Local bicentennial celebration planned for holiday weekend

Bicentennial activities will begin on Friday, July 1, with a parade through the town. The parade will start at 10 a.m. and will feature floats, bands, and local groups. The parade will proceed down Main Street and end at the Hawthorne Memorial Park.

The day will conclude with a fireworks display at 9 p.m. in the park. The event will be preceded by a ceremony recognizing the town's history.

For more information, please contact the Hawthorne Memorial Committee at 123-456-7890.
Controversy over district secretary's pay raise

Companies for the proposed
 increase of the district secretary's pay have been
 presented to the board, and most of the
 members are expected to vote on the
 matter at the next meeting. The current
 secretary, Mr. Smith, has been
 in the position for the past five years
 and has been a valuable asset to the
 organization.

Let's observe the spirit of '76

Yesterday our nation celebrated a movement that led us to become one of the few nations that will be the creators, '76 and next, us, white and blue, of the newness in the country and the opening ceremony of the American Declaration of Independence. On this day, we start our exploration of the country and the opening ceremony of the American Declaration of Independence. On this day, we start our exploration of the country and the opening ceremony of the American Declaration of Independence. On this day, we start our exploration of the country and the opening ceremony of the American Declaration of Independence.

Court injunction limits school board action

The recent court action brought by the school board against the New Jersey State Board of Education, which declared the election of the new school board invalid, has been appealed to the Supreme Court. The school board claims that its action is necessary to prevent the unauthorized expenditure of school funds. The Supreme Court has ruled that the school board is entitled to a hearing on the matter.

Bagli is alternate delegate
Ambridge Bagli of 1119 Lafayette Avenue, Hawthorne, who has served as thealternate delegate to the National Convention in Chicago, has returned from the convention. His name is now on the alternate delegate list of the congressional district, and he will be recognized as such at the next meeting of the district convention.

Reyen proposal at Board of Education.
Another bill has been introduced to the Board of Education, which would provide for the establishment of a new school in the district. The bill has been referred to the Board of Education committee, which will consider it at its next meeting.

School board approves transfer of $96,102

At the red-mail meeting of the Hawthorne Board of Education, a transfer of $96,102 was approved. The transfer came from the reserve fund and is intended to help cover the cost of equipment and repairs.

The funds will be used for the replacement of two air-conditioning units in the district. The units are located in the auditorium and library, which are among the most frequently used facilities in the district.

The transfer was approved unanimously by the board members. It is expected that the work will be completed within the next month.

Court order has local effects

The New Jersey Court of Appeals has issued a ruling that has local implications for the municipality of Hawthorne. The ruling pertains to the issue of noise pollution from a nearby industrial site.

The court ordered the municipality to take action to address the noise pollution, which has been a source of concern for local residents. The municipality has 30 days to submit a plan to the court to address the issue.

The decision has been met with mixed reactions by residents, with some expressing relief that action is being taken and others concerned about the cost and impact on their daily lives.

IS IT TRUE THAT ELECTRICITY WILL COST ME MORE DURING THE SUMMER?

Electricity costs can increase during the summer due to increased usage. However, there are steps you can take to reduce your electricity bill.

1. Use energy-efficient appliances: Replace old appliances with energy-efficient models, which use less energy to operate.
2. Reduce air conditioning: Use fans instead of air conditioning when possible, and set the thermostat to a higher temperature in summer.
3. Use natural light: Open windows to allow natural light in, reducing the need for artificial lighting.
4. Use energy-efficient light bulbs: Replace traditional bulbs with energy-efficient ones, which use less energy and last longer.

By implementing these steps, you can reduce your electricity costs during the summer months.

Macio and Hancock appointed assistant football coaches

Staff reduced to 5

Two experienced coaches were named Tuesday as assistant football coaches for the upcoming football season. Macio Cheo (right) was named as the defensive coordinator and Hancock Cheo (left) as the offensive coordinator.

Cheo, who has been on the Hawthorne High School coaching staff for the past five years, said that the team will be in good hands with Macio and Hancock.

"I am confident that Macio and Hancock will do a great job for the team," said Cheo. "They have a wealth of experience and I have no doubt that they will lead the team to success.

Resignations listed personal reasons

At this time, Principal Mardaro announced the resignations. He cited personal reasons and stated that the new coaches will be announced at a later date.

"I would like to thank Macio and Hancock for their dedication to the team," said Mardaro. "I have no doubt that they will do an excellent job.

Armed youth subdued by police

Police arrested 14-year-old youth who had refused to stop when they were asked to do so by police. The youth, who was carrying a BB gun, was stopped by police and released after being questioned.

"The youth was cooperative and we were able to resolve the situation without any problems," said the police chief.

The investigation is being continued by the detectives. Anyone with information is requested to contact the police department.

Who are the present group(s) involved?

"I don't know who they are, they suddenly appeared," said the police chief.

What effect the tax will have on you

Although it's not a great tax increase and not a tax, it represents a significant tax change. The property tax, which has been a local charge for many years, will now be levied as a state tax. This change will result in a tax increase of approximately $70 million in the first year, which will increase correspondingly in future years. The state government will use this tax to fund education and other public services.

Tax revolt rally set for today in Trenton

A Tax Revolt rally is planned for today in Trenton. The rally will be held at 1 PM at the State House in Trenton. The rally is organized by the New Jersey Taxpayers Association and is expected to draw thousands of tax protesters.

Police chief aids drive to name another U.S.S. Thorn

When Newark police chief J. M. Naglegrams name another U.S.S. Thorn, the new ship will be named in honor of his son, Edward J. Nagle, a junior police officer who was killed in Vietnam, according to a letter from the chief to the U.S. Navy.

The new ship will be built in the yard of the United States Naval Shipyard in Newport, R.I., and will be commissioned in its honor. The ship will be a heavy cruiser and will be named in honor of Edward J. Nagle, who was killed in action in Vietnam.

The new ship will be part of the fleet of naval vessels based on the West Coast, and will be used for training and exercises. It will be the first ship to be named in honor of a police officer who was killed in action.

The new ship will be commissioned in the presence of the chief and his family, and will be the first ship to be named in honor of a police officer who was killed in action.

Edward Wagner honored by TJU

Edward Wagner, a former police officer, was honored by the TJU (Trenton Junior University) on June 25th. Wagner, who served as a police officer for 25 years, received the TJU's Distinguished Service Award.

Wagner, who was also a member of the U.S. Navy Reserve, was recognized for his contributions to the community and his dedication to public service.

Four variances requested for new Gospel Church building

A plug-in to the Hawthorne Gospel Church is being built in the 100 block of South 10th Street near the corner of Route 17 South. The church is located at 500 N. Main St., Hawthorne. The new church is being built on the corner of Main Street and School Street. The church has been in operation for over 50 years. The new church will provide additional space for worship services and community events. The project is expected to be completed in the fall of 2023.

New structure is to accommodate present membership, not to seek increased enrollment

The only person to comment during the public hearing was a representative of the Hawthorne Gospel Church. He stated that the church is looking to expand its facilities to accommodate its current membership. The church has been in operation for over 50 years and has experienced growth in recent years. The new church will provide additional space for worship services and community events. The project is expected to be completed in the fall of 2023.

Hawthorne to halt N.H. water service

The Board of Adjustment has denied a variance request for a new Gospel Church building at 100 South 10th Street. The church is located at 500 N. Main St., Hawthorne. The new church is being built on the corner of Main Street and School Street. The church has been in operation for over 50 years. The new church will provide additional space for worship services and community events. The project is expected to be completed in the fall of 2023.

Police arrest seven for CB equipment thefts

Hawthorne police have arrested seven individuals in connection with a series of thefts involving a CB radio equipment. On June 23, a group of individuals was arrested after a lengthy investigation. The individuals were charged with theft of property and possession of stolen property. The investigation is ongoing and more arrests are expected. The individuals are scheduled to appear in court at a later date.

On The Scene

The Pepperell, 2587 E. 267th Street, was the scene of a late night fire. A 1960s era, 1-story, 1-family house was located on the corner of the building where the fire occurred.

The fire department arrived on the scene and found the building fully involved. The fire was brought under control by the firefighters. The cause of the fire is under investigation.
an editorial

The public has less to say

Many New Jersey residents have noticed the passage of a state income tax with growing realization that they have little to say about the matter. They believe that the majority opposes the tax and feel that any guarantee that spending will be curtailed.

As the taxpayer's voice grows louder in the state house, it will not be getting louder on the local front. The proposed 1975-76 school budget reached full council level Monday night. The 10 percent cut in mill rate opposed was no $40,000 in capital outlay rather than $4 million in school building facilities. The item was subsequently deleted from the budget while the more important ones are intact.

Now we hear of a $100,000 proposal to renovate a fire station facility in the service area as a junior class in special education. The money is being transferred from the health insurance funds to the educational budget.

Despite the apparent conflict of priorities, there are at least a few and possibly more in the City Hall that recognize that the tax is going to be levied and are asking what they can do.
Freedom train will make five stops in New Jersey

The American Freedom Train will make five stops in New Jersey, covering all geographic areas of the State in a 3-month period. The train is sponsored by the New Jersey Veterans Administration, in cooperation with the National Park Service.

The train will stop at five locations in New Jersey:
1. Newark: August 21-23
2. Atlantic City: September 2-4
3. Camden: September 5-7
4. Trenton: September 8-10
5. New York City: September 11-13

The train will feature exhibits that highlight the history of the American war effort during World War II. Visitors will have the opportunity to see rare artifacts and learn about the contributions of New Jersey veterans.
