Quality People Ask About Their Servers:

"Will I receive only one bill from Moore's?"

To this end was the main reason for Moore's.
"We know that the response to the tag line and the
impression of the advertisement may be enhanced by
the use of a single bill which identifies the company and
the service it provides."

A four-footed friend in a foreign land lends aid to the U.S. Marines

The WAVES (Women Accepted for Volunteer Emergency Service) were the female counterparts to the U.S. Marines. They provided clerical and other support roles during World War II. The article mentions a specific incident where a four-legged friend was instrumental in aiding the WAVES.
