Hawthorne Jaycees Hold Awards Night Present First JCI Senatorship to Kreger

Hawthorne, N.J. - The Hawthorne Jaycees held their annual awards night last night and presented the first JCI Senatorship to Mrs. Elizabeth Kreger of West Orange.

The Senatorship is given to the first person to attend all JCI Senator conventions in a specified state. Mrs. Kreger, who is also a member of the JCI National Board of Directors, will travel to Washington D.C. in July to receive the national JCI Senatorship and attend the JCI National Convention.

The event was attended by many local dignitaries and featured a guest speaker who discussed the importance of youth involvement in community affairs. Attendees also enjoyed a dinner and live entertainment provided by a local band.

The Hawthorne Jaycees, a group dedicated to community service and youth leadership, are currently seeking new members to further their mission. For more information, interested individuals can contact the organization through their official website or by reaching out to their local representative.

Discussion On Expansion Planned For This Evening

Hawthorne, N.J. - A public hearing is scheduled for this evening to discuss plans for the expansion of a local business. The hearing will take place at the Hawthorne Senior Center, and all residents are encouraged to attend.

The expansion plans include the addition of new facilities and services that will benefit both the local community and the business itself. Representatives from the business will be present to address any concerns or questions from attendees.

Residents are urged to come prepared with their thoughts and ideas, as the hearing will provide an opportunity to shape the future of the project. Those unable to attend the hearing can submit their comments in writing to the city council to ensure their voices are heard.

High School Inducts Honor Society Members

Hawthorne, N.J. - The Hawthorne High School held a ceremony last week to induct its latest members into the Honor Society. The inductees were selected based on their academic excellence and extracurricular contributions to the school.

The inductees will now be eligible to participate in various society-sponsored events and activities, which aim to foster leadership, community service, and camaraderie among its members. The society's annual induction ceremony is an important event for the high school, as it celebrates the achievements of its students and recognizes their dedication to academic success.

Winners Of Road-E-O Receive Trophies

Hawthorne, N.J. - The Road-E-O, a popular annual event, recently came to an end, and the winners were presented with their trophies during a ceremony held at the Hawthorne Senior Center.

The Road-E-O is a competition where teams navigate an obstacle course designed to test their driving skills and teamwork. This year's winners displayed remarkable skills in maneuvering through the course, impressing the judges and the audience alike.

The trophies were presented to the top three teams, and each winner was congratulated for their outstanding performance. The event is eagerly anticipated by participants and spectators alike, and the organizers are already looking forward to next year's edition.

PAUSE TO PRAY FOR THOSE WHO GAVE THEIR ALL FOR US...

Our honored dead did not ask why, they did not question the politics of war. They did not have to display their patriotism, our country was in trouble. They answered the call and those who made the supreme sacrifice did so with all of the tradition of our soldiers who died in our past wars... and now on this Memorial Day let us pay tribute to those who gave their lives that we may continue to live beneath the banner of freedom and democracy.

ON MEMORIAL DAY

Remember... Our Boys in Vietnam Want Our Support...
Not Our Protests
