editorial

Don't let apathy win at the polls next Tuesday

The democratic process thrives on informed citizens participating actively in their communities. This is evident in the area's recent school bond election which demonstrated a strong commitment to education. Now, as we approach the Tuesday, May 1, election, it is essential that we maintain this level of engagement.

Coping with the gasoline shortage

For the week of May 24

Memorial Day weekend is a time to honor the service of our military personnel. However, the gasoline shortage is causing some inconvenience. Wagarsaw Road and Lincoln Street - a trouble spot

The problem with the Wagarsaw Road and Lincoln Street problem is that there's not enough room for two-way traffic. The solution is to relocate the wagarsaw road to the other side of the street so that it doesn't impede traffic.
