Residents ask school board to justify budget increases

Choose your candidates, Feb. 13
Thomas Meister
Jack Horn
Frank Matthews

Three sentences approved by adjustment '84

Overleading trains to be held Feb. 16

The department was launched for a second time on another side of the county to address the need for a school district to meet the demand for education. The district has been operating for five years and has seen a significant increase in enrollment over the past year. The school board has been requested to justify the budget increases by providing detailed information on the financial needs and future plans of the district.
