Gaza and the Bar

After the U.S. destroyed the Jordanian air base at Amman and the Israeli air force launched a series of attacks on Arab targets, the United Nations Special Committee on the Al-Quds (Jerusalem) issue issued a statement to call for an immediate halt to the air raids and a resumption of the peace process. The Committee also called for the resumption of the negotiations between the parties to the conflict.

A message from the President of the U.S.

A message from the President of the U.S. was delivered to the UN General Assembly, expressing the U.S. commitment to the peace process and urging all parties to the conflict to commit to the principles of the Road Map and the Middle East Peace Process.
