The music rendered by these men is an asset to any community that has the opportunity to arrange such programs. The E.R.A. leisure time project can claim that they have made a valuable contribution to our county by permitting unemployed musicians to entertain the citizens. This work should be continued, and when the E.R.A. is dropped, the county school system should plan to include this in the curricula of the schools

WHAT YOUTH NEEDS

The success of our armies in time of war depends upon the efficiency and high standards of our peace time army. We can look forward to continued victories on the battle fields, in the event of war, only as long as we are willing to maintain an adequate and well-trained nucleus in times of peace.

WHAT YOUTH NEEDS

WHAT YOUTH NEEDS

Today, youth needs, more than ever before, the wise companionship and the tolerant, sympathetic counsel of adults. It needs the example of social-minded leaders in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the affairs of city, state, and nation-men and womers in the state of course in the present time should hasten the preparations of the U-mited States in the building up of its armed forces, for the purpose of insuring this nation's strict neural trailing the city of the present time should hasten the preparations of the U-mited States in the building up of its armed forces, for the purpose of insuring this nation's strict neural trailing the city of the present time should hasten the preparations of the U-mited States in the building up of its armed forces, for the purpose of insuring this nation's strict neural trailing the city of the city en who are not too proud nor too engrossed in their own affairs to take part in constructive politics, and whose actions are guided by a genuine sense of social responsibility.—Walter D. Mr. Maitland is ideally suited to give of his time and ability to the service and well being of the borough.
When appraised of the result of

his friends activities he made the following statement for publica-tion; "It is with a very definite sense of appreciation that I ac-cept the high honor and compli-ment which my friends and neighbors seek to confer upon me in having my name placed in nominthome as a candidate for the of-fice of Borough Commissioner.

In granting my personal sanc-
