THANKSGIVING
A Day to Remember
In All Our Prayers

Above All Else, On This Thanksgiving Day, we raise our voices in profound Thanks for the many joys and blessings that surround our home: the good health and happiness of our Family and Friends. The prosperity and vigor of our communities, the rich heritage of Freedom which is responsible for our country's growth and development, the greatness... In these blessings we take pride, so did our Founders and with all our Strength we pledge anew, so they did on this day, to preserve and cherish these Gifts of Liberty.
