Pasquale, president; Matthews, vice-president:

## School board reorganizes for new term

Although listed as the annual reorganization meeting, there was little change in the officers or policy of the Hawthorne Board of Education as the new term began on Tuesday night. The first order of business was the oath of office for John Pasquale, Frank Matthews and Ralph Chamberlin, who were elected on March 29.

Nominations for president resulted in two candidates — John Pasquale, who was nominated by Hank Van Ry; and Frank Matthews, who was nominated by Norman Smith. The vote was 6-3 in favor of retaining Pasquale in the presidency. Those who cast their ballots for his reelection were Criscitelli, Chamberlin, Meeter, Raso, Van Ry and Pasquale. Those in favor of moving the vice president into the top position were Matthews, Petrucci and Smith.

The next order of business was the nomination of Frank Matthews as vice president for the second year in a row. The motion was made by Raso, seconded by Meeter and voted unanimously by the trustees.

John Pasquale issued the following statement about his re-election as president:

"I would like to try to continue where we left off before the election. It is my hope that the board will work together even though we may have differing opinions.

Concerning his plans for reorganization, he said, "I would like to see a change in the committee functions. I feel the vice president needs a bigger role in the decision-making process concerning matters before the board."

When questioned about his feelings on whether the rotation policy should be implemented to elevate the vice president into the presidency, Pasquale replied "I feel supportive of Frank in his nomination for head of the school board. However, at this point in time,

the board made the decision to keep the officers the way they were. I think we have this confidence because we work well together."

One way in which the reorganization meeting differed from the past several years was that the committee appointments were deferred until the monthly meeting scheduled for April 14. According to the board president, since there was no work session prior to the actual election, there was no opportunity to finalize these appointments. Pasquale also indicated that he planned to discuss the committee selections with the vice president prior to next Tuesday.

The formation of a new committee was suggested by board member Fred Criscitelli, who recommended an ethics group. Frank Matthews replied that the board had agreed three years ago to abide by the New Jersey School Board's Code of Ethics.

"There is a code from the NJ School Board" answered Criscitelli. "However, there have been some problems in getting everyone to live up to these guidelines. If all are willing to accept the state code, that's fine. If not, I suggest we draw up our own."

Pasquale suggested that the role be designated to the vice president as is done in many organizations, but Criscitelli replied that he wanted the ethics committee to be a prerogative of the board. At this point, a vote was taken and the issue was defeated 6-3. The minority vote was composed of Criscitelli, Van Ry and Smith.

When the vote came up to retain the meeting date of the second Tuesday of the month at 8 pm, Norman Smith made a motion to table this matter for consideration at a later date. However this suggestion was defeated by a 5-4 vote with Matthews, Petrucci, Smith and Meeter favoring this issue. Smith contended

Pictured as the oath of office was administered are from left Frank Matthews, vice president; Ralph Chamberlin, a first term trustee; John Pasquale, president and District Secretary Jan Peterson, who administered the oath of office.

that the present structure in which the agenda and public meetings are combined into one session prevented input from the public prior to decision-making.

Two appointments were passed unanimously by the board. One was to re-appoint Albert Crowley as custodian of school monies at an annual salary of \$1250. The other decision was to re-appoint the firm of Erber, Laufeld and Buono as school auditors to coincide with the term of the school board at a total fee of \$4500.

Another tabling motion was attempted when the re-appointment of the school attorney was introduced. The agenda listed the appointment of the firm of Jeffer, Walter, Tierney, Hopkinson and Vogel with Reginald Hopkinson and Gordon Meyer, having primary responsibility for performance. All fees and other conditions of employment contained in the contract for the 1976-77 school year shall remain in effect at an annual retainer fee of \$4800. Hank Van Ry moved the resolution, which was seconded by Criscitelli. At this point, Frank Petrucci made a motion to table this matter on the grounds that it warranted further consideration. "The Fair Lawn Board of Education did not re-appoint Hopkinson at a work session last night. We need a work session for discussion."

"What can we discuss at a work session that we can't discuss now?" Fred Criscitelli asked Petrucci.

"I think the school board should have

afforded me the courtesy of holding off the vote on this matter," replied Petrucci. The tabling vote was defeated 6-3 as only Smith and Matthews agreed with Petrucci. Board president John Pasquale defended his position by reminding Petrucci that a controversy was resolved last year by having the attorney's term coincide with the term of the board. "I feel it is difficult for new members to make a decision like this at their first meeting, yet the attorney advised us to make these appointments at reorganization time rather than at the beginning of the year. I have no objection to tabling this matter, but the votes didn't carry."

The vote to re-appoint the law firm carried 6-3 with the vote split exactly as it was on the tabling issue. One final point was raised on this matter by Norman Smith, who requested that a legal notice be published of the resolution concerning professional services approved without bid. Board secretary Jan Peterson assured the trustee that this procedure would be followed.

The last action at the reorganization session was a vote suggested by the board president to enforce a "no smoking" policy during public meetings. "It has come to my attention that some members of the community are distressed about the smoking that has persisted in our combined work sessions — public meetings. I recommend that this practice be discontinued and would like to poll the board." There was a unanimous vote to ban smoking at meetings.

March 30

Ken Nicastro and Duke Hoogland, both of Lodi, reported to police that they were assaulted by two unknown men after the movies. According to police, the pair had apparently touched or bumped the car of the assailants, who exited from their vehicle and proceeded to beat up the youths. Ptl. Arthur Iannaccone responded, but the men had fled the scene.

April 1

James R. Johnson, 20 Hawthorne Road, Wayne, reported that his vehicle was stolen from the lot of Paul's Motor's, 990 Goffle Road. Ptl. Alfred Soder investigated. The vehicle was recovered three days later in Saddle Brook.

April 2

While driving on Fifth

Avenue, Richard Puluse, of 185 Pasadena Place, had the side window of his car broken by a thrown stone. Ptl. David Noble and Ptl. Thomas Kenyon were dispatched to the scene and transported Puluse to the Valley Hospital where he had to have a piece of glass removed from his eye.

April 3

Sgt. Richard Short issued a summons to Riches Clothing, Wagaraw Road, for illegal Sunday sales.

April 4

An official from Hawthorne Auto Sales, 485 Lafayette Avenue, reported that six tires and wheels had been stolen from seven vehicles in the storage area over the weekend. Ptl. Robert Beattie and Ptl. Paul Kirkman investigated.

The program was given by the seventh and eighth grades under the direction of Miss Mary Jo Deignan, vocal music teacher and Miss Nancy Shapiro, instrumental music teacher.

## Cassette rack given to public library

The Hawthorne Public Library was the recipient of a cassette storage rack given by the Hawthorne Unit and friends of Norman W. Hopper in recognition of his many years of service to the Borough of Hawthorne. Raymond L. Rhodes made the presentation and in his remarks extolled the work Mr. Hopper has done for the Borough of Hawthorne both in an official capacity and civic and charitable

activities during the past 35 years.

Walter Dewey, chairman of the Board of Trustees accepted the gift in behalf of the library board and explained that it was the desire of Mr. Hopper to give something of a lasting and useful item to the borough. Mr. Dewey felt that this gift was most needed and would be useful to the library and to the general public particularly the children.

## PROJECT FLOAT NEEDS YOUR HELP!

Project Float, a new fund raising program by the Hawthorne Boys Club, is currently underway in the borough. Letters of appeal have been mailed to every home, asking residents and businessmen to donate funds to help finance on-going programs, to purchase equipment and to implement new programs at the club.

The club serves approximately 600 boys, 125 girls in a satellite program, houses a senior citizens group for its weekly meetings and has

expanded to meet the needs of the handicapped as a means of utilizing this facility to its fullest.

Project Float is asking a donation of one dollar per resident, an amount which will dent no one's pocketbook, to keep the Boys Club in operational funds. With the donation of dollars from borough residents, the Hawthorne facility will be able to continue the work begun here in 1947.

## Van Beuzekom attends seminar

Henry Van Beuzekom, owner of Van Beuzekom Appliances, 299 Lafayette Ave., Hawthorne, has joined a select group representing retailers and distributors from across the nation at a two-day merchandising seminar at Amana Refrigeration, Inc. headquarters in Amana, Iowa.

The group met with top company officials to discuss marketing, service and engineering features of Amana's product line, including the new Amana "2 PLUS 2 1/2" Energy Saving Refrigerators and Corning 3 + 1 conventional cooking appliances, now made only by Amana. Also covered were Amana's Radarrange(R) microwave ovens, room air conditioners and refrigerators, including the Amana 3-Door(TM) Ice 'N' Water Side by Side refrigerator.

The expansion of Amana's product line to conventional cooking appliances follows the company's recent acquisition of the Major Appliance Division of Corning Glass Works.

In addition to product information meetings, the seminar featured a special tour of Amana's one million square foot addition for expanded refrigerator and Radarrange oven production. Amana's guests also toured the nearby Amana Colonies to savor the old world foods and atmosphere that abounds there.

## Couples mark 5th year

St. Anthony's Couples Club will celebrate their fifth anniversary with a dinner at the Brownstone House at 7:30 pm on April 23. Music will be provided for dancing. Members and friends may make reservations through Frank and Emma Campana or Ernie and Betty Micca up to April 14.

Organized in 1972 to fulfill a need to bring couples together for a Christian social experience, S A C C has

successfully reached this goal through a variety of planned programs. Some of the diversified events held have been: square dances, mystery car rides, picnics, international dinners, candlelight bowling, box suppers, a bi-centennial family trip to the Statue of Liberty, and hay rides. The May events will be a boat trip around Manhattan Island.

## Turco speaks to youth group

Officer Turco of the Hawthorne Police Department recently visited a T.A.G. meeting at St. Anthony's School as a guest speaker on drug abuse. Many of the members participated in this discussion.

Other activities are scheduled for the near future. A trip to see *Grease* on Broadway is being planned for the end of April. Contact Jennifer Siletti for more information. Bob Bertolotto is chairman of the committee for the Car Wash on April 30 in St. Anthony's parking lot.

## EDITORIAL

### Let's reorganize our priorities

In last week's editorial, when we predicted "business as usual" for the new school board term, we were using the phrase rhetorically. Instead the statement appears to have been a forecast of what happened at the reorganization session. Anyone who attended Tuesday's meeting was aware that dynamic, constructive changes were not on the agenda.

Despite the fact that John Pasquale stated he was supportive of Frank Matthews in his bid for president, it was obvious that Pasquale wasn't about to give his endorsement in the form of a vote for the vice president. There's much to be said about filling the top seat on a rotating basis especially in elevating last year's vice president into the presidency. There is also a valid argument in favor of having each president serve at least two consecutive terms.

We recall one year that the vice president was told he would be voted into the top seat and had his wife sitting in the audience to witness his election, only to find that other arrangements had been made. We feel the school board should adopt some type of policy as a guideline for future boards to prevent these embarrassing situations. The mad scramble that takes place for the presidency after every election could also be minimized by calling a work session to discuss these nominations before the public meeting.

One aspect of Tuesday's session that we found commendable was that the naming of committees was deferred until the regular public session on April 12. This announcement was more acceptable than having the newly-elected president whip out a list of appointments, just after expressing his surprise at being elected.

It's our suggestion that the school board concentrate the major part of its energies toward education. If one point was made loud and clear in this past campaign, it's that the public wants to see more effort in bettering the learning situation for our children. Parents of slow learners and children capable of more than average classroom want action.

It's not important that the structure of the board is unchanged or that the meetings remain at the same time and place. The only reorganization we want to see is a rearranging of priorities by the Board of Education. Let's have EDUCATION number one on the list.

Dear Sirs:

I found Mr. Joe Ross's letter questioning an earlier letter from Mr. Paul Englehardt interesting in the extreme. Mr. Ross's opening remark points out that Mr. Englehardt's "conflict of interest" statement and other points "are not only inaccurate but also exaggerated." Come now, Mr. Ross, make up your mind - either inaccurate OR exaggerated. *Ye cannot have the taffee and the ha' penny too!*

Very truly yours,

## Chicken joke tops Aetna list of zany 1976 claim

One guy was flagellated with a frozen fowl. A motorist experienced the misfortune of having his teeth run over by a truck. A forlorn farmer's cow was kidnapped and held for ransom.

There are some of the zany - but true - insurance claims culled from among the more than 20 million cases handled last year by Aetna Life & Casualty, the nation's largest investor-owned insurance company.

Consider first the butcher who found himself the victim of "fowl" play when a disgruntled employee assaulted him with a frozen chicken. Responding in kind, the butcher smacked his employee with a pullet, and a major fracas ensued. Within minutes, the air was full of naked icy bodies.

The not-so-cold war suddenly ended when the employee stumbled over a petrified rooster and broke his leg.

Then there was the modern-day Minuteman whose Bicentennial zeal went a bit too far. While re-enacting the Battle of Bunker Hill, he got carried away and, with his bayonet, rammed a Redcoat in the rump.

A battle of a different sort erupted in New York, when a woman motorist slowed her car to avoid hitting a pack of stray dogs. The mutts returned her kindness by jumping all over the car and scratching up its paint job.

The cool voice of reason did not prevail in Chattanooga recently, where a gas station owner thought a motorist was taking his advertised "Free car wash with fill-up" too literally.

After topping-off his tank with an 87-cent gas purchase, the man drove into the station's automated car wash, only to be confronted for payment when he emerged.

The motorist refused, one word led to another, and the station owner lowered the overhead doors of the car wash, announcing he intended to keep the driver locked up "until I get what's coming to me." He didn't have long to wait.

The irate customer quickly accommodated him by hopping into his car, revving up the motor, and crashing through the closed glass doors to freedom.

But not all motorists last year escaped the perils they encountered.

A San Francisco driver was in tears when he reported that his brand new luxury car - equipped with very expensive water bumpers front and rear - had been hit broadside in a parking lot.

Some motorists don't even have to be driving to find trouble. A New Jersey man, after lunch in his car, removed his dentures. A heavy sneeze seized him, the dentures flew out the window and, as the wayward choppers bit the dust, a passing vehicle squashed them.

Winner of the "George Whipple Broken Fingers Award" was the Too Tough Toilet Tissue, built of such sturdy stuff that it refused to disintegrate, causing septic tanks to clog.

Picture the dilemma of the store owner whose mannequin (reportedly) kicked a customer. The customer couldn't see any humor in the situation and filed a claim.

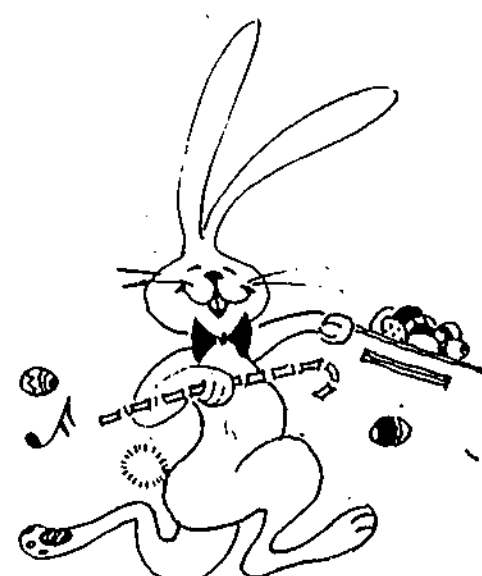

And then there was the rancher whose cattled acted like pigs. Tired of their bland and never-changing diet, they wandered off the open range in search of fancier fare. They found a neighbor's vegetable patch to their liking, and promptly trampled down her fence to get to it.

The neighbor, less than sympathetic with the bovine intruders' goals, lassoed a cow and threatened to hold it for ransom until she was reimbursed for damages. A suggestion by the Aetna claim agent that the ASPCA might take exception with her action led to the animal's speedy release.

A young Milwaukee citizen sporting a face full of hair had his pride singed recently while consuming a local tavern's house specialty. Drinking a concoction called a "Flaming 151," the flame licked his face and ignited his beard.

A quick-witted bartender, taking his cue from the Three Stooges, swiftly brought the flames under control with a heavy spritz from his seltzer gun.

"The moral of the story," wrote the Aetna agent in reporting the claim, "is that people with beards shouldn't drink fire-water."

## Two boro men on park police force

With the cooperation of the County Freeholders and the City of Paterson, the two Hawthorne residents, Ted Toth, Jr. and Barry Bogert have been enrolled in the CETA program assigned to The Passaic County Park Police Department of which the county has extensive holdings in Hawthorne and seven other municipalities in Passaic County from West Milford to Clifton.

Both young men have been residents of Hawthorne since birth and will help increase protection to the 1,000,000 residents who visit the county park facilities on a year round basis.

The success of the County-City of Paterson CETA program which provides the funnel for the funds for their salaries is marked in the permanent appointment of the last CETA employees; one to the State Police, one to the Paterson Police and one to The County Park Police, giving rise to the success of the program.

Upon graduation this will provide services for 24-hour a day protection by County Park Police stationed in Hawthorne who may also assist local police whenever requested.

## Mrs. William Post named Cancer Crusade chairman

In Hawthorne, the Isabel Hopper Memorial Cancer Crusade of 1977 will be under the auspices of the Hawthorne Junior Woman's Club, with Mrs. William Post, Chairman, revealed Michael P. Murgio, county cancer chairman for the American Cancer Society.

The memorial campaign met with wide approval after it was suggested by friends of the late Isabel Hopper. The consent of her family gave impetus to the organization and the Hawthorne Junior Woman's Club took leadership.

Mrs. Post serves as the chairman of the Social Service Dept. of the Hawthorne Junior Woman's Club and will organize the door-to-door residential campaign for the Cancer Crusade. The campaign begins immediately. Anyone who worked for Isabel Hopper in the past is asked to come forward to

volunteer to take an assignment. Mrs. Post will take calls on or after March 10th at 427-1308.

Clubs, organizations, business and industrial gifts will be solicited by mail and contributors are asked to reply as soon as possible so that costs for postage and paper may be kept at a minimum.

Thanks to the people who voted for me in last Tuesday's election and especially the many people who supported me knowing that I was unable to attend the debates due to a temporary job schedule.

Sincerely,  
Lou Bertani

### A Gift To Keep

Don't give your children baby rabbits, chicks or ducks for Easter, urges the American Veterinary Medical Association (AVMA). Not only is it cruel to give these animals as gifts, in many states and cities it is illegal.

Rabbits, chickens and ducks are farm animals; they rarely survive in the home. A young child's enthusiasm over the new pet often results in unknowing cruelty as legs are broken and wings crushed. If the animal dies or is injured, it is a traumatic experience for the child. If the animal survives, it generally ends up in an animal shelter.

Because so many thoughtless people continue to give baby rabbits, chicks and ducks as gifts, shelters are unable to handle them and most have to be destroyed. Even if the animal should live to maturity, many local ordinances would prohibit a family from keeping it.

These are outdoor animals. They can not be housebroken and may cause serious house-keeping and health problems. Many are disease carriers. The National Center for Disease Control in Atlanta and other public health authorities warn that children and adults in close contact with these animals may be exposed to salmonellosis, a severe gastrointestinal infection. While the disease is rarely fatal, it requires medical treatment, often including hospitalization. In addition to the family, other pets in the household may become ill.

Because of the problems surrounding Easter "Pets," the AVMA suggests that you give youngsters stuffed toys instead.

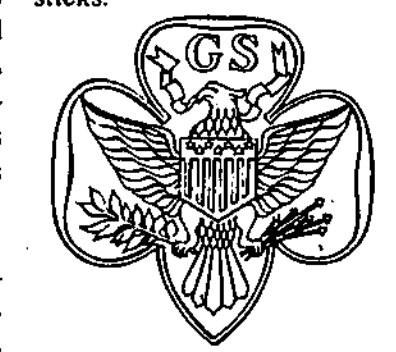

Easter and the coming of spring should be a time of joy and rebirth, not a period of physical illness, psychological trauma and the needless deaths of young animals.

## Junior Troop 250 wins banner contest

### Junior Troop 250

Junior Troop 250 won second place at the junior level in the Lenni Lenape Girl Scout Council's banner contest. Fifteen members designed and created a felt banner, 4

by 6 feet, entitled "We are Girl Scouts." The design depicts a horn of plenty which represents the troop. From it pour symbols of all the activities and ideals of the troop.

The banner was displayed and judged at the council jamboree held recently at Willowbrook Mall. The girls received free passes to Ice World in Totowa as their prizes.

## Kite flying contest held

### Cub Pack 29

On Sunday, March 27, over 40 Cubs and their families enjoyed a kite-flying contest in Goffle Brook Park. Many varieties of kites were flown including some that the boys made themselves. Prizes will be awarded at the next pack meeting as follows: longest in the air, Sushel Srikonda and Ken Hauser; highest, David Garsia and John Ianelli; best-looking, Steven Robinson and Kurt Vreeland.

The week of April 19 will be recruitment week for Pack 29. Dens are now busy making posters and there will be a special den meeting to acquaint

prospective scouts with the den structure. Also, all prospective scouts and their parents are invited to attend the May pack meeting so they can find out how the pack operates.

Anyone interested in joining Cub Scouts must be eight years old and/or have completed second grade. Information can be obtained from Cubmaster, John Timmer, 427-1840 or Committee Chairman, George Loehwing, 427-3418. The April committee meeting will be held at the home of George Loehwing on April 14.

## Hawthorne man authors history text

Major Alan M. Osur, son of Mr. and Mrs. David Osur of 19 Victor Place, Hawthorne, N.J., has recently authored a history text on race relations in the Army Air Forces during World War II.

The book, entitled, "Blacks in the Army Air Force During World War II: The Problem of Race Relations," evaluates the racial climate of the Air Force during this period. Other studies have focused primarily on individual units or isolated incidents.

The author of the 223-page work is the associate professor of history at the U.S. Air Force Academy, Colorado Springs, Colorado.

A 1958 graduate of Hawthorne High School, Major Osur attended Rutgers University where he earned his B.A. degree in history and was commissioned through the Reserve Officers Training Corps program. He also holds an M.A. degree in history from the University of Connecticut and a Ph.D.

degree in history from the University of Denver. Prior to his assignment to the Academy, Major Osur was assigned to the Defense Race Relations Institute at Patrick AFB, Fla.

His wife, Madelyn, is the daughter of Mr. and Mrs. N. Gorchoff of 2420 Indian Hill Road, Lynchburg, Va.

## Alley Way

by Bill Boyle

With 30 weeks down and six remaining, Art's Bar and Grill has, for all intents and purposes, clinched first place in the Good Time "B" League. They increased their lead to 12 games after clubbing Passaic Citizen three times behind Stan Bernardo's 536 and Ed Baker's 541. With only 18 games left, Art's magic number is seven. The Saint Anthony Men's Club "A" team kept pace with Art's as they defeated the Paterson Elk #1 three times. Their triple win jumped them from fifth to second place. Kamil Farris' 203-566 was high for the losers.

Ageless veteran Frankie Schneider, who competed locally at Paterson's Hinchliffe Stadium a couple of decades ago, will be on hand Saturday night, April 16th as the historic Orange County Fair Speedway in Middletown, N.Y. kicks off its 57th year of auto racing.

by Hank Nagelhou

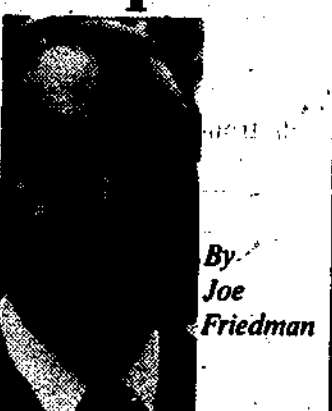

Opening night at the Orange County Fair Speedway in Middletown, N.Y. is just a week away as the 57th year of auto racing stages its inaugural 1977 program April 16.

Opening night will see the regular 13-event program of modified and sportsman stock cars competing on the light-

ning fast 5/8 mile historic oval.

## The Grapevine

In Bordeaux, a single chateau is usually owned by a single family; it produces a single wine, usually of distinct enough character that experts can recognize it.

In Burgundy, however, the land is cut up and scattered. One family often owns several different vineyards, in various parts of the Burgundy region. And each vineyard produces different wine.

Even though wine is labeled as coming from the family's "domaine," only the experts can keep in mind WHICH vineyards are included in the domaine.

More confusion—each vineyard that makes up the domaine is called a "climats" (because the climate is different). Each family's land may be a "partie" if it is part of a large, famous vineyard.

Though a plot may be part of a famous vineyard, each owner makes his own wine in his own style. Knowledgeable oenophiles remember the names that please them. When in doubt, others often stick to the names of the "négociants," the shippers who choose and export fine wines.

## Aldi's wins round robin

### Little League Basketball

The 1977 Little League Basketball Season officially ended last Wednesday with Aldi's Warehouse being crowned the Round Robin Champions. Aldi defeated Riverside Tire in the final game 40-35. Aldi led for most of the game, with Riverside ahead only briefly in the final period. Tom Kriel of Riverside led the scoring with 18 points, while Dave Balko led Aldi to victory with a 16 point performance.

## Special Olympic Winners

Joyce Parodi of Hawthorne has won a bronze medal in the New Jersey Special Olympics statewide basketball tournament held at Rutgers University, Camden last month. Maizie Fahsben won a gold medal and Peggy Epper, a silver one. Both are residents of North Haledon.

Special Olympics, created and sponsored by the Joseph P. Kennedy Jr. Foundation, is an international sports and recreation program for the mentally retarded.

## Bike Hike April 23rd

The Hawthorne Jaycees will host a bike-hike on April 23 for the New Jersey Association of Retarded Citizens, to whom the proceeds will go. Anyone with a bicycle is encouraged to participate in this event. Riders should solicit pledges of a fixed amount of money per mile from sponsors.

Running its way through the borough of Hawthorne, the bike route will cover a maximum of 20 miles. It will be policed by adult riders to ensure the safety of the participants. Forms, necessary to enter, are available through Joe Coladara at 427-0130 after 5 p.m. The rain date is April 24.

## Men's basketball concludes

Pictured from left are Frank Cornett, captain of North Jersey Fire Protection, winner of the round robin; Gary De Ritter, league director and Rick Federico, captain of Red Duck, runner-up in the round robin.

North Jersey Fire Protection won the league championship in the men's recreational league which concluded last week. The champs (6-2) edged out Alfred's Jewelers (also 6-2) because Alfred's had both losses against NJFP.

A round robin tournament was concluded at the end of the regular season and NJFP was

the winner of this contest also. Runner-up in the round robin was the Red Duck team.

An all-star team was selected by the players from the four teams in the league as follows: Matt Cornett, Gary De Ritter, both of N.J. Fire Protection; Darrell Siss of Red Duck; Paul Kirkman of Alfred Jewelers and Fred Gallo of Rhodes Agency.

## Bruins still on top

The Bruins chalked up their fourth win last week to outdistance the remaining teams in the Boys Club basketball league. The league leaders have only one loss while the three remaining teams stand at 2-3 each. Bruins just narrowly defeated the Wolves 45-43 with overtime. The

Big "O" (Mike O'Hagan) scored 27 points and was the most outstanding offensive and defensive player in the game. Rielly was the second highest scorer with 12 points.

The opening game was a 46-30 trouncing of the Wolves by the Wolverines.

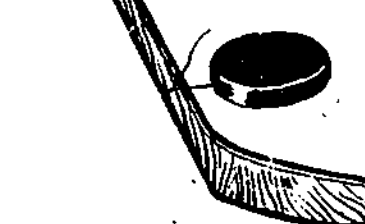

Leading the drive for the victors were Gostkowski, 20; Sees, 10; and Woods, eight.

Top scorers for the Wolverines were Conklin, 17; Russo, six and Conti, five. There were three outstanding defensive players—Rozema, Conti and Russo.

(Continued from page 10)

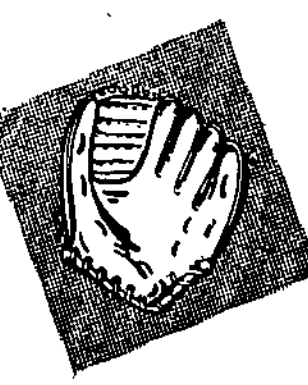

Hawthorne will be on hand opening night in the Higbee #97, Tom Hager, Johnny Haroll, Frankie Schneider, Wayne Reutimann, slated to drive Ron Ritter's #666, Hank Goranson Jr., in his U.S. Navy sponsored #36, Richie Eulich, Gary Balough, expected to open the season in Rich Marinelli's M-1 and a host of other stars. First race is 6:30.

**Godspell**, the musical based upon the Gospel according to St. Matthew, will be making a special one night-two show performance at the lovely **Palladium**, Winston-Towers, Cliffside Park on Friday, April 22 at 7:30 & 10:30. The show was announced by Director **Danny London** in response to the hundreds of requests that have come in for the show since it's standing room only two week engagement at the Leonia High School. The same coast of 16 will be back for the two performances. **Godspell** has been running in New York City for the last seven years and probably best known for producing the hit record "**Day By Day**". All tickets for **Godspell** are only \$3.50 and are available by calling the **Palladium** at 224-6050. I might add to this that I have seen the show and it is an absolute delight. It is for children of all ages seven - 70 and I strongly recommend it...

Pictured left to right are Jim "mini" Ricci, Lisa Defuso, Joe Shapiro, Leslie Tombarello, Becky Sterns; bottom row: Randy Haykins, Lori Defuso, Dan London; not pictured: Ernie Feiler, Casey Graham.

**Lauren Hutton** has been receiving some excellent reviews of late in "**Welcome To L.A.**". She has also been reviewed well on her recent television movie. She appears to be set to stay in acting for quite awhile... **Jack Nicholson** is rumored to have talked screen queen **Greta Garbo** out of retirement... **Cher** has been seen in New York buying men's underwear in department stores. Everyone knows she is under-developed but that is ridiculous!... **Louise Lasser** will sing on an upcoming episode of **Mary Hartman, Mary Hartman**... **Barbara Streisand** and **Marlon Brando** are talking about doing a film together... The word around Hollywood Press agents is "Beware of phony calls from the Carter White House."

Last Week, a man identifying himself as **Jody Powell**, Press Secretary to the President, phoned the producer of "**The Six Million Dollar Man**" and told him that he was calling for the President and that **Amy Carter** was a fan of **Lee Majors** and they would like to invite **Majors** to Amy's Birthday party. He then asked the producer for **Majors** home phone number. The producer, awed by the Presidential interest gave the caller the phone number. Later, the producer learned that he had given out the wrong number and he immediately called the White House to give Powell the correct number. He learned that the real Powell never called in the first place... There is a new actress that we should all keep our eyes on. Her name is **Jelaine Miles** from New York City and many people have said that the girl has some real talent and is going places. We'll let you know more about her soon... Because of the tremendous success of our last giveaway, we have decided to do another. Write us 50 words or less on "Why you love to read Michael Levine's **Spotlites**" and we'll send you a free, special color photo of **Cat Stevens**. Send all requests to: Michael Levine's **Spotlites**, 201 Cross Street, Fort Lee, N.J. 07024.

## Pat Cooper &amp; Dana Valery scheduled at Mall Playhouse

Comedian Pat Cooper and Dana Valery will provide a balance of humor and musical entertainment on a double bill at the Playhouse on the Mall, Bergen Mall, Paramus, Monday to Sunday, April 11 to 17.

A New York Times review of Cooper describes him as "a Brooklyn boy speaking with the impeccable diction of our local precincts - he makes loving fun of his family and of Italians in a way that can arouse laughs but no feelings of superiority."

Pat is the first comedian of his ethnic background to poke subtle, sardonic yet understanding fun at his Italian heritage. He discovered that in making his own people laugh as they saw themselves reflected in the mirror of his wit, he was evoking similar results in non-Italians.

Pat elicits much humor from the series of jobs he held before he became a full-time comedian. He tells the story that he traded in his books for bricks but found masonry an endless eternity of brick and cement. That part of his career quickly ended when he bricked up a bathroom window. Next he became a longshoreman and Pat recounts the story of the time he was lost on board a ship. Driving a cab was more to Pat's liking. The driver's seat became his stage and passengers began to tell him how funny he was. His occasional appearances at nightclubs became more frequent. All the bricks and cargo hauling and miles of taxi driving finally culminated in an exciting show business career.

Pat's four albums recorded for United Artists Records - "Our Hero," "Spaghetti and other Sauces," "You Don't Have to be Italian to like Pat Cooper" and his latest, "More Saucy Stories" are now past the 600,000 mark.

Dana Valery recently made the top 100 in Billboard, Cashbox and Record World with her recording of "Will You Love Me Tomorrow?" which remained on the charts for nine weeks.

She projects the contemporary woman without losing the unique Valery style that has made her tremendously sought after performer in night clubs. She has appeared frequently at MGM in Las Vegas and Harrah's in Lake Tahoe; and on the Mike Douglas and Tonight Shows.

Dana's career direction has always been up - from her debut on the Italian Riviera; through several triumphant tours; three Gold Records; two Sari awards in South Africa where the Italian born singer was raised; and fabulous reviews in "Wait a Minin'" during its two years in London and two years on Broadway.

## 'Heidi' at the Playhouse

An Easter week treat for youngsters will be the premiere performance of "Heidi" at the Playhouse on the Mall, Bergen Mall, Paramus, Tuesday and Wednesday, April 12 and 13 performances at 11 am and 2 pm.

The Yates Musical Theatre production of the Johanna Spyri classic will offer an original score and much fun, including live goats onstage. This version will tell the musical story of a young girl growing up in the Swiss mountains. Heidi brings love into the life of her crotchety grandfather and helps her friends Clara walk again.

The title role will be played by Mary Beth Yates, age 10. Other cast members include Michael O'Carroll as Grandfather; Peggy Ann Yates, 14, as Clara; Kathleen Yates, as Peter; Chris Yates, 16, as Peter. Bill Yates Jr. will provide some comic relief as Sebastian; and Peggy Yates, mom, to the nine Yates children in the troupe will be Fraulein Rottenmeier.

Tickets for all performances will be \$2.50 plus tax with discount.

## Cellist to perform April 15

Concert pianist Nelly Kokinos, a member of the faculty at the Florsham-Madison Campus of Fairleigh Dickinson University, will perform works by Beethoven, Mozart and Schumann at a recital set for Friday, April 15, at 8 pm on campus. Miss Kokinos has been performing in public since the age of 12 as a recitalist, soloist with orchestra, and member of chamber music groups.

Her 1967 New York recital debut in Town Hall was followed by critically acclaimed recitals in Carnegie and Alice Tully halls, as well as by appearances in other music capitals of the world, including London, Geneva, Munich and Vienna.

In December 1976, Miss Kokinos was selected as the sole classical musician to perform a series of piano recitals on board the "Sail With The Stars" cruise in the Caribbean; her highly successful performances there have won her engagements with other ocean liners as well. Since she has been a faculty member at Fairleigh Dickinson, Miss Kokinos has offered numerous campus recitals. Miss Kokinos received her Bachelor and Master of Music degrees from the Manhattan School of Music, and was a recipient of the school's highest honor, the Harold Bauer Award.

Critics have praised Miss Kokinos as "a decisive, intelligent musician who knows exactly what she wants to do and goes about it without a fuss"; another called her "a young pianist with a brilliant and very individual technique"; another reported her recitals are "stylish, natural, lively and affectionate," and another said she plays with "formidable technique and skillfully shaped touch." The recital is scheduled to be held in Lenell Hall of the Mansion. Admission is \$2.

The 42nd annual installation dinner dance for the Hawthorne Unit of the Passaic County Republican League which was held on Friday evening, March 25 marked another complete success. An overwhelming crowd of well over the 400 mark attended this affair at the Brownstone House. Among the distinguished guests were: Senator Frank Davenport, Sheriff Edwin Englehardt, County Chairman William Dewey, Assemblyman Ron Fava of the 35th District, Freeholder Louise Fried-

man, Joseph Bubba and Mayor Nick DeGraff of Prospect Park.

President Bert Vanden Berg, Jr., and General Chairman Walter Dewey expressed their sincere appreciation to all who worked on the committee to make this affair one of the best events since the unit's inception. The Hawthorne unit's next big function will be the annual bus ride to Asbury Park on July 9, 1977.

### Men's and women's div. installations April 21

County Chairman and Honorary President William Dewey and Republican League Presidents Frank Campana and Bess Doty announced today that the annual joint installation dinner for the men's and women's divisions of the Passaic County Republican League will be held on Thursday evening, April 21, at 7:00 pm at the Brownstone House, West Broadway, Paterson.

Dewey, Doty and Campana named William Chaky and Mrs. Jean Sudol as co-chairmen of this affair. Chaky and Mrs. Sudol are both very active members of the league.

Chaky is a vice-commander of Quenten-American Legion Post of Clifton, and serves with other groups civic and fraternal and is a union delegate.

Tickets are only \$9.00 and are in the mail. Honorary Chairwoman Esther Dewey and President Bessie Doty and Honorary President William Dewey and President Frank Campana will honor Max Pollack, Senator Frank Davenport, Sheriff Edwin Englehardt, Surrogate James Ward, Assemblymen Emil Olzowy and Ronald Fava, and Freeholders Louise Friedman and Joseph Bubba.

### Absentee voting expanded

William L. Kattak, Passaic County Clerk, has announced that a recent amendment to the absentee election law will now permit absentee voting by those who cannot vote in person due to their nature and hours of employment. Those voters who cannot visit the polls personally to vote because of the nature and hours of employment now have a legitimate basis to apply for an absentee ballot.

Kattak also informs that the amendment has changed the law so that permanently disabled voters who have heretofore indicated their physical disability will receive an application for an absentee ballot automatically.

## When you install one of our new Mobil fuel savers

it's like turning down your thermostat.

One way you can save heating oil is to turn down your thermostat. A much more comfortable way is to install one of our new Mobil fuel savers. That's because old, obsolete heating equipment can waste a lot of oil and heat—and cost you a lot of money as well. If you want to get more heat from less fuel, check out the Mobil fuel savers—the Jet-R burner, and our complete line of top efficiency furnaces and boilers. A new Jet-R burner, for example, can improve the performance of practically all oil furnaces and boilers. It's easy to service—and can pay for itself with lower oil deliveries and lower maintenance costs. Make an investment in a new Mobil fuel saver now. Remember—it's like turning down your thermostat.

## First National re-elects Board of Directors

The 1977 annual stock-  
holders meeting of First  
National Bank of New Jersey  
was held March 22 at the  
bank's Administrative Center  
in Totowa.

The bank's 19-member  
Board of Directors was reelec-  
ted for the coming year and C.  
Gordon Jelliffe, chairman of  
the board, discussed with  
stockholders various factors  
which contributed to First  
National Bank's record  
growth in 1976.

"Our record achievement in  
earnings of almost 24 per cent  
over 1975 was accomplished  
by managing our business well  
throughout the year," he  
stated. "In spite of the still  
lingering effects of the past  
recession, management of  
First National Bank was able  
to continue to strengthen  
profit performance."

In comparing First Na-  
tional's growth and perfor-  
mance to the other 19 banks  
listed daily on the National  
Association of Security Deal-  
ers Automated Quotations  
System or NASDAQ Over-  
the-Counter, Jelliffe noted  
that First National's 12  
months earnings of \$5.30 was  
the highest per share per-  
formance in the entire list of  
banks as enumerated.

Jelliffe also commented on  
First National Bank's expec-  
ted 1977 performance in light  
of current economic trends.  
"We expect that economic re-  
covery will continue and will  
provide a healthy environ-  
ment for the banking indus-  
try," he said. "Inflation may  
lead to higher interest rates,  
but the liquidity of the  
economy should be sufficient  
to prevent a return to double  
digit inflation figures within  
the next 20 months. We antici-  
pate and look forward to a  
strong consumer demand for  
goods and services, which  
directly affects and generates  
consumer lending. Likewise,  
we expect a greater demand in  
corporate and commercial

## How much life insurance is enough?

The answer differs for  
every person. Enough life  
insurance depends on  
how much monthly  
income your family would  
need if you weren't  
around to support them  
... and how much  
income you want at  
retirement if you live.  
Let me help you  
determine how much is  
right for you.

## Easter

### SUNRISE SERVICES

Sunrise services will be held in Hawthorne on Easter Sunday to commemorate the resurrection of Christ. At 6 am, there will be Holy Communion at St. Clement's Episcopal Church and at the Hawthorne United Methodist Church. At St. Clement's, the ceremony will include a sermon and the lighting of the Paschal candle. The service at the Methodist Church will be followed by a Communion breakfast at 7 am.

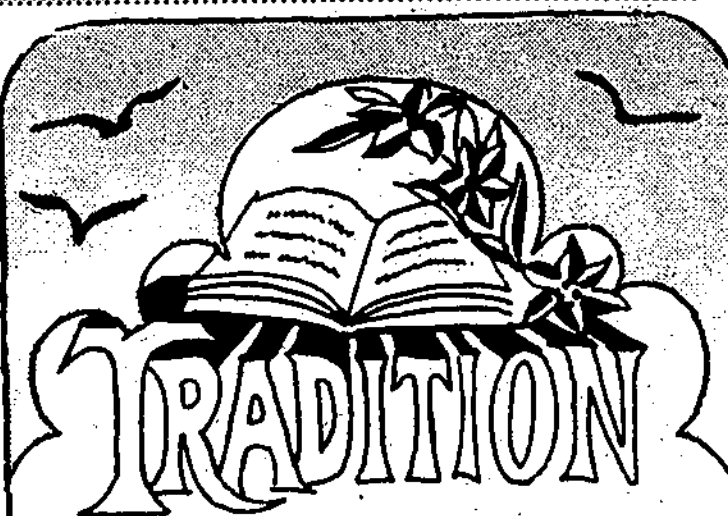

The traditional sunrise service will be held at the First Reformed Church at 6:30 am, sponsored by the Reformed Church Women. A sermon entitled "I Am The Resurrection And The Life" will be given.

At St. Anthony Roman Catholic Church, masses will begin at 7 am and continue in the regular schedule — 8:30, 10, 11:30 am and 1 and 5 pm. On Saturday, there will be a mass at 6 pm.

Services later in the morning are scheduled at St. Clement's — 7:30 am, Holy Eucharist I and sermon; 10 am, Holy Eucharist BCP and sermon; Hawthorne Methodist — 9:30 and 11 am, Easter morning worship and 9:30 am, church school; First Reformed — 9:30 am, Sunday School; 9:30 and 11 am, Easter morning worship with a sermon "When Fear Fades" by the Rev. Robert W. Jackson; Rea Avenue Reformed — 11 am, Easter morning worship service with a sermon by Rev. Olthof "The Empty Tomb"; 7 pm, evening worship with Rev. Olthof's sermon "God Raised Him"; First Baptist — 11 am, Easter morning worship service, sermon "Why Should It Be Thought Incredible?"; 7 pm, evening worship, main themes, "Ruth - The Kinsman Redeemer."

At Hawthorne Gospel at both the 8:30 and 11 am services Pastor Herrmann G. Braunlin will have as his theme, "The Power of Life." The Carol Choir will sing at the 8:30 service and the Church Choir at 11 am. Sunday School for all ages meets at 9:45 am between the two worship services.

In the evening at 7 o'clock the Church Choir, directed by Pastor T. James Richmond, will sing an Easter cantata, "The Last Week," written by John W. Peterson. The soloists will be Robert and Barbara Brower, Helen Rahner, Gina Fraser, Winifred Schmitt and Edward Van Alstine. Instrumentalists will be Wilma Newman, organ; Nancy Zuidema, piano; Nancy Schwing, flute; and David De Ritter, timpani.

Attention Given To Every Detail

## Good Friday SERVICES

Mayor Louis Bay, 2nd, has issued a proclamation urging residents to observe Good Friday as a day of solemn prayer and rededication. He appeals to his fellow citizens to reverently observe April 8 with due meditation in church or chapel especially between 12 noon and 3 pm. The mayor asks the cooperation of employers in business and industry to permit time off for employees to participate in this meditation during these solemn hours.

Among the services scheduled in borough churches are the following: St. Clement's Episcopal Church, 12 noon to 1 pm, Meditation on the Cross followed by Mass of the Presanctified and sermon-ette will be held at 8 pm. At 8 pm, a tenebrae service will be held at the Hawthorne United Methodist Church. The church will be darkened to remind participants of the darkness which covered earth at the time of the crucifixion of Christ. At the same hour, services will take place at the First Reformed with a sermon by the Rev. Robert Jackson entitled "Underground Happenings"; at the Hawthorne Gospel Church and at the First Baptist with Holy Communion.

At St. Anthony's, Adoration at the Repository will be held at 4 pm and Stations of the Cross are scheduled for 7:30 pm.

## Gymnastics exhibit held at Franklin

A physical demonstration by the seventh and eighth grades was the highlight of Back-to-School night held at Franklin School. The exhibit was opened by a routine on the uneven parallel bars by Kathy Tait and Kris Kieffer.

The second area was the balance beam and three students performed: Barbara Missonelle, Darlene Besset with Susan Pratt and Karen Scalliti.

A group of girls then demonstrated their skills in floor exercises. Debbie Hazen and Cathy Mici performed to "The Piano Picker." The next act was a selection of "Top of the World" by Maureen Dunn, Debbie Knoester, Laura Turula and Lynn Vukovich.

The boys showed the audience of parents their abilities in tumbling, vaulting and making pyramids. The following participated: Oussama Bakir, Dan Bonifacio, Bob

Gatto, Pete Kirkman, Baheddin Koushbay, Bud Koushbay, Mike Piepoli, Craig Sees, Dale Susen, Scott Verrone and Richard Mini-cozzi.

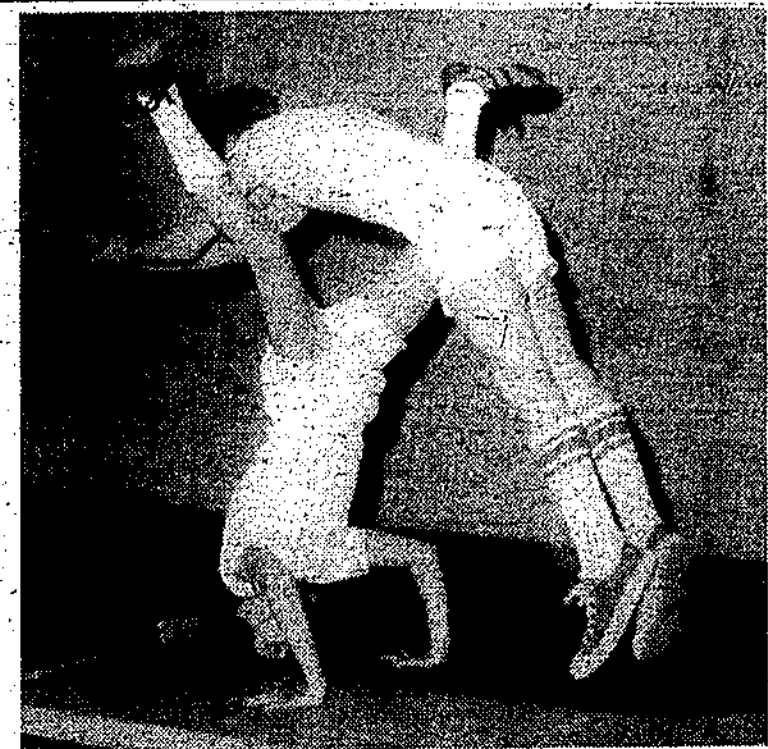

The program closed with a dance routine to "Bus Stop" and "Baby Face." The group included: Rita Cartella, Doris Ritchie, Betsy Heineman, Susan Schreba, Marisol Caamano, Theresa La Rosa,

Vennicia Spinella, Lisa Ringma, Vicki Arias, Kim Di Maggio, Yenall Hassan, Bonnie Van Hine, Annmarie Duda, Debbie Knoester, Michele Trumboer, Patty Farrell, Eileen Murphy and Maureen Dunn.

Mr. Robert Masiello, school principal, commended the students for their hard work under the direction of the physical education teachers, Mrs. Peggy Davis

Sharon Fannin, treasurer; Jan Des Lauriers, secretary. Among the coming events sponsored by the PTO are a talk on reptiles and amphibians by Dave Hulmes on April 21 and a Mother's Day fair on May 5. Parents are asked to send rooted plant cuttings to the school to be potted for this event.

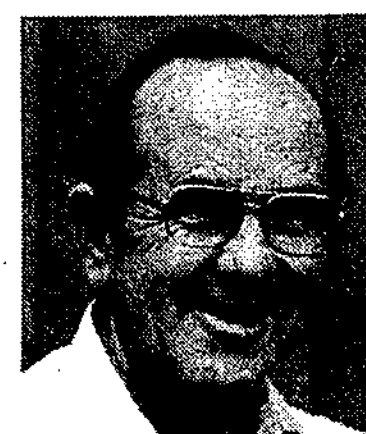

Franklin School parents were asked to join with other elementary school PTO's in the borough in signing a petition urging the repeal of the mandatory school lunch program.

and Mr. James Spinella. He reminded the parents that the gymnastics show is indicative of the progress that has been made in the school system. "Eleven years ago, you wouldn't even have seen this type of equipment in our school. The only tumble a child ever took was when he tripped over his own feet."

**Officers nominated**  
The slate of officers for 1977-78 was presented for nomination on March 21.

The list includes: Janice Ford, president; Lorraine Steenbeck, vice president;

## Zone change denied

A request for a zone change by Frank Cornett was denied by the Hawthorne Planning Board at the April session held Tuesday night. Cornett had suggested that consideration be given to the creation of an outdoor recreation zone and/or a townhouse zone at his property located on 141 Goffle Hill Road off Union Street. His request was made in a letter dated December 23, 1976 and in a follow-up communication on January 5, 1977.

Board member John Ambrose who reported on this matter related that the background on this piece of property which told that the location was the subject of a request for a use variance to construct a tennis club in 1972; followed by a zone change request in 1973, both of which were denied by the municipality.

"Since then, no suitable changes have taken place to give us reason to consider a zone change," stated Ambrose. He also noted that the property is zoned R-1 residential and is bounded by houses in an R-1 zone. "There are no commercial, industrial or non-residential uses in the immediate vicinity," he continued.

"The board is of the opinion that it would not be appropriate to allow townhouses that would exceed the density required in an R-1 use," stated Ambrose in his report.

Concerning the creation of an outdoor recreational zone, the report concluded that "It would not be appropriate to create an outdoor recreational zone because this would constitute spot zoning and be objectionable for all the same reasons that the variance had been previously denied."

The resolution concluded that although no zone change be made, the board would consider the cluster concept provided that the density not exceed that provided in an R-1 zone.

The matter was unanimously passed by the four members in attendance: Ambrose, Van Beuzekom, Schuring and Ross.

**Two minor subdivisions approved**  
In other matters, the board approved the applications of Marie Testa and Arthur R. Ullrich. The Testa matter, which had been classified as a minor subdivision, was identical to a case presented in 1966. At that time, the Planning Board and the Board of Commissioners granted approval to a sub-

division to create two 50 x 105 foot lots. Under the zoning ordinance in effect 11 years ago, a two-family dwelling was permitted on one of the lots. However according to Robert Disenkamp, of Elmwood Park, the attorney representing Mrs. Testa, his client inadvertently failed to file either the subdivision or the deed and the matter did not become official.

He reintroduced the application for the board's consideration with one difference: the two-family house is now a non-conforming use and a variance is needed to continue such a use on one of the lots. The attorney related that his client wanted to construct a one-family house on the other lot.

Board member Robert Schuring questioned the proposed size of the new structure and Mr. Scalla, the contract purchaser, explained that it would be 30 by 40 feet. Schuring indicated that a side line variance was needed because of the corner lot. After a conference by board members, a resolution was introduced to allow Scalla a house 26 feet wide 16 feet from the corner with a ten foot side-yard in order to provide visibility at that corner. The property is located at 268 Central Avenue.

The motion was introduced on a report by Hank Van Beuzekom. It stated "Although it has been almost a universal practice on the part of the Adjustment Board to deny two-family uses where there is not the proper dimensions, the board finds that the hardship inherent in this matter is that the use was conforming when the applicant originally made this request." The vote was 4-0 to grant the subdivision and the necessary variances.

The case of Arthur R. Ullrich, 17 Washington Avenue, was for a subdivision to permit a change in lot lines between his property and his father's. The change would result in the following variances: lot depth, front yard and rear yard. The board approved the subdivision to take a 10 by 100 foot strip from lot 1A and add it to lot 1, along with the necessary variances.

The application of William Du Fosse was held over until the May session because the report of the county planning board had not yet been received. Du Fosse, one of the principals owning property at 342 Lincoln Avenue, seeks to straighten out the property lines and to get clear title to the land. Several variances are needed because all the lots are fully developed with existing structures.

## School board names 1977-78 committees

Committee appointments for the 1977-78 term were made Tuesday by John Pasquale, president of the Hawthorne Board of Education. The most significant change from last year is the naming of three different members to the committee on negotiations and grievances. The new team consists of Fred Criscitelli, chairman; Henry Van Ry, alternate chairman and Ralph Chamberlin, who is beginning his first term as a board member.

According to Pasquale, the three members from the 1976-77 team, Frank Matthews, Norman Smith and Jack Meeter, had each indicated that they would rather not be reappointed to this committee. All three wanted to work in other areas.

The subject of negotiations was raised during the public session when a question was asked on the progress of the teachers salary talks. Frank Matthews, who has headed negotiations up to this point, replied that the board is discussing both salary and language of contract. He added that the teachers filed for impasse in February and a meeting has been held with a negotiator. Both the old committee and the new team met with the teachers.

When questioned about the progress of talks with maintenance cafeteria and secretarial personnel, Matthews responded that there is no settlement and no request for additional meetings. "We feel they are waiting to see what happens with the teachers," he added.

**Committee selections**  
In announcing the remaining committee selections, the board president reiterated his intention to give the vice president a greater role. According to Pasquale, Matthews has been named to every major committee and also heads the administration committee, which also has jurisdiction over the issue of ethics.

The committees are:  
**Administration**  
Frank Matthews, chairman  
Norman Smith, and Gus Raso

Among the resolutions passed at the April session was the appointment of Mr. Thomas Worsley, teacher at the Roosevelt Elementary School, to the position of director of the Hawthorne summer school. His total salary shall be \$1300. The board also took action to have an application for summer school submitted to the State Board of Education.

When questioned by a citizen as to what the summer school would include, the president responded that the board has yet to define the scope of this year's program. "The board seems to be leaning toward remediation, but the curriculum is not finalized." He added that there is an appropriation of \$12,000 for the 1977 summer program.

**April 6**

On-Line Software International, Route 208, had a burglar alarm sound at headquarters. Upon investigation it was found that a stone had been thrown in a window. When the perpetrator entered the premises setting off an alarm, he was apparently scared off. Ptl. Art Iannaccone and Leon Bay investigated.

Mr. Wrenn, 17 Ridgewood Avenue, reported two youths in his driveway. Upon investigation it was found that the youths had been attempting to steal gas from a vehicle parked there. Sgt. Carmine Terrizzi and Ptl. David Noble investigated.

Investigation of a reported fight at the Log Cabin Tavern, 410 Wagaraw Rd. found that two brothers were involved in fighting with each other. Thomas and Arthur Waterhouse. During the investigation Arthur Waterhouse became abusive and started hitting and assaulting the three police officers who had responded. Sgt. Terrizzi, Ptl. Iannaccone and Ptl. Noble. He was placed under arrest and brought to headquarters and put in a cell for the night.

Complaints were made for fighting, interfering with police and three charges of assault on a police officer against Arthur Waterhouse, age 24, 7-26 Chester St., Fair Lawn. A charge of fighting was made against Thomas Waterhouse, age 21, 7-26 Chester St., Fair Lawn.

**April 7**

Adolph Nigra, 57 North 14th St., reported several windows broken in his garage sometime during the night. Ptl. VanDer Velde investigated.

American B&D Wines, 62 Fifth Avenue, reported damage to a parked truck by three youths who threw a stone and broke the windshield. Ptl. Noble was detailed. A search of the area could not locate the youths who had been seen walking along the tracks.

**April 8**

Mr. John Iseldyke, 241 Central Avenue, reported damage done to the trunk of his car when an attempt was made to enter the vehicle. Ptl. Peter VanDer Velde investigated. (Continued on page 3)

## BORO BITS

### Fire hydrant flushing planned for April-May

The Borough of Hawthorne Water Department will be flushing fire hydrants the last two weeks of April and the first two weeks of May.

The process will begin on April 18 with the first section being areas at the top of the hill. The second section will be from Goffle Road to the railroad tracks and the third section will be from the tracks to Lincoln Avenue.

Each household may experience discoloration in their water after the flushing process. This discoloration should disappear by opening the faucet and letting the water run.

### T & E meeting planned

The meeting of the T and E Central Planning Committee will be held on Thursday, April 21 at 7:30 pm in the Hawthorne High School library.

### Some Openings Remain in Class for Asthmatics

Some openings remain in the program for asthmatic children sponsored by the Bergen-Passaic Lung Association, now being held at the Hawthorne Boys' Club, 150 Maitland Ave., Hawthorne on Thursday afternoons from 3:30 to 4:30 pm. The program is open to children between the ages of 6 and 15.

Since parent education is considered a vital part of the program, classes have been arranged for parents at the same time their children will be participating. Parents with asthmatic children too young to enroll are invited to attend these sessions.

Some of the subjects to be covered and the instructors are: home environment and nutrition, Inela Marson, R.N., Valley Hospital, Ridgewood; the asthmatic child in the school, Dolores Dasher, R.N., supervisor of nurses, Paterson Board of Education; and emotional aspects of asthma, Sister Ellen Farrell, R.N., clinical specialist of pediatrics, St. Joseph's Hospital, Paterson. Additional subjects will be scheduled. Children enrolled in the program will learn specialized breathing techniques and conditioning exercises. Class size is limited to allow for individual attention.

The Lung Association program has been developed under the direction of a committee of pediatricians and pediatric allergists with Hugh E. Evans, M.D. of Tenafly as Chairman. Medical Coordinator of the program is Shama Rao, M.D. of Paterson.

The objectives of the program are to instruct the child in simple breathing methods to help control or reduce acute wheezing episodes; to improve the physical ability of the child by exercise; to improve the social potential of the child by participation in peer group activities; and to provide parents with information on the physiological and psychological aspects of asthma and its impact on the child and family.

Enrollment information may be obtained by contacting the Bergen-Passaic Lung Association, phone 843-4111 or 881-8222. This program is made possible by the sale of Christmas Seals.

## Over 100 visit bunny

Over 100 children paid a visit to the Easter Bunny when the Hawthorne Jaycees and the Little Folks Shop sponsored this year's visit on Saturday, April 9.

Despite brisk weather, parents and children lined up in the Rhodes Agency parking lot to give Easter greetings to the Bunny (rumored to be a resident of Hawthorne) and receive their gifts from him. Donna Bruffy was one happy visitor of the Easter Bunny, shown here with her mother.

## The Grapevine

By Joe Friedman

Wine and cheese is an age-old combination. The rule to remember, the stronger the cheese, the stronger the wine. Red wine is usually preferred.

Mild cheese such as Pont l'Eveque and Port Salut (the French, not the stronger Danish) are delicious with a young Beaujolais.

Brie and Camembert, soft and creamy, are delicious with a Gamay Beaujolais from California. Boursin and St. Paulin, with a bit of a bite, might take a richer Mountain Red.

All the blue cheeses—Roguefort, Gorgonzola, Danablu—are a little stronger. Serve with a St. Emilion, or any Cabernet Sauvignon.

There's something to be said for like backgrounds in cheese and wine. That's why Bel Paese and Fontina are so good with Bardo-lino, Valpolicella, and Chianti.

## Library week celebration scheduled for April 17-23

"Use your library" — it's the best thing you can do for your library and for yourself — is the theme for National Library Week (April 17-23). The Hawthorne Public Library has planned a variety of free activities to urge Hawthorne citizens to use their library during this special week.

On Monday, April 18, from 10 am to 9 pm, the library will hold an open house. Light refreshments will be served.

Preschoolers are invited for a special treat on Thursday, April 21, at 7:30 pm — bedtime storyhour.

On Friday, April 22, at 3:45 pm, two films for school age children will be presented — Niko: Boy of Greece and The Stowaway.

In observance of library week, everyone is invited to enter a contest — "Explore the Treasure Trove". Participants will be urged to use and explore the library in order to answer the contest's questions. Many prizes will be awarded.

During this week the library will ask the public for stories about how the library helped them. Library users are urged to submit their library experiences. For example, "I borrowed a book on car repairs and saved \$75". The library will use these personal examples in future publicity to demonstrate the many services and collections and uses of the library.

A ceremony was held recently at which Mayor Louis Bay, 2nd, presented the proclamation for library week to Ms. Grace Bruining, library director and Walter Dewey, president of the library board.

During National Library Week, no overdue fines will be charged by the library. If desired, overdue books may be returned through the front door mail slot when the library is closed.

The following services are offered by the local public library: free library cards to all residents; telephone and in-library reference service; suggestions for good reading; services on circulating books; borrowing of materials from

other libraries; applications for free talking books service for the blind and the handicapped; programs for the public including: pre-school story hours and films; photocopies; adult, young adult, children's collections of fiction and non-fiction books, records, cassettes, pamphlets, large print books; framed art prints; portrait file; college catalogs; New York Times on microfilm; microfilm and microfilm readers, photograph, cassette players for in-library use.

### Meetings - hard to follow

When the municipal land use act became effective this year, several changes were implemented for the procedures in which applications were to be handled by both the Board of Adjustment and the Planning Board. One change that benefits the property owner is that his entire case can be processed by one board. There's no more shuffling back and forth between the zoners and the planners and we think that is commendable.

However, one situation has not changed at all. Having attended our first planning board session under the new regulations, we find that it's just as difficult as ever to know what's going on. The need for an agenda is apparent to anyone sitting in the audience trying to follow the lot and block numbers in between the hurried phrases of which variances are required.

Listening to the resolutions is different enough, but taking notes on the business being transacted is nearly impossible. We had made this point before and have been told that the agenda is not finalized until the last minute. However, the reports given by each board member are in written form and could easily be zeroxed in the interest of giving the public accurate, detailed information. The work sessions for this board are held a week in advance and we see no reason why an agenda cannot be provided.

### Use your library

A Gallup Poll taken last year showed that one-third of the U.S. population has never used a library. These people are missing out on what's undoubtedly one of the best resources available to them. For example, the same poll found that 92 percent of heavy library users reported that their children are also library users. It also found a strong correlation between library use and high levels of education and employment.

Next week (April 17-23) the Hawthorne Public Library will join in the celebration of National Library Week, an observance highlighted by the slogan - "Use your library, it's the best thing you can do for your library and yourself."

Although we frequently hear criticism that our library does not match the magnitude of facilities in some of our neighboring facilities, it does provide many essential services. Nationally, library circulation is up 10 percent, the biggest jump in the 37 years that circulation records have been kept. We urge borough residents to become part of this growing trend.

Dear Mr. and Mrs. Missonellie:

Last week you published an unsigned letter concerning the Hawthorne Little League program. It is my feeling that this letter should be answered not by a Little League official, coach or manager, but by a parent whose children are involved in this program.

I feel the concept of a clinic is an excellent idea. There have been boys in the past who played on teams at a risk of danger and embarrassment to themselves. Their inadequacies were not only quite obvious to the other children, parents, and coaches, but most importantly to themselves. Whether this was due to a lack of co-ordination or parental indifference is not important. The important thing is that NOW these boys will have a chance to improve their skills and next year take their place along side their friends on a more equal basis.

I have talked to people in surrounding towns and they all have nothing but praise for the Hawthorne Little League Program. I am in complete agreement and feel very strongly that the officials, coaches and managers who administer this town's program are to be commended.

Sincerely,  
Dr. W. Ralph Opperbeck

Mr. & Mrs. W. Missonellie

Hawthorne, New Jersey 07506

Dear Mr. and Mrs. Missonellie:

In response to last week's letter concerning Little League, I would like to make known the following clarifications:  
Every midget league applicant was drafted. Last year each team had 16 members with some playing very few innings. This year we have added two additional teams each team has a roster of 14 allowing each member to play three or more innings per game.

All children requiring additional attention in baseball skills have been placed in an individualized clinic sponsored by the Jaycees. This clinic will help strengthen skills as well as allow members to participate in scheduled ballgames with baseball shirts and hats. All members of the clinic are registered and will be drafted by the league next year.

We have approximately 140 managers and coaches in Little League, each one giving of his time and knowledge in the hopes of building good sportsmanship and fair play. We do not believe that any eight-year old should be classified as a failure, and we are not in the business of breaking hearts.

The Hawthorne Little League is beginning its 22nd consecutive year and is dedicated to all the youth of Hawthorne. This has always been and will continue to be the primary reason for the existence of Little League.

Sincerely,  
John Brownlee  
President, Little League

### Can We Afford to Ignore Politics?

by John W. Gardner

Too high a percentage of Americans avoid political action or think of themselves as above politics. They complain about the inefficiency and corruption of state and local government, but take no steps to make it better. They say neither party nominates candidates of real stature, but few of them participate in steps to reshape the party machinery.

Earlier generations fought to give us freedom of the ballot, yet only 53% of eligible voters went to the polls in the November 1976 elections. Reformers struggled for years to establish the direct primary as a substitute for boss rule, yet the vote in most primaries is small.

Among the democracies of the world, our country ranks far from the top in voter participation:

- 65% of American voters don't vote regularly.
- Half can't name their Representative, and 65% can't name both of their Senators.
- 86% are unable to identify anything their Representative has ever done; 96% cannot identify any policy he or she stands for.

Critics of this free society charge that the system has failed us. All the evidence indicates that we are failing the system.

When the city decays, the prosperous American moves to the suburbs. When the system of justice breaks down, he hires a high-priced lawyer. When the public schools fail, he sends his children to expensive private schools. He can buy an escape from almost any discomfort or trouble. But when the common man looks around for some instruments to accomplish what he wants accomplished, he has to turn to the instruments of self government. They are his instruments. Or should be. He had better make them work.

When this nation began in the 1770's, it had a population of about three million, yet it produced at least a dozen statesmen of extraordinary quality—individuals with an exceptional gift for leadership, with intellectual gifts,

A former Secretary of Health, Education and Welfare, John Gardner is the Founding Chairman of Common Cause.

and a capacity for action, capable of the highest order of statescraft.

Today, with seventy times greater population, we surely have far more men and women of that caliber in our population. But where are they? For the most part, they simply do not enter public life.

No other nation in the world has enabled more citizens to fulfill their individual purposes, even their whims, than the United States. But we're not doing at all well with the purposes we all share and must pursue together—creating excellent public schools, protecting the environment, preserving livable communities, enforcing the law and administering justice.

We can move toward the solution of some of our problems through private sector action. But sooner or later, in pursuing our shared purposes, we must turn to government and the political process.

If our Founding Fathers returned today, few things would surprise them more than the citizen's neglect of politics and government, particularly in view of our professed concern for individual freedom. For Jefferson and his contemporaries, the connection was elementary. In their view, a concern for freedom and an interest in government were inseparable. The first business of free men was governing.

That thought would never occur to most Americans today. And we are paying for our thoughtlessness. Out of thousands of years of experience in domesticating the savagery of human conflict and conflicting human purposes, man has distilled law and government. As citizens, we honor law but we neglect government.

Too many of us scorn politics. No wonder we're in trouble.

## Appeal for heart fund

Norman Hopper, chairman of the Hawthorne Heart Fund campaign has issued the following appeal:

"The annual Heart Fund Drive is now in progress in Hawthorne and as chairman of this year's campaign I am urging you to consider this most worthy cause very carefully and give as much as you possibly can. As we all know heart disease is the number one killer today and it will only be by continued research made possible by your contributions that this will change.

"Much progress has already been made. Are you aware that blue babies no longer die and that high blood pressure can be controlled thereby cutting the deaths it formally caused by at least 50%. Coronary care units are now standard equipment in hospitals and this has reduced fatalities by one-third.

"Wouldn't it be wonderful if we could ease the mental anguish of the person who suffers a heart attack or stroke if they knew that it need not be fatal or crippling for the rest of their lives. And how it would ease the minds and hearts of relatives and friends who also suffer mentally with the

## How much life insurance is enough?

The answer differs for every person. Enough life insurance depends on how much monthly income your family would need if you weren't around to support them... and how much income you want at retirement if you live.

Let me help you determine how much is right for you.

## First National Bank of New Jersey introduces Homeowner Loans

With a First National Bank of New Jersey Homeowner Loan, the equity you've built up in your home can be put to work for you. It represents a cash value that you can use as collateral for a loan.

The annual interest rate on First National Bank's Homeowner Loan is only 12%. And based on the Simple Interest way to repay, you won't pay interest on money you have already paid back. No hidden charges of any kind. You can borrow as much as \$10,000 with up to 7 years to repay. And there are no attorney's fees or closing costs to pay.

The First National Bank Homeowner Loan gives you the

opportunity to have your investment work for you in: paying your children's educational expenses, starting a new business, building a vacation home or for other family needs.

As you can see from the chart, First National Bank offers you a variety of repayment plans designed to suit your particular needs. Low monthly payments, too. You have equity in your home. Why not put it to use. Stop in at your nearest office or call 684-8000.

The Homeowner Loan is a KeyLoan Service. It's just one of the KeyFirst Banking Services you'll find only at First National Bank of New Jersey.

# CALENDAR OF EVENTS

## Car Wash Rescheduled

The First Reformed Church car wash held April 2, was rained out and has been rescheduled for April 16, starting at 9 am in the church parking lot, 259 Lafayette Ave. A donation of \$2.50 includes vacuuming, interior windows and washing.

The First Reformed Church, in conjunction with Troop 224, will have their next paper drive at the church parking lot on June 11, 1977. Anyone who has many papers before this date may call for a pick-up at 427-1805, 427-7452, or 423-1734.

## Rummage sale April 16

The Ladies Auxiliary of St. Anthony Knights of Columbus will hold a rummage sale on Saturday, April 16 from 10 am to 4 pm at the Council home, 168 Lafayette Ave. There will be a special table of homemade articles and baked goods.

## Old fashioned bazaar

An old fashioned bazaar will be held on Saturday, May 14, from 10:00 am to 4:00 pm for the benefit of the Hawthorne High School Scholarship Fund at the athletic field. There will be prizes, games, food and chances. Raffles are being sold. Flea market tables will be available at \$10.00 per space. Call 427-1852 to reserve.

## Stop & Shop luncheon

A Stop & Shop Party Plan Luncheon will be held at Fire Co. #1, Lafayette Ave. on Friday, April 15 by the Woman's and Junior Woman's Club of Hawthorne. Tickets are \$2 for the fund-raising luncheon. For information and tickets, call Hilda Malandrino, 427-7002 or Nancy LaForge, 595-0017 or any club member.

## Flea market April 16

A Flea Market, featuring antiques, crafts and collectibles will be held Saturday, April 16, 10 am to 5 pm at Graydon Park, Linwood Avenue and Northern Parkway, Ridgewood. Over fifty exhibitors from the tri-state area will participate. In case of rain the event will be held April 23.

Sponsoring organization is the Child Care Center, a full-time child development program sponsored by the Ridgewood Y.W.C.A. in the facilities contributed by the First Reformed Church of Ridgewood.

This unique service provides a full day program for children, ages three to five, whose parents must work and offers a quality educational facility which is designed to strengthen families and give each child a sense of his or her own worth.

## Luncheon is served

Senior citizens are welcome to come to the Luncheon Is Served sponsored by the Hawthorne Girl Scout Leaders Association Wednesday, April 20 at 12 noon at United Methodist Church, 454 Hawthorne. Tickets can be received by leaders or by calling Betty Baliman 427-7588 or Barbara Laurencot 427-3539.

## Ham shoots April 17 & 24

The Hawthorne Gun Club cordially invites everyone, men, women and children to participate in their ham shoots on Sunday April 17 and April 24 at the Police Pistol Range, Wagaraw Road, Hawthorne, New Jersey. Hams will be the prizes for the following events: trap shooting at clay birds, pistol shooting at lung targets and small bore shooting for youngsters, plus others.

Contestants are reminded that luck plays a larger part than skill. The event will be held from 10 am to dusk. May 1 is the rain date.

## Spring fashion show

The spring fashion show and dinner sponsored by the combined societies of St. Anthony's Church, Hawthorne, will be held on Wednesday, May 18, at the Wayne Manor. Mrs. Margaret Zizzi and Mrs. Janice Lavorgna are co-chairmen. Reservations may be secured by calling Mrs. Rita Crawford, 427-4824, or Mrs. Diane Boldezar, 427-4988.

## Deadline today.

Today is the closing date for reservations for St. Anthony's Couples Club's Brownstone dinner-dance on Saturday, April 23 celebrating the club's fifth anniversary. Call the Campanas, 427-1417 for details.

## Giant garage sale

The Glen Rock Community Church parking lot in Glen Rock will be the scene of a giant garage sale to be held on Saturday, April 16 from 10 am to 4 pm. Rain or shine. The Co-operative Nursery School of the Glen Rock Community Church will host the event for the benefit of its learning disabilities and deferred tuition payment programs.

Mrs. Linn B. Anderson of Glen Rock, chairperson, announces that in addition to tables selling glassware, picture frames, books, furniture, tools, clocks, toys, china, and baby equipment, A special Bake Sale will be held with home-made items donated by nursery school parents.

Donations of items are now being accepted at the school by contacting Mrs. Anderson or Mrs. Ronald Nightengale of Hawthorne for the pick-up of large items. The Co-operative Nursery School of the Glen Rock Community Church is a non-profit, non-sectarian school serving preschoolers of Glen Rock and surrounding communities.

All local businessmen and women interested in reinstituting the Chamber of Commerce are reminded that the initial meeting will be held tonight, 7:30 at Hawthorne Auto Sales 485 Lafayette Avenue

Project Float, a new fund raising program by the Hawthorne Boys Club, is currently underway in the borough. Letters of appeal have been mailed to every home, asking residents and businessmen to donate funds to help finance on-going programs, to purchase equipment and to implement new programs at the club.

The club serves approximately 600 boys, 125 girls in a satellite program, houses a senior citizens group for its weekly meetings and has

expanded to meet the needs of the handicapped as a means of utilizing this facility to its fullest.

Project Float is asking a donation of one dollar per resident, an amount which will dent no one's pocketbook, to keep the Boys Club in operational funds. With the donation of dollars from borough residents, the Hawthorne facility will be able to continue the work begun here in 1947.

Art's Bar and Grill reduced their magic number to four via their double win over Parker Inn and are now in a position to capture the league title during next Monday's position night. Inflicting most of the damage were the Baker Boys, Red (200), Tom (204-554) and Ed (223-585) with outsider Stan Bernardo pitching in with a 211-566. 'Jumping Johnny' March topped the losers with his 204-509. Bob Lytle doubled his season two hundred count when he pounded out games of 200 and 237 on his way to a 607 as he and his Madison Liquor teammates dumped last place Brown Chemical twice. The dual wins moved Madison into second place and gives them an opportunity to try and cool off the red hot Art's Bar and Grill Five next Monday evening. Nick Cannizaro's 208 accounted for Brown Chemical's only win.

'Fearless' Jack Pearson's first six hundred (602) of the year, on games of 216 and 201.

## Girl Bears shut out Mahwah

Judy Driesse pitched a two-hitter for the Hawthorne High School girls' softball team last Thursday as Hawthorne shut out Mahwah 14-0. Two RBI doubles by Lisa Branigan and Donna Decker highlighted a six-run fourth inning.

The girl Bears also scored five in the fifth inning and sealed the win with three in the seventh inning. The hitting was aided by a triple from Decker and a double from Sharon Alexander. The Bergen Passaic Scholastic League contest gave Hawthorne a 2-0 record in the league and a 3-0 overall.

Baseball practice is in full swing for all divisions of the Hawthorne Little League in anticipation of the season's opening on April 23.

## Girl Scout News

### Brownie Troop 156

Brownie Troop 156 Jefferson School has been busy with crafts for the Easter holiday. A mother-daughter party was held and awards were given out. A new girl, Jennifer Jenkins, was invested and received her pin.

The following girls received their "Be a Ready Helper" badges: Kristina Baluski, Sheri Smith, Christine Allen, Tammie Boydell, Kimberly Cornett, Wendy Quest, Susan Wheeler, Kristen Tanis, Kim Planten, Dina Orricchio, Margaret Nowak, Linda Karner, Jennifer Jenkins, Sandra Jee, Carolyn Coune, Rochelle Bostrom.

### Brownie Troop 105

The month of March was full of activity for the girls of Brownie Troop 105, Lincoln School. They attended a performance of Peter Rabbit at Playhouse on the Mall followed by lunch at Burger King.

The girls learned about professions from Mary Sannon, a beautician and from Thomas Saraffian, a pharmacist. Each told what their jobs entailed and answered questions. Later in the month, two junior scouts, Carrie Weir and Carol Ver Voorn visited the scouts and talked about their experiences in Troop 53.

A St. Patrick's Day party was held and the brownies made invitations for their families. The following girls received their discoverer badges:

Colleen Barr, Brenda Hartley, Samantha Del Sardo, Kathy Lota, Tracy Marshall, Cherie Rizzo, Kim Shannon, Kim Pappert, Donna Bocchino, Kayleen Timmas, Elizabeth Saraffian, Debbie Tumino, Staci Van Der Velde, Eileen Hirsch, Jennifer Niznik, Janice Parisi. Their leaders are Rita Hirsch and Judith Niznik.

Several hundred children attended the Easter Egg hunt sponsored by the Girl Scout Community Association in Goffe Brook Park last Saturday. The following merchants aided this program: Five and Ten, Bush's Candy, Kent's, Melon's, Grand Union, and Lakeview Farms.

### Cub Pack 30

St. Anthony's Cub Pack 30 held its monthly meeting in the school auditorium. The cubs performed an Indian War Dance, which was directed by den mothers, Mrs. John Brincka and Mrs. John Coughlin.

A model airplane demonstration was given by Mr. Les Demmet. The techniques of constructing a "delta dart" model were shown to the cubs. The model was flight tested and he demonstrated how to change the flight of the model plane by changing the position and shape of the wings.

The Webelos, under leader Gordon Knepper, described how they built terrariums. Webelos participating in this program were: Greg Kolenut,

Paul Laurenot and Andrew Cutrona.

Scout Sunday was held on April 3 with Mass at 8:30 am at St. Anthony's Church. The final pack meeting of the year will be held on May 1. The pack will visit the National Coughlin.

### Troop 93

Over the weekend of March 25, 26, and 27, Troop 93 sponsored by the William B. Mawhinney V.F.W. Post 1593, went on a hiking/camping trip on the historic Batona Trail in Wharton State Forest located in southern New Jersey.

On Friday night the troop geared up with 30 and 40 pound backpacks, hiked one mile into the pine barrens where they struck camp for the night. Early Saturday morning the hike was resumed and the troop covered 16 miles with well-deserved rest stops every few miles, one of which was at a 300-foot fire tower which everyone climbed to observe the view. Upon reaching Quaker Bridge the troop stopped, prepared the dinner meal and set up camp for the night. The following morning they hiked the remaining seven miles to Batsto Village, where parents were waiting to transport the troop home.

There were a few groans of aching feet and tired muscles, but it was agreed that everyone had a good time and it was a great experience with much knowledge gained in backpack hiking. Attending were: leadership corps members, Joe Kraus, Jeff Hulmes, Ron Verderame, Bob Hazeckamp, and Jim Gerritsen; scouts: Mark Fiebigler, Pierre VanderVeg, Billy Kithcart, Jimmy Bradford, Tim Maggioro, Scott Hulmes, Don Giannella, Shashi Srikonda, Gary Luscher, Peter Gerritsen, Adam Baumrich, John Grisbacher, and Tony Stanulus. Adult leaders were: scoutmaster Mike Verderame, assistant scoutmasters Bob Hazeckamp, Al Giannella and Al Ribbe, committee chairman Dave Hulmes, and committeeman Jim Bradford. The troop's next event will be a high adventure canoe trip down the Delaware River at the end of April.

## Eagle Scout honors for Ron Williams

Ronald George Williams received eagle scout honors in a court of honor held March 18 by Troop 224. His achievements in scouting are as follows: tenderfoot, September 1971; second class, June 9, 1972; first class, February 2, 1973; star scout, October 17, 1973; life scout, May 31, 1974. He passed his Eagle Scout Board of Review on January 13, 1977.

Ron has been a member of the blazing arrow patrol, serving as assistant patrol leader and patrol leader. He was also a member of the beaver patrol serving as patrol leader. He served as den chief for one year for Webelos den 5 of Pack #29 in Hawthorne. Other leadership positions include troop scribe and senior patrol leader. His achievements in scouting include 25 merit badges, eight skill awards, the mile swim at camp and the Jockey Hollow, Valley Forge and Gettysburg hiking medals. He is also a member of the Aquaninonche Lodge 359, Order of the Arrow.

## Arts in the Area

### Attorney will be guest conductor for philharmonic

Paterson Attorney Henry Ramer, deputy director of the Paterson Law Department, will apply the art of law to music when he serves as guest conductor at the annual Strauss Ball of the Philharmonic Society of Northern New Jersey Saturday, May 7 at the Wayne Manor here.

Ramer outdid all others for the honor of conducting the Philharmonic at the annual "Action Auction" of the Auxiliary of St. Joseph's Hospital and Medical Center, Paterson, last fall.

Backing Ramer for one or two Strauss numbers at the ball will be 35 members of the North Jersey Philharmonic who will perform throughout the evening under the direction of Conductor Walter Schoeder of Wyckoff.

According to Carmen La Salle of North Haledon, general chairman, reservations are still available for the ball. Those wishing to attend should contact committee members: Marguerite and Frank Salerno of Hawthorne, William Battagliese of Fair Lawn or Andy Sellitti of North Haledon.

The 7 pm cocktail hour will be followed by a full-course dinner. Alternating with the 35 piece Philharmonic Orchestra will be a combo offering contemporary music. A Viennese theme will prevail in decor and menu.

### Sketching session will benefit General Hospital

Artist David Nicholson will bring his talents into the Greater Paterson Hospital lobby from 2 to 5 pm Sunday, April 24, for the benefit of the hospital Auxiliary's annual charity ball.

Nicholson, an art teacher at Ridgewood High School and a resident of Old Tappan, will be available to the public to do his "personality sketches."

The quick-sketch "happening" will be a donor party whose proceeds go toward the "April in Paris" ball, to be held Saturday evening, April 30, at the Marriott Hotel, Saddle Brook.

Nicholson, a commercial artist, has taught at Caldwell College and Fairleigh Dickinson University, Madison. He also illustrates film strips and educational kits. The artist holds bachelor's and master's degrees in art from Montclair State College.

Bea Kassa of Fairfield, a member of the Auxiliary's North Jersey Branch, is general chairman of the 1977 ball. The Auxiliary's major fund-raiser for the hospital. Reservation may be made with Dorothy DeRitter of 144 Diamond Bridge Avenue, Apt. R4, Hawthorne, of the Auxiliary's Charter Branch. The public is welcome.

### Graduate arts course scheduled this summer

A new summer program, "Experiencing the Arts in New York City," in which professional artists, arts educators, therapists, health professional and classroom teachers will have an opportunity to pursue graduate study in their own arts field while utilizing the city's cultural institutions and arts events as a living resource for the classroom, has been announced by New York University's School of Education, Health, Nursing, and Arts Professions.

In the eight-week program, meeting from July 5 to August 26, students may earn twelve credits while simultaneously extending on-campus study with attendance at such varied events as Broadway theater, opera in Central Park, dance at Lincoln Center, and exhibits at major uptown museums and downtown SoHo galleries.

For further information write: Jerrold Ross, Division of Arts and Arts Education, School of Education, Health, Nursing, and Arts Professions, New York University, 777 Education Building, Washington Square, New York, N.Y. 10003, or call (212) 598-3493.

Our autograph giveaway was such a success a few weeks ago that we have decided to do it again. This time you can win all of the autographs of the entire cast of **Happy Days** including **Henry "The Fonz" Winkler**, **Ronny Howard**, etc. Send in 50 words or less on "Why I love to read Michael Levine's **Spotlites**" along with your name and address to: Michael Levine's **Spotlites**, 201 Cross Street, Fort Lee, N.J. 07024. You may send in as many times as you like. Winners will be chosen at random. Good Luck and start writing!...The cost of a minute of commercial television time is expected to go to \$125,000.00 next fall...The famous interviews done by **David Frost** with **Richard Nixon** will be aired on May 4, 12, 19, and 25th on TV Syndicast, the company selling the commercial time, has failed to sell out all of the available minutes. Seems that some advertisers don't want to have anything to do with **Richard the Great**...

The entire entertainment world is buzzing with the disgraceful performance given by **Marty Feldman** during the Oscar ceremony. **Feldman**, who is ugly enough to make a grown man cry like a baby, failed to read the nominations and smashed an Oscar statuette to the floor like a spoiled three year old. Many feel that his appearance at the award will put his career to bed. No great loss...The live top grossing films in the country this week are **A Star is Born**, **Rocky**, **Network**, **Fun With Dick and Jane**, & **Silver Streak**...Mayor **Abe Beame** of New York is trying to help his almost dead image by getting tough with X rated theatres in the City. It seems that aids have told Grandpa Beame that the way to get re-elected is to look tough. It seems to me that he could make better use of his time by being tougher with crooks, hoods, and muggers than a couple of porno theatres...Bandleader **Woody Herman** was seriously injured in a head on collision while on his way to a seminar and concert at Kansas State University...Rightfully so- **Barbra Streisand** won an Oscar for her brilliant song **Evergreen**. She sang beautifully at the awards night...Female illusionist **Jimmy Lane** completely sold out his appearance at Trude Heller's in New York. The crowd loved him and this guy seems on his way to bigger things...**Equus** recently reached it's 1000 performance...It will be **Barbra Streisand**'s 35th Birthday on April 24. If you would like to send her a birthday card, send it to our office and we'll make sure she gets it...There are two upcoming events worth noting at the **Palladium** in Cliffside Park. On April 22 there will be two performances of the musical hit **Godspell**. On April 29, the one and only **Minnesota Fats**-Billiard Champion will be there...**Sonny and Cher** off television as of April 1...The latest craze are Buttons of the Super-Stars, including **Farah**, **Frampton**, **Kiss**, **Beates**, etc. They are available at Downbeat Record in Englewood...The Village Voice ran a story on singer **Anita Bryant** with the headlines -**Anita Bryant Sucks Oranges**. The Voice, among many others is getting on her because of her anti-gay rights stand in Florida...To everyone's delight, **Al Pacino** will be appearing on Broadway from April 15 through June 5 in a play called "The Basic Training of Pavlo Hummel" at the Longacre Theatre...Rock poet **Patti Smith** is having a showing of her drawing and sketches at the Gotham Book Mark Gallery, 41 West 47th Street through Saturday April 16...**Dave DeLuca**, a fairly familiar name to club goers in the North Jersey area, recently won the grand prize in the American Song festival. Manager **Bill Malone** is currently negotiating a record deal.

### WPC dance troupe performance

A former June Taylor dancer and a one-time Radio City Musical Hall Rockette co-direct WPC Dance Company performances at William Paterson College on April 28 and 29.

Lillian Strott, a student at WPC and once a Rockette, joins Ms. Svea Becker, a June Taylor dancer for several years and founder-director of the WPC Dance Company, to co-direct the performance, "Celebration of Dance."

In addition to a career with the best-known chorus line in the country, Ms. Strott has appeared in over a dozen television commercials toured the United States as a dancer since the age of nine, and spent seven years in Germany as a choreographer.

A Passaic resident, she is a junior theatre major at WPC and the student-director of the dance group.

In addition to directing the concert, Ms. Strott and Ms. Becker, a WPC faculty member, perform a tap routine to "Sing in the Rain."

The WPC Dance Company, founded in 1972 by Ms. Becker, has grown from six to over 30 students, and presents its most ambitious program at the upcoming concert.

Among the featured tap, modern, jazz, ballet, pre-classical, and rock numbers scheduled to be performed, is a Broadway-style rendition of Isaac Hayes' "Disco Connection," and a pre-classical translation of the music of "Barry Lyndon."

Twenty WPC students perform in the production, which includes a Rockette line. Performances are scheduled for 8 pm on April 28 and 29 with a 12:30 pm show on April 28. Admission is free and the public is invited to attend the performances in Shea Center on campus at 300 Pompton Road, Wayne.

# Woman's Club plans presidential reception

The next meeting of the  
Woman's Club of Hawthorne  
will be held at St. Clement's  
Church on Thursday, April  
21, at 8 p.m. This will be a  
presidential reception honor-  
ing all of the presidents of the  
11th district. It will also be a  
reception for the Junior Wo-  
man's Club of Hawthorne.

Mrs. George Walker, northern  
vice chairman of the  
public relations and Mrs.  
Aldred Constants, Jr., pro-  
gram assistance chairman.  
President Mrs. Ernest Ego

will conduct the meeting. The  
program will be "Say It With  
Flowers" by Jan Taylor. Mrs.  
Taylor is a flower am-  
bassador with over eight years  
of successful lecturing and de-

monstrations to the Northern  
New Jersey community. Her  
program is designed to give  
the women confidence to go  
home and do the  
arrangements themselves. She

will be glad to answer  
questions.  
The committee consists of  
past presidents of the Wo-  
man's Club of Hawthorne:  
chairman, Mrs. Raymond

Seckler; Mrs. Andrew Mon-  
tano, Mrs. Edward Ackers-  
man, Mrs. Horace Linsley,  
Mrs. John Komjian, Mrs.  
Peter Scullion and Mrs.

## Kiwanis Korner

President Richard C. Short was program chairman for the evening and presented Detective Andrew V. Turco, who gave an enlightening talk on "Narcotic Education: How Young Should We Start?" Ptl. Turco presented a thorough discussion on controlled dangerous substances, their abuses and his thoughts on how to be able to better control abuse. A lively question and answer period followed his talk. The recent rulings permitting the printing of serious juvenile offenders names was discussed and it was generally felt that it would be a good thing to stop covering-up for these continued offenders, especially those just below the legal age of 18.

Last week, April 5, during the Easter season, Program Chairman Bill Kahn, presented the associate pastor of the Broadway Baptist Church in Paterson, the Rev. Douglas Tallaksen who gave a talk on "All About You" which was a well prepared talk on how to improve your own life as well as the service club you may belong to. His ten suggestions were:

- 1- Be Real; be yourself, don't be phony.
  - 2- Identify with others, don't judge each other.
  - 3- Be transparent: show your feelings and convictions
  - 4- Support and encourage: look for the good in others, not the bad
  - 5- Don't try to change people to your way of thinking
  - 6- Live specifically; have a goal or target, know where you're going
  - 7- Give what is needed, not what you enjoy giving
  - 8- Learn to receive; allow yourself to be taught
  - 9- Share in decision making; be a part of the group
  - 10- Don't play it safe; don't be afraid to start something new.
- Rev. Tallaksen said if we all could follow these suggestions, we could make this world a better place to live.

**Kiwanis Train Ride: May 31:** All aboard our private club car to the Hoboken Clam Bar; refreshments and entertainment enroute. The train leaves from the Erie Washington Avenue Station at exactly 5:15 pm and returns 10:30 pm. A full course dinner with cocktails will be included. All good things deserve a price: \$15.00 per person. Make reservations with Ella and Cliff Hunt, 57 First Ave., Hawthorne, or contact a Kiwanis member for reservations. Prepare yourself now for an enjoyable evening with us. Deadline for reservations will be May 23.

The annual Kiwanis Ladies Night is being planned by Chairman Harvey Wright. This will be a night devoted to our ladies with dinner at La Pace Restaurant, Hackensack and a show at the Bergen Mall Theater. Every year we look forward to this night with our ladies.

**Safeguard Against Crime:** This is the 1977 theme for all Kiwanis Clubs. The Hawthorne Kiwanis Club is actively involved in this project and they now have available the Wearer Security Marking Pen. With this pen everyone can mark and identify their property with the invisible ink which can be seen under ultraviolet light. Everything can be identified easily and done by yourself. Help the Police Department by having all your valuable property marked for identification. The pens can be obtained from all Kiwanis members or at Melcon's Pharmacy, the Rhodes Agency, Klepper Auto Parts and other locations around town for only the cost of \$1.50 each. "Safeguard your home against crime, protect your property, get your pen now."

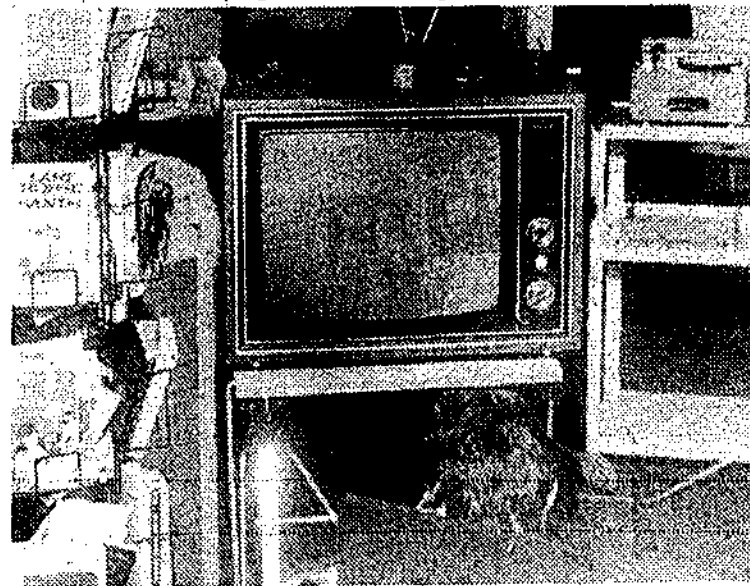

## College Campus

William V. Carafello, son of Mr. and Mrs. William Carafello of 42 Horton Avenue, Hawthorne has achieved a 3.67 average which places him

on the academic dean's list for the fall semester of 1976 at Montclair State College. He is enrolled in the college's accounting program.

Above Mrs. Carole Lehing, reading consultant, demonstrates techniques to teachers while a student records her presentation on camera. (Below) a student views the workshop on video tape.

## Reading workshop held

A two-part workshop in reading was conducted at the Lincoln School as part of a continuing program of curriculum development. Mrs. Carole Lehing, a reading consultant, presented and explained the use of selected reading instructional materials to kindergarten and primary grade teachers, reading improvement teacher, and special education teachers. Teachers participated in actual instructional activities enabling them to have a direct "experience" in the instructional process. The workshops were video-taped for review and possible use by teachers in the district.

## Forshay receives highest award

At the commencement exercises of the American Academy McAllister Institute of Funeral Service held March 18, 1977 George W. Forshay, Jr. of 557 Lafayette Ave., having attained the highest scholastic rank of the graduating class, received the Dr. John McAllister Memorial Award signifying outstanding proficiency in all areas of the curriculum. Mr. Forshay, a 1973 graduate of Rider College, was also presented with the New Jersey State Funeral Directors Association Silvio

## Hawthorne's Title I program to be detailed by Dr. Ingemi

An informative program will be given at St. Anthony's cafeteria at 7:30 pm Wednesday, April 20. Open to parents of all school children and all citizens of Hawthorne, the meeting will be to explain how Hawthorne may be in danger of losing this year's \$47,000 and monies for future year's Title I from the federal government. This includes especially trained teachers and educational materials.

Dr. Ingemi, superintendent of Hawthorne schools and Mr. Vitale, director of the local Title I program, will define the program and willingly answer all related questions.

Federal law requires active participation in the Title I program in each locality. Earlier this year each of the four schools involved formed Title I Parent Council. An interest awareness is urged of all parents and all citizens of the federally funded program geared to assist elementary school children in need of language, reading and math remedial help.

## St. Anthony parents meeting April 19

The April meeting of the Home and School Association of St. Anthony's School will be held on Tuesday evening, April 19, at 8:00 pm in the school cafeteria. Parents are asked to sign the register at 7:45. Mrs. James Stark, program chairman, has announced that the guest speaker will be Sister Maurice Dooey whose subject will be "Alcohol Use and Abuse by Youth". An Easter Mass was held recently with the eighth grade students taking an active role. Karen Kirsch gave the introduction with Bryan Merritt, Kevin O'Connor, Kerry Lynch giving the readings. Dramatization of the gospel was provided by TJ Redling, Robert Alliegro and Nancy Laurencot.

Petitions were made by Marianne Aciri, Kenneth McNeerney, Susan Satters and Patricia Harrington. Gifts were presented by Anthony Casapula, Michael Furrey, Nancy McNeerney, James Stark, Scott Nazzarese, Jane Gurrieri, and Glenn Langowski. Altar boys were: James O'Hagen, Vincent Capaci and Peter Tully. Song leaders were Matthew Kaminski, Angela McDonald, Maria Brudzynski and Regina Tamburro.

## Mo-ped prize is on display

The Mo-Ped being offered as a first prize in conjunction with the bazaar to be held on Saturday, May 14 at the Hawthorne High School Athletic Field for the Benefit of the scholarship fund may be seen

in the window of the Boro Pharmacy. Raffle chances are available at the store or from any committee members. To reserve flea market space at \$10.00 per table, call 427-1852.

## High School Happenings

Sixteen students at Hawthorne High received the National Certificate of Educational Development for their excellent achievement on the National Educational Development test. Freshmen include: Julia Chirico, Theresa Czelatko, Scott Deblcock, Jacob De Vries, Mark Ham-

stra, Salvatore Iacono, David Kosenko, Theresa Monda, Eileen Newman, Lorraine Platt, Carol Shovan and Ronald Verderame. Sophomores are Louis Confrancisco, Teresa Elwood, Jeffrey Holmes and Michael Pasquale.

## Transfer of students between Franklin and Washington Schools proposed

A proposal to transfer students between Washington and Franklin Schools was aired at a meeting of the Education Committee of the Hawthorne School Board last Wednesday. The plan was presented by Joseph Vitale, principal of the Washington School, and Robert Masiello, principal of the Franklin

## Departmentalized program at stake

School, before eight board members and three citizens, who were in attendance.

There are alternate plans under study — the first as proposed by the principals and the second as modified by the superintendent of schools. The principals suggested that Franklin School would house students, grades five through eight, while Washington would be converted for Kindergarten through grade four students. Their plan was modified by Dr. John Ingemi so that grades seven and eight would be taught at Franklin; grades four, five and six at Washington; while primary grades K through three would all remain at their neighborhood schools. An integral part of either plan is that the students would walk to their neighborhood school and be transported by shuttle bus to the transfer facility.

The primary reason for studying these proposals is to salvage the departmentalized program for the upper grades. Without any transfer, there will be only three sections at Washington and four sections at Franklin in the 1977-78 school year in a combined enrollment of sixth, seventh and eighth grades. In

order to operate effectively, there should be five sections — math, reading, language, social studies and science.

If the transfer goes into effect, both sixth grades would be eliminated from the departmentalized program and would be taught as self-contained classes. This would leave a combined total of five classes in grades seven and eight between Washington and Franklin. The advantage of using Franklin School for the higher grades is that its science lab facilities and gymnasium are superior to those at Washington. Furthermore since only the seventh and eighth grades have home economics and industrial arts in their curriculum, the kitchen and the shop could be eliminated at Washington and the equipment could be combined from the two schools.

According to the two principals, the transfer would solve the need for expansion on an immediate basis, but both educators stressed the fact that this is not a long-range solution. Mr. Masiello stated "What we need for September is a rescue of the departmentalized program. The situation is not good now and it will only get worse if something is not done." Mr. Vitale told the board "As far as I'm concerned, this is not the solution. It's only a remedy for the immediate needs of both schools."

Another benefit besides salvaging the departmentalized program and creating smaller classes for grades seven and eight would be that one classroom would be freed at both Franklin and Washington. At Franklin, the extra classroom could become a music room,

which is currently lacking at that school and at Washington, the extra space from the classroom and home economics/industrial arts areas could be utilized to enlarge the science lab facilities and to create conference rooms for remedial teaching. Both schools would then have the space for resource rooms and both of their libraries could be expanded to become media centers.

Reduced class size is another objective of this proposal. In September at Franklin there would be 31 sixth graders, 29 seventh graders and 33 eighth graders. At Washington, there would be 21 sixth graders, 19 seventh graders and 31 eighth graders. By combining stu-

## It's not the solution... but it's a remedy...

dents, class size in grade six would be 26; in grade seven, 24 and in grade eight, 21; (three sections). Students would also be able to be grouped in such a way as to provide advanced work for the students who learn faster.

An aspect of this proposal that will need careful study is the reorganization of personnel. According to the superintendent of schools, some departmentalized teachers in both schools are certified only in the special subject they teach, while others have general elementary school certification.

Both the administrators and the school board members agreed that the key to this entire proposal is community support. Dr. In-

gemi related that the receptivity of parents hinges on the shuttle bus. All the students would walk to their neighborhood schools and be transported by bus to the transfer site. At the end of the day, the students would be shuttled back, so they could walk home. It was felt that this procedure would eliminate any objections from parents about brothers and sisters not walking to and from school together.

The superintendent related that a bus is available for this purpose, but a driver would be needed. Many ramifications have to be considered by the board concerning busing. Some board members expressed concern that it may open a Pandora's Box — both with busing requests from Jefferson School and from parochial school parents. However, under T & E, busing is 100 per cent funded by the state and most board members agreed that these side issues were not sufficient justification to hamper a program that would provide a better educational situation for both Washington and Franklin Schools.

Jack Meeter, chairman of the education committee, asked that this matter be referred back to the administrators to make refinements in both proposals. On May 3, another meeting will be held of this committee, at which time, all the data necessary to make a decision will be presented to the school board. From then, the plan will be aired before the parents of both schools. No decision has been reached by the board on their plan and it's possible that it may not be finalized until the summer.

## Chamber of Commerce reorganizing in boro

Hawthorne is without a Chamber of Commerce. However this is not a situation which always existed, the businessmen who attended a meeting to reorganize this group learned last Thursday. The Chamber of Commerce was organized here in 1922 in the office of Dr. Brady, who at that time was located on Diamond Bridge Avenue. An active group for many years, the organization's primary goal was the betterment of Hawthorne.

The C of C was instrumental in getting listings in the directory under Hawthorne addresses, instead of being part of Paterson. Its members arranged to have a bridge built across Diamond Bridge and Lincoln Avenues. They got the railroad company to change the name of the Susquehanna Station from North Paterson to North Hawthorne. They also sponsored large Fourth of July celebrations in the borough.

Jerry Faber, Jr., one of the men who wants to reinstitute the chamber locally related that his father had kept the charter intact for many years and had provided a phone to handle the daily inquiries that were made to the C of C. Faber added that since the death of his father, it was impossible for his office staff to keep up with the requests for information and he subsequently had the phone disconnected. He estimated that there are two to three calls for information about the borough made daily to the Chamber of Commerce. Most of these solicitations are now directed to the office of the borough clerk.

All those attending the meeting agreed that the main objective at this time is to find a person who would be willing to solicit businesses by phone to build up a membership. This person could be a retired or semi-retired individual or a housewife who is knowledgeable about the borough. Gene Meyers of Hawthorne Auto Sales volunteered to provide an office where a phone could be installed. A small salary would be provided from membership dues to the C of C, with the room to

grow in this position. Another area to be developed is to compile a profile of Hawthorne for prospective residents and businesses. Anyone interested in working in this capacity should contact Gene Meyers at 427-1560.

A Chamber of Commerce provides a forum for local businessmen to share ideas with one another. It also gives its members an organized group to represent their views in solving problems common to many of the merchants located in the borough.

This organization is also a clearing house for businesses which seek to relocate in this area and for industrial firms that seek outlets for new products.

In some towns, the Chamber of Commerce provides its members with lists of persons who have passed bad checks. It may also sanction fund-raising projects underway in the borough to protect businessmen from phony solicitations.

Another meeting of the group to reinstitute the local chamber will be held in the near future. Further details will be available in this newspaper as specific information becomes available.

**Reminder: Daylight Savings Time begins on Sunday**

Borough residents are reminded that Daylight Savings Time goes into effect on Sunday, April 24 at 2 am. Clocks should be advanced one hour before retiring on Saturday. All public business and official proceedings in the borough are regulated according to such time.

April 14

A break and entry was reported at the Washington School by school officials. Patrolman Daniel O'Dell and Sgt. Richard Short investigated. Entry was made via breaking a window in the auditorium door. Malignant mischief was done throughout the school including writing on walls, shades and blackboards.

Scott White, 30 Short Street, notified police that his bicycle was stolen from his yard during the night.

At the Golden Steer, 67 Goffle Road, while a bookkeeper was working in a downstairs office, someone entered the office, took some money and fled. Ptl. Robert Beattie investigated.

Frank Tomassini of 152 Second Avenue reported that someone took a beauty ring from the steering wheel of his car while it was parked in front of his house.

Robert Russo of 105 Sixth Avenue informed police that while he was driving on Goffle Road, someone threw an object from a passing car. The impact broke his windshield.

April 15

Werner Eigen of 168 Rock Road was awakened at about 9 pm by the sound of someone in his bedroom. He called the police and Ptl. Peter Vanderveelde and Ptl. Thomas Pomroy responded. The rear kitchen door had been forced open and his wife's purse was stolen. A search of the area failed to locate anyone.

## Seeking to assess amount of damage by fire: Mohawk Auto Body case is back again

The case of Mohawk Auto Body, which was remanded by court for further consideration, was heard Monday evening by the Hawthorne Board of Adjustment. The application concerns premises at 1125 Goffle Road which were damaged by fire in 1976. In a hearing before the same board in October 1976, a variance was denied on the basis that more than 60 per cent of the structure was destroyed and borough ordinance requires a use variance under these conditions.

The matter was taken to court by the applicant Thomas Brown, represented by attorney Robert J. Passero, and Judge Donatelli ruled that the local ordinance (60 per cent damage) is superseded by state statute which assesses damage as partial or total and requires that each case be judged on its individual merits.

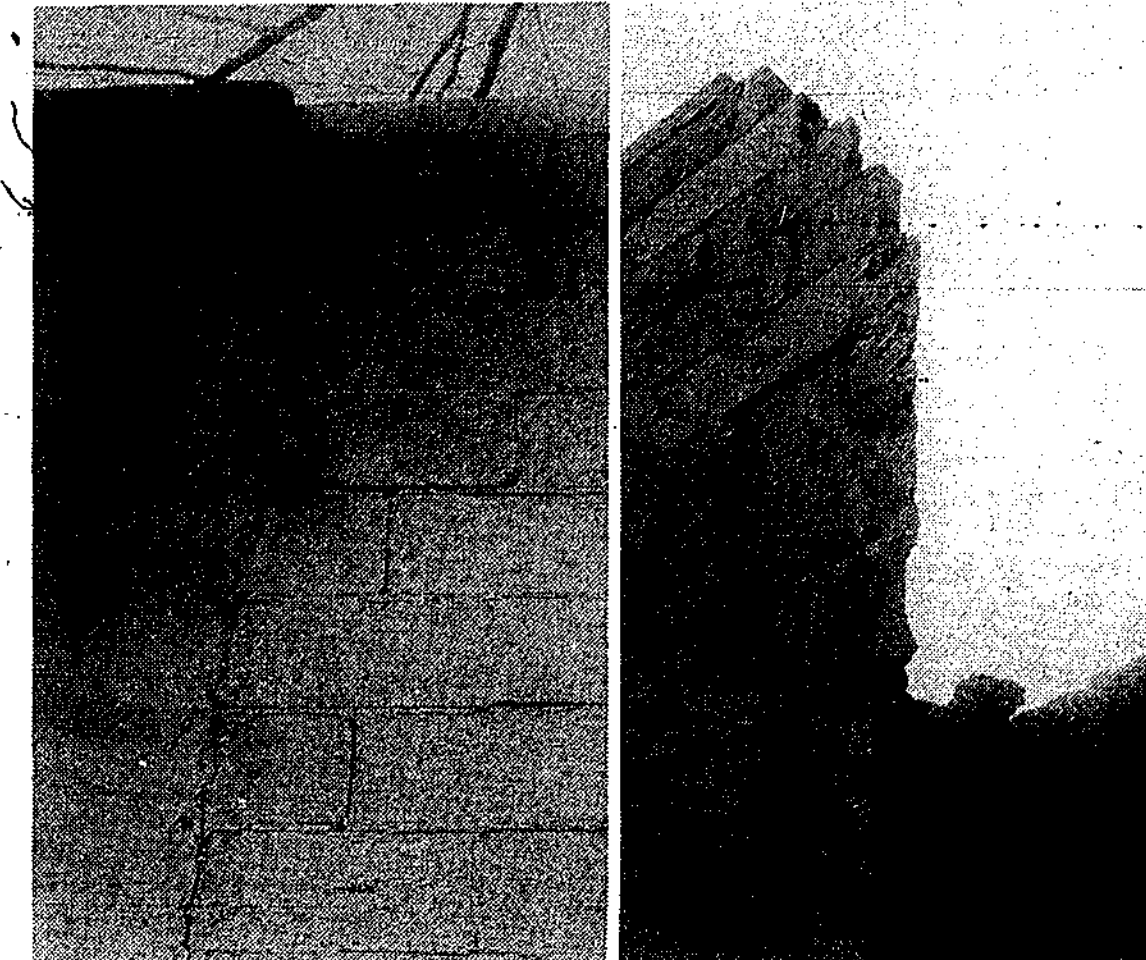

The hearing held April 18 was to determine whether or not a variance is required to continue the use as an auto body shop. The case has two alternatives—either that the damage be proven "partial" in which case, a valid non-conforming use exists and the applicant may rebuild or that the destruction be proven "virtually total" or so complete as to prevent rebuilding. In case of the latter, the applicant seeks a use variance.

Passero presented John Lacz of 662 Goffle Road as an expert in the planning field. He testified that the cost to replace the entire building would be between \$34,000 and \$37,000 while the cost to repair the structure would be \$9600. Lacz gave the following breakdown for that figure: \$4000, carpentry; \$720, masonry; \$800 electrical work; \$400 plumbing; \$1600, roofing; \$3000 for materials.

His opinion as to whether the damage was partial or total was that if there were complete destruction, the superintendent of building or the Department of Labor and Industry would have required its demolition.

Nearly two hours of cross examination was conducted by the four board members in attendance—La Barre, Coughlin, Reckenbeil and Simone—and the board attorney. Much of their questioning dealt with cracks in the southerly and easterly wall and whether they were considered buildable in their present state. They also touched on the issue of whether the structure was being undermined by the brook.

The board has two witnesses to present on its side and the matter was carried until next month.

Some of the cracks in the walls at Mohawk Auto Body.

## New law inconveniences applicants

A new state law, the Municipal Land Use Act, is having an effect on applicants before the Hawthorne Board of Adjustment. At the April session held Monday, three cases had to be deferred because three members were absent.

The difficulty arises in the applications for use variances which require five affirmative votes for passage. Under previous law, a use variance was recommended by the Board of Adjustment to the Board of Commissioners, who had the final say. Now the decision rests entirely with the zoning board.

When five members are not present to hear

a case, the new law allows the absentee members to read a transcript and make a decision from the written testimony.

Three cases which involve use variances will be heard at a special meeting for that purpose on Monday, May 2. According to Board Secretary James Evers, it would take more than two weeks to obtain a written transcript of the minutes from a tape recording made at the session. All three applicants agreed to defer their cases until the special session.

The agenda will include: Edward Fratello's application to permit custom refurbishing of auto vans at 184 Lincoln Avenue in a B-1 zone;

Donald Van Orden's application for the use of a first floor as a business/professional use at 175 Diamond Bridge Avenue with a second floor apartment dwelling unit (The property is in an R-3 zone); and an application by Ralph and Marie Terranova, 160-162 Lafayette Avenue to convert premises to a two-family use. The structure is presently used as an office on the first floor.

Two variances were granted for additions to residences at the April 18 session. Mr. and Mrs. John Harraka of 303 Central Avenue received permission to build a 20 x 36 foot addition on the second floor to be used for three bedrooms. Julia and Richard Arturi of 298 Fourth Avenue got approval to add a bedroom that would follow the exterior lines of the building.

## EDITORIAL

### Chamber of Commerce should be revitalized

The campaign to reinstitute the Chamber of Commerce in Hawthorne is a worthwhile endeavor. The task will not be easy, as the group has been inactive for some 30 or 40 years. The reactivation process will be more like organizing a brand new group.

Despite the difficulty involved in creating a dynamic organization, there are many benefits to be reaped by those who choose to become involved. For one thing, the chamber will give local businessmen a forum in which to share ideas and to work toward solutions of common problems. Too often, we rarely see owners of local businesses except at social functions, at which such topics can not be discussed in depth. For example any merchant, who operates a business along Diamond Bridge Avenue is aware of the need for additional parking. Another issue is uniform business hours, especially regarding a common night to stay open in the central business district.

However, the function of a chamber of commerce is not restricted to these topics. In neighboring towns where chambers of commerce are a vital part of the community, the merchants have a voice and some clout when zoning and planning hearings are held. These organizations also run promotional sales and contests to encourage residents to shop locally instead of driving to highway shopping centers to purchase the same goods offered in Hawthorne stores.

Hawthorne has close to 1000 businesses of all sizes and types which operate here. About 300 of these own property and are substantial taxpayers. It's about time they all joined together for the betterment of Hawthorne.

## Letters to the Editor

Dear Editor,

The members of the Hawthorne St. Anthony Council 5920 express their thanks and appreciation to all the people of the Hawthorne area who gave so generously to the council's recent fund drive for retarded children. The proceeds of this drive will be utilized in this immediate area to help the retarded children in education and recreation.

### Letters to the Editor Policy

Letters to the editor which are not signed will not be printed in the Press. The author may request his or her name be withheld and we will do so. However, we must know the identity of the author.

Copies should be typewritten, double-spaced and submitted prior to our deadline. Content must be responsible and must not contain any libelous statements.

### Legislation will make voter registration changes for Nov.

Five Democratic senators have introduced landmark legislation that would allow people to register to vote on Election Day and vote.

If it becomes law, it could become effective for the general election in November.

It would mean that a person would not have to register to vote 30 days before an election.

That person could register on Election Day and vote the same day under the terms of the proposal.

The key sponsor is Sen. Joseph P. Merlino (D-Mercer), whose district is predominantly Democratic.

Any person not properly registered to vote on Election Day could go to the municipal clerk's office, or the county election board, show his driver's license or other "suitable identification" to vote.

Further the bill provides that if he has no identification, he could bring with him a "registered voter to vouch for his residence, and would have to affirm that to the best of his knowledge he was not validly registered and that he would not vote anywhere else for that election."

Merlino said, "This proposal is in the spirit of President Carter's call for universal registration."

Merlino said, "Anyone who has worked with elections, in urban areas and those with apartment complexes knows the frustration that citizens feel when they go to the polls and find that their name is not in the book."

The other sponsors are Sen. Raymond Barramone of Bergen County, Anne Martindell of Mercer County, Matthew Feldman of Bergen County and Wynona Lipman of Essex County.

### The American Dream

by John W. Gardner

There have been, of course, as many American dreams as there have been Americans who dreamed. Dreams of freedom and dreams of material comfort, dreams of brotherhood and dreams of greed, dreams of success and dreams of escape. The list is endless. That list itemized is not The American Dream.

The word "dream" in the sense of something desirable that might come to pass implies effortlessness and pleasure. The American Dream bears no resemblance to that. It has required great exertions, stamina and hard work in the heat of the day. It has brought exhilaration and pleasure but also suffering and hardship.

The Dream began in England and Europe, in the minds of individuals. The fantasies of empire that moved the colonizing nations and trading companies were never The American Dream. The Dream began as individual dreams of opportunity—all kinds of opportunity. For many it was the opportunity to pursue their religion without harassment; for others it was the opportunity to escape, to be free, to better one's lot, to get rich, to start again, to find excitement.

Then, early in the life of the colonies a distinctive way of thinking about society began to emerge. Despite great regional differences in style, the colonists developed some strikingly similar attitudes. Without attempting a complete list, one might mention an unwillingness to import to these shores the class structure and political patterns of Europe, industriousness and self-reliance born of necessity, a restless habit of "moving on," a distinct taste for risk-taking—in founding new colonies, in religious dissent, in land speculation—and an abiding distaste for hierarchy.

Before the 1600's came to an end, ways of thinking had emerged that made the Revolution

A former Secretary of Health, Education and Welfare, John Gardner is the Founding Chairman of Common Cause.

inevitable. The new society wasn't born in 1776. That's when it was old enough to leave home.

In the last decades of the 18th Century, crucial ingredients of The American Dream were put into words—not just the words in the founding documents, but words spoken in meeting halls and written in memoirs. The words said that we—as a nation—were going to make liberty and justice a reality. We asserted that "All men are created equal." We were going to set an example of enlightenment to the world.

It was all incredibly buoyant, vital, young and prideful—and only the wisest of our Founding Fathers caught a glimpse of the enormous difficulties and challenges woven into the Dream. To a youthful nation, a sense of mission came as naturally as a leap in the Spring sunshine.

All of our history since then has been one long instruction in the difficulties of the Dream. We know now—all too well—that our Founding Fathers didn't hand us a completed task. They handed us a beginning. We have had to work—still have to work—very hard to make real the ideals expressed in the founding documents.

There have been enormous changes in America since the beginning. No doubt there are great changes ahead—in patterns of work, political and economic arrangements, the shape of familiar institutions. The American reality will never be static. Nor will the Dream: like all things in the realm of values, it will be re-created in each generation by caring men and women. It will guide them, and they in turn will keep it alive by re-shaping it to meet the unrolling future.

## Bill Gulino on tour with The Platters

Hawthorne's Bill Gulino, who is on tour in Europe with the Platters in a 50's rock and roll revival how, just completed a performance in Germany and is heading for England. In a letter to *The Press*, Gulino writes: "We've been here for a week, doing huge concerts with Jerry Lee Lewis, Fats Domino and a host of fifties doo-wopers. Last night we performed in Friedrichsburg, the town where Elvis was stationed and home of Hitler's underground headquarters, which he never got to use."

"About 5,800 fans chanted 'Only You' and Vince and I came out and sang 'Johnny Be Goode' and the crowd went crazy."

"The Platters followed with 'Only You' and Tony sang better than his original record. It's amazing the voice he has retained for over 25 years. Lenny Welch is doing well. His record 'Since I Fell For You' is still a big hit here."

Gulino's tour will include a concert in London and another in Manchester, plus a show on the BBC. The next stop is Yugoslavia, where the group will be guests of the Yugoslavian government for five days. From there, the group goes to Berlin.

## Variety show next weekend

### Carnival Week Planned at WPC

William Paterson College's spring carnival, a week of amusements and fair activities for the WPC community and area residents, is underway until April 23 on the college campus in Wayne.

Over 20 games of chance, a large assortment of food stands, and 7 adult and children's rides provide entertainment for carnival visitors. Sponsored by the WPC Student Activities Programming Board and the carnival committee, the activities are run by 24 campus clubs, sororities and fraternities.

As a special feature of the 1977 Carnival, entertainer Uncle Floyd of cable television and Channel 68 fame, appears nightly.

"Carnival this year with kiddie entertainer Uncle Floyd is for the children and for the child in all of us," commented Loree Adams of Butler, chairperson of Carnival. "We hope families from throughout North Jersey take the time to enjoy the fair with us," she added, noting that the campus radio station will provide musical entertainment throughout the 34 hours of Carnival.

Carnival activities are conducted on campus grounds adjacent to Pompton Road. Admission is free and free parking is available via gates four and five. Carnival opens Tuesday April 19 at 6 pm and runs from 6 pm to 12 am nightly through April 23. On the final day of carnival, Saturday, April 23, the fair grounds open at 2 pm.

## Girls blast Mid. Pk; Bears win one; tie Manchester

Brigitte Knoester, a sophomore shortstop, went four-for-four at the plate with four RBI as the undefeated Hawthorne High softball team blasted Midland Park (1-4), 15-5, in a Bergen-Passaic Scholastic League game.

The Bears assumed a 6-0 lead in the top of the third inning, but Midland Park scored five runs in the bottom of the frame to make the score close. However, Hawthorne came back with four runs in the fourth and five in the seventh to win going away.

Supporting Knoester's effort in hitting were Jane McCuskey, Catrona Munro, Joan Kneis, Donna Decker and Ann Driesse. Jane

McCuskey was the winning pitcher with a 2-0 record.

### Lose to Manchester

The girls-Bears suffered their first loss of the season against Manchester last Friday. Although Hawthorne had 13 hits to the visitor's 12, they were edged out 12-10 by the Falcons.

Manchester scored six runs in the second inning for a 6-1 lead, which they maintained despite a six run rally by the Bears in the bottom of the sixth.

### Shut out by Ramsey

Undefeated Ramsey whizzed past Hawthorne 6-0 in an away game Monday. Lisa Donahue pitched a one-hitter as the Bears record in league play dropped to 5-2.

The Hawthorne Bears played Manchester to a 3-3 tie in another league game. After Hawthorne scored in the top of the eighth, Manchester's Dave Campbell retired it by doubling home Allan Ambrogio who had walked and been sacrificed into scoring position.

The Hawthorne effort was aided by doubles from Sasso and Picariello as the Bears scored their other runs — one each in the first two innings.

After the Bears opened with three runs in the first, Frank Zyskowski doubled home what proved to be the winning pair of runs in Hawthorne's.

The home team took top honors in pole vault, girls long jump, boys high jump, and girls high jump. Second place awarded were copped in girls shuttle, low hurdles, girls 440-yard relay, girls 880-yard relay, girls two-mile relay, and girls mile-relay. Third and fourth place were won in boys long jump, boys shot put, girls shot put, and boys triple jump.

Although he took the checkered flag in second position, popular Bobby Botcher was declared the winner in Saturday night's season opening modified stock car feature at the Orange County Fair Speedway in Middletown, N.Y. Young Kevin Collins, the first to cross the finish line was penalized three positions for jumping on a 23rd lap re-start placing him behind Botcher and Richie Eurich in the 30-lap opener.

Botcher had led from the start until two laps to go when Collins, in a late race surge, overtook him for the lead. The penalty, however, gave Botcher the victory, the first modified win ever for his new car owners Jerry and Gary Higbie. Rounding out the top ten in the action packed feature were Dave Thomas in fourth, followed by Wayne Reutimann in the Ritter Triple Six, Frankie Schneider, Charlie Shire, Danny Mitchell, Leroy Amy and Dave Kelly.

Modified preliminary race winners were Botcher, Eurich, Schneider and Harry Behrent. Because of the late hour, the sportsman feature had to be re-scheduled for this Saturday night at 6:30.

On Sunday at the Nazareth Speedway it looked like Rich Eurich would be the winner in the Spirit of '77 modified main, but with just three laps to go, Eurich suffered engine problems, forcing him to give up the lead to Tom Hager, the eventual winner. Only 11 cars out of 30 finished the long distance grind. Runnerup was Sammy Beavers followed by Dave Kelly, Danny Mitchell, Chuck Skias and Johnny Harrell. Kelly, Bob Hauer and Mitchell won their heats with Harrell notching the consi.

Billy Pauch remained undefeated in sportsman competition at Nazareth annexing his third feature Sunday. He has not been beaten in any heat, consi or feature thus far. Trailing the Stockton speedster across the line were Richie Smith, Rich Yetter, Fred Orchard Jr., Yell Minge and Butch Tittle.

## Learning about Indians

The Lincoln School PTO recently sponsored a program called "World of the American Indian" for children in grades Kindergarten through five. The program featured Chief Red Thunder of the Catawba Nation and his wife, Pretty Pony, a Blackfoot Indian. They presented Indian games, ceremonial dances, Indian sign language and Indian folklore. Children from the audience were able to participate in a very interesting Indian game and in Indian dances. Pictured from right are the chief, his wife and Kelly Hibbert, a student at Lincoln School.

## PTO NEWS NOTES

### Lincoln School

Mrs. Helen Pasquale, president of the Lincoln Home and School Group recently announced plans for upcoming events to be presented by the organization. On Wednesday, April 27, there will be a general membership meeting of the P.T.O. The activities for the evening include a gymnastic demonstration presented by the students of the Lincoln School. A vote will be taken to formally nominate the officers for the 1977-78 school year.

The annual fun day will be held on Saturday, May 7 on the school grounds. The chairman of this event are planning various new games, rides, booths, including plants, attic treasure and food. Several new items should prove to be an exciting day for all ages. Members of the Lincoln P.T.O. are currently selling chances for a raffle to be drawn at the fair. The prizes are \$200 gift certificates to Pathmark Supermarkets, a 10 speed Columbia bicycle, and a portable TV. All profits

derived from the sale of this raffle and other fund raisers held by the organization are used to purchase educational and activity items for the Lincoln School students and facilities.

A combination teacher's luncheon and installation of new officers will be presented at noon on May 24. Foods for

this event will be prepared and donated by the mothers of the school. This year is event will also offer for sale at a nominal fee, a cookbook containing recipes of the families of the school. A brief meeting will follow the luncheon and the officers for next year will be installed. There is no fee for the luncheon for either parents or teachers.

## Kindergarten registration will be held on April 26, 27

Dr. John B. Ingemi, Superintendent of the Hawthorne Public Schools, has announced the following schedule for spring registration of children planning to enter kindergarten in September 1977. Children who will be five years of age on or before December 1, 1977, will be registered Tuesday, April 26, 1977 and Wednesday, April 27, 1977 at the individual schools as follows:

Roosevelt School - April 26 - 9-11 am & 1-3 pm  
Lincoln School - April 26 - 9-11 am & 1-3 pm  
Jefferson School - April 27 - 9-11 am  
Washington School - April 27 - 9-11 am  
Franklin School - April 26 - 9-11 am & 1-3 pm

Parents are asked to register at the school their child will be attending. Children need not accompany them. At the date of registration, parents are asked to bring with them, proof of the child's age (preferably birth certificate) and a physician's certificate indicating the child has had the following immunizations:

- Four doses of diptheria, tetanus toxoids and pertussis vaccine (DPT), and the 4th dose shall be administered at least six months after the 3rd dose. Specific dates must be available.
- Three doses of poliomyelitis vaccine, live, oral, trivalent and the 3rd dose must have been administered at least six months after the 2nd dose.
- One dose of live measles virus vaccine, attenuated, or

any vaccine combination containing live measles virus vaccine, administered after one year of age. Pupils receiving measles vaccine prior to one year of age shall be re-vaccinated. Pupils with a history of the measles disease (rubella) shall not be required to receive measles vaccine.

D. One dose of live rubella virus vaccine or any vaccine combination containing live rubella (german measles) virus vaccine.

Each child will be required to have a complete physical examination by his family physician before entering school in September. Forms for this will be distributed at the time of registration.

**School vandalism now totals \$9,879 in borough**  
During the month of November 1976 the Hawthorne Board of Education released to the public its findings with regard to acts of vandalism committed against properties owned by the Board of Education. The figures as reported then were:

High School	\$687.30
Jefferson School	2,018.63
Lincoln School	330.98
Washington School	302.40
	<b>\$3,339.31</b>

These figures represented the total dollar value of vandalism sustained by the Board of Education from July 1, 1976 through the month of November 1976. The Board of Education was then, and is now, dismayed by the extremely high dollar value of vandalism. The following list represents acts of vandalism from December 1, 1976 through April 11, 1977:

High School	\$3,074.63
Jefferson School	2,221.42
Roosevelt School	237.28
Franklin School	576.11
Lincoln School	377.85
Washington School	53.10
	<b>\$6,540.39</b>

This figure, when added to the previously reported incidents of vandalism, brings the total cost of vandalism for this school year to \$9,879.70.

The Board of Education makes this further announcement in a sincere hope that the efforts of a concerned citizenry will help curtail the incidents of vandalism in Hawthorne. "All of the costs to repair the vandalism referenced in this release come from your tax dollars. Tax dollars which could be better spent educating children, rather than repairing acts of wanton destruction" the school officials concluded.

## Craftsman contest for senior citizens planned

The Passaic County Area Agency on Aging with the cooperation of the Valley Fair Department Store is pleased to announce a county wide "Senior Craftsman Contest" open to all senior citizens 60 years of age and older living in Passaic County. The purpose of this contest is to focus attention on the wonderful talent and abilities of our seniors to create items which enrich the lives of all of us.

Five categories will be recognized: 1) Fabric items, 2) stoneware and metal work, 3) utility items, 4) jewelry making, 5) children items. The judging will take place on April 27, by merchandising officials of the Valley Fair Corporation at the new offices of the Area Agency of Aging, 675 Goffle Road, Hawthorne, New Jersey. Winners and distribution of awards will be announced at the "Senior Citizens Fair" at Valley Fair on May 9, 1977.

## The Grapevine

By Joe Friedman

Any discussion of wine ought to be include brandy, which is distilled from white wine and then aged to mellow smoothness. It takes ten barrels of wine to create one of brandy.

Though all Cognacs are brandy, not all brandy is Cognac. The Cognac region of France was delineated in 1909. Two highest-rated areas within Cognac are Grande Champagne and Petite Champagne.

The name has nothing to do with the Champagne region that creates the bubbly wine; rather, it comes from the old word for fields and farmland rather than woods.

Cognac is made from a not-very-good wine vinified from the St. Emilion grape (nothing to do with the St. Emilion region). The grape is related to Ugni Blanc and Trebbiano, which make good wine in the South of France and Italy.

## Synod '77 set for Saturday

Synod '77 will be held Saturday, April 23 from 9 am to 4:30 pm at Our Lady of Peace Church, New Providence. The theme is "Catechetics: Task of the Whole Church," to coincide with a seminar on the synod of bishops scheduled for Vatican City, in the fall of 1977. The program, which is sponsored by St. Joseph's Northern N.J. Chapter of Catholics United for the Faith, will feature five speakers.

The Rev. William B. Smith will address the group on "Moral Teachings for Different Modern Cultures." He is presently a professor of moral theology at St. Joseph's Seminary, Yonkers, N.Y.

"Youth and Catechetics" will be the topic of Dale Francis, a well-known newspaperman with the Catholic Press.

### Hawthorne Bible Group will attend assembly

The Hawthorne Bible Study Group of Jehovah's Witnesses will be among eleven from northern Bergen and Passaic Counties attending a weekend assembly at the Assembly Hall of Jehovah's Witnesses in Monroe, New York, April 23 and 24.

The hall, with a seating capacity of 3,500, baptismal pool, cafeteria, and spacious grounds, serves as a Bible educational center for Witnesses in the tri-state area. The Witnesses from various areas alternate in using the facilities.

"The theme of the assembly is, 'Entering a Large Door Leading to Activity,'" remarked Robert Sindle, presiding minister of the group. "It's based upon the apostle Paul's words to the Corinthians and expresses a basic view held at Jehovah's Witnesses throughout the world, namely, that Christianity is not a passive religion, but, rather, a very active one."

"The accent is on the positive - helping people, not just refraining from doing them harm. This assembly is designed to help us cultivate such a mental attitude and then demonstrate this disposition in our dealings with others," Sindle stated.

"Lectures, demonstrations, and interviews, will deal with expanding Christian activity in a variety of areas, including the door-to-door witnessing activity in northern Bergen County communities."

"Jehovah's Witnesses are not magazine solicitors," Sindle continued. "We are interested in the welfare of the people and are anxious to help them understand the Bible. This assembly will help us to become more effective in pursuing this service."

One of the highlights of the assembly will be a public lecture, Sunday at 2 pm. "The talk will illustrate the value of the Bible book of Proverbs as a guide for happy living," Sindle stated. "Principles relating to making a living, achieving a happy family life, avoiding problems, and Divine requirements for life, will be carefully considered," Sindle continued.

## Obituaries

**Mrs. John L. Decker**

Mrs. Majorie Clarke Decker of Wayne, a former borough resident, died April 14 at Greater Paterson General Hospital in Wayne.

A native of Paterson, she lived in the borough many years before moving to Wayne 12 years ago.

Mrs. Decker is survived by her husband, John L.; two brothers, Vincent A. Clarke of Brooklyn, N.Y., and Dr. Roger E. Clarke of Pequanock, principal of the George Washington School in Wycoff, and several nieces and nephews.

**Joseph Rodgers**  
Joseph H. Rodgers, 68, of Fourth Avenue, died April 18 in Barnert Memorial Hospital Center after a brief illness.

Born in Paterson, he had lived in this borough the past 27 years. Mr. Rodgers had retired in 1974 from People's Express of Newark, having worked there 15 years as a driver. He was former president of his own firm, Rodgers Brothers Express of Paterson.

Mr. Rodgers was a member of the Third Presbyterian Church, Paterson. His first wife, the former Marguerite Henderson, died in 1964.

He leaves his wife, the former Helen Wittig of Hawthorne; three sons, Joseph of Parsippany, Robert of Clifton and William of Paterson; two daughters, Mrs. Marguerite Cherpika of Paramus and Mrs. Jane Walter of Fair Lawn; three stepsons, Donald Wittig of Hawthorne, James Wittig of Paterson and Robert Wittig of Kansas City, Missouri; two stepdaughters, Mrs. Elizabeth DePietro of Montville and Mrs. Mary Wagner of Indianapolis; three brothers, William of Hawthorne, Nathaniel of Wayne and Samuel of West Paterson; two sisters, Mrs. Helen McKeown of West Paterson and Mrs. Anna Loreng of Paterson and 33 grandchildren.

**Herman Rozendal**

Herman Rozendal, 73, of 144 Diamond Bridge Ave., died at Valley Hospital, Ridgewood following a brief illness.

Born in Paterson, Mr. Rozendal spent most of his life in Hawthorne. He retired in 1969 from Curtis-Wright Aeronautical Corp. where he worked for 37 years. He was a member of Hawthorne Gospel Church, the Golden Circle, Wrights Retirees, former member of Hawthorne Fire Department Band and the Gloria Concert Band.

Surviving are a brother, Jack of Pompton Lakes; three sisters, Mrs. Leo (Bertha) Plesinger of Lakehurst, Mrs. George F. (Louise) Bulmer of North Haledon and Mrs. Kenneth (Jeannette) Bulmer of Pompton Lakes.

**Alan Lyttle**  
General services were held Monday for George Lyttle, 9, of the borough who died suddenly April 14 in Portage, Pa.

Born in Hawaii, Alan lived in Totowa before coming to Hawthorne in January.

Surviving are his parents, Mr. and Mrs. Dennis Lyttle of Hawthorne; a brother, James, and a sister, Debra, both at home; his paternal grandmother, Mrs. Edna Morrison of Totowa and his maternal grandparents, Mr. and Mrs. Francis Sral of Portage.

**Puppet Show at Bible Rally**  
A puppet program will be given by Doug and Marianne Schuster at the annual rally of the North Jersey Bible Clubs to be held on Saturday, April 30, from 10:15 to 11:30 am at the Hawthorne Gospel Church, Rt. 208, Hawthorne.

All Bible Club teachers and Sunday School teachers of ages six to 12, and others interested in children's work are encouraged to bring their pupils.

## Kiwanis Club hears talk on how to conserve energy

The Hawthorne Kiwanis Club is sponsoring a project whereby every citizen can do his part to protect his property. Wear- ever Security Marking Pens are now available from any Kiwanis Member at a cost of only \$1.50. One pen will be enough to mark all your personal valuables in your home. The invisible marking can only be seen under ultraviolet light. Many valuable items can be marked and identified if ever stolen.

At Tuesday night's session, program chairman Billie Sutherland presented Mrs. Anita Fleischer of Public Service Electric and Gas Co. who presented a program "Your Energy Dollars and Cents". This showed just how much electric energy is consumed by appliances. The annual cost to operate with electricity are: refrigerator, \$94.50; color television, \$32.50; washer, \$7.00; vacuum, \$3.00; microwave oven, \$18.00; freezer, \$108.00; dish washer, \$23.50; clock \$1.00; air conditioner, \$27.00; electric range, \$93.00. Energy costs have been steadily increasing because of higher costs for fuel. Some solutions are to make synthetic gas, import liquefied gas, to own a drilling company, or to create nuclear power stations and solar energy heating and development.

Richard C. Short, president of the Hawthorne Kiwanis Club, displays the pen which is used to safeguard valuables.

The average homeowner can help the energy shortage by heating less at night, checking for heat loss areas, insulating homes with weatherstripping and caulk, checking hot water heater temperature, full loads when washing clothes and dishes, checking refrigerators and freezers for poor door seals, turning off all unnecessary lights, operating air conditioners only when needed.

**Kiwanis Train Trip:** All aboard for a private club car trip to the Hoboken Clam Bar Restaurant. The Hawthorne Kiwanis is running this special trip for Kiwanis members and friends. This evening with entertainment in the club car and a shore dinner at the clam bar, costs \$15.00 per person. There will be limited amounts of tickets available. Contact any Kiwanis member or contact Ella and Cliff Hunt directly for your reservations and tickets.

### Hawthorne servicemen

"Steve Gwozdecke, son of Mr. and Mrs. Gwozdecke, 52 First Ave., Hawthorne, has volunteered to assist us in our recruiting efforts," said SSG. Ed De Hart, Air Force recruiter here. "It has long been our contention that no one can communicate better what Air Force life is really like than those who have just completed basic military and technical training at one of our centers. The HASTY RAP Program allows our first-termers the chance of sharing their experiences with other potential enlistees."

Airman Gwozdecke selected training as a Medical Service Specialist prior to attending USAF School of Applied Science. Sheppard AFB he completed six weeks of basic military training at Lackland Air Force Base, Texas. He is presently assigned to Minot AF Base.

"While here," explained SSG. Ed De Hart, Airman Gwozdecke will be visiting High Schools with me and answering any questions interested students may have about the Air Force. He will also be available at my office at 376 Hamburg Turnpike, Wayne, N.J. or may be reached by calling 881-0148."

Stephan A. Vander Kraats, son of Mr. and Mrs. Vander Kraats, 128 Kingston Ave., Hawthorne, enlisted in the U.S. Air Force's Delayed

# Tri-Key students win awards in accordion teachers contest

Photo by Dave Lewis

Pictured front row left to right are Suzie Starcev, Heidi Lingnau, Tommy Jeron. Back Row, standing, Yolanda Lingnau, Ray Maloney, Karen Henry, Cindy Allyn, Cathy Lawrence, Mark Anthony, Laurie Jeron, Tino Tandurella, Marija Starcev. Marco Ricciardi, Combo member, was absent when photo was taken.

Tri-Key Music Center of Hawthorne entered the 18th annual contest and festival sponsored by the Accordion Teachers of New Jersey. The contest was held at the Holiday Inn Jetport in Elizabeth. Each year the contest is held on a weekend in March and attracts over 2000 entrants. Competition is held for all age categories in events such as solos, duets, combos and bands. Competition takes place on both days and Saturday evening a gala concert is performed by some of the winners.

Sunday evening was the culmination of the contest with an awards dinner at the hotel. Tri-Key had 40 entries in the contest and won about 35 different trophies. Among the awards were second place in 13-year-old combo and first place in 15-year-old combo.

Duet winners were: Cindy Allyn and Laurie Jeron first place in 13-year-old open duet; Heidi Lingnau and Suzie Starcev, first place in

polka duet; Laurie Jeron and Yolanda Lingnau second place in polka duet.

Solo winners included Heidi Lingnau in the 6 and 7-year-old age category and Laurie Jeron, first place in 12-year-old solo.

Other students competing and winning trophies were: Marco Ricciardi, Karen Henry, Cathy Lawrence, Tino Tandurella, Mark Anthony, Marija Starcev, Casperesto, Jackie Bocetti, Danny Furrey, Tom Milic, Suzanna Milic, Mike Malcanico, Claudia Donafrio and Joe Dembrowski.

The contest is held yearly and is supported by Tri-Key students as well as students from music studios from the entire state.

The students have been invited to perform at various functions. On April 27, they will give a program at the Cupola in Paramus. Tri-Key has a staff of 10 instructors under the direction of Barbara and David Jeron.

by James Melcon

Walking is not only good exercise for your legs - it helps your heart! Doctors explain that exercising the legs helps pump blood back to your heart.

New substance has been developed that halts bleeding when applied topically. Called Avitene, it's particularly effective in surgery.

How's your blood pressure? Hypertension contributes to many ailments, yet it is easily treatable. Protect yourself with regular tests.

New branch of medicine has emerged in recent years - the treatment of burns. Doctors are treating burns that were almost impossible to survive even a generation ago. Treatment is difficult, time-consuming - and expensive.

## Salary ordinance passed:

# Boro salaries up 7.5 per cent

An average 7.5 per cent raise for municipal workers went into effect with the adoption of the annual salary ordinance last Wednesday. The increase does not include salaries for the police personnel, who are still in negotiations for the current contract. There are also no raises for recreation and swimming pool personnel. Some of the classifications such as referees and umpires have been changed from an hourly basis to a per game or per night basis.

The following salary increases over 1976 have been approved: borough clerk, \$18,834 from \$17,520; deputy borough clerk, \$13,975 from \$13,000; clerk stenographer, \$10,750 from \$10,000; clerk, \$2,150 from \$2,000; welfare director, \$1,985 from \$1,850; registrar of vital statistics, \$12,244 from \$11,390; public health nurse no. 1, \$13,152 from \$12,235; public health nurse no. 2, \$12,690 from \$11,405; health doctor, \$4,640 from \$4,315; sanitary inspector, \$6,400 from \$5,980.

The fire personnel's raises are as follows: fire chief, \$4,586 from \$4,266; clerk to the fire board, \$2,897 from \$2,695; fire alarms supervisor, \$13,932 from \$12,960. Personnel associated with the police department include: police clerk, \$11,820 from \$10,995; magistrate, \$9,030 from \$8,400; violations clerk, \$10,450 from \$9,720; prosecutor, \$5,000 from \$4,200.

In the area of zoning and building, job classifications include: Board of Adjustment attorney, \$3,831 from \$3,550; Planning Board attorney, \$3,831 from \$3,564; engineer to the Planning Board, \$2,451 from \$2,280; clerk to the Planning Board, \$2,044 (no increase); fire prevention sub code official, \$10,095 from \$9,391; building sub code official, \$6,980, no increase over building inspector; plumbing sub code official, \$5,500; construction official, \$3,000; zoning administrator, \$6,980, all new classifications since 1976.

In the department of revenue and finance, the treasurer's salary is up \$8,062 compared to \$7,500; tax collector, \$7,418 compared to \$6,900; deputy tax collector, \$12,282 compared to \$11,425; billing operator, \$12,094, compared to \$11,250; clerk, \$8,063 from \$5,500; borough attorney, \$10,642 from \$9,900; assistant borough attorney, \$2,150 from \$2,000; tax assessor, \$13,864 from \$12,900; field inspector, \$3,250 (no increase); clerk, \$2,000 (no increase).

In the department of public works, the supervisor's pay is now \$9,063 from \$8,550; office manager, \$6,230 from \$5,934; municipal building janitor, \$8,598 from \$7,365; road foreman, \$16,140 from \$15,225; assistant foreman, \$13,741 from \$11,770; road servicemen, \$12,877 from \$11,030; \$11,324 from \$11,030; \$10,041 from \$7,790; assistant sewer foreman, \$13,741 from \$11,770; sewer servicemen, \$12,877 from \$11,030; \$11,324 from \$9,700; \$10,041 from \$8,600; secretary shade tree commission, \$1,246 from \$1,176; swimming pool maintenance man, \$4,646 from \$4,384; secretary to the Board of Recreation, \$2,900 from \$2,750.

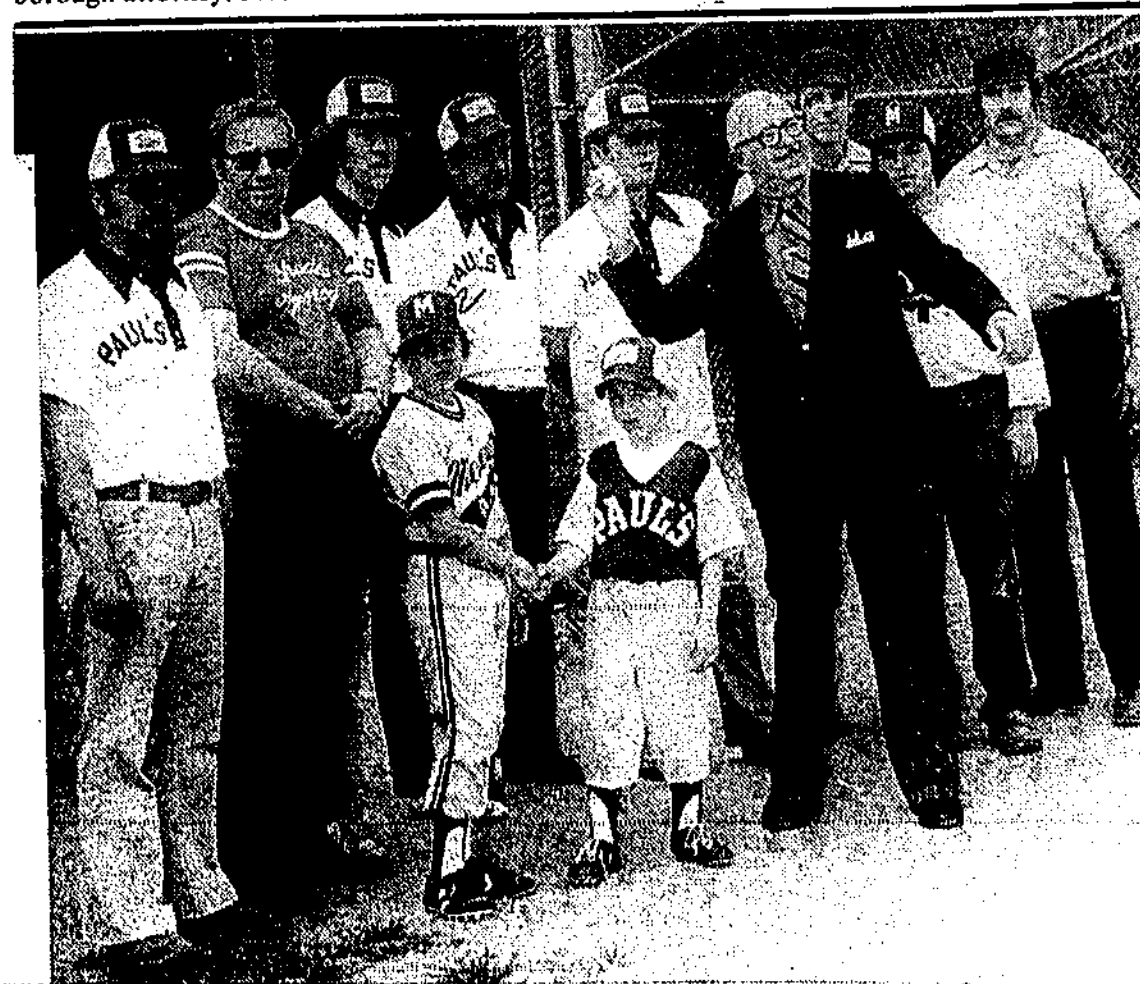

Increases in the water department (fire): supervisor, \$9,063 from \$8,550; office manager, \$7,315 from \$6,966; production and distribution chief, \$17,172 from \$16,200; assistant production chief, \$13,741 from \$11,770; operators — \$11,441 from \$9,800; \$10,945 from \$9,375; \$9,672 from \$8,285; assistant distributor chief, \$13,741 from \$11,770; distribution servicemen — \$12,877 from \$11,030; \$11,324 from \$9,700; \$10,041 from \$8,600; billing clerk, \$10,320 from \$9,600.

A new provision in the ordinance reflects the contract negotiated by public works personnel for a shift differential and overtime pay.

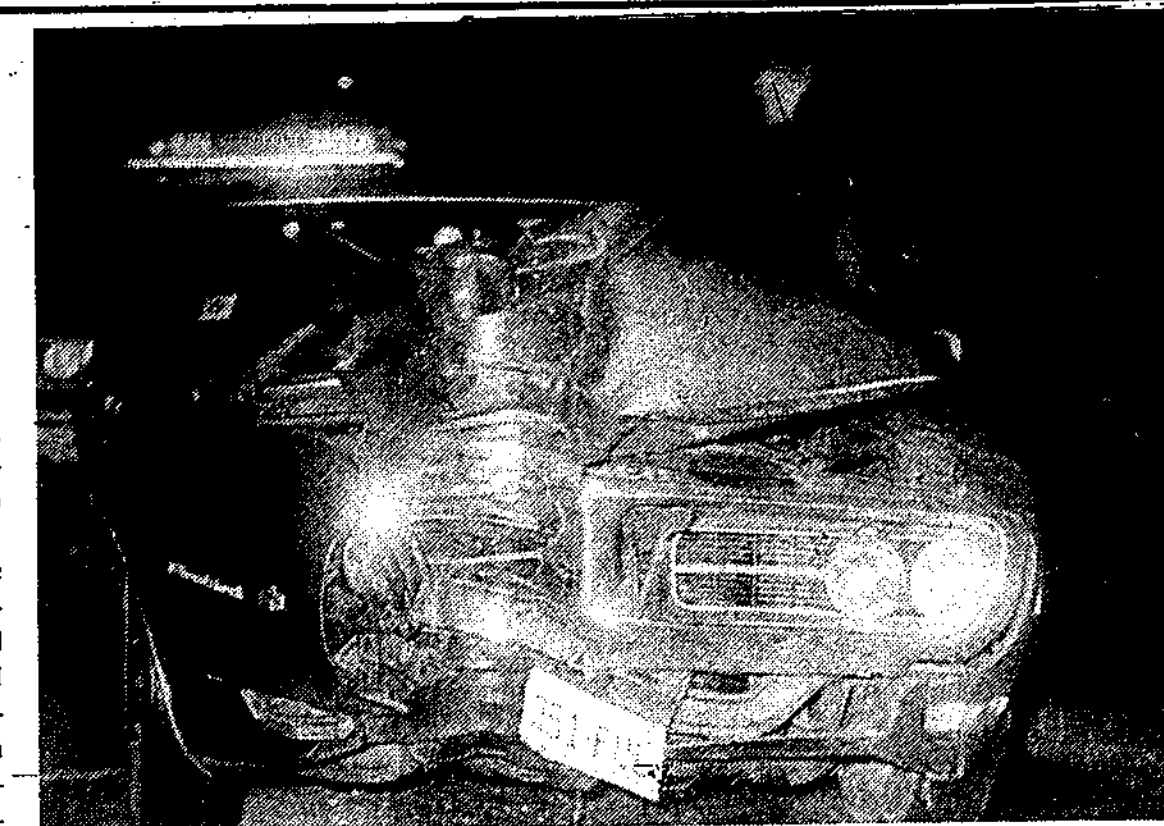

## Fireman's fund drive to begin

The annual Hawthorne Fire Department fund drive will begin here on May 9. Uniformed firemen will canvass door to door between the hours of 6 and 9 pm to collect coin cards which were mailed to residences earlier this year.

If no one is home, the fireman will leave a self-addressed return envelope at the house and residents may mail this in. The funds collected are divided equally among the four fire companies.

Mayor Louis Bay, 2nd, threw out the first ball in the opening game of the Hawthorne Little League season Saturday morning. Pictured with the mayor are coaches, league officials and two players from the opposing teams, Mohawk A.C. and Paul's Lions. For more details of the activity in the league so far, turn to page 9.

A vehicle registered to Kevin J. Siletti, 53 North 12th Street, was involved in an accident on Goffle Road at about 1 am Wednesday. When police arrived on the scene the vehicle was located in front of 330 Goffle Road, after having struck a Public Service pole further down the street. The accident report was incomplete at press time. Police still had not determined who was driving the car and whether or not the driver had been seriously injured.

Damage done by rock throwing vandals

**April 21**  
James Costello, 44 Hawthorne Avenue reported the theft of his pick-up truck from in front of his home sometime during the night. Ptl. John Bechtle and Ptl. Robert Beattie investigated. There was an air conditioner in the back of the truck included in the theft.

**April 23**  
Police received a report from a resident on Bamford Avenue that someone was letting the air out of the tires on the school bus at the high school athletic field. Ptl. Richard Leyman was detailed to the scene, but was unable to locate anyone. The mirror and wiper blade were also reported to have been damaged.

**April 24**  
Edmund De Nully of 20 Taylor Avenue reported the windshield and rear window of his car broken by a large stone. Ptl. Peter Van Der Velde investigated.

**April 25**  
While on patrol, Ptl. Joseph Tobey observed that a window at Lincoln School had been broken. The building appeared to be secure and the custodian was notified.

**April 26**  
A burglar alarm was sounded for the Golden Steer Restaurant, 67 Goffle Road. Ptl. George Metzler investigated and found that an attempt had been made to enter the building by breaking a glass window on the north side of the building. A search of the area failed to locate the perpetrator. The owner was notified and the window and alarm were repaired.

**April 27**  
Dominic Padula, 116 Bur-

hans Avenue, Paterson, reported four tires slashed on his car while it was parked in front of 205 Westervelt Avenue. Police investigation revealed that damage had been done by a knife and the incident occurred sometime during the night.

**April 28**  
A garage window was broken at 474 Lafayette Avenue during the night. Anthony Squobba, the owner, notified police that the damage was done by a rock thrown at the structure.

**April 29**  
Edmund De Nully of 20 Taylor Avenue reported the windshield and rear window of his car broken by a large stone. Ptl. Peter Van Der Velde investigated.

**April 30**  
While on patrol, Ptl. Joseph Tobey observed that a window at Lincoln School had been broken. The building appeared to be secure and the custodian was notified.

**May 1**  
A break and entry was reported at Bob's Texaco, 184 Lafayette Avenue. The incident occurred during the night. Entry was made by breaking a window on an

overhead garage door. Petty cash was stolen.

**May 2**  
Five windows were reported broken at the rear of the building at Goffle Brook Sales and Service, 262 Goffle Road. Three pieces of equipment parked in the lot were also damaged. Ptl. Paul Kirkman investigated and reported that the windows were broken by stones.

**May 3**  
A false fire alarm occurred at Lincoln School when someone pulled a fire alarm in the hallway during the transfer between classes. School officials are investigating the incident.

**May 4**  
Joyce Taylor, 80 Forest Avenue, reported that her car was vandalized while it was parked in front of her home. The rear mirror and gas cap were damaged and there were scratches along the side of the car. Ptl. Thomas Kenyon investigated.

**May 5**  
Patrick Kennedy of 111 Warburton Avenue, reported the windshield on his car broken sometime during the hours of 11:30 pm and 3 am. The car was parked in front of his house.

## Rebate checks being mailed

Rebate checks for the school tax reduction will be mailed tomorrow in Hawthorne, according to Deputy Tax Collector Ruth Braen. The law requires that these refunds be mailed prior to May 1st and residents can expect to receive the money by Saturday or Monday. A total of \$499,140 in school tax funds which were assessed for 1976-77 will be returned. Using a factor computed by the state of .002239, the amount returned will be based on this factor times the amount of the individual assessment. The checks range from about \$50 to much higher sums for large businesses. All the checks are drawn and office workers are working now on the mailing.

The money represents taxes which were assessed for the 1976-77 school year when the Board of Education budgeted as though no state aid would be anticipated. When the N.J. income tax was passed, funding the T & E law, state aid was allotted for Hawthorne in an amount of nearly half a million dollars.

The state legislature spent several months trying to decide whether the money would be used to reduce tax appropriations on the local level or whether to return the money directly to the taxpayers. When the latter method was approved, the burden of the work fell upon the office of the local tax department.

## CALENDAR OF EVENTS

### Calendar Party April 29

A calendar party will be held at the First Reformed Church of Hawthorne, on Friday evening, April 29, at 8 pm in Fellowship Hall, sponsored by the Ruth Circle of the Guild for Christian Service.

Joseph Coladara, owner of Craft Corner, will give a program showing the hand-crafted items he has available in his shop. Refreshments will be served at the beginning of the evening. Mrs. Marjorie Fieldhouse, chairman, may be contacted for further information, 427-7086.

On Friday, May 20 "Jane's Fashions" will be available for sale in the Fellowship Hall of the First Reformed Church of Hawthorne. The sale will be conducted from 10 am to 5 pm.

### Newspaper Recycling

The Hawthorne Jaycees will hold their monthly recycling drive on Saturday, April 30, from 9 am to 1 pm in the parking lot of Saint Anthony's Church on Diamond Bridge Avenue, in Hawthorne. Residents are requested to have all papers securely bundled. Should anyone be unable to drop off papers on Saturday, a call to project chairman Gary VanderVeer at 696-1199 can arrange for a pick up by a Jaycee. The proceeds will go toward a local charitable cause.

### Old fashioned bazaar

An old fashioned bazaar will be held on Saturday, May 14, from 10:00 am to 4:00 pm for the benefit of the Hawthorne High School Scholarship Fund at the athletic field. There will be prizes, games, food and chances. Raffles are being sold. Flea market tables will be available at \$10.00 per space. Call 427-1852 to reserve.

### Caballeros tag day

The Hawthorne Caballeros will hold their annual tag day for the benefit of the uniform instrument fund on Saturday, April 30. In case of rain, the event will be held on Saturday, May 7. Public support will be appreciated.

### Country hoe down

Hawthorne American Legion Post 399 will sponsor an old-fashioned Country Hoe Down at the post home, Legion Place, on Saturday evening, April 30. The event will be a square dancer's delight and will include a buffet. Tickets can be obtained by calling the post any Monday evening after 8:30 pm, 423-9702, or by contacting any member.

### Spring fashion show

The spring fashion show and dinner sponsored by the combined societies of St. Anthony's Church, Hawthorne, will be held on Wednesday, May 18, at the Wayne Manor. Mrs. Margaret Zizzi and Mrs. Janice Lavorgna are co-chairmen. Reservations may be secured by calling Mrs. Rita Crawford, 427-4824, or Mrs. Diane Boldezar, 427-4988.

### Spring fair May 7

The Columbia Heights Community Church, Heights and Loretto Avenues, Fair Lawn, will hold a spring fair on Saturday, May 7, 9 am to 5 pm. There will be plants, baked goods, arts and crafts and many other lovely things for sale. Tea and coffee may be purchased if desired. The church is located one block in from Lincoln Avenue. Phone 427-5045 for more information.

Winners of the Hawthorne Jaycees baby photo contest smile for the camera. Pictured from left are Jason Hollman, 112 North Eighth Street, first prize; Luke English, 1009 Goffle Road, second prize; Michael D'Allesandro, 42 Second Avenue and Chris Chamberlin, 720 Lafayette Avenue, tied for third prize. The contest was held in honor of Brian Keyzer, a local youth who has leukemia.

### Maps received for bridge realignment

The Board of Commissioners announced the receipt of maps and plans for the complete reconstruction of the improved and realignment for the Lincoln Avenue Bridge. In receiving the communication from the State Department of Transportation, Mayor Bay remarked that the action is "long overdue."

### Special meeting May 3

A special meeting of the Hawthorne Board of Adjustment will be held May 3 at 8 pm in the second floor auditorium of municipal building. A work session will precede the meeting at 7 pm.

Three matters are scheduled on the agenda: Edward Fratello's application to permit custom refurbishing of auto vans at 184 Lincoln Avenue in a B-1 zone; Donald Van Orden's application for the use of a first floor as a business/professional use at 175 Diamond Bridge Avenue with a second floor apartment dwelling unit (the property is in a R-3 zone); and an application by Ralph and Marie Terranova, 160-162 Lafayette Avenue to convert premises to a two-family use. The structure is presently used as an office on the first floor.

These cases were originally scheduled for the April 18 session, but were postponed due to the fact of a quorum. No additional notice to property owners will be given.

### Summer garbage collections

Summer garbage collections begin in the borough on Monday, May 2 and continue until October 1. The summer schedule provides twice-a-week collection throughout Hawthorne. The following schedule will take effect:

Regular collection	additional day
Monday	Thursday
Tuesday	Friday
Wednesday	Saturday
Thursday	Monday
Friday	Tuesday
	Wednesday

### Homeowners Warning

Hawthorne Police Chief V. J. Mangiafico warns residents of a group known as the Williams gang and cautions homeowners to be extremely careful who they hire to do work in and around the home at "claimed" very low prices. Usually the work is inferior and the price ends up more than the quote. Chief Mangiafico said, "Please report any suspicious solicitors to the police immediately. To avoid being cheated, deal only with firms that are known to be reliable."

### Immunization clinic

The regular monthly immunization clinic for infants, pre-school and school age children will be held on Tuesday, May 3, at 4:00 pm, in the Board of Health office (2nd floor) 445 Lafayette Avenue, Hawthorne.

The following immunizations will be administered: D.P.T., measles and oral trivalent. The Rubella vaccine for German measles will be given to children between the ages of one through 12 years only. If there is any history of allergies, please consult your family physician.

Borough Nurses Jeanne Tanis and Lucy Pataki urge those who will attend to please call for an appointment to the Board of Health Office 427-4011. Dr. Vincent Feliciano, M.D., physician to the Board of Health will be in attendance.

### Cable TV will provide four educational access channels.

In a letter from UA Columbia vision, the firm that will supply cable TV service to the borough, the Board of Commissioners was informed that four access channels will be made available to the school system but the school board must provide its own transmitters.

### Complaint about drainage

Mrs. Doris Williams of 548 Goffle Hill Road complained to the Board of Commissioners at the April 20 session about the drainage situation near her home. According to the resident, she had contacted Robert Schilling, the borough engineer, about a closed drain on Emeline Drive that was causing water damage on her property. "We've had \$2000 worth of damage to our pool and concrete work. The railroad ties are undermined and I don't see why we have to put up with this situation."

Mayor Bay told her that the situation would be taken care of expeditiously.

### Hazardous situation at Wagaraw field entrance

Li'l League began Saturday and depending on the weather, hundreds of local boys and girls will be busy nightly in baseball games. Although this paper has been the forum for several letters on the midget league clinic, we're not going to comment on this issue at this time.

Our concern now that league play is underway has to do with hazardous situation that exists at the entrance to the Wagaraw fields complex. The problem was never more apparent than Friday night when several teams convened there to take the youngsters out on tag night collections. It was nearly impossible for one vehicle to enter while another was exiting. Added to the congestion was the normal after-work traffic of workers from borough businesses who travel Wagaraw Road to get home in Fair Lawn or surrounding communities.

We are aware that the leaders of the Hawthorne Li'l League recognize the need to correct the situation. The only problem is raising the necessary funds to do this work. We think borough officials should give some consideration to allocating municipal funds for this project. Perhaps some matching fund financing could be worked out between the borough and the league. It worked with the refreshment stand/bathroom facility and we see no reason why it can't work again.

Almost every borough resident has some contact with Li'l League one year or another. There are too many people involved in the program for the problem to be ignored. The lives of local children are an urgent reason to see that immediate action is taken.

## Letters to the Editor

### Opposes school transfer

The Hawthorne Press  
Lafayette Avenue  
Hawthorne, New Jersey 07506

Dear Mr. Missionellie:

It was with some surprised concern that I read the article from the Board of Education in the *Press* last week. The proposal to move Franklin School students to Washington and vice versa appears to have been worked on for some time, and there is a queer sense of finality to it which I find upsetting, since no regular district meetings have been held prior to this writing to determine parent feedback. Let me make four comments.

First, a comment about "neighborhood" education. We live in a time when centralizing and streamlining is in vogue. In many instances, this is necessary to eliminate much duplication of effort at bureaucratic levels where the "Peter Principle" is in force. With respect to the present proposal, however, I believe there would be more harm than good accomplished. We are fortunate in this Boro to have a "neighborhood" school system for our elementary children. There is something nice about having your children living in the vicinity of the school they attend. It is nice to have your children come home for lunch if they wish, being able to walk to and from school without concern about meeting a bus, and having growing friendships within the neighborhood. Add to this the growing friendships made in the Boro between the families of children in the district, the nine years spent in a district can be very rewarding. It seems to me that moving children from Franklin to Washington and back again would tend to destroy much if not all of that neighborhood spirit. More "sophisticated" theories of education might not agree, but I believe that would be a loss.

Secondly, a comment about "stability." I believe that one contribution toward a good education is the quality of the permanence and security which surrounds the students while they learn. A sense of identity to a place or to a group of teachers can do much to add to the "will to learn" and the desire to succeed. The Board's suggested moves between Franklin and Washington schools would upset this permanence and security for the Franklin school students, and to a lesser degree, for the Washington School students. The students at Franklin School would be in one building for one year, a second building for six years, a third building (Franklin again) for two years, and then on to the High School for the final four years before graduation. What does this do to the sense of identification with school and teachers? It would be lost to the demands of an already every mobile society. That would be quite a loss and very unfair to Franklin district.

Thirdly, a comment about "inequality." The Board's proposal seems to be offered in order to meet the specific needs of the seventh and eighth grade students. I do not think that setting into motion a program of growth for junior-high students at the expense of the elementary students is fair. Perhaps it is time for the Board to consider ways of making the quality of education in the Boro equal in all of the schools so that all of the children have an equal opportunity to learn where they are presently studying. To shuttle children around from year to year seems to be a backhanded way of having a Junior High school with the luxury of not having to say we have one and not having to pay the price. It is a case of "if Mohammad won't come to the mountain, the mountain will come to Mohammad." This type of logic is ridiculous in the inequality which is felt by the children and families of the Franklin school district. I resent that.

Lastly, a comment about "space." It was hinted at in the article that more classroom space would be had with the proposed moves. The options to the space problem are relatively simple: build more schools or redistrict to make the best use of the space you have. I would suggest the redistricting of all five districts, thereby spreading the burden of the difficulties upon the whole Boro rather than upon one or two districts. In the event that changes would have to be made in school attendance, more than likely it would be to a school in a neighboring district. The bussing requirements would be eliminated and the "neighborhood" concept could be maintained.

I am opposed to the suggestion of the Board, and I would recommend to the Board and to the people of the Washington and Franklin districts who have children involved in this proposed move, to take no action until a thorough PTO Study had been undertaken at the expense of the school board through 1977-78, with final action on the proposal not being taken earlier than the 1978-79 year.

Sincerely,

Robert W. Jackson

Editor's note: One clarification seems in order about the April 21 news report. This article was written by our reporter, who attended a meeting of the Education Committee on April 12. It was not a press release issued by the school board, nor was our account intended to give the impression that any decision has yet been made on this matter.

### On Li'l League clinic

Dear Mr. &amp; Mrs. Missionellie,

I have been reading the letters written recently regarding the Little League Program and agree that the original letter should be answered by a parent whose child is involved in the program.

My son was drafted onto a team and after several weeks of practice, was dropped. It was quite a blow for him. Mr. Brownlee stated that they are not in the business of breaking hearts. He obviously has forgotten how it was when we were children. Everything is a major project when you're eight years old; nothing is taken lightly, and being dropped from a team is most definitely heartbreaking. I can only assume that he has not spoken with any parents whose children have been dropped.

When my own son went to school the following Monday one of the boys asked him where he was when their teams played each other on the weekend. My son said he had been dropped and some of the boys laughed at him. When he told me about the incident I told him the important thing was that he had told the truth and admitted being dropped. I knew it would have been easier for him to say he had quit so I told him how very proud I was of him for being honest. Perhaps Mr. Brownlee doesn't think this incident was important, but I assure you it was very difficult for my son, and for me as his mother, not to cry for him. I've put off writing this letter hoping to find the best way of saying how I feel without it seeming like just another pit-down, but I know there are some who will read this and, in spite of my intentions, see it as just that. However, in every other respect I feel that the Little League is doing an excellent job and the men who give their time should be commended for their fine work with our children.

I think the idea of a clinic is great, but the timing is wrong. Dropping a boy from a team and then offering him assistance is too late. At least for my son it is -- he wants no part of baseball!

Sincerely,

Mrs. Babe Brienza

### Concerning JD team cuts

Dear Editor:

This seems to be the time of year to air our Little League problems, although I feel the winter would be a more appropriate time when it isn't too late to remedy these situations.

As the parent of a 14-year-old in the Junior Division of Little League, I have witnessed boys of this age leaving the field with tears in their eyes when they have been cut from their team. I know the coaches are not happy about having to do this to a child who wants to play ball.

The need seems to be for more teams in all divisions so every boy in town who wants to play ball can do so. Perhaps if we would forego the professional uniforms and stick to T-shirts, we would be able to attract more sponsors for these teams. I also wonder why some boys are allowed to play on both JD and high school teams. If they were made to choose one team to play on this would leave room for some of the boys who cannot play on any team. I hope the officials can find a remedy for these situations. This is an age to be playing ball and not hanging around on corners because there is nothing to do.

A sympathetic parent

## DeSimone dinner set

Vincent J. DeSimone, Jr., Chief of County Detectives, will be feted at a friendship dinner to be held at the Cameo in Garfield on Sunday, May 1. Recently elevated to his present position, he was hailed by Prosecutor Burrell Ives Humphreys as an "outstanding law enforcement officer" and "a tower of strength."

A resident of Hawthorne for many years, Chief DeSimone served in the U.S. Army during World War II. He was wounded in Germany in 1944 while in combat with 104 Division, 1st Army.

In 1947 he joined the Paterson Police Department and became a County Detective in 1953. He also served as a court attendant and acting warden of the Passaic County Jail.

He is married to the former Nancy Giannelli, they are the parents of five children.

The affair will open with a cocktail hour followed by a full course prime rib dinner with dancing and open bar.

## Can the sun lower your utility bills and solve the energy crisis?

Maybe yes... maybe no. The sun is getting a lot of publicity these days. That's understandable, especially when you consider that the earth receives about 150,000 times more energy from the sun than mankind uses. Unfortunately, for all its potential, it appears that the practical, large-scale use of the sun to meet our energy needs is still a long way off.

Putting solar energy to work on a large scale is complex... and expensive. Harnessing the sun on a large scale is not as simple as a child burning a hole in a piece of paper with a magnifying glass. For one thing, solar energy is not a complete heating system. It does not contain built-in storage facilities, ductwork, piping, automatic controls and automatic delivery. And for most people and purposes, solar energy is still far more expensive to use than conventional fuels.

PSE&G is assessing the potential of solar energy in New Jersey. PSE&G is hard at work with a 1 to 3 year demonstration program to assess the feasibility and potential of solar energy in New Jersey. An important phase of the program is the actual installation of solar equipment in the homes of volunteer customers. We're also installing a weather monitoring network in the PSE&G area. Obviously, the sun doesn't shine all the time... especially here in the Northeast. So we want to accurately evaluate the performance of solar systems under varying weather conditions.

The challenge. Man has always sought better ways to use the sun's energy. The big challenge

is to bring the costs down. As New Jersey continues to grow in the future, PSE&G will continue to seek better answers to our energy problems. Solar energy may someday provide one of those answers.

Meanwhile, PSE&G is relying on nuclear energy to bridge the gap to the future. Right now, nuclear energy is helping to carry us through to that time in the future when even more desirable sources may become practical realities. Last year, nuclear energy provided 23% of New Jersey's electricity. That saved the equivalent of nearly 800 million gallons of oil, most of which would have been imported from overseas. So nuclear energy is not only helping to bridge the energy gap to the future, it is also helping to achieve energy independence.

**Free Solar Energy Booklet**  
A new 24-page booklet, "Here Comes The Sun," shows you the basics of solar energy and equipment, explains the problems and costs, and describes PSE&G's research programs.

## "Sports in medicine" talk set

Allan Maxwell Levy, M.D., of Westwood will discuss "Sports in Medicine" at the eighth annual meeting of the Bergen-Passaic Lung Association, Thursday evening, May 5, at the Pennington Club, 181 Pennington Ave., Passaic.

The guest speaker currently is the team physician for the New York Giants and the New York Nets. Dr. Levy views sports medicine as "the science of human engineering." He will discuss the bio-mechanical approach to sports medicine as it pertains not only to the professional but also to the weekend athlete.

On the staff of the Passaic Valley Hospital since 1959, Dr. Levy received his B.A. from Columbia University and his M.D. from Cornell University. He is an advisory member of the National Athletic Trainers' Association and a fellow of the American College of Sports Medicine. He has served as team physician for the Brooklyn Dodgers (football), the Newark Bears and the New York Islanders of the National Hockey League.

## Cosmos vs Dallas Sunday, May 1

The Cosmos soccer team heads into the second game of a three-week homestand this Sunday against the Dallas Tornado at Giants Stadium. Kickoff for the North American Soccer League game is 1:35 p.m.

The game against Dallas will showcase some of the most prominent names in the North American Soccer League. In the Cosmos lineup will be the NASL's most valuable player, Pele, and leading scorer, Giorgio Chinaglia as well as Shep Messing, who currently ranks among the top goalkeepers. Dallas boasts the league's Rookie of the Year, Steve Pecher, the top draft choice, Glenn Myernick of Hartwick College, and a rejuvenated Kyle Rote, Jr.

"They are a fast running team," remarked Cosmos coach Gordon Bradley about Dallas. "They have always been a problem for us and this year is no different. They have a newcomer, Alan Hinton, on the forward line, who is really an outstanding player. He has made Kyle Rote a better player and has really made Dallas a fine team."

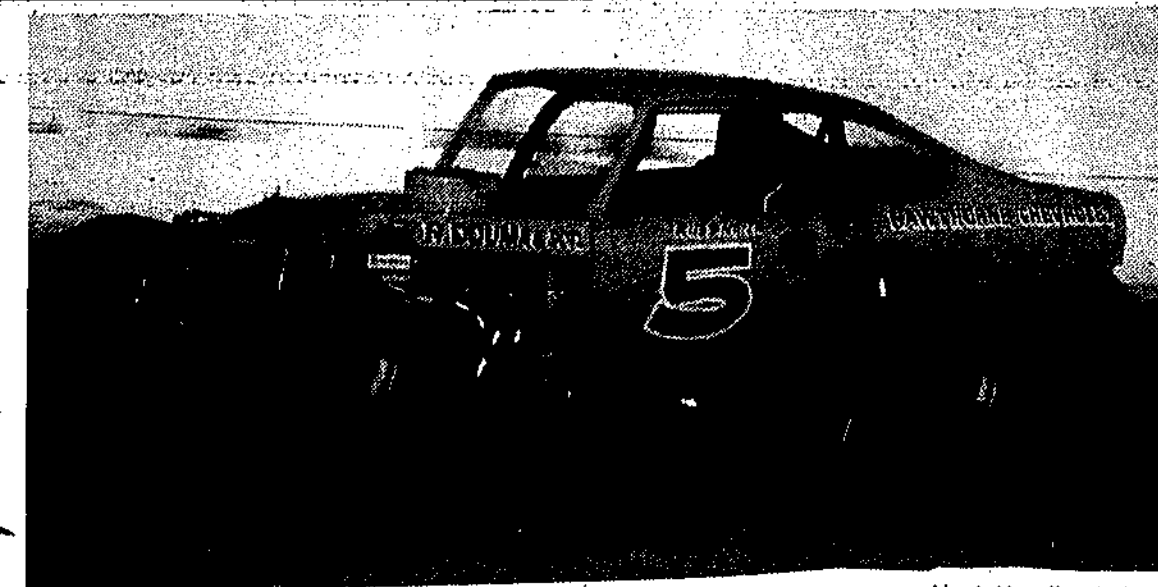

## The Couriers at Hawthorne Gospel Church

"The Couriers," a group of three male vocalists, will be in concert at the Hawthorne Gospel Church, Route 208, Hawthorne, N.J., on Friday night, May 6, at 8:00 p.m.

With headquarters in Harrisburg, Pa., the Couriers have been featured in churches, on concert stages, on radio and television and in missionary crusades in countless countries around the world.

Dave Kyllonen is the bass-baritone and spokesman for the group. Duane Nicholson is the tenor. Neil Enloe sings the lead and plays the piano. Neil has written many original compositions which the group sings, including the popular "Statue of Liberty."

The Couriers always attract a full house. Those attending should arrive early for the program which begins at 8 o'clock. Everyone is welcome to attend.

## Hawthorne Li'l League weekly round-up

By Richard Ambrose and Tony Miniaci

The Li'l League season officially opened this past Saturday with Mayor Louis Bay 2nd throwing out the first ball of the game between Mohawks and Paul's Motors.

Mohawk one hit Paul's for a 8-0 victory... Dave Majury hit a tremendous home run to help E.A. in a come from behind win over a tough Rhodes team 9-5.

Shawn Hansen pitched three innings of no-hit ball and Rich Scarber collected two hits as Blues came from behind to defeat Shotmeyer 9-8.

Dave Opperbeck had a bases loaded triple for the losers... Aldi defeated Radiator behind the pitching of Glenn Johnson and Brenden Anthony 9-7.

Billy Contrini had nine consecutive strikeouts for Radiator... Mike Miniaci and Mike Sabatello combined for 17 strikeouts and the superb catching and hitting of catcher Jerry Scilla enabled Maitland to hold off a scrappy Ambrose team 5-4.

Jay Coughlin and Nicky Sasso combined for seven of Franklin Bank's 13 hits as they crushed Kiwanis 19-5... Frank Kabrel's Decker team took on his son's G&J team and prevailed 16-8 behind a pair of doubles by Steve Ramaglino and a triple by Ross Hamstra.

Mike Konyak collected three hits to add to the barrage... In an un-

reported game, Mele's defeated Olsson's 10-9 in extra innings.

### MONDAY

Radiator blew open a close game by scoring eight runs in the fifth inning to defeat Blues 14-3. Billy Contrini, Ron Barina and Steve Pasquale combined for 10 R.B.I.'s to lead the attack... Paul's scored 14 runs to defeat G&J Express 14-3.

Behind the strong pitching of Rich Tolomeo and Billy Barkenbush and the superb hitting of Carl Bostrom, Mohawk defeated Franklin Bank 5-1... E.A. had no trouble defeating Kiwanis in the first night game of the year 9-3.

### MIDGET DIVISION SATURDAY

Diamond Liquors held off a late Lions Club rally and won the game 8-6... With four insurance runs in the sixth inning, Elks put Lakeview

Farms away 9-3... In another unreported game, Red Duck easily handled expansion team Brothers II 24-0.

### MONDAY

In a fast paced ball game, Lions Club nipped Lakeview Farms.

## Tennis team loses to Waldwick

**Doubles**  
Andy Poremba and Mark

The boys tennis team from Hawthorne High lost 4-1 to Waldwick Monday. Results were as follows:

**Singles**  
Steve Mileham (W) over Rocco Brescia 6-2, 6-0; Paul Mazouat (W) over Bob Meneco 6-2, 6-4; Alvaro Avandano (W) over Tom DeMaio 6-1, 6-2.

## Bears win by 3-2

Despite six errors, the Hawthorne Bears edged out Waldwick 3-2 in a B-PSL contest on Monday. John Collier was winning pitcher with a 2-3 record.

Hawthorne (4-5 overall and 4-5 B-PSL) led 2-0 in the game heading into the top of the fourth stanza. Waldwick

moundsman John Kraus (2-2) was then the victim of an infield error which allowed Frank Zyskowski to race home from third with what proved to be the winning run. The Warriors (4-6 overall, 4-5 B-PSL) came within a lone run in the sixth as two runs scored via a Hawthorne throwing error.

## Conference on aging at WPC

"Aging in America: A Revolutionary Approach" is the title of a spring conference being held at William Paterson College in Wayne on three consecutive Fridays, April 29, May 6, and May 13.

Sponsored by Catholic Family and Community Services in Paterson, the conference addresses the theme "Tools for Understanding the Elderly." The series was developed to help answer the needs of persons who work with the aged.

"The innovative conference will achieve its objectives if the participants are able to obtain a better insight into understanding the senior citizen as an individual with a right to a dignified place in our society," said Mrs. Maureen Kehoe, the director of Aging Services at Catholic Family and Community Services.

Paterson Mayor Lawrence Kramer begins the April 29 morning session with a short greeting. He is followed by Ms. Kathy Degnan, a member of the Senate Select Committee on Aging, who speaks about "Affective Advocacy." Ms. Degnan defines advocacy and shows how to identify issues that could help meet the social needs of the elderly. She also discusses how to push through programs by cutting out "red-tape" in service bureaucracies.

A panel discussion on styles

and approaches to advocacy with Ms. Victorina Peralta of the Philadelphia Social Services, and Mr. Eugene Zoppo, president of North Jersey Federation of Seniors. Mr. Robert O'Donnell of the New York Statewide Coalition for

### Blue Bell Clefs Will Entertain Golden Circle

On Thursday May 12 the members of the Golden Circle of Hawthorne will be entertained by the Blue Bell Clefs. The program of popular music, songs and skits will begin at 1 pm in the Boys Club Building on Maitland Avenue. The Clefs are retired telephonemen, and members of the Hackensack-Englewood Life Member Club, H.G. McCully Telephone Pioneers of America. They give these programs free as their involvement in community affairs.

### The Golden Circle

By Beatrice Meier

The meeting of the Golden Circle was not held last week because of the trip to Plain and Fancy Farms in Amish country, Pennsylvania. The day was beautiful and the busload of members enjoyed themselves. Two new members were welcomed into the Circle, they are Marie Kenney and Nancy Giella. The next meeting will be held Thursday, April 28 at the Hawthorne Boys Club.

### JOLLY SENIORS

By Regina Castner

Jane Ruhren conducted last week's meeting of the Jolly Seniors with 57 members in attendance. Two guests, Tillie Peters and Ida Jordan, were welcomed. John Dykstra was inducted as a new member.

A few tickets are available for the trip to Memory Town on May 18. Anyone interested should call 279-8667. Upcoming plans include a trip to see "Chorus Line" in New York City in August and a vacation in Raleigh in September.

Eye glasses for the needy are being collected by the club. Sunshine lady Mabel Clewell was absent, but a report was made that Lillian Mulligan is convalescing at home.

## Never too old to help others

One of the recent projects of the members of the Hawthorne Nutrition Center, formerly called the Senior Citizens Center, was to make slippers for shut-ins. Last Thursday a group of local women visited the Preakness Hospital to present their gift to some of the patients. Pictured from left standing are Joan Strehl, director of the center; Anna Scordato, Marge Moore and Jean Presto. Two of the patients are seated in the foreground. A total of 75 pairs of slippers have been distributed.

### Suzuki String Festival at Montclair May 7

The Fourth Annual Northeast New Jersey Suzuki String Festival will be held Saturday, May 7 at 1:30 pm at Montclair State College Gymnasium, Montclair. Approximately 350 violin, viola, cello and bass students, ranging in age from three years to the upper teens will participate. Several parents will also be playing along with their children. All of the performers are students of either private studio teachers or school string teachers in North Jersey, specially trained to teach the Suzuki approach. They have formed the Northeast New Jersey Suzuki Association, which meets monthly to organize the annual String Festival as well as to provide seminars for teachers to stimulate a higher degree of proficiency in string teaching.

The unique Suzuki method, developed by the great Japanese violin teacher, Shinichi Suzuki, is based on his discovery that children the world over learn to speak their native language there are no "drop-outs!" Studying the way children learn this, he realized that certain elements are present: environment from birth, imitation of parents, constant repetition and development. Suzuki has said, "Educate as early as possible, give as much training as possible, create as favorable an environment as possible, have as good teachers as possible, and adopt as good an educational method as possible."

In practice this means that the child and its parent are enrolled together in the Suzuki private teacher programs. The parent starts by buying and playing the Suzuki violin record for the child to hear daily (environment), then the parent learns the basic elements of playing the violin (for imitation), then the child is fitted to a violin scaled to his size and begins lessons with other beginners or, more commonly, by himself, with help from the parent who attends all lessons and helps with practice sessions at home (constant encouragement).

All students learn a basic repertoire, specially selected by Suzuki from the great folk songs and classical music of the world, to nurture technical and musical growth. All music is learned by ear and always repeated and added to (constant repetition and development). Music reading is introduced later, after basic technique and ear development has taken place, just as children learn to read their language only after they can understand and speak it. Suzuki-trained students become excellent readers.

### Musical story of Charlie Chaplin

William Paterson College presents the National Theatre Company performance of "Charlie & Company", a musical based on the life of Charlie Chaplin on Sunday, May 1 at 3 pm in Shea Center on campus in Wayne.

This musical portrayal of the life and times of Charles Spencer Chaplin, the man behind "The Little Tramp" is sponsored by the Student Activities Programming Board. Tickets, \$1 for WPC students and \$2 general admission, may be purchased in the Student Center, room 214, or at the door.

The musical version of Chaplin's early life and career is directed by producer-director-choreographer Bick Goss, and composed by actress composer Diane Leslie. The lyricist, Broadway veteran Hal Hackady, has written pop songs for Tony Bennett, Lena Horne, Helen Reddy, Sammy Davis, and Shirley Bassey.

### Eddie Fisher Coming to Playhouse on the Mall

Singing troubadour Eddie Fisher and comedian Jan Murray will be the headliners at the Playhouse on the Mall, Bergen Mall, Paramus May 6 to 8. Fisher reigned supreme as the nation's number one singer of songs in the decade of the 50's.

Born in Philadelphia in 1928, he skyrocketed to the top in one year, between his discovery by Eddie Cantor at Grossinger's and the release of his first hit single in 1950.

The records Fisher made were hits almost as soon as they were pressed. Contemporary commentators remarked that the likes of the Eddie Fisher phenomenon hadn't been seen since Sinatra was king of the teen set.

Twenty years or so have passed since the teen boppers of the mid 50's mobbed Fisher. He is now a matured sensitive artist who has never made a come back because he's never really been away.

Jan Murray's introduction to the entertainment world came from his mother, a vaudeville buff, who took him to the local theatre at least twice a week. He learned the acts of the famous stars, and became the chief entertainer of a neighborhood social club. In the audience one night was the owner of a summer hotel in the borscht belt. Murray then became a professional.

At 24 Murray was headliner at the nation's leading night clubs and headlined top vaudeville theatres.

In 1950 he starred in his first coast to coast radio and television show, "Songs for Sale", beginning 12 uninterrupted years on television.

### Village Players will present "Midsummer Night's Dream"

The Village Players will present William Shakespeare's "A Midsummer Night's Dream" at the HoHoKus Community Church on April 29, 30, and May 6, 7.

As a community theatre group which has served Bergen County for over 30 years, the Players chose a Shakespearean play as a vehicle for expansion into new fields. By using an open casting process, the Players insure only the highest quality of production. It is the groups goal to present professional caliber entertainment which is close to home and at a reasonable price.

Tickets for "A Midsummer Night's Dream" will be available at the door or in advance for groups or single sales by calling 427-2210 or 941-3169.

## Fertilize for a lasting green!

This year, give your lawn what it really needs... Green Power. It's high in nitrogen to green and thicken your lawn now, and the controlled-release 30-4-4 formula keeps on feeding for 6 to 8 weeks. Apply it any time, even when seeding.

## Mrs. Phillips to head woman's club

The Woman's Club of Hawthorne has voted the following slate of officers for the year 1977/78. They will take office at the June meeting: president, Mrs. Joseph Phillips; first vice president, Mrs. Ralph Malandrino; second vice president, Mrs. O. E. Cooper, Jr.; recording secretary, Mrs. Gordon Knepper; corresponding secretary, Mrs. Gordon Francisco; treasurer, Mrs. Herbert Schramm; and federation secretary, Mrs. Ernest Ego. Members of the nominating committee were Mrs. John Komjian, chairman; Mrs. Gordon Knepper, Mrs. O. E. Cooper, Jr., Mrs. Gordon Francisco and Miss Dorothy McClane.

In the doll contest at the 11th district drama festival Mrs. Peter Scullion, a member of the local club won a first award for stage. The doll represented Julie Harris in "The Belle of Amherst". The next meeting of the Woman's Club of Hawthorne will be held on Thursday, May 5, at 8 pm at the home of Mrs. William Baker. Hostesses will be Mrs. John Brush and Mrs. John Komjian. This will be a program planning meeting for 1977-78 and members are asked to come prepared to suggest programs.

## Monica Glodzik Gets Promotion

Suburban Savings and Loan Association announced the promotion of three employees to new posts this week. Stuart Coven, President of the Wayne-based savings institution, reported that Edwin Braun, Monica Glodzik and Linda Steel will assume their new responsibilities immediately.

Monica Glodzik was appointed new financial services officer. She has been with Suburban Savings since 1970, holding positions of teller, assistant head teller and customer service representative. Ms. Glodzik is a graduate of Hawthorne High School and a resident of Hawthorne.

## Pharmacy Topics

by James Melcon

It's a natural - bartenders in Racine, Wis., are being trained to spot patrons who need professional psychological help and to steer them to it. Next: beauty salon operators.

By the time you know you're sick with the flu, it's too late to isolate yourself. You've been spreading flu germs for at least 24 hours.

Researchers from the State University of Buffalo have found evidence linking diabetes mellitus to mumps virus. It explains, they say, why diabetes occurs in cycles, like an infectious disease.

Diabetics who need insulin know they can depend on the fresh, refrigerated stock at MELCONS.

We carry a full line of hypodermics, too. Count on us for YOUR health needs.

# First National Bank of New Jersey Introduces The NEW thrifty way to borrow

# SIMPLE INTEREST LOANS

## YOU WON'T PAY INTEREST ON MONEY YOU'VE ALREADY PAID BACK

A new change in banking law allows First National Bank of New Jersey to make borrowing a lot simpler. With our new Simple Interest loan, you pay interest only on the unpaid balance of your loan, and only for the actual number of days you keep the money.

That means if you pay off all or any part of your loan before it comes due, you save on interest. If you're a little late with a payment, there's no penalty charge. Interest simply continues to accumulate until payment is made. And your final payment is adjusted for early or late payments.

**BORROW UP TO \$10,000 ON EXTENDED TERMS**  
The new law also allows you to borrow up to \$10,000, nearly double the old limit, and with a longer period to repay.

You can even skip one payment each year, whenever you desire, simply by sending us a "skip payment" coupon instead of a payment. You'll find this a big help for your budget.

**EASIER TO UNDERSTAND**  
Our Simple Interest loan agreement is written in simple, easy-to-understand language. No more complicated legal phrases to muddle through.

**HALF HOUR SERVICE**  
Best of all, it won't take days or even 24 hours to get your money. At First National Bank, it takes just a half-hour for you to fill out an application, get approval and have the money in your hands. No bank can beat that service!

Stop in at your nearest First National office, or call 684-8000.

The Simple Interest loan is a KeyLoan Service. It's just one of the KeyFirst Banking services you'll find only at First National Bank of New Jersey.

# FIRST NATIONAL BANK

First National Bank of New Jersey has offices in: Bloomingdale, Clifton, Glen Rock, Mountain View, Paterson, Pequannock, Pompton Lakes, Preakness, Ringwood, Totowa, Wanaque, West Milford. And now in three Grand Union Locations: Oakland, Paramus, Ridgewood. Member Federal Deposit Insurance Corporation.

## School Board News

School contracts for the year 1977-78 were approved at the April 12 meeting of the Hawthorne Board of Education. The reappointment of teachers for 1977-78 were listed under separate cover which was made an integral part of the minutes. Extension of maternity leaves were approved for Mrs. Deborah McDougall and Mrs. Susan Riff.

The following teacher resignations were accepted: Mrs. Jean Dingman, Roosevelt School; Mrs. Kathleen Federici, Roosevelt and Mrs. Irene Villano, Franklin School reading specialist. Two teacher aides also forwarded resignations: Mrs. Barbara Hall from Lincoln School and Mrs. Elena Passano from Jefferson School. Mrs. Patricia De Feo and Miss Laurie Lardner were hired as teacher aides at Lincoln School.

Interim teachers were hired at the Roosevelt and Franklin Schools: Mrs. Grace Schaus, second grade at Franklin, at prorated on an annual salary of \$10,875 and Miss Linda Zoller, first at Roosevelt at a pay prorated on an annual of \$10,000.

One custodian and two student custodian aides were appointed at this session. Benjamin Sher was hired as custodian until July 1977 at a salary prorated on \$7,460.

The following youths were appointed as custodian aides: John Picarelli, Bassam Bakir, Brian Nejme and Mark Sayde. The rate of pay is \$2.30 per hour.

The bid for an intrusion alarm system at Jefferson School was awarded to Witte Electric Company of Clifton. The amount of \$1,927.71 was the lowest bid received. The

district secretary was authorized to advertise for bids for the following: Decwriter II, adds Console 580 and Acoustic Modem for the budget accounting service.

Two certificates of deposit were approved: one for \$200,000 for 44 days at 5.08 per cent from Franklin Bank and another for \$460,000 for 42 days at 5.25 per cent from Citizens First National Bank.

## HHS Happenings

The Medical Career Club of Hawthorne High School recently visited the New Jersey Rehabilitation Center in East Orange. Arrangements were made by club director Mrs. J. Pleune through Mr. Richard Bongo, director of the center. Club members were introduced to various phases of rehabilitation for "every day living". This center treats those with spinal cord injuries, neurological disabilities and brain damage.

After a film, club members visited the physical therapy, occupational and hydrotherapy departments. A therapist explained the educational requirements and the need for each in the health field. They also had the opportunity to visit the prostheses department to see the making of artificial limbs. Each department was explained in detail by Mr. Bongo.

The students who made the visit were Helen Boncore, Theresa Czelalko, Sara DeVries, Martha Fernandez, Joan Kawalec, Sharon Newman, Helene Reschke, Shelly Schuster, Mary Ann Schouten, Beverly Southway, Meri Lou Vangelas, Cathy Williams, Judy Winter and Mimi Wlodarczyk.

## Committees named for fashion show

The combined societies of St. Anthony R. C. Church will hold a gala dinner and fashion show on Wednesday, May 18, at 7 pm at the Wayne Manor. The theme will be Maytime frolic. This annual fund raising event will feature styles by Bel-Ann's Fashions, 370 Union Boulevard, Totowa.

Honorary Chairmen are Reverend Monsignor Joseph R. Brestel, Reverend James J. Donnelly, Allen F. Stepien and John DeMatia. General chairpersons Margaret Zizzi and Janice Lavorgna are being assisted by the following committee members: Tickets, Rita Crawford and Diane Boldezar; gifts, Joan Ella and Betty Topp; table prizes and decorations, Mae Grant and Angie Savastano; sweepstakes, Victoria Guarraia and Marie Zigarelli; program, Rae

## The Grapevine

By Joe Friedman

Increased attention is going to Petite Sirah wine from California. It features a spicy flavor, a tart taste, and varietal "perfume."

The wine was often used to add a bold taste to red generic wines, but in recent years it has been vinified as a varietal. A large number of wineries are producing it now.

According to legend, Petite Sirah is related to the French Syrah, which is blended into Hermitage and cote Rotie wines. (The story may go back to the Crusaders and the Persian Shiraz grape, but this is not substantiated.)

Petite Sirah wines have a dark purple color (almost black at times), high tannin, and a big, full-bodied flavor. The aroma ranges from spicy berries to fresh black pepper or black currants, depending on vinification.

Similar to other "big" wines, Petite Sirah improves with "breathing." Open the wine ahead of time, or decant it.

Count on us for fine wines of all kinds.
