

**APRIL**

# The Hawthorne Press

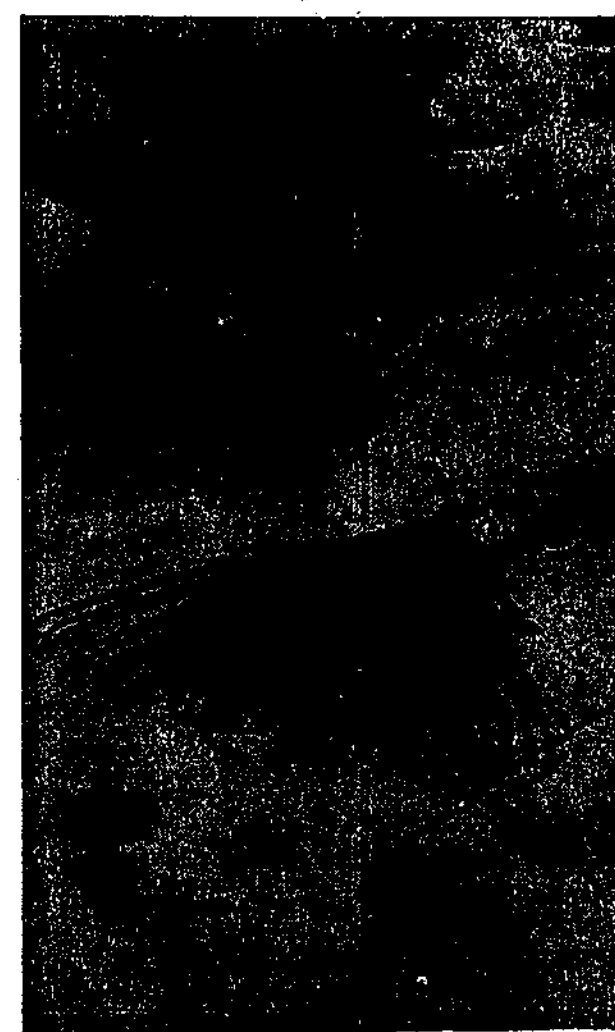

Vol. XLV, No. 14

THURSDAY, APRIL 2, 1970

HAWTHORNE, N. J.

PRICE FIVE CENTS

## Spring Shouts "April Fool"

Like an enormous April Fool joke signs of spring are contrasted with the inches of snow left over from a snowbound Easter Sunday. The owner of this discarded bike left it unattended and now professes the sled for outdoor exercise. The shock of a near-fatal snowfall Easter Sunday is only more electrifying with weather reports forecasting additional precipitation, possibly snow, for this afternoon or evening.

## Three Bomb Scares Within Fifteen Minutes On Tuesday

Three bomb scares occurred within a 15-minute period in Hawthorne Tuesday evening.

At 7:12 p.m. John Gates, general manager of Mobile Fabrics, 11 Wagon Road, Hawthorne, reported that a phone call had been received notifying his firm of a bomb in the building. Both Van Hoff, an employee, had answered the phone when the scare call was made.

The police and fire departments of the borough checked out the building and results were negative.

Seven minutes later, Dorothy Montano, ticket taker at the Hawthorne Theater received a similar call stating there was a bomb in the theatre.

Patrons were evacuated and Fire Chief Louis Bay and Patrolman Alfred Suler and Thomas Pomeroy checked the building and again reported negative results.

At 7:29 p.m., an unidentified caller again notified Mobile Fabrics saying "someone in the shop has a bomb and I'm not kidding."

Fire Chief Bay and Patrolman Alfred Suler and Thomas Pomeroy checked the building and again reported negative results.

A series of bomb scares occurred at Hawthorne High School on March 19, 20, 21, 22 and 26, each one made by an unidentified caller.

Police Chief Walter Vandenberg stated that a malicious hoax call constitutes a misdemeanor with a fine of \$1000 or one year in the county jail or both.

## Mayor Bay Will Be Master of Ceremonies

Mayor Louis Bay II will be the Master of Ceremonies for the 35th Annual Installation Dinner-Dance planned for April 25 at the Bowness House, West Broadway, Paterson.

The following officers will be sworn in: Raymond L. Rhodes, honorary president; Norman W. Lippert, president; Mrs. Louise Bay, first vice president; Mrs. Ellen Sheppard, second vice president; Henry Jost, third vice president and George Weir, four vice president; Albert J. Crowley, treasurer; Mrs. Herbert Marshall, financial secretary; Mrs. Adrian Blum, recording secretary; Walter G. Pomeroy, sergeant-at-arms; James P. Evers, Robert Allegro, counsel; Howard James, Louis Bay 2nd and Bert Vandenberg, Jr., trustees.

Dead line for ticket returns is April 20. Tickets are available from Mr. and Mrs. Norman W. Lippert, Mrs. John Grady, Mrs. James Hughes, Mrs. Henry Brown, Mrs. George Cronin, Mrs. Thomas Malcolm, Mrs. Adele Butterworth, Mrs. Adrian Blum, Albert J. Crowley, Al De Palma, Bert Vandenberg, Jr., Anthony Ross, Howard James and Vernon Hughes.

The regular meeting of the Hawthorne Unit of the Passaic County Republican League will be held on Monday, April 6, at 8:30 p.m. at the Llewellyn Avenue Fire Hall, Arthur Barker, Commissioner of Finance, will be the guest speaker.

## the dimmer side...

The case of Peter Stanz, owner of Lafayette Terrace, corner of Lafayette and Tuxedo Avenues, resulted in a reserved decision by Municipal Court Judge Michael E. Diamond.

Stanz was charged with violating a borough ordinance that prohibits a service station from parking a commercial vehicle on its premises when the station is not open for business.

Michael E. Diamond, attorney for Stanz, argued that the ordinance was discriminatory against service stations because other businesses are permitted to keep commercial vehicles on their property.

Richard Hajjick, 18, of 2 Grand Avenue lost his license for three months under the New Jersey Division of Motor Vehicles point system.

Andrew W. Ostrowsky, 23, of 70 Ken Avenue Extension suffered head and face cuts when his car struck a utility pole in front of 300 Mountain Avenue on March 26.

Paul D. Kross, 19, of 350 Geddie Hill Road, was charged with leaving the scene of an accident after his car struck a parked car in front of 18 North 8th Street last Thursday. Kross told police he apparently mistook the car for a stolen car and fled.

the dimmer side...

## Moonshine Confiscated By Police

Following a raid at a garage on Fourth Avenue opposite Lafayette Avenue, police examines confiscated items including illegal liquor and cigarettes. Pictured from left are Harry Bay II, Det. Earl Perry of Paterson Police Dept., Lt. V. G. Mangione, Police Chief Walter J. Vandenberg and Sgt. Andrew Torres, all of the Hawthorne police force.

Hawthorne Police nabbed a moonshine still in the confiscation of the largest quantity of contraband liquor and cigarettes in the history of both Paterson and Hawthorne.

The Hawthorne police department was alerted on Friday, March 27, through a phone call from Detective Sgt. La Conte to V. J. Mangione of the borough force requesting Hawthorne to keep under surveillance a garage at the rear of 444 Lafayette Ave. opposite Fourth Avenue.

La Conte then obtained a search warrant from County Judge Theodore Rosenberger and arrived at the garage at 7 p.m. with Paterson Police Commissioner Edwin Badolandi and City Detective Joseph Cobello, Brian Glendon, and James Kirk of the vice squad.

Police Chief Walter J. Vandenberg and Mayor Louis Bay II, Director of Public Safety, 17, and Detective Sgt. Mangione and Paterson

Andrew Torres were waiting at the scene.

Upon entering the premises, the police found a white panel truck containing 253 and one half gallons and 64 gallons in plastic containers of alcohol, 455 cartons of cigarettes and four transistor radios.

The illegal articles were impounded by Hawthorne police the truck was taken to the police garage.

Patrolmen Richard Short and Ronald D'Argenio took police photographs.

Lieutenant Mangione filed charges of possession of contraband against Donald Miller of 171 Main Street, Little Falls, who also maintained a residence at 271 Ellison Street, Paterson.

Miller is being held in \$5,000 bail by the Paterson office following his arrest when police discovered 47 yellow bottles of illegal liquor, 25 half gallons of cigarettes in his car and seven unregistered guns and more cigarettes in the Ellison Street apartment.

A two-week investigation by Paterson was initiated when City Housing Policemen William Engers, Louis Rodriguez and Julian Miller indicated suspicion of illegal activity.

Police Chief James Hannan assigned Det. Sgt. Peter La Conte, Det. James Clark and Paul Perry to the case. The Paterson raids were conducted by the three housing policemen, the three detectives with assistance from Detective Cobello and Glendon.

Charges of possession of illegal liquor, seven unregistered weapons and selling illegal alcohol and cigarettes were filed in Paterson against Miller.

Gerardo H. Kohn, of the Internal Revenue office from Newark, had been contacted and further charges would be filed by the government.

## David Pavlin Elected President of Rotary

David Pavlin, 40, of 1118 Goffic Road, Hawthorne, has been elected president of the Hawthorne Rotary Club for the year 1970-71. Mr. Pavlin is principal at Hawthorne High School.

Vice President will be Elmer Bakelaar of 63 Blumfield Avenue Hawthorne, mayor of Blauvelt.

Members of the Board of Directors are: William J. Vandenberg, Jr., treasurer; and Ryan Vandenberg, Jr., secretary.

Members of the Board of Directors are: William J. Vandenberg, Jr., treasurer; and Ryan Vandenberg, Jr., secretary.

## Return That Census Form Now

If you have not mailed back your census form, do it today. It's not too late to be counted in the 1970 Census of Population and Housing, according to Eugene Henry, District Manager of the census in this area.

Although the Census Bureau wanted the forms returned on April 1, the District Manager says his office will still accept them. However, if all forms sent to households are not returned shortly, it will be necessary for census takers to call and pick up those not returned, thus adding to the cost of the census.

The District Manager adds a word of caution to those who have not filled out their census forms. The census is meant to take a count of everyone on a specific date, April 1. If someone has moved into your household since that day, he should not be listed on your form. If someone has moved away since then who was a resident on April 1, he should be listed.

Most questions will be answered by listing in small circles with an ordinary lead pencil. And if you refer to the yellow sheet of instructions that came with the form, you will find it a simple task. There is a brown envelope, already addressed and requiring no postage, for mailing it back.

If your household has not received a 1970 census form in the mail, the Census Bureau wants you to call this number: 625-0807 from March 27-April 12 between 8:30 a.m. and 6 p.m.

If you did receive a form and, after studying the yellow instruction sheet that came with it, are still puzzled about how to mark the answers to the questions, call the number. A trained census worker will help you.

## Two Police Officers Cited

Hawthorne Patrolmen Thomas Pomeroy and David Shaker have been commended by Hawthorne's William B. Mandelberg, Auxiliary Police Corps for their cooperation in a rescue of a 16-year-old boy who had fallen from a cliff behind 105 Mountain Avenue on March 22.

A letter to Police Chief Walter J. Vandenberg from the members of the auxiliary corps cited the exceptional cooperation and teamwork on the part of the patrolmen which converted this disaster into a successful rescue.

The letter described the event as follows:

"Upon arrival at the scene, the boy was met by two police officers. The emergency, weighing approximately 170 pounds, lay at the bottom of a 160 foot sheer drop. The boy and one of his friends had been climbing the cliff and were about 50 feet from the top when a rock weighing between 45 and 100 pounds became dislodged and rolled towards the victim. It came to rest in a narrow cliff opening which the boy was just entering. It nevertheless struck him in the chest with sufficient force to cause him to fall, injuring one leg very badly. He also suffered cuts in his leg and one side of his face. One foot was swollen, two teeth were broken and one thumb was crushed.

The two police officers had already made the climb to the top of the cliff.

(Continued on Page 2)

## Anti-Litter Contest Winners

The Junior Woman's Club of Hawthorne announces the winners of the recent poster contest elementary schools in the borough participated for children in the fifth through eighth grades.

The winners are: First place, Karen Williamson, 5th grade, St. Anthony's; 2nd place, Sharon Abbot, 5th grade, Franklin School; 3rd place, Lorraine, 5th grade, St. Anthony's; 4th grade, Thomas Jefferson.

A grateful Electric Glassheat user says:  
**"IT'S A COMFORTABLE HEAT THAT GLASSHEAT GIVES Just like SUNSHINE in Spring!"**

**"...IT'S HEALTHFUL HEAT, TOO; WE HAD FEWER COLDS LAST WINTER and everyone felt fine" the continued.**

No wonder their health was improved. Electric Glassheat heats without flame, so there are no fumes or vapors to pollute the air. The life giving oxygen is not burned up and the humidity is kept at the most desirable and healthful level.

Money-saving thermostat in every room makes it easy to maintain exactly the temperature you want throughout the house. No drafty floors or cold corners, ever. And the rays that warm you are exactly like the rays of the sun. Imagined Summer sunshine in every room all winter long.

No wonder the Electric Glassheat house is a healthful as well as a comfortable home.

**"SO CLEAN! NO SOOT, DUST OR SMOKE, as we save on cleaning bills," says another owner.**

In all these years with Electric Glassheat we never needed to repair or even wash walls and ceiling. And our Venetian blinds still look fresh and new. Telling these facts into consideration lowers our cost of heating still more.

**"SAVE MONEY ON ELECTRIC BILLS, ALSO!"** "We expected Glassheat to be expensive to operate but it turned out to be costing even less than coal. And since we can now take advantage of the special low heating rates we save on our regular current.

too. And of course there are no maintenance or service charges, still another saving."

Another Glassheat owner says, "We added two rooms, but still my heating bill is only \$175." Again and again people install Electric Glassheat because of its many outstanding advantages, and then are delighted to discover that this remarkable form of heat is an economy on walls.

**IT'S SAFE AND SILENT!** Electric Glassheat can't overheat, and it is absolutely fire-safe. Even accidental contact can't cause blistering and there are no fumes or vapors to worry about.

Sound idea? It is, as many owners will tell you. If you would like to know how little this luxurious-but economical heat will cost you, send the coupon in with this ad.

**Rubella Sites Listed**

A massive Passaic County rubella (German measles) immunization project, involving some 65,000 children age 1 to 10 years, includes Hawthorne as one of eight county sites.

Co-sponsored by the Medical Society and the State Health Department, with numerous volunteer cooperating organizations and agencies, the project will take place on Saturday and Sunday, April 18 and 19 at 12 sites scattered throughout the county.

Physicians of the Passaic County Medical Society will be in charge at all sites throughout the hours of immunization, from 10 a.m. to 5 p.m. on both days.

The immunization shots will be administered by teams from the State Health Department, who can handle approximately 300 children per hour.

A charge of \$1.50 will be made for each child, whose parents are able to pay, but no child will be refused immunization because of inability to pay. A permission form must be provided at each site through the cooperation of municipal health officers and municipal officials, working with organizations and residents of their respective communities.

The Passaic County project is the first in a projected series of county immunization programs throughout the entire state to protect a total of 1,200,000 New Jersey children against German Measles.

The sites for immunization throughout the county are located as follows:

Site 1—Paterson—Kennedy High School, Totowa Road, Paterson.

Site 2—Paterson—East Side High School, Market St. & Graham Avenue.

Site 3—Clifton—Christopher Columbus Jr. High School, 300 Lupton Ave. (off Route 40) Clifton.

Site 4—Clifton—Woodrow Wilson Jr. High School, 1400 Van Hook Ave., Clifton.

Site 5—Passaic—Spear Village Health Clinic, 11 Aspen Place.

Site 6—Wayne—Wayne Health Center (Municipal Building) Valley Road, Wayne.

Site 7—Hawthorne—Franklin School, Bay St. at Wagonway Road, Hawthorne.

Site 8—West Paterson—Memorial School Gymnasium, New Bridge Ave. West Paterson (off Route 10).

Site 9—Towaco—Washington Park School, Totowa Road, Towaco.

Site 10—Pompton Lakes—Municipal Building, 30 Lenox Avenue.

Site 11—Staten Island—Staten Island Hospital, 419 North Ave., Staten Island.

Site 12—New York City—New York City Health Department, 100 West 4th St., New York City.

## Weddings

MISS JOYCE FOYLE JR.

GLASS RIDGE—Miss Joyce Foyle, daughter of Mr. and Mrs. George Foyle of 2101 Chestnut Street, Philadelphia, became the bride of Joseph A. Foyle Jr., of 1575 Street Road, Warrington, Pa., at the Glen Ridge Presbyterian Church.

The bride is the daughter of Mr. and Mrs. Stuart A. Warrington, who replaced Alexander A. Pasoli who resigned after 14 years' service, is a partner in the law firm of Mandan and Reenstra in Wayne and a resident of the borough at 37 Sunrise Drive.

The Rev. William Caputo of Holmdel, former Catholic chaplain at Rutgers University performed the double ring ceremony assisted by the Rev. William Caputo of the Glen Ridge Church.

A reception for 100 guests followed at the Glen Ridge Woman's Club.

Miss Marie Seale Warburton of Glen Ridge was maid of honor. Robert M. Pyle of Durham, N.C. served as best man for his brother.

The bride was graduated from Ohio Wesleyan University, where she was a member of Gamma Phi Beta Sorority, Phi Kappa Phi Honor Society, Phi Psi Honor Society, Phi Kappa Phi Honor Society, Phi Kappa Phi Honor Society.

The bridegroom was awarded a degree from Rutgers University, where he was a member of Theta Chi Fraternity and Omega Psi Phi Fraternity. He is currently a member of the "Scarlet Letter," the campus yearbook, and was elected to "Who's Who Among Students in American Universities and Colleges."

Mr. Foyle was awarded two bronze stars for service with the U. S. Army and is a placement executive with International Personnel Associates, Fort Washington, Pa. The couple will reside in Warrington.

## ENGAGEMENTS

LINDA DE VRIES

MIDLAND PARK—At a family dinner, Mr. and Mrs. Edward De Vries of 12 Floral Lane, announced the engagement of their daughter, Miss Linda De Vries, to Roger Vogel, son of Mr. and Mrs. John Vogel of 160 Second Avenue, Hawthorne.

The prospective bride, a graduate of Eastern Christian High School, North Hudson, is attending Overlook Hospital School of Practical Nursing, Summit.

Mr. Vogel was a graduate from Eastern Christian High School and attended Calvin College, Grand Rapids, Mich. He is a student at Newark State College.

The couple plan a 1971 wedding.

CAROL BIAGI  
At a family party on Easter Sunday, Mr. and Mrs. David Biagi of 4 Lee Avenue, announced the engagement of their daughter, Miss Carol Biagi, to Paul Roberts of 62 Westoff Avenue, Waldwick. He is the son of George Roberts of 48 Ormound Blvd., Valley Stream, N.Y., and the late Mrs. Roberts.

The bride-elect was graduated from Hawthorne High School and attended Fairleigh Dickinson University, Teaneck. She completed courses at Englewood Hospital School of Nursing and is a staff nurse at Newark Memorial Hospital, Paterson.

Her fiancé, a graduate of South Side Senior High School, Rockville Centre, N.Y., is attending Fairfield Dickinson University. He served three years with the U. S. Navy and is with Materials Research Corp., Orangeburg, N.Y.

Mr. De Franco, a graduate of Central High School, Paterson, served two years, including a tour of duty in Korea, with the U. S. Army. He is with the New Jersey State Police at the Hackensack Barracks.

Following a wedding trip to Europe, the DeFranco's, the couple will reside in Paterson, Lakeland Regional High School, Lakeland.

Two Salesmen  
From Martin Ford  
Are Honored

Two salesmen of Martin Ford, Inc., 63 Royal Avenue, were honored for outstanding sales performance during 1969 at a Ford 300-500 Club program on April 5, at the Concord Hotel, Kinnelon, N.J.

The 300-500 Club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country.

"Excellent retail sales performance is the basis for entry into the 300-500 Club," said Mr. Conli, Ford Division's Newark district sales manager. "The average member sold nearly 500 cars last year."

The local Ford retail salesmen qualifying for 300-500 Club are Harold Fuston and Nick Anore.

### ...Editorial...

#### If The Astronauts Had Received Their Rubella Umbrella...

Passaic County has been selected as one of the first sites for a statewide clinic for rubella immunization. Hawthorne is fortunate in being designated as one of the ten municipalities in the county where shots will be administered.

We strongly urge all parents to consider having their children receive the vaccine against German measles on either April 18 or 19, if they have not already received it.

We also caution our readers about confusing the rubella (German measles) shot with the measles shot that their children may have already received.

Regular measles is a serious rash disease that may lead to complications such as loss of hearing or encephalitis. German measles (rubella) is a mild three-day infection which seldom causes complications in children, but may cause death or defects in babies born to mothers who are infected with rubella when they are pregnant.

The best way of protecting women from contracting the disease while pregnant is to halt the spread of the disease in immunizing all children between the ages of one and ten.

Just think—the Apollo 13 moon flight might not be in a questionable state if the astronauts had received their rubella umbrella.

## If You're Not Part of the Solution - You're Part of the Pollution

TOO MUCH OF A GOOD THING—The earth's rapidly growing human population, most scientists say, is the primary cause of environmental problems.

**NEW BRUNSWICK**—Pollution is a people problem. People cause it. People suffer from it. People will have to pay to correct it. And the more people there are, the tougher it's going to be to preserve a livable environment.

At Rutgers, as at most other major American universities, a growing number of faculty members are showing increasing concern with environmental problems. A recent inventory shows that during the past three years, about \$6.5 million has been spent on environmental-related research at the State University.

But it is only in recent months that students have joined the crusade for cleaner air and water. On campuses throughout the country, April 22 will be observed as "Earth Day," to draw attention to how man has abused the earth's thin mantle of soil, water and air, on which all life depends.

The new student awareness of environmental issues has deep roots. Noted ecologist, Barry Commoner, pointed out in a recent lecture at Rutgers that pollution is a post-World War II phenomenon.

"We are now seeing a generation born into a world in which the ecological system was being drastically changed by technological forces," Commoner said.

## Letters To The Editor

Editor,  
 The Hawthorne Press Inc.,  
 463-465 Lafayette Avenue,  
 Hawthorne, N. J. 07507

I am writing this letter from Naples, Italy where I have been employed for three years.

Your editorial of 12 March 1970 disturbed me so much, that I felt you might like to inform the public of the opinion of the Italian television industry, which is the subject of much conversation and an offensive note in the hands of the recognized Communist Party here in Italy, this country.

In the weeks that followed I heard talk of little else than this single daily act. My co-workers and neighbors were very impressed. At a time when America's presence in Viet Nam is the subject of much conversation and an offensive note in the hands of the recognized Communist Party here in Italy, this country.

I pray that the courts will not deprive my daughter of the education of pride I felt each day I saluted the flag of the country I love.

Sincerely,  
 A. SPINELLI  
 Asst. Personnel Services Mgr.  
 Navy Exchange  
 Box 30  
 PPO New York 00521.

April 8, 1970  
 Dear Mr. Missonelle:

I would like to urge the voters to attend the Board of Education meeting on April 14 at 8 p.m.

The voters cast 100 votes for Mr. Engelhardt, but if more people do not turn out for the meeting, he can't do anything against the opposition.

Even with all the votes Mr. Engelhardt received, the Board still put Mr. Neuman in as chairman of the Board.

Democracy must decide and be heard.

## Outdoor Art Show Set For May 2

The Junior Women's Club of Hawthorne will hold its eighth annual outdoor art exhibit and sale on Saturday, May 2nd (rain date May 3rd).

The exhibit will be held at the Hawthorne Library grounds from 10 a.m. to 4 p.m.

Admission is free to the public. Prof. Walton says that the exhibit is free for the public.

Mr. Herbert Schaefer, Jr., and Mrs. Larry Schaefer, chairmen, invite professional and non-professional artists to exhibit their works.

Applications are available from Mrs. Schaefer, 99 Ruth Avenue, or artists may register the day of the show.

It is not just the sheer number of people which are straining the environment," Prof. Walton says, "but it's our enormous appetite for resources and very high standard of living."

Prof. Walton says that the real battle to preserve the environment will be one of private rights versus public needs.

"When I buy an acre of land, I'm really buying a bundle of rights—the right to pretty much do what I want with that land. The real battle of the environment is going to come when these rights have to be limited—when society tells the owner he can't cut down trees, or build another house even though there is room for it," Prof. Walton says.

"You are already seeing environmental battles being fought out in local zoning boards, and they are going to become more and more important as the need for a livable environment increasingly conflicts with long-standing private rights."

He gives an example of this: Neither of the Rutgers scientists seemed optimistic that the

## Trout Season Opening Day At Goffle Brook Park

Hawthorne Press Photo  
 Opening day anglers were lined up along Lafayette Pond on April 4 to get the jump on the trout season. Many of those pictured were young enough not to require fishing licenses. In the trout season, many of those pictured were young enough not to require fishing licenses. In the trout season, many of those pictured were young enough not to require fishing licenses.

On these new rulings, and would the information on regulations concerning enlistment and the draft, he was to stop by our office and we'll give you all the help we can. And you fathers, if you have a son who will be facing induction in a year or so, why not stop by and get all the information now?

**HIGH-SPEED RECOVERY**  
 American troops throughout the world may soon have a new high-speed all-terrain pickup system for emergency rescue operations. The system, being tested by the Army, is designed to snatch injured men from battle or inaccessible areas by firing a rocket.

The entire operation takes just a few minutes and will facilitate rescue operations in situations which landing zones are not available and time is essential.

**NEW DRAFT RULES**  
 There has been much discussion about the new selective service laws since the Army system went into effect, and it is now many of you reading this column may be a little confused. If you would like any help

and for requirements for those who have served in combat areas. Among the countries represented by the 700 candidates: The U.S.S.R.

**FACTS ABOUT THE ARMY**  
 DID YOU KNOW? The first American medical textbook was authored by a surgeon with the Continental Army. The Revolutionary War! He was Dr. John Jones.

That Apollo 11 and 12 astronauts ate meals on the moon that were developed for them by the Army's Natick (Mass.) Laboratories.

That the first graduates of the U. S. Military Academy at West Point have taken part in manned orbital flights? They include Colonel Frank Borman, Edwin E. Aldrin, Jr., Michael Collins and David R. Scott, and the late Lieutenant Colonel Edward E. Whitely. All graduated in the early 1950's.

**RECENT ENLISTEES**  
 Among recent enlistees in the Army from Hawthorne are Alexander Anderson, 90 Lowellville.

## Trout Season Opening Day At Goffle Brook Park

Hawthorne Press Photo  
 Opening day anglers were lined up along Lafayette Pond on April 4 to get the jump on the trout season. Many of those pictured were young enough not to require fishing licenses. In the trout season, many of those pictured were young enough not to require fishing licenses. In the trout season, many of those pictured were young enough not to require fishing licenses.

On these new rulings, and would the information on regulations concerning enlistment and the draft, he was to stop by our office and we'll give you all the help we can. And you fathers, if you have a son who will be facing induction in a year or so, why not stop by and get all the information now?

**HIGH-SPEED RECOVERY**  
 American troops throughout the world may soon have a new high-speed all-terrain pickup system for emergency rescue operations. The system, being tested by the Army, is designed to snatch injured men from battle or inaccessible areas by firing a rocket.

The entire operation takes just a few minutes and will facilitate rescue operations in situations which landing zones are not available and time is essential.

**NEW DRAFT RULES**  
 There has been much discussion about the new selective service laws since the Army system went into effect, and it is now many of you reading this column may be a little confused. If you would like any help

and for requirements for those who have served in combat areas. Among the countries represented by the 700 candidates: The U.S.S.R.

**FACTS ABOUT THE ARMY**  
 DID YOU KNOW? The first American medical textbook was authored by a surgeon with the Continental Army. The Revolutionary War! He was Dr. John Jones.

That Apollo 11 and 12 astronauts ate meals on the moon that were developed for them by the Army's Natick (Mass.) Laboratories.

That the first graduates of the U. S. Military Academy at West Point have taken part in manned orbital flights? They include Colonel Frank Borman, Edwin E. Aldrin, Jr., Michael Collins and David R. Scott, and the late Lieutenant Colonel Edward E. Whitely. All graduated in the early 1950's.

**RECENT ENLISTEES**  
 Among recent enlistees in the Army from Hawthorne are Alexander Anderson, 90 Lowellville.

## Space and Aeronautics

WASHINGTON—When Astronaut James A. Lovell Jr. recently said that he "had his share of flights," it was something of an understatement. He has already flown three times in space and will make his fourth venture into the firmament as the commander of Apollo 13, scheduled to be launched from Kennedy Space Center, Fla., April 11. This time he'll land on the moon.

Already the altitude space champion, Navy Capt. Lovell has more time in space than any of his colleagues, and now has more time in space than all the Soviet cosmonauts put together. Lovell has a total of 572 hours and 10 minutes in orbit, based on Gemini 7, Gemini 12, and Apollo 8. The last was the first flight to orbit the moon.

Lovell will, after Apollo 13, spend approximately 210 hours in space before receiving his final mission, Apollo 17, in which he will be the first to land on the moon.

Since June 1967, Capt. Lovell has been a special consultant to the President's Council on Physical Fitness, and the White House would like to see him fly again.

## SCOUT NEWS

Explorer Post 24 of the Alhambra Council of Boy Scouts, has been formed in the borough of Harford. The post is led by Scoutmaster Robert J. Smith, and has a roster of 12 members.

The post is active in the community, and has been successful in raising funds for the purchase of a new tent.

The post is also active in the area of physical fitness, and has been successful in raising funds for the purchase of a new tent.

## Wagner Will Appoint County Administrator

Frederick Director Victor Wagner announced today that the appointment of a County Administrator is expected to be made by late next month.

Wagner stated that over 20 applications have been received by the Board of Commissioners for the position of County Administrator.

The Board of Commissioners will be holding a public hearing on the matter on April 15, at 10 a.m., in the County Board Room.

## Miss France Saeman Is Honored

Miss France Saeman was honored as leader of the year by the Passaic Valley YMCA. Pictured at the award presentation were David Barklow, YMCA Committee member; David Pavia, Y Chairman and Partner Membership Chairman; Frances Saeman and Robert R. Cummings, Hawthorne Y Executive Director.

## Shower of Fashions To Aid Muchachos Equipment Fund

The Muchachos J. J. P. and the Muchachos J. J. P. are holding a shower of fashions to aid the Muchachos Equipment Fund.

The shower will be held on Friday, April 17, at 7 p.m. at the Tides, North Haledon.

The profits from the event will go to the Muchachos Equipment Fund, which needs \$10,000 for new uniforms for the Muchachos J. J. P.

## Schoem to Install Officers for GOP

State Senator Ira Schoem will install the officers of the Passaic County Republican League on Saturday.

The officers to be installed are: President, Mrs. Louise Bay; Vice President, Mrs. Ellen Spitz; Secretary, Mrs. George Weir; Treasurer, Mrs. Herbert May; and Executive Committee, Mrs. James P. Evers, Robert Albers, and Howard Jones.

## Rubella Vaccine Days Proclaimed

Mayor Louis Bay, 2nd, has proclaimed Saturday, April 11th and Sunday, April 12th, as "Rubella Vaccine Days."

The Mayor has urged all residents to receive the rubella vaccine at this time.

The vaccine will be administered by technicians from the State Department of Health in the Passaic County Medical Society, in order to wipe out this dreadful disease that can cause death or serious deformity in unborn children when contracted by a pregnant woman.

## Board Meeting Contrasts Good and Bad in the System

Thursday's Board of Education meeting was a lesson in contrast between the good and bad aspects of the Hawthorne public school system.

In an unprovoked move, Miss Lay Harding gave a presentation on the "What's New in Education" program, for which she won first prize in the NYS educational contest.

James Oakes and Bill Symington discussed their experiences during the Presidential election, and how they had not been able to vote because of their military service.

### Eight Seniors Receive State Scholarships

Eight Hawthorne seniors have been awarded New Jersey State scholarships. It was announced recently by the State Department of Higher Education.

The recipients are: Richard W. Brown, 178 South Avenue; Roy H. Hark, 150 Third Avenue; James Hark, 122 Second Avenue; Susan P. Ott, 116 East Avenue; Michael W. Tavenor, 116 East Avenue; Albert W. Taverio, 226 North Avenue; James C. Vandenberg, 120 Tuxedo Avenue; and Patricia Wentink, 122 Tuxedo Avenue.

This year, 5,100 New Jersey students were awarded state scholarships.

The scholarships are worth up to \$1,000 a year for four years, or five years if a student is enrolled in a five-year undergraduate program. The state pays the annual cost of tuition up to \$1,000.

By law, the number of awards each year is equal to five per cent of the number of graduates the two previous years from

New Jersey public and private high schools.

It was possible to grant scholarships to one-fourth of the students making application. There were 2,172 students who submitted applications by the November 15th deadline last fall.

The State Scholarship Commission, which administers the program, selected the winners using a formula that takes into consideration academic achievement and financial aid, as required by law.

The Scholarship Program was initiated in 1959. Today's group of winners is the 15th since then and the total number of winners now stands at 11,041.

With State Scholarships, New Jersey students have attended or are attending 744 colleges and universities. Awards for out-of-state attendance may not exceed 35 per cent of those given in one year.

### DIMMER SIDE

Thomas J. Dini, 34, of 124 Buxton Drive, Midland Park, was injured when his car struck the rear of a tractor-trailer on Route 203 at Utter Avenue. Dini suffered forehead and knee bruises and was trans-

ported to the Valley Hospital, Ridgewood in the VFW Ambulance.

Robert S. Giffing, 42, of 4913 Moran, Fort Worth, Tex., was the driver of the trailer.

### Playhouse on The Mail

Stage, screen and television star Ann Jeffreys will have the starring role in the comedy hit, "The Marriage-of-a-Kind," opening at the Playhouse on the Mail, Buxton Mall, Paramus, April 25 for a two-week run.

"The Marriage-of-a-Kind," by Leslie Stevens, is an illustrated picture on the perils of marriage, depicted alternately by a professor of cultural anthropology at a suburban New York college, and his wife, who is Dean of Women. The happily married couple had met, the daughter of a Swedish college ten years previously when she was a giggling youngster. She then was somewhat amazed when she turns up as a house guest, having blossomed into a woman with her own career. Kenneth Clemm will play the son.

For anthropological reasons the visitor decides she must mate with the husband, which leads to a funny situation.

John Bargrey will portray Miss Jeffreys' husband, Fred Almsworth will play the family friend. The play will be directed by James Moore.

Miss Jeffreys became known to millions of Americans through the "Tupper" television series, in which she costarred with her husband, Robert Sterling, for two years. Originally she studied for and appeared in 1950/1951. She has appeared and starred in 37 motion pictures, her first being "I Married an Angel," with dramatic MacDonnell and Nelson Eddy. A major turning point in her career was the motion picture "Street Scene," which established her in the theatre. She has more than 100 television appearances to her credit. Her most recent New York stage appearances were in "Camelot" and in the revival of "Kismet," with Al-Fred Drake.

Three young actors engaged in competition at a recent meeting of the Optimist Club of Hawthorne. The three contestants are from right: E. David Pratt, 76, of 32 Second Avenue; Kenneth Katsch, 15, of 242 Warburton Avenue; and Ray D. Boyert, 15, of 113 Ninth Avenue with Joseph De Flava, member of the club. Pratt is the winner of the Achievement and Awards Committee. Katsch, who won the local contest, will represent Hawthorne in the state competition to be held in Maywood on April 29.

### Sunny Side Up Combined Service Of Two Teachers Is 78 Years

OPTIMIST NEWS NOTES  
Beginning April 28 meetings will be held at Gaffie Mark II at 112 Gaffie Road. Meetings will continue to commence at 7 p.m.

Edward Pratt was the winner of last week's outdoor contest. He will represent the Hawthorne Optimist Club at the Zone Outdoor Contest to be held at the Maywood Inn, 324 W. Pleasant Avenue, Maywood, on April 29. The dinner begins at 7 p.m.

Betty Boyert and Kenneth Katsch were the other two contestants in the local contest. Final plans must be completed for the May 1 Charter Night dinner. Ticket returns and ads for the souvenir booklet are at their deadline.

Two teachers, whose service to the Hawthorne Public School System represents 78 years, will retire at the end of this year.

The Hawthorne Board of Education has accepted with regret the resignation of Miss Laura Miller, first grade teacher at Franklin School and Miss Frances Lohrey, mathematics teacher in the high school.

Miss Miller is retiring after 11 years of service in the teaching profession.

Miss Lohrey has taught for 37 years. She was first employed in Hawthorne in 1933 and has served consecutively as teacher of mathematics in the high school, plus serving as chairman of the Mathematics Department.
