MAYOR TIED TO Machine

THE HAWTHORNE PRESS

Proves to Be Political Turncoat

Question 976: Why is the current mayor "moving a lot of people around"? What is his motivation?

Mayor: Moving people around is necessary for the efficient operation of the city. The mayor is always looking for ways to improve the city and make it a better place to live in.

Question 977: Who started the current mayor's political career?

Mayor: I started my political career in my early 20s. I was a candidate for city council and won in a landslide.

Question 978: Who is the current mayor's most significant political mentor?

Mayor: My most significant political mentor is Mayor Marcus, who served in the office before me. He taught me the importance of listening to the people and working hard for their interests.
