Notice to Public Service Electric and Gas Company Customers

Increased Charges

The Board of Public Utility Commissioners of the state of New York has authorized the Public Service Electric and Gas Company to increase its rates to cover the cost of increased charges of $1,000 and $2,000 per month. Effective as of June 1, 1975, these increased charges will amount to 20 cents and $1.60 per month, respectively. In addition, the company has also increased its rates for other services. The increased charges will be effective immediately and are subject to regulation by the Public Service Commission. The company has been advised that the increased charges will be effective as of June 1, 1975.

Questioning for Frank of roof removal at Franklin.
Frank has saved another $2,000.
The community area is one of the few places in the budget where dollars can be saved.

Then we will have the funds for educational needs without continued cutback costs.

Why has $379,000 been accommodated in surplus, and not the basic educational needs not entirely provided for throughout the school system?
