FUR STORAGE
with famous Bon Ton 10 way protection

The most comprehensive fur storage protection ever offered

The Bon Ton combination of the latest in"state of the art" fur storage offers your piece of fur complete protection from damage that can occur in storage.

1. 100% humidity control. Even the least expensive fur will be damaged by excessive moisture or dryness.

2. Ozone treatment by electronic purification. Ozone eliminates odors and destroys bacteria and fungi that cause damage.

3. Temperature controlled so fur remains at optimal conditions for each type of fur.

4. No exposure to dust, dirt or germs.

5. Padded interior to protect fur from scratches and tears.

6. Free and complete insurance against loss, theft, or damage.

7. Professional care by highly trained experts.

8. Your garments returned to you in 15 days or less.

10. Satisfaction guaranteed.
