cash, cash, $10.30; and milk, $4.53, making a total of $83.47.

A list of the amounts received by Van Ostenbridge while he was employed at the North Jersey Training School is as follows: $38.13, $16.06, $52.50, $38.75, $37.50, and $15.00, making a total of $171.88 earned while employed.

The grand total received by Van Ostenbridge between January 9 to March 2 was $255.35. During the same and a half weeks that are in dispute Van Ostenbridge made a weekly wage of $34.04.

Good Gov't League Opens Campaign

(Continued from Page 1)

dates will wage a good campaign having had two of the candidates in contests for commissioner in previous years. At the last commissioners election Mr. Houman was a candidate with Jerry Faber. During campaign preceding the one that elected the present commissioners, Harold Schoonmaker was affiliated with Peter Mason and Charles E. Knoble.

No definite platforms has been offered by the candidates at the present time, however, it is expected that the campaign of the Good Government League will receive great momentum during the next week.

The following statement was received from Paul Benkiriski:

An open letter to the voters of Hawthorne:

The Good Government League was organized sometime ago to promote an honest efficient and above all a harmonious government. It is composed of most of Hawthorne's highly respected citizens who have banded together as a non-partisan organization to give Hawthorne a better government. Up to the present time, Hawthorne has always had to put up with officials, whose aims and purposes have been at variance with one another. Result has been harmful and expensive for our taxpayers. We have had to put up with inexperienced officials, officials who never had any conception of the requirements expected of them. They did what they could, but their best was not good enough for our best interest. The affairs of a municipal government are no different than a well operated business. It needs man with vision ability.

We have selected three qualified candidates. Each candidate is well qualified to fill the office assigned to him. Mr. John C. Houman, present commissioner of public safety, if elected will head the road department; Mr. Houman, To state highway inspector. Through his untiring efforts Hawthorne has had several streets permanently improved with state and county aid, with very little expense to the taxpayers of Hawthorne. He is a great asset to Hawthorne and voters should consider a privilege to have a so valuable candidate as Mr. Houman heading the Borough's road department. He knows roads and road building and will save many dollars to Hawthorne taxpayers.

Mr. Paul Ordway, a former school commissioner in charge of education has done wonderful work in that department for the last three years. Last year when the school teachers were unpaid for long periods of time, Mr. Ordway negotiated a 47,000.00 dollar loan from state aid, through the active co-operation of some of the county freeholders so that the teachers could be paid without undue wages. Mr. Ordway is highly educated and is respected citizen. He is well qualified to fill the position of finance commissioner and if elected he will make an able and creditable commissioner. In Mr. Ordway the citizens of Hawthorne have all the right to expect strict efficiency and economy in the financial affairs of their Borough. He is industrious, taskreminded and of rare good judgement.

Mr. Harold P. Schoonmaker, our third candidate, needs no introduction. He is Hawthorne's present police recorder and, as such he has established and enviable record for fairness and for honest and efficient administration of the recorder's office. He is very popular among all classes of citizens in Hawthorne. He has acquired a complete insight of police and fire department matters. With such valuable knowledge at his command the "Judge" as he is known among his host of friends, undoubtedly will render to the taxpayers of Hawthorne that fine and efficient government that Hawthorne citizens have a right to expect of their public safety commissioner.

The above three candidates are all well qualified to fill the particular offices to which the Good Government League has drafted them. In this campaign the league asks all citizens, irrespective of party alliance, to stand by these our candidates.

Three is harmony in the rank of our candidates and they stand together in this fight. The Good Government League takes this opportunity to recommend to the serious minds of tax burdened citizens of Hawthorne.

A few sweet herbs in a corner of the garden will be welcome kitchen material. They are inexpensive when grown from seed.

MISS LOWE BRIDE OF ARCHIE APRIL

Couple United by Rev. Sluyter of Paterson

Miss Marie Lowe, daughter of Mr. and Mrs. John Lowe of 156 East Main St. and Archie April of 85 Mohawk Avenue, Hawthorne, were united in matrimony last Sunday afternoon, by the Reverend Henry Sluyter, pastor of the Second Reformed Church.

The bride wore a gown of powder blue with a hat to match and wore a corsage of roses and sweet peas. The bridesmaid wore a peach frock with a hat to match and had a corsage of sweet peas.

Following the ceremony the couple left for a trip to Washington, D. C. After the honeymoon the couple will make their home in Hawthorne.

E. R. A. COLLEGE ASKS FUNDS FROM BOARD

Ask Sum of $5 For Each Local Student

The E.R.A. Junior College officials requested the sum of five dollars for each of the ten students from Hawthorne who are enrolled there. The letter received from Herbert R. Cornish, the chairman of the board of advisors for the Junior College was placed on file.

It was the opinion of several members of the board that this would be a bad precedent to establish. However, no action was taken by the board.

Rhodes Opens Campaign For Re-Election

(Continued from Page 1)

spend, I have no spending powers. In making up the first budget we selected the most competent men in the borough to aid and assist us. On the first budget we had nine men and this year that was increased to twelve. Through their co-operation in the four years we have reduced the budget $100,000, from 1931 to the present time.

"Another thing we started was the Board of Assessment to equalize the taxes. Some paid too little and others more than their proportionate share. I believe we will reduce 15 points in the tax rate, for this year. The reduction in property value of 20 per cent is another reduction that is beneficial.

"We feel tonight that we come before the public without fear or favor for the best interests of the People of the Borough of Hawthorne."

In reference to the bonds of the borough the Mayor stated that the bonds of the sewer system requires one who is familiar with this type of work. He assured the audience that he fulfilled his pledge to give a complete account of the financial condition of the borough. To accomplish this he secured a most competent auditor to analyze our $2,000,000. system of debt and create records that can not be beaten.

The Mayor was very proud when he stated, "Although their has been much criticism, I am happy to say we have never sold one taxpayer's home at foreclosure in the Borough of Hawthorne."

The name of Robert Maitland entered the campaign of Mayor Rhodes when Albert Correll stated that besides his expression of loyalty to Mayor Arthur Rhodes who has done most for the welfare of the town and the well being of the citizens, he was honored to extend to a most highly respected citizen and business man of the borough, Robert Maitland, his heartiest support in his behalf.

After an enthusiastic reception Mr. Maitland arose and said, "My friends and acquaintances have invited me to come here tonight to be with our citizens in a campaign about to be opened. I have expressed a definite desire that I allow myself to go before the voters as a candidate for commissioner. I consider it a great compliment to be invited to associate myself with Arthur and his organization."

"I consider it a double compliment that they have so unanimously accepted me as a running mate of Arthur."

There is an idea abroad among moral people that they should make their neighbors good. One person I have to make good: myself. But my duty to my neighbor is much more nearly expressed by saying that I have to make him happy if I may.

HIGH SCHOOL SENIORS MEET DEFEAT

Game Played at Eastside High

The Hawthorne High School Seniors playing their last game of scholastic basketball, dropped a 23-14 decision to the Eastside Spanish Club last Friday evening at the Eastside court.

Holding their opponents to eight points in the first half, the Hawthorne supporters had visions of a victory for their team. These illusions soon faded however, when Eastside's diminutive dribblers, Wendell Williams and Mickey Arnowitz solved the Bear's defense in the third period and went on a scoring spree each gathering seven points. Herb Boyd led the Hawthorneites in scoring with seven points.

Heart Attack Proves Fatal to Mrs. Julia P. Maynard

Came as a Great Shock To Her Many Friends of Surrounding Territory—Beloved By All

KNOWN AS GRANDMA MAYNARD

Was active Church Member—Also Member of Garret A. Hobart Chapter of D. A. R.—President of Library Association

The sudden death of Mrs. Julia Putnam Maynard came as a great shock to her many friends in North Haledon and vicinity. She passed away at 1:30 A. M. on Wednesday, after suffering a heart attack the previous night. While visiting at the home of her son last week, she attended several organization meetings in the borough and appeared to be in the best of health and spirits. She was stricken at the home of her niece, Miss Margaret V. Leonhard, of 329 Lafayette Avenue, Passaic, where Mrs. Maynard had been living since the death of her sister, Mrs. G. Theodore Leonhard.

Mrs. Maynard was born in Hoboken in 1863 and was the daughter of John Jacob Messerve and Julia Cleland, both formerly of New York City. She moved to North Haledon when a child and spent all her life here. In 1865 she married Robert M. Maynard of Atlanta, Georgia.

The passing of Mrs. Maynard is keenly felt in the borough because of her active interest in the civic, educational and religious affairs of the community. She was a leader of recognized ability and was instrumental in founding a good number of the public welfare organizations now existent in North Haledon. Her spirit of co-operation and willingness to serve won her the admiration and esteem of her many friends.

Mrs. Maynard was an active member of St. Mary's Episcopal Church in Haledon until a few years ago, when she transferred her membership to the First Presbyterian Church of North Haledon, where she became a charter member and taught in the Church School. She was a member of the Garret A. Hobart Chapter of the D. A. R., president of the North Haledon Public Library Association, active member of the Passaic County Tuberculosis League, formerly of North Haledon Grange, and secretary of Pomona Grange.

She is survived by one son, Wynfield J. Maynard of North Haledon; four grandchildren, William B., Marjorie M., Arthur F., and Robert W.; two brothers, Cleland Messerve and Edgar B. Messerve, who both live in the West, and several nieces and nephews.

Funeral services will be conducted at the home of her son, Squaw Brook Road, North Haledon, on Saturday afternoon, at 2:30 o'clock, the Rev. Thomas De Lawrence officiating. Interment at Laurel Grove Cemetary.

ERNEST EDSON AT MEMORIAL SCHOOL

Ernest Edson, a student teacher of the Paterson State Normal School, is serving a term of ten weeks in the Memorial school in order to satisfy the practice teaching requirement of that institution.

Mr. Edson is a resident of North Haledon, with his home on Clara street and made the request to practice in his own community.

BRIDE GOES TO WORK TO SUPPORT TWO

"Womanless Wedding" Gives Aches To Many Young and Old Sides

"FLASH" WELL ACTED

May Present Play in Near Future—Well Trained Cast

The "Womanless Wedding" presented by members of Fire Company No. 1, Saturday evening, was a screaming success from all angles. The laughs were so hearty that it was necessary many times to wait for more quiet. According to the reports of the ticket committee, large groups were turned away because there was no room even to stand.

The first play presented, "The Flash" was exceptionally well acted by Andre Hilaire, George Van Dyk and John Bokar, who received the congratulations of the many present.

Those who took part in the wedding scene were: William Alberts, usher, John Bokar, Master of Ceremonies, Richard Kuhnert Jr., messenger, David Saunders Jr., maid of honor, Jake Suter, soloist, Andre Hilaire, Widowed aunt, Richard Saunders, bride's grandmother, Thomas Fazio, jilted sweetheart;

Richard Kuhnert Sr., bride's mother, Anthony Hilaire, bride's father, George Van Dyk, best man, Henry Van Dyk, preacher; William Brautigam, William Janosky, Edward Eichmann, Daniel Vacca, Sr., Alfred Smith, and Harry Howe bridesmaids; Fred Courier and Otto Huebner, flower girls, George Frankovits, ring bearer, Charles Marticek, bride, Herman Gionti, groom, and Frank Bokar, train bearer.

Dancing and refreshments were enjoyed after the performance, in the nature of a reception to the bride and groom.

Now that the ceremony is over, the bride expects to go to work immediately because she has two to support now instead of one.

FLAMES SEND FAMILY TO STREET IN MORNING

John Deninger and Family Aroused by Smoke; House Total Loss

Aroused by the smell of smoke John Deninger of Squaw Brook Road hurried his wife and daughter, Margaret, to the street, early this morning, before they were burned to death. Both fire companies responded to the call at 5:30 A. M., but flames had a great headway and could not be controlled.

All of their clothes and valuable possessions were destroyed as the home is a total loss. Mr. Deninger and his family were fortunate to escape from their homes before the flames trapped them.

The firemen who did everything in their power to combat the blaze used the special reservoir that was constructed to aid in distressed homes in this area. The water pumps were placed in the reservoir, but the fire had too great a lead to prevent the total loss.

The one family frame house was partly covered by insurance. The cause of the blaze was not determined.

Scotland Yard's success, according to a British critic, is due to its lack of politics. We supposed the English detective story writers had something to do with it.

It is said that Russia will organize a baseball league. We would like to see what would happen to a baserunner's whiskers if he slid into third base.

DELEGATES CHOSEN FOR EXEMPT'S CONVENTION

May 18th Date Set For Event at Dover

At a meeting of the exempt firemen last Sunday morning at No. 2 Fire house four delegates were chosen to attend the convention to be held May 18th at Dover. The delegates are: Fred Rege, Charles Spinnler, Leonard Kuiken, and Mr. Whitehead, a life member.

Two new members were added to the roster of the exempt firemen, namely Charles Kuiper and George Pullman. After the admittance of these, Bill 116 regarding the exemption papers was passed favoring the bill.

DE LAWRENCE ACCEPTED BY PRESBYTERIANS

Trustees and Elders Elected by Congregation

At the annual meeting of the church members of the First Presbyterian Church last night, the Reverend Thomas De Lawrence was accepted as Pastor.

The election for the different offices was also held. The new trustees are: Mr. George Pohlman, Mr. Charles Ballantine, Joseph Graham and E. Lord.

Mrs. Rubin Ruff was elected as the new deacon. The Elders chosen were: Mr. Charles Ballantine and Alfred Ahnert.

After the meeting the members enjoyed refreshments.

MOUNTAIN A. C. TO START BASEBALL

Practice Scheduled For Sunday A. M. at Haledon

The Mountain A. C. will hold their first baseball practice of the season Sunday morning at 10:30 on the Haledon Recreation field. With some of last years' regulars and a few new additional stars in the line-up, the Mountaineers hope to have a team fit to meet the best of Northern New Jersey's semi-pro clubs.

The Mountain club will play at the Haledon field every Wednesday night, as their local field is still in bad condition. Some of the members who gave a very good account of themselves on the basketball squad have also turned out for baseball practice. They are: Eddie Wennersten, Earl Andre, Charles Motts, and Fred James.

The Mountain A. C. will support a second team to be entered in the city "B" league under the able coaching of Ernie Edson.

With two teams sporting the colors of the Mountain A. C., the boys will have a very busy season. They hope to win most of their games in a manner that will make them a credit to the borough.

LAKESIDE A. C. ELECTS JOHN SUTER CAPTAIN

Eddie Eichmann Thanks Players For Support

At a meeting of the Lakesides A. C. basketball team, Johnny Suter was elected captain of the boys for 1936 season. The members feel that because of his popularity and leadership Suter is the logical man to lead the club next year. During the past court season Suter gave a fine account of himself scoring close to a hundred points.

Eddie Eichmann who led the boys this past season thanked the coaches and all the players who had co-operated with him throughout the winter. The members wish to thank Eddie and the coaches for their patience and splendid work they have done for the team. Speeches were made by all members of the team.

The Lakeside Basketball team held a banquet at the home of Mr. and Mrs. Gurrell. The members present were: Werner Fischer, Preston Sedler, Daniel Vacca, Edward Eichmann, Fred Courier, John Crawford, Jack Schaaf, Coach Edward Rainey, Charles Gurrell, Morton Paugh, Norman Sykes, Frank Goerdes, John Suter and Werner Peter.

After the feast the group enjoyed the following entertainment, John Crawford, the piano wizard, Frances Sedler, the Silver Tapper, Preston Sedler mystified his audience with uncanny sleight-of-hand tricks, and lastly the fellows formed an amateur orchestra that did them credit.

The team is planning a post-season game with the Old Timers of the North Haledon Fire Company No. 1. The Old Timers will consist of George Van Dyke, John Bokar, Charles Marticek, Herman Gionti, Ted Martin, Andre Hilaire and Edward Eichmann, Sr. The contest will take place in the near future.

FRED REGE TO ATTEND CONVENTION

Firemens' Association at Atlantic City

Fred Rege was elected to represent his company at the Atlantic City Convention of the Firemens' Association at a meeting of the Relief Association last Sunday morning at the fire hall of No. 2.

The members of the committee are: Charles Marticek, Neil Struck, Fred Rege, and Phillip Miller. A committee was also appointed to canvass the borough regarding the insurance that is carried in order that the firemen will receive 2% on their premiums.

ELECTRIC CLOCK TO BE GIVEN WINNER

There will be a drawing for an electric clock on May 26th. The funds to be raised will be used to purchase new uniforms needed for the delegates who are to attend the 1936 Jubilee Convention to be held at Asbury Park. The majority of the tickets have been sold.

A stork shower for Mrs. Blanche Fazio was held at the home of Mrs. C. Howard on Belmont Avenue last Saturday evening. Mrs. Fazio was the recipient of many useful gifts for her baby. The Ladies' Auxiliary of Fire Company No. 1 were the preposers of this shower.

After the presentation of the gifts, refreshments were served.

Mr. and Mrs. W. Kuhn were blessed with a baby boy on March 1st at their home on Harrison Avenue. The mother and boy are both doing well.

ENTERTAINMENT COM. CHOSEN FOR POLICE DANCE

Affair to be Held on May 11th

The entertainment committee for the Policemens' dance to be held on May 11 was chosen last Monday night at a meeting in the No. 1 Fire hall. The members appointed were: Charles Schweitzer, Chief Albert Stemmer, John Mc Laughlin, Captain Louis Stutz, Mayor George Kearns, W. Janoski, Arthur Guertin, Ted Martin, John Kearns, and David Saner.

Special entertainment secured by the committee, and the affair promises to be a huge success.

NATURAL HISTORY, MUSEUM AND ZOO EDUCATIONAL TRIP

The two seventh grades, under the direction of the Misses Mouttet and Meszaros, visited the Zoo and the Museum of Natural History last week.

The group went to New York in two of August Bingler's De Luxe buses, stopping at various places along the way to view the scenery. The trip was taken in connection with the school studies.

The North Haledon Bridge Club enjoyed an evening of card playing at the home of Miss Harriet Fairclough, Tuesday.

Both Fire companies were called out Saturday afternoon to extinguish brush fire near the old quarry ...

APRIL 15TH OPENS TROUT SEASON HERE

Goin' fishin'? Well, you should have seen what some people saw—the Fish and Game Commission, dumping in large numbers of the prettiest trout you ever saw. Where? In the Oldham Pond, yes sir, and take it from the sportsmen they were no babies either!

On the fifteenth of this month, if expectations are lived up to there will not be elbow room around the pond. It was wondered by an interested spectator last year, how the fish could keep from running into the hooks. He claimed the fish were not caught, they committed suicide.

According to reports of the game commission, the stock being distributed is the finest yet.

MRS. JESSIE YOUNG ELECTED PRESIDENT

Mrs. Jessie Young, of Terrace Avenue, was again elected president of the Ladies' Aid Society of the First Presbyterian Church. She has held this position for a number of years. Other officers chosen were: Mrs. Joseph Graham, vice-president; Mrs. Rueben Ruff, treasurer, and Mrs. George Kearns, secretary.

Robert Miller, of Manchester Avenue, celebrated his fifteenth birthday Monday.

Mrs. A. Gionti Jr. is expected to return home today from the St. Joseph Hospital where she recently gave birth to a son.

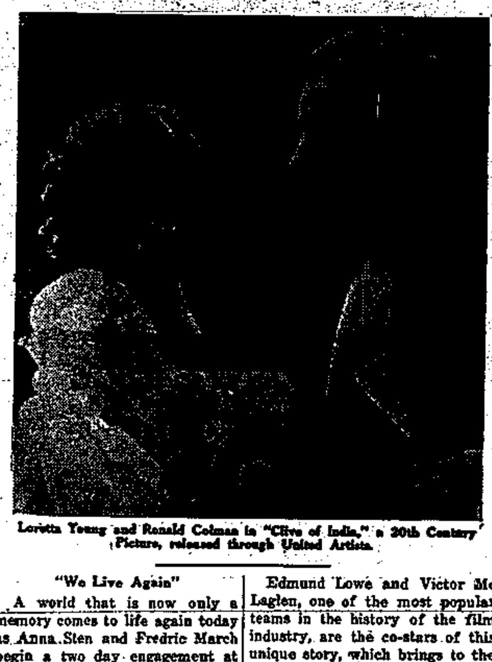
"CLIVE OF INDIA" AND "GOOD FAIRY" MAKE INTERESTING PROGRAM AT LOCAL THEATRE



Loretta Young and Ronald Colman in "Clive of India," a 20th Century Picture, released through United Artists.

"We Live Again"

A world that is now only a memory comes to life again today as Anna Sten and Fredric March begin a two day engagement at the Hawthorne Theatre, Thursday and Friday, April 11-12, in Samuel Goldwyn's presentation of "We Live Again," retitled from the "Resurrection" of Leo Tolstoy.

An idyllic courtship between an aristocratic young cadet and an apple-checked peasant girl becomes a grim struggle through misery and despair toward happiness and peace in the screen play by Preston Sturges, Maxwell Anderson and Leonard Praskins.

This best loved of all Russian stories has the countryside in the days of the Czars as its early setting. Colorful religious festivals, gypsy songs, breath-taking cavalry maneuvers; Moscow, heavy with food and wine and debauched gaiety; sombre gray prisons, the taut trial that gambles with human lives, the exile with which criminals were punished in that distant day, are details in the patch-quilt panorama that Director Rouben Mamoulian has taken out of Tolstoy's great humanitarian novel as a setting for the screen version, released through the United Artists.

"Under Pressure"

Described by those who have witnessed it in preview showings as one of the most thrilling pictures of risk and danger ever screened, Fox Film's production, "Under Pressure," will arrive at the Hawthorne Theatre Saturday, April 13.

Edmund Lowe and Victor Mc Laglen, one of the most popular teams in the history of the film industry, are the co-stars of this unique story, which brings to the screen for the first time the lives and spectacular adventures of tunnel-workers.

According to advance accounts, "Under Pressure" presents a new type of "underworld"—a world confined to a steel-lined tube some 17 feet in diameter, an unreal world of high-pressure air and smoke and raw, searing gases. Buried under twenty feet of mud and silt, with many feet of water above that, the men of "Under Pressure" live, fight and carry on with courage under astonishing and hazardous conditions.

"Clive of India"

Great men should be pictured on the screen with the same forthright truth as they are now revealed in books, says Ronald Colman.

There is more thrill for the public, he holds, in realizing that heroes are of the same flesh and blood as they than in the illusion by which, in the past, they were made to seem something more than ordinary human beings.

Colman follows out his conviction in his portrayal of the great British hero, Robert Clive in "Clive of India," Darryl F. Zanuck's first million-dollar production for his and Joseph M. Schenck's 20th Century Pictures, released through United Artists and showing Sunday and Monday, April 14-15 at the Hawthorne Theatre.

"We did not lose sight," continues Colman, "of the fact that, although Clive was the man who brought the Empire of India under the British flag, he was broken and humbled by his own countrymen while he was still a young man."

"Clive of India" was written by two Englishmen, W. P. Lipscomb and R. J. Minney. That their stage play ran over a year in London, although it depicted all those deeds for which Clive was attacked in his day, proves that the truth of this dramatic biography has the whole-hearted approval of the British public.

"The Good Fairy"

Margaret Sullavan has brought to the screen the role of Lu, the little theatre usherette, created by Helen Hayes in the stage version of "The Good Fairy," the Ferenc Molnar play. Miss Sullavan brings to the role a charm, wistfulness and vivid personality which will make the character of "The Good Fairy" immortal in film history, as Miss Hayes made it in the theatre. Showing Tuesday and Wednesday, April 16-17 at Hawthorne Theatre.

"The Good Fairy" was first produced in America at the Henry Miller Theatre in New York, in 1931. It is a spicy, delightfully audacious comedy, which doesn't go too far in recording the romantic career of the unsophisticated usherette, who, captivated by the heroic characters she sees on the screen, dedicates her life to doing good for others. And so, with all the high ideals of a Sir Galahad and a Don Quixote, the lovely Lu starts out on her first "good fairy" adventure.

"The Good Fairy" was presented in New York after triumphant showings in 1930 in Budapest, where it was created, and in Germany, Franziska Gaal played the Helen Hayes role in Budapest, while in the Max Reinhardt production in Germany, the good fairy was played by Grete Mosheim. In his characterization of Lu, the man who was responsible for such sophisticated plays as "Liliom," "The Phantom Rival," "The Swan" and "The Guards-man" ...

SHIRLEY TEMPLE, CHILD STAR, PUT IN "FAMOUS" FILM LIST

"Let's Live Tonight"

The luscious clothes designed for the Riviera locale of "Let's Live Tonight," Columbia picture showing at the Warner Theatre, Thursday and Friday, April 11-12, serve as an inspiration for anyone planning a southern cruise wardrobe. The fashions are attractively displayed by lovely Lilian Harvey, who is co-starred with Tullio Carminati, and the exotic Tala Birell who plays a featured role.

There are the girlish chiffon frocks worn by Miss Harvey and the sophisticated satin by Miss Birell for summer evening functions. The same contrast in type style is carried out between these two stars in their cocktail gowns. The doll-like Miss Harvey wears candy-striped organza; the stately Tala Birell is striking in dull crepe and metal-cloth.

"The Little Colonel"

Shirley Temple and Lionel Barrymore were selected by Bill Robinson, ace of tap dancers, when recently he made up a list of the ten most interesting persons he had ever worked with.

They are co-starred in "The Little Colonel," now thrilling overflow audiences at the Warner Theatre, Saturday, Monday, Tuesday and Wednesday, April 13-15 16-17. Robinson has an important supporting part in this idyllic story of the South's Construction Days. He gives a new version of his suave stair dance act alone and with the world's youngest star.

The other eight are Will Rogers, Robert Hilliard, Sarah Bernhardt, Eddie Leonard, Florence Mills, Bert Williams, Eddie Cantor and Theodore Roberts.

Shirley he describes as "the sweetest little peach-blow lady in all the world."

"They brought me out here to dance with and to teach Shirley dance steps," Robinson says. "Maybe I shouldn't say this, but things about dancing. She has this child has taught me a few been able to give me an urge and a will to dance I never had before. Her little suggestions gave me ideas. I have been doing my dance on the stairs for years in theatres all over the world. When you see me do it with Shirley in "The Little Colonel," you will see old Bill Robinson dance as he never danced before."

"Biography of a Bachelor Girl"

Director Edward H. Griffith surpassed himself by breaking his own record for length of a single scene during filming of "Biography of a Bachelor Girl" at Metro-Goldwyn-Mayer.

This is the new picture co-starring Ann Harding and Robert Montgomery, which opens at the Warner Theatre Thursday and Friday April 18-19.

The continuous scene ran 9½ minutes in length, exposed 855 feet of film and covered 19 solid pages of dialogue. Futhermore, it was "shot" by a single camera which followed the action "all over the set," according to Griffith.

The director's previous record, chalked up for "Another Language," ran exactly nine minutes, but four cameras were focused on the action, one relieving the other.

The co-stars of "Biography of a Bachelor Birl," together with Edward Everett Horton, Edward Arnold and Una Merkel, were the principals in the record-breaking sequence.

"It was like being on the stage again," Miss Harding smiled.

"——Except for that camera following us," Montgomery chided.

But to Director Griffith it's the best way to make a motion picture.

'Crabbed age and youth' are brought together and reconciled in Fox Film's production of "The Little Colonel," adapted from the world-acclaimed story, and co-starring LIONEL BARRYMORE and the child-star, SHIRLEY TEMPLE.

"LIFE BEGINS AT 40" AT FABIAN THEATRE FRIDAY

If you have been saving up laughs, prepare to shed them now, for Will Rogers' latest comedy, "LIFE BEGINS AT 40", opens tomorrow at the Fabian Theatre, and contains a bundle of hilarious situations that will act as magnets to the laughter chained within us all.

This breezy comedy, suggested by the Walter B. Pitkin book hit, is described as a hilarious fun fest that works into a pandemonium of mirth. The inimitable Will is cast as a country editor who proves that the way to get a kick out of life is to put a double kick into it.

Rogers stampedes excitement into his small town, tries his hand at matchmaking, leads an army of veteran hill-billy hog-callers into battle, fights a frolicsome duel using wisecracks for every pistol bullet of his adversary. Funny-bones are in peril, from all counts. The comedy of "LIFE BEGINS AT 40" is doubled with a tender romance. As the editor, Rogers clears the reputation of a youth "railroaded" to penitentiary, and so stirs up a hornet's nest of hostility.

Witticisms pungent as any Will himself concocts, leave his lips in this picture. They deal with politics, women, rusticity, wealth, self-praise, love, youth and age. In the fine supporting cast are such screen personalities as Rochelle Hudson, Richard Cromwell, George Barbier, Jane Darwell, Slim Summerville, Sterling Holloway, Thomas Beck and Ruth Gillette.

Damon Runyon's most intriguing story, "PRINCESS O'HARA", is th co-feature picture this week. Kitty O'Hara, the girl in the story, is one of the most lovable characters ever seen on the screen, and made doubly so with adorable Jean Parker, playing the part. Chester Morris has one of his most attractive roles in this as Vic Toledo, a dashing young sportsman and owner of a taxi company in New York. Some of the highlights of the picture include a raging taxi war, the theft of a famous race horse a day before the big race and finally, one of the most thrilling horse races, as only Runyon's pen could describe it.

There is suspense and heart throbs galore when Kitty's father is killed in the taxi war, leaving her alone with three orphaned children to support. She blames Vic, of course, and refuses to accept his aid. Later she becomes involved in the theft of the horse and is arrested, only to find bighearted Vic by her side, ready to sacrifice his very life to help her.

Comedy situations abound everywhere in the film, due to the hilarious performances of Leon Errol, Henry Armetta, Vince Barnett, Tom Dugan and others. Also in the cast are Verna Hillie, Clifford Jones, Clara Blandick, Ralph Remley and others.

Be sure to see and hear this great double-featured program.

Lemuel R. Johnston Resigns

This paper feels that it bespeaks the sentiments of the entire borough when it voices its heart felt regrets at the resignation of the principal of Hawthorne High School, Mr. L. R. Johnston.

For nearly 2 years, he has worked tirelessly with our young people. At no time has he sought prominence for himself; his one concern was to promote the welfare of the school and of each student in his care. However, the sincere, sympathetic manner in which he has dealt with all who came into contact with him has achieved for him a prominence that will leave lasting thoughts of appreciation in the minds of our towns people.

We regret deeply that he must leave our community because we realize that his place will be a difficult one to fill, but we rejoice with him in his splendid promotion.

We feel that he deserves this opportunity and much greater ones, and so even though we know giving him up is a hardship for us, we wish him every success in his new work.

Assembly

The assembly Friday morning was a preview of the senior class play, that was presented with great success at night. The assembly hall was entirely filled by those witnessing this comedy by James Montgomery, "Nothing But The Truth". The cast was as follows:

Robert Bennett, William Meister: E. M. Ralston, James Wiley; Dick Donnelly, Douglas Bloore; Carreee Van Dusen, Dominick D'Auria, Bishop Doran, Reeder Butterfield, Gwen Ralston, Charlotte Berry; Mrs. Ralston, Joan Thoms; Ethel Chick, Helen Robertson; Mabel Jackson, Muriel Miller; Sybil Jackson, Jerry Spangenburg; Martha, Grace Moore.

Between the first and second acts, the orchestra, under the direction of Mr. De Vries, played several selections. Miss Beatty, Miss Lang, and Miss Flynn were presented with flowers at the end of the play. The proceeds of the play are to be used for the Senior class book.

Junior Class, Holds Meeting

The Junior class held a meeting Thursday morning to discuss their spring dance that is to be held May 16th, and is to be sport, instead of semi-formal. The committees selected are as follows:

Publicity-Arthur Van Houten, Charles Meyers, William Almone, Robert Bastian.

Tickets- Charles Ernest, Betty Potterton, Genevieve Lenbo, Evelyn Oakley, Ted Barker, Janet Stewart, Claire Sinn, and Warren Nelson.

Decorating-Margaret Anderson, James Planten, Elsie Sytsma, Katherine Hempstead, Irma Frost, Eleanor Van Stone, Ruth Oakley, Ruth Seymour, Alex Maitland, Arlette Parshall, and Gertrude Rutchen.

Music and Entertainment- Ted Barker, James Planten, William Almone, Arthur Van Houten, Charles Sinn, Betty Potterton, and Evelyn Oakley.

TESTOMONIAL FOR JOWETT TONIGHT

The many friends of Thomas Jowett will tender him a Testimonial Dinner tonight at Karl's Restaurant. According to Salvador Missouelli, chairman of the event, a large crowd is expected to fill the dining rooms.

A committee of the borough employees who have been affiliated with the commissioner during the past years is conducting this affair to honor the retiring commissioner.

Last week, Mr. Jowett formally announced that he would no longer seek the office of commissioner. This news came as a shock to the many friends of Thomas Jowett. Jowett has been rendering service to the public for a number of years. He is one of the oldest residents in the borough.

"All truth is safe and nothing else is safe; and he who keeps back the truth, or withholds it from men, from motives of expediency, is either a coward or a criminal, or both. —Max Muller.

SURPRISE SHOWER TENDERED MRS. WM. FLAKER

Mr. and Mrs. William Flaker of Midland Park were the guests of honor at a surprise shower given by their friends from Hawthorne. The couple received an end table and a lamp from their many admirers.

Games were enjoyed throughout the evening and refreshments were served at a late hour. The following were present: Mr. and Mrs. William Flaker, Mrs. A. C. Washburn, Mrs. H. Lario, Mrs. Gregge Holley, Mrs. P. W. Faulkner, E. Hoffman, Mrs. Richard Pesce, Mrs. J. McDonald, Mrs. Clinton, Mrs. H. Harrison, Mrs. Lasta, Mrs. William Hopper, Mrs. Lillian Vrooman, Mrs. Charles Eisman and Theodore Sullivan.

The hostesses were Mrs. Robert Latta and Mrs. Charles Eisman.

Our Letter Box

Editor,
Hawthorne Press,
Hawthorne, N. J.

Will you be so kind to give me a little room for the following?

A campaign for the election of Borough Commissioners is on, and there are many candidates in the field, all promising honesty, harmony, efficiency and whatever else can be thought of to make themselves attractive.

Mayor Rhodes opened his campaign for re-election stating that he believed he had fulfilled all promises which he had made four years ago. The tax rate is reduced 23 points for which the Mayor is entitled to much of the credit. I have not seen or heard any of his opponents coming out in the open to discredit him.

Shall, in spite of all that, many citizens of the borough are getting poorer and poorer. More and more of them are losing their homes and possessions, and slowly but surely are reduced to paupers even though the tax has been reduced.

I would like to call the attention of the Mayor and the Commissioners to a danger which hangs over the Borough, and which, if not prevented, will raise the tax rate in the near future, by many more than 23 points, the rate it has been recently reduced.

The federal government intends to take approximately 1,500,000 unemployables off the federal relief rolls and turn them over to the municipalities to take care of them. That means that about 30 per cent. of the relief clients will have to be supported by our borough. This support will have to be provided for by means of taxation.

I also call attention to a bill-H. R. 2827 which is pending in Congress, introduced by Mr. Lundeen, and which is very important to our Borough because it provides for the existence of the unemployed and will for by federal government. That is as it should be, because the government has real resources to raise the necessary taxes. They can reach and tax those who can pay; the borough cannot.

And therefore, I advise the Borough Commissioners, if they have already done so, to write the New Jersey towns that have already endorsed this bill are: Bayonne, Clifton, Garfield, Linden, Camden, etc. Every citizen should realize the necessity of such action and advise the commissioners to send a telegram to Washington for the endorsement of that bill.

Thank you,
A. Ones

BOROUGH PAYS STAITE AND COUNTY TAX

All Employees Paid To Date

According to a statement made by Tax Collector Mrs. Katherine Meeth the borough employees are paid up to date. Part of the money owed to the county and state for back taxes was forwarded to these governmental agencies today. The amounts of $11,000.00 has been paid to the county treasurer and $6,000.00 has been forwarded to the state department of finance. A certain percentage of revenue collected in the local tax office is set aside each month for this purpose.

LARGE CROWD ATTENDS F.H.A. GALA PROGRAM

Children From Grammar Schools Read Essays

A capacity crowd filled the Hawthorne High School auditorium last Tuesday night when the students and parents turned out to witness the results of the essay contest on Better Homes that were written by the grammar school children of the 7th and 8th grades. This contest was sponsored by the Better Housing committee to acquaint the children of the borough with the home conditions throughout the country.

The following pupils received awards from William Meares who presided in the absence of Mayor Arthur Rhodes:

From the Lafayette school, June Kennedy, seventh grade, and Betty Ewig of the eighth grade. Roosevelt school; Evelyn Fredericks, seventh grade. Aaron Reuben, eighth grade, Eleanor Heckler, seventh grade, Ethel Longron, eighth grade; Washington school, Claire Aprile, eighth grade; and Christine Armour eighth grade; Franklin school, Pearn Geier, seventh grade; Fred Jelliffe, eighth grade; Lincoln school, Ingeborg Ditchers, seventh grade; Irene Weed, eighth grade, Marian Alexander, seventh grade, Paul Candalino, eighth grade; St. Anthony school, Norman Durbin, seventh grade, and Charles Gill, the eight grade.

The pupils of the Lafayette school, under the supervision of Miss Nellie Kort presented a pageant depicting the rise of America, from the time of the Indian and Pilgrims to the present day.

The R.E.A. orchestra directed by Victor Durbin supplied the music for the evening and was highly praised by the audience.

Jacob Kushner, vice chairman of the Better Housing committee program, addressed the audience on the value of the housing plan.

COMMISSIONERS HOLD SHORT SPECIAL MEET

Borough Being Sued For Insurance Default

At a special session of the Borough Commissioners held last night in the Tax Office, Borough Clerk John Shea informed the commissioners that the Hartford Insurance Company has started suit against the Borough of Hawthorne.

The reason for this action of the insurance company is because the borough defaulted in their payments to them. The matter was referred to the counsel for the borough, Commissioner John C. Houman moved the resolution and Thomas Jowett offered the second.

The hours for registering were definitely set from 2 P. M. to 10 P. M. Eastern DayNight Saving Time. The commissioners resolved the notice they had taken at the last session because the motion to change the hours of registering was illegal.

GLORIA CONCERT BAND TO GIVE PROGRAM

The residents of Hawthorne and vicinity will again have the opportunity of hearing the Gloria Concert Band render its delightful music at a concert and entertainment which will be held at the Hawthorne High School, on Wednesday, May 8. This program is under the joint auspices of the Gloria Concert Band and the North Fourth Street Christian School and these organizations have arranged for the evening a special attraction "The Ladiest 20hp in the World". The committee in charge has arranged for a bus which will transport Prospect Park patrons to the High School and which will leave the Prospect Park Municipal Building at 7:00; there will be a small transportation charge.

LOCAL BOY SENT TO ANNANDALE REFORMATORY

Charged with breaking in with the intent to steal on March 21 Arthur Friedberg, 20, of 233 Fourth Avenue was sentenced to the Annandale Reformatory by Judge Robert Davidson in the Special Sessions court last Friday.

Friedberg was caught in the act of entering the home of Harold Myers of 496 Lafayette Avenue last March 21st and was captured by Chief Ryan Vanderwalk. He was released on bail by Judge Schoenmaker to await the hearing in the Special Sessions court.

"ARTHUR RHODES NIGHT" AT POLICE PROTECTIVE

The Hawthorne Police Protective Association, Inc. will hold a gala entertainment on the evening of April 30th in honor of Mayor Arthur Rhodes. The affair has been called "Arthur Rhodes Night."

It is expected that a large number of the friends of the Mayor will appear at the club rooms of the association 47 Royal Avenue, to make this one of the biggest events of the season.

Edward DeJager, president of the association, announced that a fine program of entertainment will be presented under the able direction of E. Warner Bradley. Refreshments will be served during the evening.

LEGIONAIRES AT NEWARK

Aid Paterson Legion Band

Five members of the Legion Post 109 of the borough were included in the Paterson Legion Band that captured third place in a field of 48 drum, corps and bands that took part in the "Newark On Parade Day" in Newark last week.

The men who had this honor are: Legionaires Huebner, Blovelt, Kriel, William and Hanson.

During the past week the members of the Legion have been clearing the lot surrounding the Home, of all the rubbish that has accumulated there, in order to make a parking space for cars.

He is in charge now of the continuation and the disciplinary school in Paterson and is therefore well qualified to look after the educational interests of Hawthorne. He is also a lawyer though he never practiced that profession.

He also recalled the fact that three months after he took office the pay of teachers was increased.

Harold P. Schoenmaker, recorder, is the third candidate and like the others he was given a warm reception as he stepped to the platform after being introduced by the president, Frank Ren. No man in the race is better versed in its affairs than Mr. Schoenmaker.

Another meeting will be held on April 30, for the public and at the same place. There will be a regular weekly meeting this evening at the headquarters, 527 Lafayette Avenue.

sing generation and to keep intact the militant spirit of our church."

Temperance was another topic of his speech. Mr. Conway insisted that temperance should be practiced in every Christian home, to set an example for the rising youth of the country.

The men were impressed by his delivery and Father Thompson received many requests for his re-appearance in the near future. A graduate of St. Colomb's University in Londenderry City, Ireland, Mr. Conway has travelled throughout Europe and has acquired the name of being one of the country's foremost critics. He has been a newspaper man all his life and is at present writing for the Bergen Evening Record of Hackensack.

Chief Vanderwalk who has shown impartiality to all the organizations during his term of office congratulated the men on their showing and stated that they were "a credit to the church and a credit to the town."

Father Thompson was congratulated by Speaker John J. Fitzgerald for the beautiful church he has erected and for the wonderful work he has accomplished throughout the parish. He also evinced his surprise at the number of junior members who were present.

SPECIAL EASTER SERVICE AT FIRST PRESBYTERIAN CHURCH

"The Seven Words From The Cross" To Be Theme Of Subject

A special service of song, prayer, and meditation, will be held on Good Friday evening at 8 o'clock at the First Presbyterian Church. The theme of the service will be "The Seven Words From the Cross" and the pastor, Rev. Thomas De Lawrence will be in charge. Appropriate music will be rendered by the choir under the direction of Julius Prachaar. Following, are the special musical selections: "There Is a Green Hill Far Away," sung by the Choir; "The Crown of Thorns," solo, Mrs. Edith Stoeckel; "O Love That Will Not Let Me Go," solo, Mrs. Alfred Smith; "O Love Divine, How Dost Thou Art," solo, Mrs. Roy Frederick; "He Bore the Cross Alone," duet, Mrs. Elmer Fishman; "There Is a Fountain Filled With Blood," the choir; "O Sacred Head Now Wounded," the choir; "'Tis Midnight and on Olivet's Brow," mixed quartet, Mrs. Alfred Smith, Mrs. Roy Frederick, Mr. Ellsworth Lord, and Mr. Alfred Smith. The accompanist will be Miss Ruth E. Sheppard. The public is cordially invited to attend this special Passion service.

REV. DE LAWRENCE TO RETURN

At the Spring meeting of the Presbytery of Jersey City, held in Union City on Tuesday, the call to the Rev. Thomas De Lawrence as pastor of the First Presbyterian Church was approved by the Presbytery. Elders Charles C. Ballentine and Lawrence Davis prosecuted the call for the congregation.

The Presbytery decided to install Rev. De Lawrence at a service on Tuesday evening, May 7, at 8 o'clock.

Those who will take part in the installation service are as follows: Scripture reading and prayer, Dr. C. R. Kuebler, pastor of the First Presbyterian Church of Hackensack; charge to the people, Dr. Louis S. Bieder, of the Ward Street Presbyterian Church, Paterson; charge to the pastor, Dr. Thornton Penfield, chairman of National Missions of the Synod of New Jersey; installation prayer, Dr. Robert Bryan, pastor of Church of the Messiah, Paterson; sermon, Dr. Joseph Hodges, president of Bloomfield College and Seminary, and benediction by Rev. De Lawrence.

SUNDAY SCHOOL PROGRAM

An elaborate program has been planned by the various departments of the Church School of the First Presbyterian Church for the Easter Sunday morning service at 10 o'clock. There will be songs, recitations and pageants, with each department sharing the responsibility for a part in the annual Easter program. Mr. William Graham, church school superintendent, will have charge of the program and Rev. Thomas De Lawrence will deliver a brief address.

SUNRISE SERVICE

In keeping with a custom that was started some years ago, an Easter sunrise service will be conducted by the First Presbyterian Church at 5:30 o'clock next Sunday morning. As usual, the service will be held on "Easter Rock", in Mr. Butterworth's field, directly opposite the church. There will be a hymn sing and an Easter message by Rev. Thomas De Lawrence, the pastor. Last year the attendance was very good in spite of the threatening weather. This year it is hoped that many more will rise at dawn to start the day with song and worship. The public of North Haledon and surrounding communities is invited to come to this outdoor service.

LAKESIDE A. C. PLANS MINSTREL

The Lakesides A. C. have preparations almost completed for their second annual minstrel and dance which will be held at the Belmont Avenue Fire House No. 1 on Saturday evening, April 27th. "Pop" Saunders is happy to say that he is satisfied with this show because it will be one of the best ever given in the borough.

The members of the club and cast have worked hard to make this show a success. Tickets for the show are going fast and a good crowd is expected.

We hope that the people of the borough cooperate with us to make this show a success.

A popular orchestra will furnish the music after the show. Get your tickets early from any member of the club.

MOUNTAIN A. C. CLOSES SUCCESSFUL SEASON

The Mountain A. C. closed their basketball season Sunday with a win over the Arrows by the score of 29-27. The game was very fast and exciting and the large crowd in attendance had the game went home pleased.

The management of the Mountain A. C. would like to thank all of the people who so faithfully supported their team throughout the season and hope that in future years the Mountain will continue to merit the wonderful support of the North Haledon people.

The individual scoring is as follows:

F. James, 123; E. Wennersten, 89; E. Rainey, 86; H. Abbott, 50; J. Rainey, 46; E. Andre, 45.

TROUT FISHING SEASON OPENS

Oldham Pond Attracts Many Anglers

The opening of the trout season on Monday, April 15th, found scores of enthusiastic and hopeful fishermen on the shores of the Oldham Pond even before daybreak. This was an ideal spot for anyone to begin the season, since this pond has been stocked recently with nine hundred fine specimens.

Nearly everyone had exceptional luck, and many caught the full number allowed by the game laws. All were satisfied, and even those who didn't participate in the fishing gathered around to enjoy the spirit of the sportsmen.

Worms and liver seemed to be the best bait, and this was declared the best opening day yet experienced in the borough.

MARBLE TOURNAMENT RECEIVES SET BACK

The marble tournament was set back by the weather. The playoffs will be held next week to determine the school champion who will, in turn, compete with other school champions. The County champion will go to Ocean City for one week free as a reward.

There will be an important meeting of the Recreation Committee tonight at Belmont Avenue Fire House when plans for raising funds will be discussed. All are invited to attend.

MILK TRUCK CRASHES SEVERAL FENCE POSTS

The crash of a milk truck which snapped off several sturdy fence posts on High Mountain Road near Ballentine's dance, Monday night, brought out crowds of interested residents. The truck, owned and operated by Leonard Kuiken, local milk dealer, skidded on the slippery pavement and mowed down the posts. Mr. Kuiken escaped injury in spite of the fact that the truck and the fence were damaged.

SEVENTH GRADES VISIT RESERVOIR

Make Study of Purification of Water

The two seventh grades spent Monday and Tuesday at the Haledon Reservoir studying the water system and methods of filtrating and purification.

Mr. John Kapp, who is in charge of the water works, proved to be a real teacher, and very painstakingly explained every step in the process. He told the pupils that he was very pleased to see them interested, and wished that more people would come up.

The observations were made in conjunction with a science unit being pursued in school under the direction of Herman Gionti.

WARNING ISSUED TO DUCKS' PESTS

Violators To Be Punished By Police

"Those stealing eggs will be prosecuted is the warning for all trespassers in the duck breeding area of the Oldham Pond. After a meeting of the consolidated Sportsmen's League, it was decided that the good must suffer with the bad as long as the lowly stealing goes on. Saturday the grounds were posted and the police were notified to apprehend any and all violators. Fishermen and other sportsmen are earnestly requested to report anyone seen interfering with the wild fowl raising project.

FIREMEN OF CO. NO. 1 DEFEAT LAKESIDE A. C.

The Firemen of Co. No. 1 defeated the Lakesids A. C. in a basketball game played Tuesday evening. The score was 26-22.

LIBRARY TO CLOSE ON GOOD FRIDAY

The library of North Haledon will be closed all day, Good Friday. However, it will be open next week from Monday to Friday between 10:30 A. M. and 4:30 P. M.

FIREMEN URGE CITIZENS TO BE CAUTIOUS

Ask People To Prevent Forest Fires

"Fire, one of man's best servants, must be kept subservient," states Fire Chief David Weiler and Assistant Chief Charles Hantleck, who recently issued warning that no fires were to be started without permission from headquarters.

Because of the wet conditions of the woods, there has been no trouble of late. However, with the coming of the warmer weather, May and June, thousands are lured to the local woods. Authorities wish to make it very emphatic that carelessness will not be tolerated. Permission from the owners of the various hiking places must be obtained by at least one responsible person in each party.

The recent case of Roy Slaco, of Bloomingdale, who was fined $200, by the local court for starting a forest fire, should serve as a concrete example of the authorities' feeling on this matter.

Adopt the slogan of the nature lovers "Enjoy, Don't Destroy."

CHOIR TO PRESENT CANTATA

Sunday Evening is Date Of Annual Event

The annual Easter Choir Cantata will be rendered by the choir of the First Presbyterian Church at the worship service on Sunday evening at 7:30 o'clock. The title of the cantata is "From Death Unto Life." It is a difficult but unusually beautiful composition and the choir, under the direction of Julius Prachaar, has been working on its interpretation for several months. It is affected that the choir will again attain the high standard of rendition which it has established for itself in previous cantatas. The service will be almost entirely musical and it is hoped that many will be present to enjoy it. All are invited.

E.R.A. WORKERS REMOVE STONES RECREATION FIELD

The E.R.A. crew has been working all week on the recreation field removing blasted stone to smaller stones from the infield. Plans are under way to have a grade tractor work on the field next week to give the final leveling. Volunteers are asked to come out and assist with this work.

Fred Krug will have charge of tossing permits.

SCHOOL TEAM STARTS OUTDOOR PRACTICE

The Memorial School team has been warming up during the spasmodic periods of suitable weather. Many young aspirants can be seen on the new recreational field tossing the horsehide or swinging the old ash paddle to the tune of Herman Gionti's or Ernie Echon's direction.

The coaches are confident of a good hard working team this year. The players are all small but "have the stuff" that wins. Those vieing for place on the first team are as follows: Henry Groh, Roy Howard, Alfred Critchley, Arnold Fischer, Charles Pisciotano, Philip Mileti, Henry Kuiken, Robert Miller, William Miller, Robert Kearns, Frank Weber, Arnold Bader, Fred Krug, Joseph Bangharet, Herbert Uberbacher and Arthur Matarazzo.

INTERVIEWS

Every week some student shall be interviewed by the writer of this column. Today we present:

EMILY HEYZES

Meet this darling child or so she looks! Brought into this good old world September 6, 1919, with a face like a doll, wrapped in dark curly hair with one of the cutest little eyes ever did see. She has changeable eyes—like her moods. Has the most charming, lovable, devil-may-care personality with a peculiar laugh. She is about 5 ft. tall, wears a 5 shoe, size 16 in dresses. Even though she is very popular she is still very bashful.

She enjoys swimming and skating and loves shrill leave it to be both very well, or die in the attempt. She would rather dance than eat. Emily is a steady reader of all sorts of romantic novels.

Thinks her heart-throb should be about 5ft. 7in. tall, dark curly hair, lively, devil-may-care person, very good dancer, and last, but the least must be good looking.

She claims she's not asking for much.—OH, NO! BUT AAAS stay away boys, she's recently found her man. He goes under the name of John, alias "Barrymore," Lee.

The hobbie of this spot light goes under the name of Emily (Elton) Heyzes and she resides in the sticks of North Haledon on a cow-patch better known as "Paradise Lane" (ob-ob).

Her pet habit is to say "Um, Hm, Hm."

Her best pal is Rose Brandenberg equally popular as Emmy herself.

GERT'S GIDDY GAGS

Why is it that Charles Gurrell is seen so often in Hawthorne, near Pandora Place? Tell 'em "Chuck."

Who is this local girl that sweeps all the Hawthorne boys off of their feet? I wonder.

Did anyone see a big German lad walking along the corridor telling of his hatred towards the "feminine"?

Did anyone see that "dirty player" walking the halls of our institution? Ask the Laconiden who he is.

I see that a lot of the members of the fair sex from North Haledon are making out quite well with the boys. How do you do it girls?

Who is the new freshie from North Haledon, going to H.H.S., receiving love notes that he reads in section?

I hear that Arthur Maynard is having sort-of a good time...Who is she Art?

Rose Brandenberg has just passed her sixteenth birthday. Sweet sixteen and never been kissed (teehee)—Who said that?

Let me know what you think of this column - suggestions and criticisms will be welcomed.

Until we meet again,

OUT AND AWAY!

Out and away from the toils and burdens of keeping her home in order—and before lunch at that!

Such is the lot of those women who have learned to depend upon the never-failing convenience of electric service in the home.

Look at the golf links any morning in goldfish weather—women here, there, and over yonder; notice the suburban gardening belt, women busily urging blooms to come forth; watch the highways and back roads, women pick, pack children out for a lark—women who learned how to find leisure before lunch.

You, too, can enjoy this leisure by depending upon electricity to do your house work quickly, efficiently and economically—to sweep your carpets, to launder your clothes, to protect your food, to do numbers of other jobs at the click of a switch and at a cost insignificant to the work it does.

Crop Loans Starting!

Keystone Views Service

THE signing of the Deficiency Bill, making the $60,000,000 for Crop and Seed Production Loans available, was good news for farmers who are now buying seed, fertilizers, and other supplies. The bill will be a boost for the American industry; since the Farm Credit Administration suggests that borrowers buy American-made supplies. Ancient lenders have long felt that farmers should purchase their supplies of seed, fertilizer made in the United States, and not from the citizens of some foreign country.

"ONE MORE SPRING" FEATURES TWO STARS IN PERFECT ROLES

Heroic struggle and glowing romance blend in the new Fox Film production, "One More Spring," in which WARNER BAXTER and JANET GAYNOR, the "stars that belong together," play the principal parts.

"Helldorado"

Resulting the great producer-director combination which made motion picture history with such films as "The Covered Wagon", "Old Ironsides" and others, the new Jesse L. Lasky-James Cruze production, "Helldorado", showing at the Hawthorne Theatre Thursday and Friday, April 18-19.

Here, it can safely be predicted, is a picture which will take its place in the memorable series of screen stories produced by Lasky and directed by Cruze. Now an important producer for Fox Film, Lasky has, in this thrilling new film, assembled one of the most notable casts of the year. What's more, he has found a narrative that for originality, drama and color has not been equalled in seasons.

"Helldorado" is the story of group of eleven stranded strangers, cut off from the world by cloudburst and flood, who find adventure and romance in an abandoned California ghost town. More particularly, it is the story of a beautiful young heiress, the millionaire who is about to marry her, and the footloose young adventurer who teaches her that she is just a woman after all.

"Lottery Lover"

One of the most delicious screen comedies of the decade, "Lottery Lover," will appear at the Hawthorne Theatre, Saturday, April 20.

This Fox Film comedy-romance is the story of a gallant crew of young cadets, enjoying their first leave in Paris. One of their number, the only girl-shy fellow in the lot, wins the lottery which they have organized. With it he wins their pooled resources, the right to woo the glamorous darling of the "Folies Bergere"—and the lady's garter as his calling card.

Lew Ayres turns in a grand performance as the winner of the love lottery; "Pat" Patterson, charming English beauty, is the girl he really loves; and Peggy Fears, often described as "the best-dressed woman on Broadway," is the fascinating actress. In this, her screen debut, Miss Fears discloses that she is a film personality of the first rank—smart, talented, beautiful and magnetic.

Not the least of the picture's charms is the generous use of two enchanting numbers by Jay Gorney and Dr. Hartman, "Ting-A-Ling" and "There's a Bit of Paree in You."

"One More Spring"

A notable screen event came to town yesterday with the arrival of the long-awaited "One More Spring," at the Hawthorne Theatre where it will be the feature attraction on Sunday and Monday, April 21 and 22.

The audience will sit entranced as this gripping story of two brave young people, a penniless girl and a never-say-die adventurer, is unfolded. Poignant and yet ironic, the misfortunes of the principles portrayed with a light deft touch that is admirable. "One More Spring," is heartily commended to all picture goers who seek the extraordinary in screen entertainment.

It is the story of two brave souls who, when their last ray of hope has left them meet at a park and strike up a friendship. Winter has denuded the trees, and the grim inhospitality of the city encompasses them. They decide to see it through platonically, and together with a penniless musician find shelter, a place to call home, in a toolhouse.

"After Office Hours"

Clark Gable and Constance Bennett are co-starred for the first time in "After Office Hours," the new Metro-Goldwyn-Mayer production which opens at the Hawthorne Theatre, Tuesday and Wednesday, April 23-24. Both ranking stars and both equally adept at dramatic and light comedy characterizations, the team's initial appearance is being launched with great enthusiasm.

Fans will remember that Gable scored one of his earliest triumphs in the Bennett picture, "The Easiest Way."

In a lusty comedy-drama of New York society, the press and a murder, Gable is cast as Branch, managing editor who always gets his story though it may mean resorting to the methods of the Northwest Mounted.

"Sequoia"

Taking its place among the most unusual films ever attempted in the history of motion pictures in the nature story, "Sequoia" (pronounced "See-quoyah") recently completed by the Metro-Goldwyn-Mayer studios and opening at the Hawthorne Theatre, Thursday and Friday, April 25-26.

Started nearly two years ago in the wildest section of the High Sierras included in the confines of Sequoia National Park, the picture presented almost innumerable production difficulties.

Herds of deer were stalked by cameramen for hundreds of miles through undriftwalk, over windbreaks, across mountain streams to "back country" never entered by hunters. Pack trains of mules carried equipment to the world's highest lakes at an elevation of 11,000 feet where scenic beauties never seen except by forest rangers patrols were photographed for the first time.

"GOLD DIGGERS" CHORUS GIRLS DECLARED MOST BEAUTIFUL

"Biography of a Bachelor Girl"

Director Edward H. Griffin surpassed himself by breaking his own record for length of a single scene during filming of "Biography of a Bachelor Girl" at Metro-Goldwyn-Mayer.

This is the new picture co-starring Ann Harding and Robert Montgomery, which opens at the Warner Theatre, Thursday and Friday, April 18 and 19.

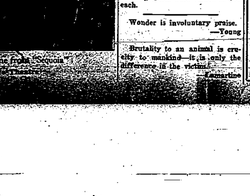
The cosliness scene ran 9½ minutes in length, exposed 855 feet of film and covered 19 solid pages of dialogue. Furthermore, it was "shot" by a single camera the same of the late Ziegfeld was considered synonymous with beautiful choruses on the New York stage.

"Little Men"

Had Louisa M. Alcott's own life been different, her greatest romance would never have been written.

For "Little Men," that immortal work which took America by storm in 1870 and which never since has ceased to tug at the nation's heartstrings, was based on the childhood of its author.

"I wrote 'Little Women' just to prove to my publishers that I



Look out, Frank McHugh—the Dollar sign is the Danger sign when the "Gold Diggers of 1935" swing into action this week at the Warner Theatre, Ridgewood.

could not do a novel about girls. For, you see, I always preferred to play with boys. Naturally, I feel I understand them."

Her matchless understanding of boys, from their every-day antics up to lads on the threshold of manhood, is said to be successfully transplanted from her death-less book to Marcel's screen version of "Little Men," which opens at the Warner Theatre, Tuesday and Wednesday, April 23 and 24.

The faithful, sympathetic adoption by Gertrude Purcell and Ken Goldsmith, the understanding direction of Phil Rosen, and the zeal of the actors in their parts—all these factors are assertedly responsible for a result sensationally successful. Heading the stellar cast are Ralph Morgan as "Prof. Bhaer," Erin O'Brien-Moore as "Jo," Cora Sue Collins, Junior Durkin, Phyllis Fraser, Frankie Darro and the dozen "little men."

STOLEN BIKES RETURNED TO LOCAL BOYS

Riverside Boys Will Appear In Juvenile Court

Three stolen bicycles were recovered last Saturday by Chief Ryan Vandervalk with the aid of Robert Alexander of the Paterson Detective Bureau.

Two of the wheels were stolen from the home of Alex DeKryger of 123 McKinley Avenue and the other from the garage of John Weber of 56 Washington Avenue. They were found by the two policemen in the possession of Michael Longo, 14, of 1205 River Street, George Ward...colored, 14, of 77 Warren Street and Carmen Latrocchia, 14, of 146 Butler Street, all from Riverside district.

The three boys were sent home and will appear in the Juvenile Court next week for hearing.

The bicycles were valued at $50 each.

"GO INTO YOUR DANCE" "THE FLORENTINE DAGGER" AT FABIAN THEATRE FRIDAY

The recreation of the year in the film world is the teaming of Al Jolson, famous Mammy singer, and Ruby Keeler, his wife, former Broadway musical star who leaped to fame only two years ago in First National's latest, and said to be its greatest musical spectacle, "GO INTO YOUR DANCE", opening tomorrow at the Fabian theatre.

Al Jolson has the role of a film world is the teaming of Al Broadway entertainer, who is barred from the New York stage, because he quits his shows without notice, his weakness being wine, women and the "ponies". He winds up in Callente at the race track, waking up with a headache and without a job. Glenda Farrell plays the part of his devoted sister who gets him straightened up, and finally convincing him, persuades him to take a job in Chicago with a partner. She has already persuaded Ruby Keeler, who has the role of a clever dancer on the West Coast, to team with her brother. After a series of exciting incidents the New York opening comes off in a blaze of glory in an unusual and surprising climax.

Spectacular dance ensembles were staged by Bobby Connolly with scores of Hollywood's most beautiful chorus girls. One of the most unique and striking numbers is a mammoth replica of the universe inter-cut with an artistic stairway crossing the globe in four directions representing the evolution of the tango from the pampas of the Argentine to Park Avenue and throughout the world. The dance with a hundred beautiful girls, is led by Jolson and Miss Keeler, who sing "A Latin from Manhattan".

"The Florentine Dagger" selected by the Clue Club as one of the most thrilling and baffling mystery melodrams, is the co-feature picture for this week. It deals with the romance of Juan Cesare who has written a play about the murderous Borgias of centuries ago, and Florence Baldau star of the production, who is called upon in the drama to play her love.

Donald Woods and Margaret Lindsay head the all-star cast, while others in the cast include Henry O'Neill, C. Aubrey Smith, Robert Barrat, Florence Fair, Frank Reicher, Charles Judels, Paul Porcasi and Henry Kolker.

Be sure to see this great double-featured program at the Fabian all week!

Principal L. R. Johnston To Leave Boro

(Continued from Page 1)

gation from University of New Hampshire who were anxious for him to come to that institution to direct the teachers' training. Although the northern school had a larger student body, Mr. Johnston would not break his agreement with the Elon College authorities.

Having started the local high school on scheduled time, Mr. Johnston has developed the institution to a standard that will make the new principal's work exceptionally difficult to maintain the same record. Mr. Johnston leaves Hawthorne with a reputation of an educator and an executive. He was most successful in organizing the local school.

Before coming to Hawthorne, Mr. Johnston was principal at High Point High School, High Point, North Carolina. He was an instructor at Duke University during the summer session. This year he will be affiliated with New York University's Summer School.

Hawthorne High School has greatly benefitted by Mr. Johnston's previous experiences in other communities. The favorable comment coming from prominent educators in this area indicates that he has accomplished a great deal during his two years in Hawthorne.

The spirit of the student body and the cooperation that the faculty members have given him proves that he has been able to develop a system that is worthy of a great deal of recognition.

Greb-Lasky Enters Political Race

(Continued from Page 1)

After the Armistice he was connected with several passenger ships. He left the sea to receive a position with the United Engineer Constructors to aid in the development of power plants, disposal plants, water systems, and office buildings.

Greb-Lasky was born in Pennsylvania and educated in the schools of that state. Later he attended the Newark College of Engineering and continued his studies in this field by special work. He is a member of the local American Legion and the F. & A. M.

He is married and has a daughter, five years of age.

Mr. Greb-Lasky has been a student of government for a number of years, having lectured on this subject on many occasions. In presenting his politics to the voters he forwarded the following statement:

"I believe that a candidate for the office of commissioner should present a plan before the election, showing the voters what he intends to do to bring about an efficient and economical government and bring relief to the tax burdened citizens.

"The time was, and not so long ago, that the activities of local governments were comparatively simple in comparison with what they are today. Indeed, most of the government activities of municipalities have developed within the last fifty years. A half century ago, we had no rapid means of communication and transportation such as the telephone, radio, automobile and airplane afford. We had no auto trucks requiring ten-inch concrete foundations under our pavements; and no water purification works or sewage disposal plants.

"The modern municipality is a great business corporation. It employs a number of men and women and uses vast property and equipment to engage in extensive business undertakings for the benefits of the community. Clearly, we have reached a point in the development of municipal government where even the ablest and best intentioned amateur will no longer suffice. The business man as a municipal executive, however able and well intentioned, is likely to be a pathetic failure when suddenly thrust into an office he is neither by training nor experience. To anyone who faces the realities of modern municipal government, it must be clear that the amateur, politically chosen, chief executive must give way to the trained and experienced professional if disaster is to be avoided.

"On the other hand, the educational system has in our respect brought itself up to modern standard. All over the country, political bosses who know only the mathematics of the elementary school, are keeping complex accounts and arranging for bond issue, deserving democratic or republican grocers or farmers are appraising property for taxation, grade contractors and failures at the law are presuming to conduct boards of health.

"But our educational system has come to demand men and women educated for this special job. With rare exceptions, even the teachers must have normal school diplomas.

"Road building and road testing, the second most expensive and important activity of our small governments, has lagged behind education in this respect. Until recently our innumerable road commissioners or superintendents were almost all political hacks or popular characters who needed a job.

"You are paying dearly for your governmental services and I AM SURE that you wouldn't have a clerk do your plumbing, or a laborer repair your automobile, but you will elect just this type of men to carry out more complicated operations as found in the conduct of our municipalities.

"The plan which I propose and if elected I will do all in my power to execute is as follows:

1. Reporting government to citizens showing where the borough gets its money and what the money is spent for.
2. Modern assessment records.
3. Centralized purchasing.
4. Expenditures not to exceed tax receipts. (Pay as you go)
5. Community traffic survey and accident prevention.
6. A fire records and reporting system, and fire prevention work.
7. Organization, recruitment, and reporting. (Securing competent personnel and reporting municipal activities), elimination of overlapping departments.
8. Establish budgetary control through allotments.

"The voters should compare the qualifications and the experience of the candidates, and vote for those whom he believes are best fitted for the job regardless of political connections."

V.F.W. America's "Old Guard" The Veterans of Foreign Wars

Wm. B. Mawhinney Post No. 1593, V. F. W.

BILL O'GRADY

"Howdy Folks:"—If this column seems short to you this week, I hope you won't be too hard on me, for I've been trying to do the one-armed paperhanger act this past week, and have been kept busy with the Junior Week Committee, the Athletic Committee and the Joint Commitee for the Memorial Day Celebration.

I'm confident that the fourteenth annual Buddy Poppy sale to be sponsored here Saturday May 25th, by our Post, would exceed any similar previous sale, was expressed today by Commander Lewis Grassey.

And to the above I would like to add a few remarks, that I know will help to clear up the doubt in some folks minds.

Information that I have just received from Adj. General R. B. Handy Jr., national Buddy Poppy chairman for our entire organization, states that last years sale showed an increase of 25 per cent over the Buddy Poppy distribution of 1933. This certainly indicates that the V.F.W. Buddy Poppy sale is widely and favorably known throughout the United States.

The name "Buddy Poppy" is copyrighted by the Veterans of Foreign Wars of the United States. The small silk flowers are made by disabled veterans in government hospitals throughout the country. These ex-service men are paid nominal sums for their work and the proceeds of the sale are devoted to the welfare and liaison service conducted by approximately 3,200 local units of the V. F. W., in their respective communities, and to the maintenance fund of the V.F.W. National Home, Eaton Rapids, Mich. where orphans of deceased veterans are cared for by the members of our organization.

Economic conditions of the last few years, and the fact that many veterans are among the unemployed of the country have increased the demand for veteran relief. The service and welfare officers of our individual posts, including our own here in the Boro, strive in every way to provide for needy veterans and their families.

The vast majority of such work is paid for by our individual members and from the proceeds of V. F. W. activities. Once a year during the national distribution of Buddy Poppies, the V.F.W. invites the American public to participate in this work in memory of those heroes who died in this nation's defense.

Things are going swell on our Spring Dance to be held up at Blasberg's May 10th, Chairman Hank Masten has had to have 250 more tickets printed.

Talking about dances brings to mind the fact that our local Gendarmes are sponsoring a dance tomorrow night up at Blasbergs, for the benefit of their Pistol Range. So I'll expect to be seeing you all there.

> At this time I am going to ask you comrades to pause a moment in this dizzy whirl, while I extend my own and the Post's most heartfelt sympathy to Comrade Jake Fisher on the death of his father.—"After a well spent life, may he find eternal happiness in Heaven."—

Past Commander Tot Kenyon has been selected to be Grand Marshal of the Memorial Day Parade, and have we got a surprise for the boys Tot? I think it will be better than the much talked about —"Horse Marines"—

In my mad rush I have overlooked the fact that the boys of the Jr. Bugle and Drum Corp, are having a Card Party at the Memorial Home tonight, for the benefit of their uniform fund, so am going to urge you all at this time to meet me there.

Another event tonight is the Dinner they are throwing up at Blasberg's for Comrade Joe Geary's winning Bowling team. Oh! how I wish I were twins Joe.

With the Trout season opening up I'm sure there'll have to be some fish stories in this column. Saw two sad faced comrades driving up Central Avenue early last Sunday A. M. Yes you're right Tom it was a Gardner car.

Sister Stewart tells me that the medals for the Americanism Essay Contest will be awarded next Saturday at Lincoln School, and while I'm on this subject I want to say many thanks to the three candidates of the Good Government League—Houman, Ordway and Schoonmaker—for donating these medals. You helped me out of a tough spot fellers.

Commander Grassey requests all members who are going down to greet our Jimmy on Saturday to be at the Memorial Home by 5 P. M., he also urges you all to turnout and go down to Jersey City with the Jr. Bugle and Drum Corps, Sunday at 12 noon also at the Home.

Was a little disappointed at the crowd, Tuesday night, at the fights. It looked to me folks as if the Paterson people were more interested in helping our cause then you home folks.

There will be a final meeting of the Citizens Athletic Committee next Tuesday night in the Board of Education Room at the High School. All returns must be made at this time.

I made a mistake last week on our meeting, it was postponed until next Tuesday night, April 30th.

"So Long Folks"—

V.F.W. LADIES TO PRESENT MEDALS

Patriotic Event At Lincoln School Saturday

Parents and friends of the participants in the Americanization Day program to be held, Saturday evening, at the Lincoln School will gather to pay tribute to the ideals and principles of the American government. The program is sponsored by the local Ladies' Auxiliary of the Veterans of Foreign Wars.

The winners of the contest that was conducted in the grammar schools of the community will be awarded medals by the committee in charge of the event. The prizes have been presented by the Good Government Candidates for Commissioner.

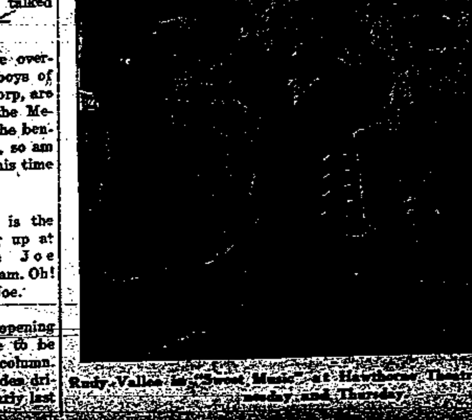
The judges of the contest were: Rev. John S. Moore, Miss Margaret Barrie, and Paul Ordway. They held their session last night to decide the winners. An announcement of the selected essays will be made on Saturday evening.

The medals include two gold medals, two silver medals, and two bronze medals for the boys and girls securing the first, second, and third distinction.

The committee in charge of this patriotic program is as follows: Bertha Stewart, chairman; Grace Houseward, Clara Rollo, Myrtle Lutz, department chairman; and Alice Petty, president.

A. MITCH TO WED MARY DANIELS

Miss Mary B. Daniels of 230 Central Avenue, Hawthorne, will become the bride of Andrew J. Mitch of 46 Sussex Street, Paterson Tuesday April 28th, at St. Anthony's church. Reverend Father Thompson will perform the ceremony.



Rudy Vallee in "Sweet Music" at Hawthorne Theatre, next Wednesday and Thursday.

ST. ANTHONY'S TO GO TO COYTESVILLE TOMORROW

At a regular meeting of St. Anthony's Booster Club held in the social hall Tuesday evening, final arrangements were made for the trip to Coytesville tomorrow evening. All those who intend making this trip should be at the hall at 7:45, so that seating accommodations can be arranged. The group will leave the church at 8 o'clock sharp.

Jim Evers was appointed chairman of the social committee for May and it was decided that at the next social meeting the Club spend some of the treasury money and have a party for the members of the Booster club and St. Luke's Lyceum.

FATHER SMITH TO SPEAK AT SUMMIT

Prof. of The Catholic University of America

The Very Reverend Father Ignatius Smith O. P., S. T. L. Professor of Sacred Eloquence at the Catholic University of America will be the speaker at Rosary Shrine, Summit, N. J., on May 5th. The occasion is the annual Shrine Pilgrimage in honor of the Mother of God.

Father Smith, noted Dominican Pulpit orator, distinguished and nationally known radio speaker will preach on "MARY AND THE NATION."

This annual pilgrimage has been a popular affair since the foundation of the Shrine in 1919 and is always attended by thousands of pilgrims. The devotions begin at two-thirty, Daylight saving time and consist of a Rosary procession in which nearly all present take part. Led by the colorfully garbed altar boys and followed by the Mater Dolorosa and Holy Name societies, Knights of Columbus, children carrying the banners of the 15 mysteries of the Rosary and other children dressed as Dominican Nuns and Dominican Novices, this procession thru the streets of Summit, is most solemn and impressive.

Four entrances and ample parking space are provided for these coming by automobile, and the ever efficient police under the direction of Chief Nelson will take care of the traffic.

ALUMNI ASS'N. TO PRESENT MYSTERY PLAY

"Scare Crow Creeps" Title of Show-June 7th Date

The rehearsals for "The Scarecrow Creeps" are progressing very well. The performance will be given on Friday evening June 7, in the High School Auditorium. The Board of Education has been very kind in offering the auditorium gratis. The Alumni Association has secured Mr. Jack Arden, a very able coach, to assist the members of the cast. Although the play is a mystery, it contains much humor.

The proceeds from the play will be used to purchase awards for the honor students of the June graduating class of the high school. Mr. Edward Wilms is business manager for the association and Mr. Victor Verberckmos is the chairman of the ticket committee. Special student tickets will be on sale for the high school and the grammar schools. The cast is working hard to make this play a huge success.

The law of worthy life is fundamentally the law of strife. It is only through labor and painful effort, by grim energy and resolute courage, that we move on to better things. —Theodore Roosevelt

Centrals' 'Press Time'

— by — SAM BRUNO

Howdy Ladies and Gentlemen—just to remind you the Second Annual Dance of the Centrals' is only a few day away and if you haven't purchased your ticket, do so as soon as possible.

Music will be provided by none other than that well known orchestra of Glen Rock, Ken Sinn and his Grenadiers. Entertainment will be furnished by some of the W.N.E.W. talent and also some local talent.

Prizes galore will be another feature at the dance! Cash prizes will be awarded to the winners of the Old Fashioned Waltz, Shim Sham, and Rumba. A cash reward will be given for the door prize.

Come and meet the most popular member of the Central's—Emil Lutz-Handsome? I'll say, but sorry to say, he will not be able to accomodate anyone else but his wife.

The ticket committee gave its report that more than 200 tickets have been sold and many more are expected to be sold before the night of the dance.

Many notables are expected to be present. Hon. Mayor Rhodes, Paul Ordway, Commissioner Houman, Judge Schoonmaker, Bob Maitland, Chief Vandervalk, officers of the police force, and many others too numerous to mention.

So be sure to come and meet all your friends (for they are sure to be there) have a good time, and enjoy yourself to your hearts content.

Hoping to see you at the dance. S'Lunk 'till we meet Sat. Nite.

Yours truly,
S.B.

BOWLERS TO DINE TONIGHT

Pat Duffy And Geary Five To Be Awarded

The Hawthorne Bowlers will hold their annual banquet tonight at Blasberg's to wind up their most successful season of bowling. According to George Adderly, president of the league, a large crowd is expected to gather for the occasion. Mr. Adderly will act as toastmaster.

Among the guest speakers will be the Hon. James Radcliffe, member of the Passaic County Board of Chosen Freeholders. Public Safety Commissioner John C. Houman will present a cup to Pat Duffy for maintaining the highest average score during the season. Mr. Duffy will be the recepient of another cup from Harry Schoen, County Counsel, for having rolled the most 200 games during the season. Mr. Duffy is a member of the St. Anthony's Whites Team.

The Geary Five will be presented with the prize for being the best team during the year. This award will be made by Mr. Marius Vadon. St. Anthony's team was in second place for the season.

A fine program of entertainment and music will be presented after the dinner.

The officers of the league for the season just concluded were: George E. Adderly, President; Earnest Burtt, Vice-President; Carrol J. Stark, Treasurer and Charles Duffy Secretary.

BICYCLE RACES AT NUTLEY, EASTER

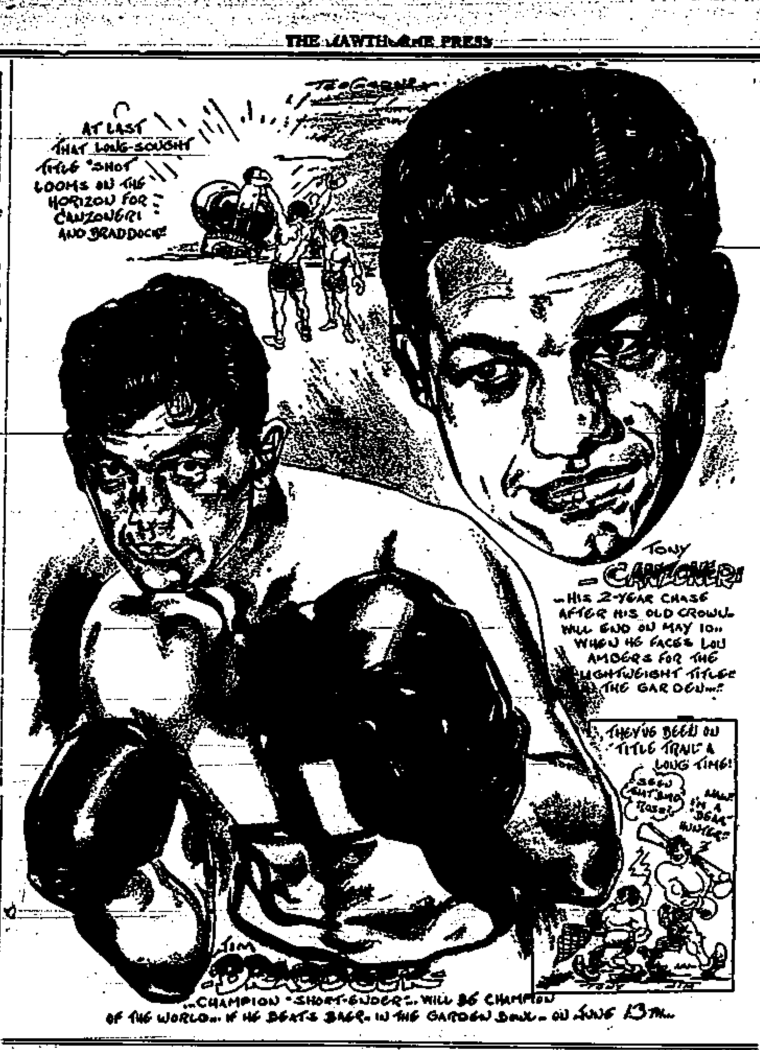
Professional and Amateur Races Open Season

Easter was celebrated at the Nutley Velodrome Sunday afternoon with a program of amateur and professional bike races in keeping with the official opening of the Spring sports season. One of the main events of the day was the Easter Prize, a race at one mile for professionals with a host of international stars competing.

Former and present sprint and all-around titleholders who answered the call for the Easter Prize include Freddie Spencer of Nutley, Cecil Walker of Newark, George Dempsey of New York, Bobby Walthour of Kearny, "Torchy" Peden, Reggie Fielding and Henri Le Page of Canada; Pete Van Kempen, the great Hollander; Heinz Vopel and Gustav Kilian of Germany; Tony Beckman of Secaucus, Caesar Binetti of Fair View, Fred Kugler of Somerville and many others.

The motor-paced event on Sunday's card was at thirty miles.

The match race on Sunday's list proved unusually interesting since it was a team affair and had sprinters and distance men taking part. Van Kempen was paired with the Giant Canadian, Torchy Peden, and were opposed by Jimmy Walthour and Cecil Walker, former sprint and all-around champion. The first meet was at a mile and the second was a pursuit race. There were four other events on the program.



MAPLE LEAFS PLAY NEWARK FOUR GAMES

Ike Boone, King of Swat, of International League Makes Initial Campaign

Ike Boone and his Toronto Maple Leafs are coming to Ruppert Stadium Sunday to begin a series which calls for four games in three days, against the Bears. The Leafs in making their initial appearance of the season, will be called upon to play a doubleheader, the first of the 1935 campaign at the local lot. Neither Boone nor his Leafs are strangers to the local fans. Sir Isaac, one time wore Newark livery and last season had the distinction of winning the individual batting crown in the league with a mark of .372 and his team finished third in the race. It is the second time in three years Boone has been the King of Swat in the International League.

While Boone has practically a brand new team, from the one he piloted last year he expects several other new men to join his team before the campaign is much older. He is expecting help from the Cincinnati Reds of the National League with whom the Toronto Club has a working agreement. He hopes the new players he is figuring on will arrive in time to play in the series with the Bears, for he well remembers the treatment the Shawkeymen handed out in exhibition games in Florida. Last season the Bears and the Leafs split even on the 22 games between the two outfits. Since watching his club perform since the start of the campaign, Ike realizes he needs help especially in the hurling department, and would like to have a couple of dependable flingers.

Following the Toronto series, the Bears take to the road and Newark followers will not have a chance to see them perform again at the local ball park until May 21. They return home that day to begin a series with the Syracuse Chiefs. In the meantime the Bruins will have visited the cities in the Northern end of the circuit.

BOXING BOUTS AT PATERSON ARMORY

Series of Fisticuffs Promises Fans Treat on May 13

Inter-association bouts bringing together the champions of New Jersey and the Metropolitan district for the first time in the history of the New Jersey Association of the A. A. U., will be staged at the PATERSON ARMORY, May 13th, under the auspices of the Paterson Evening News A. A.

The series of bouts which will be offered May 13th, promises to provide the greatest night of fisticuffs in the history of the A.A. U. in New Jersey. Every battler on this show will be a championship fighter, winner of his division over the greatest competition in this state, and in the Metropolitan area—and that spells dynamite.

This big night of fights practically amounts to an Eastern Golden Gloves show, when leather tossing dynamite will explode all over the staid Paterson Drill shed and every whaling rip snorting, smacking mittheaver, will be socking away for dear life.

Battlers are being lined up now. The one night stand on May 13th, at the Paterson Armory bids fair to be the greatest amateur fistic spectacle that Paterson has ever seen.

TENNIS FANS TO ENJOY A REAL THRILL

Tilden or Vines Will Star at Coming Matches in Newark

A rare treat is in store for tennis fans in this vicinity at the Newark Armory Saturday night when Bill Tilden, Ellsworth Vines, George Lott and Lester Stoefen will be seen in two singles and one doubles match. It has been years since any such net dish has been served to the followers of the sport here and judging by the advance sale a big crowd will be on hand to welcome the famous knights of the racquet.

It is probable that Tilden and Vines will play Lott and Stoefen and this match should be unusually close as Stoefen isn't figured to be as fast as he was in New York last December when the tour started, because of a long illness. The fact that Les is not likely to be at his best gives their rivals a better chance of making it a close battle.

Doubles play is not the forte of either Tilden or Vines. However, it has not been definitely decided just what the two singles matches will be as Promoter Dick Dunn and Bill O'Brien, in charge of the tour, are willing to let the fans name the way the men should be paired.

It is practically assured that the general run of fans will prefer to see Tilden against Vines in one of the events.

Stoefen was out for some time because of an attack of the grippe that developed into pneumonia. While he was out Hans Nusslein, the German star who won the Miami tourney, took his place and made a worthy substitute, but of course Lott missed his doubles partner greatly.

The prices are from one to three dollars, but the dollar seats won't be put on sale until the doors open Saturday night.

LOCAL GROUPS PLAN FOR MEMORIAL DAY

Charles F. Kenyon to Act As Grand Marshal

The Veterans of Foreign Wars and the American Legion of the borough have made tentative plans for the borough's celebration of Memorial Day, May 30th. A joint committee of the two organizations held a meeting last week to outline the program of the day.

Chairman Charles F. Kenyon, past commander of Mawhinney post, V. F. W., has formed several sub-committees which include the following: Finance committee, Raymond Whitford of the American Legion and William H. O'Grady of the V. F. W.

Transportation committee, Edward Bothyl of the American Legion and Henry Masten of the V. F. W. Platform committee, John Gibson and William Valle of the V. F. W. and Guion Whittaker and Eric Rumler of the Legion Speakers committee, Chief Ryan Vandervalk of the V. F. W. and Edward Bothyl of the American Legion.

Traffic committee, Chief Ryan Vandervalk; music committee, David Blauvelt of the Legion and Captain Nate Danielson of the V. F. W.; publicity, William H. O'Grady; program and parade committee, composed of the entire general committee.

Past Commander Charles F. Kenyon will act as grand marshal of the parade and the names of his aides will be announced later.

A tentative route of the parade has been made which is from Wagaraw Road where the parade will assemble, thence up Lafayette Avenue to Warburton Avenue, west to Arlington Avenue, north on Arlington Avenue to Vreeland Avenue, east to Lafayette Avenue and south to the reviewing stand at Lafayette school where they will witness the exercises.

The next meeting of the committee will be held at the Mawhinney Memorial home, 375 Lafayette Avenue on April 29.

The Universal Car

ONE name comes quickly to mind when you think of "The Universal Car." The description is distinctively Ford. No other car is used by so many millions of men and women in every part of the world. Everywhere it is the symbol of faithful service. . . . That has always been a Ford fundamental. Something new is constantly being added in the way of extra value. Each year the Ford has widened its appeal by increasing its usefulness to motorists. . . . Today's Ford V-8 is more than ever "The Universal Car" because it encircles the needs of more people than any other Ford ever built. It reaches out and up into new fields because it has everything you need in a modern automobile. . . . The Ford V-8 combines fine-car performance, comfort, safety and beauty with low first cost and low cost of operation and up-keep. There is no other car like it.

Mayor Rhodes Endorsed By Com. Jowett

(Continued from Page 1)

try to the knowledge of the average voter such information, based on true authentic facts as to the real conditions governing the financial status of the Borough of Hawthorne.

"Several meetings have been called during the last ten days at which time many items of borough interest have been discussed by a group of interesting speakers.

"Commissioner Thomas Jowett, is addressing one of these meetings, called for a hearty endorsement of Mayor Rhodes and his partner, Robert Maitland. His intimate association in official life as well as that is, private life with the Mayor called for an expression of his unswerving loyalty to him and to the principles and policies that he stood for.

"In the conduct of the many and varied everyday activities of this borough, Commissioner Jowett called upon his hearers not to forget that it was Mayor Rhodes's duty and responsibility to secure the money to pay the bills for such and all items of cost and for service rendered for the upkeep and well being of every citizen and resident of this borough! And while the other commissioners were responsible in the greater part for the spending of this money, Mayor Rhodes had, in spite of unparalled financial difficulties, kept the business corporation of the borough of Hawthorne running as a paying concern so that not a single employee was today lacking one dollar in back salary for services rendered.

"Another element of Mayor Rhodes sound wisdom and far reaching foresight was his shrewd and logical choice of his running mate Robert Maitland. In fact Maitland, the citizens and voters of the borough of Hawthorne should consider themselves more than fortunate in having the opportunity to advocate the election for official office such a sterling type of candidate. Here was a man of natural sincerity and purpose, a citizen whose becoming modesty and charm hid from view the real merits of a thoroughly trained and very successful business man. And the greater virtue in such a choice was the fact that "Bob" Maitland's everyday activities were spent in town and in consequence left him free to render invaluable service to his Community.

"Mr. Raymond Rhodes who acted as chairman of the meeting, said that so far as the Mayor's Campaign was concerned he, the Mayor, stood on his record of the last four years and on the fulfillment of his promise that he would not only lower the taxes of the borough of Hawthorne, but that he would also bring into being a just and equitable readjustment and equalization of taxes. "These promises have been fulfilled to the absolute limit", answered Chairman Raymond Rhodes, "and any citizen who cares to analyse his tax bills of the last four years will readily discover the fact that taxes in this borough have been reduced some 20% from what they were four years ago."

"One other point to be thoroughly understood by the citizens of the Borough," continued Mr. Rhodes, "is the fact that this was the year for the Mayor's re-election to office, and despite that fact, and in face of the threat that an increased school budget would destroy the full evidence of his work to lower the tax rate for this year, the Mayor after reviewing and analyzing the contents of the school budget, and after satisfying himself that it could be reduced no further, went out and worked for the passage of this self same school budget, which caused an added increase of the points. But even despite that increase, the Mayor was still able to show an official reduction of 23 points in this years tax rate."

any paper in this section to give.

"Through the annuals of the Press it has been the one thought to secure the desires of its subscribers and so far as possible to carry this feature to the best of our ability.

We wish to announce to the public in general that the PRESS through its workers and its patrons have increased the circulation from the small number of 2,400 to the total of 4,716 in the past two months. This circulation is a guaranteed circulation, including Hawthorne, North Haledon, and surrounding territory, giving the PRESS the largest circulation of any weekly newspaper published in Passaic County.

association will have an opportunity to hear all sides of the issues during elections.

The George Long Boosters have been working on plans to foster the campaign of their standard bearer. The representatives were presented with literature to be distributed throughout the borough. An effort to canvass the borough before election will be made by the workers for George Long.

On Saturday the George Long Boosters will hold a card party at Lafayette Hall to raise funds for the campaign expenses. Mrs. Gertrude Durbin, general chairlady, announced that a large crowd of the Friends of George Long are expected to be present. The card party is expected to meet with the usual approval that is given to all functions of the Democratic Club. Players are requested to bring their own cards.

Good Gov't Group Questions Mayor Rhodes

(Continued from Page 1)

the course of the past four years, an enormous sum of money was paid to them for work claimed to have been done by them, aside from the regular auditing work. If the borough tax collector's office has been run so efficiently that Mayor Rhodes every so often compliments them highly, then why is it necessary to pay the auditors this exhorbitant price for extra auditing work? Why was it necessary to take four years to straighten out the borough books?

"Mr. Rhodes claims in his newspaper interview, that the borough engineer, Salvador Olissomello, has done an enormous amount of work. Why pay 6% commission to a man who did not possess a C. E. degree at the time of his appointment, while his predecessor, Mr. Wm. Ferguson, a man of high standing in his profession of Civil Engineering, only received 5% commission? What outstanding local work did Mr. Olissomello do to receive close to $17,000 for two years compensation"? declared a fighting manager of the Houmanday - Schoonmaker group.

"Why did not the mayor publicly protest the payment of such a large sum of money?

"Why does Mayor Rhodes put the blame of paying these amounts on the commissioner in charge of that department?

"He is the mayor and the Finance Commissioner, and surely had he had the interest of the taxpayers at heart, he would have raised loud protest when these unheard of bills were presented for payment, continued Mr. Goshirian.

"Why did he authorize the payment of them"? asked the manager.

"Mr. Charles Wilson, according to Mr. Rhoden, has done a great deal of work on Westervelt and Mountain Avenues. Were these jobs ever publicly advertised according to law"? questioned the good government leader.

"Since Mr. Rhodes has broken the ice, and has attempted to explain the Mitcomillis, the saddlings, and the Charles Wilson episodes, so be it, or will he attempt to explain to the taxpayers who Chas. Ackerman is? After which, we will ask him some more questions. The public is entitled to know how their tax monies are spent", the Good Government manager declared.

The Good Government League invites all citizens interested in their government to attend a meeting at Lafayette Hall, next Tuesday night. Entertainment will be presented.

Grob-Lasky Declares Race Popularity Contest

(Continued from Page 1)

propriated, and embezzled by dishonest officials, colossal as these sums are shown to be or exhibit the picture in its naked horror, more harmful by far than the loss of mere money is the betrayal of the cause of democracy, the subversion of the system of popular control. The principle of majority control has been twisted into minority miracle. Democracy, has created a Frankenstein monster in the cage of political machines. The political parties were created to make effective the desires of their members. In general the political parties regard government as a key for the control of which contests, termed elections, are held periodically. It is more of a "Popularity contest" than the selection of high grade men to guide the destinies of our municipality. The electies decides which of rival chauffeurs shall be permitted to drive the bus. So much energy is wasted on this struggle to determine the driver that no consideration is given to the direction in which the bus shall be driven. As consequence in an attempt to satisfy all occupants the bus is driven aimlessly in a circle, returning to its starting point for the next election.

"How much is your vote worth to you? An average of twelve dollars is payed to the political workers to solicit votes on election day, some of those workers call themselves good American citizens, some of whom have served their country, to make it safe for democracy, yet they will hire themselves out for this small sum, to solicit your vote, and the value of your vote is determined, by the number of votes the worker is able to solicit. Figure it out for yourself. Where does this money come from? And who other than the taxpayer, carries the final burden?
