ARMISTICE DAY

Armistice Day

There were no raids to „hang“ about our heads this year. It is the privilege of the American people to wear the red, white and blue with pride. We are safe from the terror of war and have the freedom to grow as individuals and as a nation. We are grateful for this peace and will do our part to make it last.

Winter Is Just Around The Corner

Here's how to stay warm and comfortable this winter. For one thing, it's a good idea to make sure your home is well-insulated. The better the insulation, the more comfortable you'll be. Another thing to remember is to keep your heating system in good working order. Regular maintenance can help prevent costly repairs and keep your energy costs down. Be sure to check your furnace and other heating equipment and replace filters as needed. With these tips in mind, you'll be well-prepared for whatever the winter weather brings. Stay warm and safe this season! - The Hawthorne Press
