Studebaker buying wave sweeps the nation!

Another all-time record in April!
More people bought new Studebaker cars and trucks in April 1949 than in any previous month in any year.

Studebaker sales in January, February, and March were the biggest for any quarter in Studebaker history.

Twice this year Studebaker has increased production in an attempt to meet this sensational upsurge in demand.

1949 is a Studebaker year!

Studebaker's really rolling!
