A setback for public employees, a step ahead for the public

The latest happenings concerning the public employees' negotiations for a new contract are moving forward. However, there are still concerns about the cost of living adjustments (COLA) and other benefits. The union and the borough are in the process of negotiating, but the outcome remains uncertain. For the public, it is important to stay informed and involved in these negotiations. The eyes of the future depend on the choices made now.

PAC Power
In This Senate

On the political front, the PAC Power coin will be cast on important Senate votes. Each PAC Power coin represents the power of one vote. The Senate is currently in session, and decisions made now will impact the future of the state. PACs are playing a crucial role in shaping the outcomes of these votes. Stay informed and support the PACs that align with your values.

Mary's Whim - A 60's Jewelry Show

The Ups and Downs of Life

Thumbs Up:
1. The success of the Mary's Whim - A 60's Jewelry Show. It was a big hit and brought in a lot of business. Congratulations to the organizers!
2. The great weather this weekend. It was perfect for outdoor activities. Enjoy the sunshine!

Thumbs Down:
1. The ongoing issue with the local traffic. It's becoming increasingly difficult to navigate. Something needs to be done about it.
2. The rise in utility costs. It's putting a strain on budgets. Look for ways to conserve.

Send Christmas cards to the hostages in Iran

President Reagan has moved to ease the crisis in Iran which has caused so much concern. His efforts, however, have met with obstacles. The hostages have not been released, and the United States is not in a position to negotiate. The situation is complex, and it is not clear what the United States can or should do.

Keep the holiday season free from fire hazards

Every Christmas season we are reminded of the importance of fire safety. The sight of a burning house or the sound of a fire truck's siren can be frightening. These reminders serve as a reminder of the dangers of fire and the importance of taking precautions to prevent it.

Christmas greetings from Maryann

Maryann sends her warmest wishes for a merry Christmas and a happy New Year to all our readers. May this holiday season bring joy and happiness to all.

Council will vote on Canete replacement January 2

The Board of Education, meeting in regular session last night, heard a brief report of the elementary school renovation project. Assistant Superintendent of Schools Edward F. Canete gave a review of progress to date, including a chart which listed the work accomplished and the work to be done. He reported that the project is on schedule and that the work is being done at the rate expected. He also stated that the project is expected to be completed on time.
