MAYOR BAY ACCUSES PUBLIC RELATIONS STUDY COMMITTEE OF EVADING THE CHALLENGE

Dr. Malcolm G. Oyer, President of the University of Southern California, has announced that the University will conduct a study of the public relations of the university. The study will be conducted by a team of students from the university's journalism department.

State Senator B. B. Jordan, D-G, has expressed his support of the study, saying that it is important for the university to understand the public's view of the university.

The study will be conducted over the next six months and will include surveys, interviews, and focus groups with students, faculty, and staff.

The results of the study will be presented to the university's board of trustees at its next meeting, which is scheduled for September 1st.

Mrs. Iszy Bilgeri, Secretary of the Board of Trustees, has expressed her support of the study, saying that it is important for the university to understand the public's view of the university.

The study is expected to cost approximately $100,000 and will be funded by the university's budget.

The university's board of trustees has approved the study, and the university's administration is now working to implement it.
