LETTER WORTH READING

We seldom print letters written to the editors of other periodicals but the following missive to the Memphis Commercial Appeal, used by that excellent publication as the basis for an editorial is so appealing that we are making an exception. emergency first aid kit.

"To the Commercial Appeal: "My only son was born while I was in France during the first World War. Today he is a member of the United States Marine Corps. He sailed from California the 1st of January and we have heard nothing from him since. We know he is somewhere in the Pacific. We are anxious about him. Thou-

"The President says we do not have enough ships to send! supplies to our troops, and that we must build ships in a hurry. Even as he spoke, several hundred shipbuilders refused to work en Washington's Birthday, because they were not paid double soda and steril sheet.

"How can fathers and mothers of boys who are in the danger zone and who are being called upon to sacrifice their lives feel any 'surge' of unity when the President and the Congress permit a bunch of shipbuilders and munitions workers to quit when they get good and ready? "Do our boys at the front get 'over-time' and 'double time'

in the fox holes of the Philippines? Do our sons who are giving their lives to protect the jobs of these and others like them quit on holidays? Like hell they do. family to support, went to get a job in a munitions plant. Every day we hear on the radio and read in the newspapers that such men are needed to turn out munitions for our soldiers, sailors highly organized Legionnaires, the (C) Easter Morning.

We turn to private enterprise in the field of natural resources—to the oil-producers, the coal-producers, the mines, the timber-producers—for an ever-increasing supply of the materials which feed an insattable military machine.

We turn to private enterprise in the field of transportation—to the railroads and the other carriers—which are achieving men and miraculous records of unfailing service.

'So it goes, down the long list. It is private enterprise with supplies the instruments of combat to the brave men who fight for the United Nations on land, in the skies, and on and under the surface of the seas. It is private enterprise which is dedicated to a single goal—victory, unqualified victory, in the war.

The record bears out all of this. You see it in the fast-rising indexes of industrial production. And, in the end, you will see it in the defeat of our enemies.

Private enterprise and, freedom stand or fall together.

The Masonic Club has clinched eight games, Jack Liddy is in third place with 183.2 for seventy-eight the championship, in the Haw there agame, slock lidely is in third place with 183.2 for seventy-eight the championship, in the Haw there agame, holding asseven-game margin with thus aix games. the three letter schools, a deadline of May 18 has been set and at this meeting, also to be held at Haw thorne, the question will be definitely decided upon.

Who remembers the old days when the cartoonists used to picture Benito Mussolini as a big tough guy leading little Adolf ing round on a leash.

The members of the Club Control Nay Adair, Olga Porache, George Balley, Claire Sim I thought to myself, "Wait until they have the rest." Into these native movements Arthur had poured all the anxiety, suffering and sor-grow, which the cartoonists used to picture Benito Mussolini as a big tough guy leading little Adolf ing round on a leash.

The members of the Club Nolzan - Tom Aufiero Need in the feather Sollege announces that under the new accelerated program, college entrance examinations will be held on May 15 and on May 29 for all the cartoonists used to picture Ment, my mind went back again to that summer a year ago.

They had been so happy those places that they liked it. I thought to myself, "Wait until they have the rest." Into these native movements Arthur had poured all the anxiety, suffering and sor-grow, college announces that, under the new accelerated program, college entrance examinations will be held of them on the bulletin board. Again to the form of the Club Yet Been Played

And they form and Ronnie Kirkman.

As I watched him from my place at all. We called the doctor and good anthority it is estimated that Who is this May Bud from Belle As I watched him from my place at all. We called the doctor and good authority it is estimated that in the audience and heard the opening measures of the symphony, my mind began to wander back to that summer year ago when Arthur composed this symphony. He convert the work on his symphony. He convert the work on his symphony. He convert the work on his symphony against the work on his symphony. He convert the work on his symphony against the work on his symphony against the work on his symphony. He convert the work on his symphony against the work of the symphony. He converted that the work of the symphony against the work of the symphony. It would not leave the soft the work of the symphony against the work of the symphony against the work of the symphony. It would not leave the soft the work of the symphony against the work of the symphony against the states of the symphony. It would not leave the soft the work of the symphony against the states of the symphony against the states of the symphony against the states of the symphony against the symphony against the states of the symphony against the states of the symphony against the symphony against the symphony against

when Arthur composed this symphony.

We were all together, Arthur, June his wife, and I, down at the "Beeches" by the sea. It was a beautiful cottage, small and white, almost lost in the large expanse of the beach which stretched for miles on either side, I had taken the cottage for the season and invited them to come down to spend a month overtwo with me so that Arthur could bave peace and the season and that Arthur could bave peace and the series only to please her but gram is designed to prevent auch brought the work into designed to prevent auch brought the work into her room so a catastrophe and to avoid a low-brought the work into her room so a catastrophe and to avoid a low-brought the work into her room so a catastrophe and to avoid a low-brought the work into her room so a catastrophe and to avoid a low-brought the work into her room so a catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so catastrophe and to avoid a low-brought the work into her room so centastrophe and to avoid a low-brought the work into her room so centastrophe and to avoid a low-brought to that he would not have to leave which occurred during the last war.

Barbara taken up archery sudden.

Barbara taken up a that Arthur could have peace and quiet to work on his symphony.

They were so happy those two

Toom. Gathering all her strength sidering candidates on the basis of Cantel Court of the Cou

she whispered, her eyes searching general qualifications of a high Phyllis Costa's name pin proved Arthur's for some clue.

"What did he say?"

"He could be say?"

"He could be say?"

"He could be say?" "He said that you would soon met. (4) By offering the so-called so much laughter when Miss Sottle be well again and gave me some V-1 program, as designated by the stressed a "Duubh" followed by an medicine for you," Arthur lied U. S.
