New health inspector on the job

By Donna Alts

Mary Castiglione, Hawthorne’s new health inspector, began her job with the borough on July 1. The position, which has been vacant since October 1959, when the department of public health released its predecessor, Miss Helen Alts, to other duties in the borough, has been filled.

Castiglione, a graduate of the public health program at the New York University School of Public Health, is a registered nurse and received her nursing degree from the Southwestern Medical School of New York University.

She succeeds Miss Alts as the borough’s health inspector.

School board creates administrative post

As reported in our last issue, the Board of Education has approved the establishment of a new position, one of administrative assistant, on the Board staff. The Board approved the creation of the position to provide additional administrative support to the Board and its staff.

The position of administrative assistant was created to assist the Board in managing its operations and to ensure effective communication with community members and other stakeholders. The administrative assistant will be responsible for managing the Board’s administrative functions, including scheduling meetings, managing communications, and coordinating with various stakeholders.

The Board expressed its gratitude to the community for its support and commitment to the education of the district’s students. The Board emphasized the importance of maintaining strong relationships with the community to ensure the success of the district's educational programs.
More Americans killed driving last year than in the Revolution

More Americans were killed in traffic last year than in the War of Independence. During July of 1779 there was a 17-day period on which the Continental Congress met in Philadelphia. During that period, 33 onlookers lost their lives in various accidents. In 1974, 31,703 people were killed in traffic accidents. This is 72 percent more than the 1779 total. Only 62 people were killed in traffic accidents in 1779. 

The glorious Fourth...then and now

In a memorable speech in the turret of Independence Hall, this nation's birthday, and for a second consecutive year, has been a day of national celebration. The nation celebrated the 177th birthday of its founders with a magnificent display of fireworks and a grand parade. The festivities were held in Philadelphia, the birthplace of the nation, and the site of many historic events. 

Our great American heritage...

Freedom of speech and freedom of the press — part of our country's blessings

The Boston Massacre and the Battle of Lexington are often remembered in connection with the Revolutionary War. However, the real story of the War of Independence is much more complex. The war was fought over many issues, including taxes, trade, and slavery. The war lasted for 8 years and resulted in the death of over 60,000 people. The war was fought by the Continental Army and the British Army. The war ended in 1783 with the signing of the Treaty of Paris. 

Cafeteria pact signed

California workers and the Board of Education signed a three-year agreement at the start of the school year. The pact covers an average of 300,000 school employees in the state and includes provisions for a 6 percent salary increase for the next three years. The pact also includes provisions for health benefits and retirement. 

Fireworks warning issued

While July 4th is an exciting holiday, it's important to be aware of the dangers associated with fireworks. Fireworks can be dangerous and lead to injuries and property damage. It's important to follow safety guidelines and use fireworks responsibly.

Lions capture midget league championship

At the same time races end at Santa Fe, the play-off draw is beginning at Santa Fe's midget nation's championship. The main race, the Lions, which won the Midget World Championship last year, will be on the line again with the Midget World Championship with four cars of each team. The Lions won the Midget World Championship last year, and the Lions again won the title.

On the other hand, the Midget World Championship is a draw and there is no official result. The Lions, which won the Midget World Championship last year, will again be on the line with the Midget World Championship. The Lions won the Midget World Championship last year, and the Lions again won the title.

Bull, a football team, is playing with the Lions. They are both on the same side and will continue to play against each other.

Bull's coach, Mr. Smith, said, "We have to win this game. We have a lot of confidence in our team."

Bull's team is composed of the following players: Smith, Johnson, Brown, and Jones.

Five & Ten wins nine of last 11

The Banana Five and Ten, which entered the National Midget League, finished the season with a record of nine wins in 11 games. The team played in the following games:

- Game 1: Five & Ten vs. Banana One
- Game 2: Five & Ten vs. Banana Two
- Game 3: Five & Ten vs. Banana Three
- Game 4: Five & Ten vs. Banana Four
- Game 5: Five & Ten vs. Banana Five
- Game 6: Five & Ten vs. Banana Six
- Game 7: Five & Ten vs. Banana Seven
- Game 8: Five & Ten vs. Banana Eight
- Game 9: Five & Ten vs. Banana Nine
- Game 10: Five & Ten vs. Banana Ten

In the last game, the Banana Five and Ten scored a 10-0 win over the Banana Ten. The team finished the season with a record of nine wins in 11 games.

Chet Decker's wins its division

Chet Decker's Division, which won the National Midget League, finished the season with a record of nine wins in 11 games. The team played in the following games:

- Game 1: Chet Decker vs. Banana One
- Game 2: Chet Decker vs. Banana Two
- Game 3: Chet Decker vs. Banana Three
- Game 4: Chet Decker vs. Banana Four
- Game 5: Chet Decker vs. Banana Five
- Game 6: Chet Decker vs. Banana Six
- Game 7: Chet Decker vs. Banana Seven
- Game 8: Chet Decker vs. Banana Eight
- Game 9: Chet Decker vs. Banana Nine
- Game 10: Chet Decker vs. Banana Ten

In the last game, the Chet Decker Division scored a 10-0 win over the Banana Ten. The team finished the season with a record of nine wins in 11 games.

Shoplifter arrested, police thwart theft in progress

A Pemberton police officer reported that a shoplifter was apprehended at Pemberton Mall, a move that prompted a 15-year-old woman to be arrested on charges of shoplifting.

The suspect, a 15-year-old female, was apprehended by a Pemberton police officer who was following her at a distance from the mall.

According to the officer, the suspect was observed entering a store in the mall and exiting with merchandise. When the officer attempted to apprehend the suspect, she fled and was eventually caught by another officer.

The suspect was charged with shoplifting, and police are seeking the public's assistance in identifying other possible suspects.

Residents experience the first waterless days ever

Residents of the North Haldon Notes area have experienced the first waterless days ever, as a result of a major water supply failure.

The failure, which occurred on June 28, affected the entire North Haldon Notes area and has left residents without access to their water supplies.

According to local officials, the failure is the result of a combination of factors, including a lack of maintenance and severe weather conditions.

North Haldon Notes

Residents have reported that they have not experienced a waterless day before, and are now forced to rely on alternative sources of water.

The local government is working to resolve the issue as quickly as possible, and is urging residents to conserve water when possible.

Changing fuels is more expensive than just a phone call

Before you go in the direction of changing your heating system from coal to natural gas, consider the costs involved.

The costs are not just confined to the initial equipment replacement cost. You will also have to factor in the increased cost of natural gas, which can be significantly higher than coal.

In addition, you will need to consider the maintenance costs for natural gas systems, which can be higher than coal systems.

Before making a decision, it is important to carefully weigh all the factors involved and consider the long-term costs.

Morton's at Kiwanis convention

Evansville Journal
July 7, 1980

SPECIAL SIDEWALK SALE PULLOUT SECTION - Pages 7-8-9-10

The Hawthorne

Hawthorne Hills decision reserved

by Donna Rhee

The Hawthorne Hills residential subdivision, located on a wooded ridge in central Evansville, has decided to halt all home construction in order to restore the area to its natural state. The subdivision, which was developed in the 1960s, has been criticized for its lack of trees and other natural elements, and residents have complained about the noise and pollution generated by nearby highways and factories. The decision to halt construction was reached after a meeting of the subdivision's residents and was approved by a majority vote. The decision is expected to be temporary, and the subdivision plans to resume construction once the area has been restored to its natural state.

Alert resident initiates arrest

A resident of Hawthorne Hills, a community near Evansville, Indiana, has arrested a suspect in a recent theft. According to reports, the resident, who wished to remain anonymous, observed a person walking near the area where the theft occurred and approached them to inquire about their activities. The suspect, identified as John Smith, was questioned and arrested by the local police. Smith was charged with theft and is currently awaiting trial.

School repair referendum set for September

The school board in Hawthorne Hills has announced that a referendum for school repairs will be held on September 20. The referendum will be held at the local high school, and residents are urged to vote yes to support improvements to the school's facilities. The board has identified several areas for repair, including the roof, plumbing, and electrical systems. The referendum is expected to result in a significant increase in property taxes, and residents are advised to carefully consider their options before voting.

Morton's at Kiwanis convention

La Sen and Mrs. Harvey Morton, the famous pit barbeque pit masters, were honored at the Kiwanis International convention in Fort Wayne, Indiana on June 23. The brothers, who operate the Morton's Pit Barbeque, have been involved in the pit barbeque business for over 25 years and have gained national recognition for their delicious and spicy barbeque dishes.

Kiwanis International is a worldwide organization of volunteer and service clubs, dedicated to improving the lives of children and young people in their communities. The organization, which was founded in 1919, has over 800,000 members in 15,000 clubs worldwide. Morton's Pit Barbeque was one of the featured attractions at the convention and received a standing ovation from the audience.

Wanaque resident fined $150 for assault on David

A man involving in a search warrant against Wedmore resident Stanley M. Davis, 58, was returned to the general public and allowed to go. The warrant was based on an alleged theft of a vehicle and a related arrest. The defendant was not charged with any crimes.

In addition, a woman was found and released from a detention center after being held for a search warrant. She was later found to be in compliance with her conditions of release.

The two searches were conducted in different locations, and the warrants were based on separate allegations.

Allegations involved the complainant, Michael Davis of Wedmore, who was arrested for possession of a firearm without a license. Davis was found to be in possession of a firearm and a controlled dangerous substance.

After the searches, Davis was released on his own recognizance. The complaint included a domestic violence aspect.

The woman was found to be in compliance with her conditions of release and was later released.

The warrants were based on separate allegations, and the searches were conducted in different locations.

**New project - a community within a community**

For the week of July 12th

The project, sponsored by a local business, aims to create a self-sufficient community within the larger area, focusing on sustainable living and cohesion among its members.

**Mele's wins World Series in three games**

Mele's Munch and Chiz's, located in the heart of the town, were the official sponsors of the series, with the former providing the venue for the games. The young outfielder, Mele, hit a walkoff double in the first game, setting the tone for the series. His performance was a testament to the community's support and belief in him.

**Sports Nut takes midget title**

The champion, a youngatrophy, faced stiff competition but emerged victorious, showcasing his skills and dedication to the sport. His victory was a moment of pride for the community and a testament to the value of hard work and perseverance.

**The Hawthorne Press**

The local newspaper, known for its in-depth coverage of local news, has featured a range of stories this week, including updates on the community project, local sports achievements, and community events. Readers can expect more comprehensive coverage in the upcoming issues.
Hawk Supply beats Home Supply for girls title

Hawk Supply won the girls division at the championship race, the 11th annual Home Supply Girls Thrills, at the Hawthorne Raceway on July 21st. Hawk Supply's No. 42 of Joni Popper finished the 11th lap of the 15-lap event in fifth place. The title was decided in the final lap when Hawk Supply's No. 42 of Joni Popper crossed the finish line just before the 15th lap. In the top ten finishers, Hawk Supply had two in the top ten: No. 42 of Joni Popper and No. 4 of Lori Ballad. Hawk Supply finished the event with a total of nine drivers, while Home Supply had seven drivers. Hawk Supply's No. 42 of Joni Popper crossed the finish line in fifth place, while Home Supply's No. 4 of Lori Ballad finished in tenth place. The final score was Hawk Supply 33, Home Supply 30.

Joni Popper is an accomplished driver who has won numerous races in the past. She is known for her aggressive driving style and her ability to adapt to different driving conditions. In this race, she showed her skills by driving the Hawk Supply car to a solid fifth place finish.

Tomorrow is the deadline for Yankee and Great Adventure

The Yankee and Great Adventure will be held on July 21st. The event is a popular annual event that attracts drivers from all over the region. It is known for its challenging courses and competitive atmosphere. The event is set to take place on the beautiful course that is known for its twists and turns. The event will feature a variety of classes, including the popular Yankee and Great Adventure classes.

Eastern Christian to close school at end of '81 Project Park. The Sault Christian School on Bridge Street will be closed by Eastern Christian School of Sault Ste. Marie at the end of the 1981 school year. A news release from the school said this was "due to circumstances beyond the control of the school.""
Eastern Christian, Manchester vandalized

Eastern Christian, a private school in Manchester, was vandalized on the morning of August 18, 2020. The school reported that several windows were broken and that some graffiti was spray-painted on the walls. The cause of the vandalism is under investigation by the police. This incident comes amid a broader trend of vandalism and destruction that has been occurring across the country in recent months.

Two arrested for attempted break-in

According to Police Captain Stephen Fairchild, two individuals were arrested for attempting to break into Eastern Christian on the morning of August 18. The individuals were caught on security cameras and were subsequently arrested. The school reported that the individuals were attempting to enter the building through a window in the library.

Classifieds

We're different. We work for you.

One of the officers involved in Eastern Christian last week, an electrician, was drawn on the floor and confidential papers were burned. Another officer who was present reported that the school's security system was not functioning properly.

Two arrests were made in connection with the incident. One individual was charged with attempted break and enter and property damage, while the other was charged with criminal mischief.

The school is currently assessing the damage and is working to secure its property. Eastern Christian has a strong history of community involvement and has been a staple of the Manchester community for many years. The school's administration is committed to working closely with the police to ensure the safety of its students and staff.

The school is also encouraging its students and families to remain vigilant and to report any suspicious activity to the police. Eastern Christian continues to be a safe and welcoming environment for all members of the community.

HAWTHORNE TEACHERS ASSOCIATION:
No progress in current talks

By David Murgay

The North Haledon Teachers Association will hold their next grievance meeting at 7:30 p.m. today in the school auditorium. The teachers are meeting with the school district to discuss their contract negotiations.

The teachers are seeking improvements in their contract, including raises, better conditions, and more job security. They are also requesting the removal of a clause that allows the school district to unilaterally change the contract terms.

The school district is offering minimal improvements, and the teachers are not satisfied with the proposed changes. They are planning to continue the negotiations until a fair contract is reached.

Draft sign-ups to begin at the post office next week

By Donna Stein

Draft sign-ups for the next round of the draft will begin at the post office next week. The sign-ups will be held from Monday, July 10, to Friday, July 14.

This week's sign-ups will include the draft number for each registrant. The sign-ups will continue every week until the draft is completed.

Men born in 1960 must register this week or July 21.

Men born in 1961 must register the week of July 21.

Under the Selective Service System, men born in 1960 and 1961 are required to register for the draft beginning July 21. The purpose of the draft registration is to maintain a pool of qualified men for possible military service.

Draft registration will continue every week until the draft is completed. Men who have not registered will be required to do so by July 27.

The draft lottery will be held on July 29, and the draft board will select men based on their registration number.
Decision pending on five motor vehicle violations

Three charges of assault and one of armed assault against a police officer were filed against 23-year-old John Smith, of 123 Main Street, following a violent confrontation in the early hours of Tuesday. Smith was charged with assault and battery, armed assault, and assault with a deadly weapon. The charges stem from an incident that took place on Monday evening when Smith, who was driving a stolen vehicle, confronted a group of police officers who were attempting to apprehend him. Smith fled the scene after a short chase, but was later apprehended by the police after his vehicle was found abandoned in a nearby parking lot.

Smith was arraigned in court on Wednesday and entered a not guilty plea. His attorney, Michael Johnson, said his client plans to fight the charges and that he will seek a trial by jury. "We will be arguing that the evidence presented by the prosecution is insufficient to prove beyond a reasonable doubt that my client committed these crimes," Johnson said. "We believe that our client was wrongly accused and that the police officers who arrested him used excessive force." The trial is scheduled to begin next month.

Annual Republican outing to Asbury another success

Despite a downpour of rain that threatened to dampen the spirits of the gathered crowd, the 12th annual Republican outing to Asbury was a resounding success. The event, held at the historic Asbury Inn, attracted a record number of attendees who gathered to enjoy the sights, sounds, and tastes of the region.

"It was a fantastic event," said John Smith, the Republican candidate for governor. "We had a great turnout and everyone seemed to be having a great time. The food was fantastic and the speeches were inspiring." Smith said he was particularly pleased with the turnout, which exceeded expectations.

The event featured a variety of activities, including a buffet lunch, a raffle, and a keynote speech by Senator Smith. Attendees also had the opportunity to tour the historic Asbury Inn and to visit with local politicians and business leaders.

"It was a wonderful day," said Mary Johnson, a local businesswoman. "I was really impressed with the turnout and the energy of the group. It was clear that the Republicans are on the rise in this area." Johnson said she was particularly impressed with the enthusiasm of the young Republicans who attended the event.

"It was great to see so many young people involved," she said. "I think it shows that the future of the Republican Party is in good hands." The event concluded with a fireworks display and a dance, which drew a large crowd.

Gossip On Parade (GOP)

Production of a show of the same name for the Shermund Theatrical Company, which will begin its run at the Paramount Theater in October, has been announced. The show will be directed by Gene Shermund, who is known for his work with the Shermund Theatrical Company, which has been producing shows in the area for over 30 years. The show will feature a cast of local performers, including actors, singers, and dancers, and will be directed by Shermund. The show will also feature a variety of guest performers, including local musicians and comedians. The show will run for a limited time, and tickets will be available at the Paramount Theater box office.

Electoral Commission Limits Minnogte-STROM Elgins the days of the show with his family. His husband, Bill, is the show's ten-year veteran. "I'm excited to be back on stage," Minnogte-STROM said. "It's been a long time since I've performed, and I'm looking forward to sharing the stage with my family." Minnogte-STROM and her family will be performing a variety of songs and dances, including traditional Minnogte-STROM music and dance. The show will be held at the Citizens' Theater in the downtown area, and tickets will be available at the theater box office.

The show will be directed by Elector Commission Chairwoman Janet Shermund, who is known for her work with the Shermund Theatrical Company. The show will feature a cast of local performers, including actors, singers, and dancers, and will be directed by Shermund. The show will also feature a variety of guest performers, including local musicians and comedians. The show will run for a limited time, and tickets will be available at the Shermund Theater box office.

Decision pending on five motor vehicle violations

Three charges of assault and one of manslaughter against local resident Louis E. Cadamuro of 905 Foley St. were returned at the District Court yesterday morning by Justice William J. Cullen. The three charges are assault with intent to commit murder, assault with a dangerous weapon, and assault and battery.

Cadamuro, who was arrested last Sunday, was held without bail pending his arraignment in District Court today.

The four-vehicle accident on Route 66 in Granville, which resulted in the death of a 62-year-old woman, is still under investigation by the State Police.

A brief statement was released by the police, saying that the investigation is continuing and that no charges have been filed.

Annual Republican outing to Asbury another success

After a day of fun in the sun, the Republican annual outing to Asbury Park was a success, according to Republican leaders.

"The outing was a great success," said Mr. John H. Wilson, chairman of the Republican County Committee. "The weather was perfect, and the turnout was excellent."

Mr. Wilson praised the organization and planning of the event, saying that it was "organized and efficient." He added that he was "pleased with the turnout."
All Stars rack up a 2-0 record in the P&L tournament

The All Stars all scored some runs of their own and with a total of 20 runs in the entire tournament. The All Stars dominated the games with their hitting, pitching, and base running skills. The All Stars finished the tournament with a perfect 2-0 record and were declared champions.

Three teams remain in girls invitational tournament

The tournament is being held in balance with some of the girls teams. The three teams who remained in the tournament are Sea Biscuit, Panama, and Calypso. They will be competing for the title in the upcoming games.

Testimonial planned for Jim Wheeler

A testimonial planned for Jim Wheeler is scheduled for Saturday, July 7th. The event will feature speakers, food, and entertainment. The proceeds from the event will be donated to a local charity.

North Haledon Notes

By Dave Ruffin

When a one-man show, including the planning, research and production, can result in an award-winning event, one must consider the dedication and hard work involved.

The recent event, "The North Haledon Lions Club's Night at the Races," was a resounding success, attracting hundreds of participants. The event was not only a fun night but also raised funds for the community.

Lions President John Watson, who spearheaded the organization, expressed his gratitude to all who participated, stating, "We couldn't have done it without the support of our members and the community."

The evening began with a grand entrance, featuring decorated racecars and a lively atmosphere. Attendees were treated to a variety of games and activities, including a silent auction and a raffle. Prizes were donated by local businesses, adding to the excitement.

The highlight of the night was the races themselves, which were participated in by various local residents and businesses. The races were well-organized, providing a thrilling experience for both the participants and the spectators.

The event also included a live performance by a local band, which added to the festive atmosphere. Everyone was captured in the joy of the moment, celebrating the achievements of the North Haledon Lions Club.

The Night at the Races proved to be a fulfilling experience for all involved, showcasing the endless possibilities that can be achieved through hard work and dedication. The North Haledon Lions Club is an excellent example of how collaboration can bring about positive change in a community.

North Haledon passes water agreement ordinance

By John S. Smith

After years of controversy and negotiations concerning water service to right, North Haledon decided to work with Exitus for a resolution. The decision has been met with mixed reactions, as some are in favor of the plan, while others are opposed.

North Haledon Mayor John Carlstrom expressed his support for the agreement, stating, "This is a win for all involved. It allows us to continue our growth while ensuring our residents have reliable access to water."" The plan will relocate Exitus's source to the south, which is expected to be completed in early 2023.

North Haledon has also agreed to pay $7,000 to Exitus in compensation for the inconvenience caused during the transition. The agreement is expected to benefit both parties, as Exitus will expand its operations and North Haledon will have a more stable water supply.

The decision was met with mixed reactions from North Haledon residents, with some in favor of the plan and others opposed. However, everyone agrees that the water crisis is a serious issue and that a solution needs to be found.

The Mayor thanked those who were involved in the negotiations, stating, "This is a true example of what can be achieved when we work together. I am confident that this agreement will benefit all residents." The plan is expected to be completed by early 2023.
North Haledon Notes

By Dave Stimson

DURING THE PAST TWO WEEKS, the following events occurred in North Haledon. Please note that the information is accurate as of the date of publication.

**Prospect Park Patter**

**North Haledon Notes**

**Kowalski on woman's club honor roll list**

Barbara Kowalski, a new member of the North Haledon Women's Club, was recently appointed to the Women's Auxiliary of the Women's Club of the National Federation of Women's Clubs, Council 60, of the Union County Federation of Women's Clubs. She serves as a member of the executive committee of the club and as a member of the Women's Auxiliary of the Women's Club of the National Federation of Women's Clubs, Council 60, of the Union County Federation of Women's Clubs.

**Prospect Park seniors**

**Charging fees is more expensive than just a phone call.**

Before you go to the expense of charging a fee for using your phone, consider the alternatives. There may be a cheaper way to communicate that is easier and more convenient. You can use a landline, a payphone, or a cell phone, depending on your situation. Additionally, you can try using a voicemail system or a call-forwarding service to route calls to your cell phone. Always check your phone bill and plan your calls accordingly to avoid unnecessary expenses.

**PATRONS CREDITED WITH RESCUE FROM FIRE**

Two hundred families were hurt from their sleep and prevented from serious injuries when their apartment complex in the Diamond Bridge Avenue area was struck by lightning on Wednesday evening.

Joseph M. Davis and Ptl. John J. Dumesnee were on watch patrol on the night of the 14th when they noticed a steady flashing coming from a smoke alarm at 135 Diamond Bridge Avenue. The fire department reported to the scene and extinguished the flames before they could spread. The three families in the apartment were able to escape without injury. 

According to police, the cause of the fire was a lightning strike that caused a short circuit in the electrical system. The fire department responded to the scene within minutes and contained the fire before it could spread further.

The families who were rescued have been provided temporary housing and assistance through the American Red Cross. thankful for the quick response of the fire department and the patrol officers.

**Nazzari chosen administrative assistant**

Dr. Richard Nazzari, who has been president of the Lincoln School and the Institute for Research and Development of Lincoln, has been appointed as the new administrative assistant for the Institute. Dr. Nazzari will assume his duties at the beginning of the academic year in September.

The appointment of Dr. Nazzari is in line with the Institute's desire to expand its programs and services. The Institute has been growing in recent years, and its need for a strong administrative assistant has become more apparent.

Dr. Nazzari brings a wealth of experience to the Institute. He has served as the president of the Institute for Research and Development of Lincoln, and his expertise in the field of education and psychology is well respected.

The Institute is grateful for the services of Dr. Nazzari and looks forward to the continued growth and success of the Institute under his leadership.
Theft of $170 bicycle nets $250 fine in court

LeRoy R. Clemons, 82, Warren Street, Paterson, was held bound in court Tuesday afternoon on a charge of stealing a $170 bicycle. The bicycle was recovered in a Paterson house and the defendant was credited with 11 days in jail on a pretrial report.

Judge Donald F. Robinson is in charge of the matter, which was continued to a later date.

Mopeds - Learn the rules

With summer weather and the increase in outdoor activity, more and more people are using mopeds to get around. This year, the County Department of Health has received numerous complaints about mopeds, and has issued new rules to address the issue. These new rules are designed to ensure the safety and well-being of all users of mopeds.

The new rules include:
- Wearing a helmet: All riders must wear a helmet while riding a moped.
- Stopping and yielding: When approaching an intersection, mopeds must stop and yield to all other vehicles.
- Speed limits: Mopeds are limited to a maximum speed of 25 mph.
- Use of headlights: Mopeds must use headlights at all times, even during the day.
- Registration: Mopeds must be registered with the County Department of Health.

Violations of these rules can result in fines and other penalties. If you are using a moped, please make sure to follow these rules and to ride safely.

Changing fuels is more expensive than just a phone call.

Before you go in the wrong direction thinking your fuel is too expensive, take a little time to shop around and compare prices. In most cases, it will save you money and help you make an informed decision. The key is to be aware of the different options available and to choose the one that best suits your needs.

editorial

The GOP convention raises some serious issues

When a Reagan hanger-on addressed the group at Hawthorne's GOP luncheon during the local primary voting in Ashbury Park last week, he explained that the popular candidate of last year was "hardly dead" according to all the election figures. But what if they were错了? Who would have thought that a few months ago in Beverly, the very same man might have been the ticket for the state convention? Who would have thought that the speakers at the convention was a surprise for the Republican convention? Could it be that the same man who speak to the convention was a surprise for the Republican convention? Concordia will be reading the entire text.

Judge cracks down on youths for moped violations

Noting that there was "no excuse" in the trend of young people riding mopeds in Rehoboth Beach and its environs, Judge Donald Norman issued a warning to the citizens of the area on Tuesday. Judge Norman, who heard the case in a situation where he said he had no previous experience, said he was prepared to make an example of the defendants.

"We have no reason to believe you are a bit of a menace," Judge Norman said to 17-year-old Matthew Aronson of Rehoboth Beach, who was charged with riding a moped while under the influence of alcohol. "We have no reason to believe you are a bit of a menace," he said.

"It's not right to ride a moped without a license," Judge Norman said. "You are under a duty to own a license and use it properly."

The judge also noted that the defendant had been charged with riding a moped while under the influence of alcohol, and that he had been charged with riding a moped while under the influence of a controlled substance.

"You have committed a serious offense," Judge Norman said to 17-year-old Matthew Aronson of Rehoboth Beach, who was charged with riding a moped while under the influence of alcohol. "You have committed a serious offense," he said.

"I see no reason to treat you any differently," Judge Norman said to 17-year-old Matthew Aronson of Rehoboth Beach, who was charged with riding a moped while under the influence of alcohol. "I see no reason to treat you any differently," he said.

"I see no reason to treat you any differently," Judge Norman said to 17-year-old Matthew Aronson of Rehoboth Beach, who was charged with riding a moped while under the influence of alcohol. "I see no reason to treat you any differently," he said.

A few guidelines and reminders for publicity chairpersons

The purpose of the National Day of Prayer and Fasting is to encourage individuals, churches, and organizations to pray and fast on the first Thursday of May. It is a day set aside for personal and corporate prayer and reflection on matters of national importance. The day is observed in the United States and is supported by various religious and non-religious organizations.

Some guidelines for hosting events include:
1. Encourage participants to fast and pray during the day.
2. Provide opportunities for prayer and reflection, such as prayer meetings or silent prayer sessions.
3. Avoid activities that may distract from the purpose of the day.
4. Promote the event through local media and social media platforms.
5. Encourage participants to share their experiences on social media.
6. Provide resources for further study and reflection.

We encourage chairpersons to use these guidelines to help ensure that their event is successful and meaningful for all participants.

Outdoors concerts set at Riverbend Square

Riverbend Square will host a series of outdoor concerts this summer. The concerts will be held on the main stage in the parking area of the mall. The concerts will take place on Saturdays at 7:00 PM. The line-up includes a variety of musical genres, from rock to country.

Tickets are $20 per person and can be purchased online or at the door. Food and beverages will be available for purchase.

All outdoor concerts are free to the public. For more information, visit riverbend-square.com or call 555-1234.
Hook gets playoff berth

McGraw Express caught the heat in its last game, taking it home in a win to move into the NL playoffs the following day. The Express was led by the闸 for the Gateway Express, scoring nine runs to six to advance to the NL semifinals. The Express may need two more wins to win the NL title.

It's your cup of Tea... and saucer FREE!

Lombardo voted outstanding clubwoman

Anne Lombardo of the Manchester Women’s Club was named outstanding clubwoman at the annual Outstanding Clubwoman dinner held at the Manchester Country Club. Lombardo is a volunteer at the town’s Family and Children’s Center.

"The club members are very pleased to recognize Anne's dedication and service to the community," said Club President Mary Smith. "Anne is a true role model for all of us. She is always willing to lend a helping hand and her contributions have been invaluable to the club and the community."

Lombardo has been a member of the Manchester Women’s Club for over 10 years. During her tenure, she has served in various capacities, including as treasurer, secretary, and member of the executive committee. She has also been actively involved in numerous community events and initiatives.

"I am extremely honored to receive this recognition," said Lombardo. "It is a privilege to be part of the Manchester Women’s Club and to contribute to the well-being of the community. I look forward to continuing my involvement and supporting the club’s goals and objectives."

**Graves: Cleaning up the Passaic River seems to be a losing battle**

The Passaic River, which flows through Paterson and Little Falls in Passaic County, has been a source of pollution and environmental degradation for many years. The river is known for its high levels of industrial waste and sewage, leading to serious ecological problems and health issues for those living along its banks. Despite numerous cleanup efforts, the river continues to face challenges in maintaining its health and ecological balance.

**Field day planned at high school**

On October 25, 2013, a field day is planned at the high school to promote physical fitness and team-building among students. The event is open to all students and aims to provide a fun and engaging way to improve their health and well-being. Students can participate in various games and activities, promoting a healthy lifestyle and encouraging a spirit of camaraderie.

**Rotary Club gets award for blood bank program**

The Rotary Club of Hawthorne has received an award for their outstanding contribution to the blood bank program. Their efforts have been recognized for their dedication to supporting local hospitals and medical needs. The award ceremony will be held on November 1, 2013, and will feature speeches from club members and local dignitaries, highlighting the importance of community service and the impact of the blood bank program.
