CAR HITS HOUSE

Planning Bd. classifies three applications

The Todd family of 9 Sandra Drive was excited by the small white cat they saw in their driveway. They were about to call the police when they noticed it was a very small, skinny cat, who they decided to adopt. They named it Noodle because it was small and had a unique personality. Noodle became the entire family's favorite pet. The family hopes to bring more joy into their home with Noodle as their new family member.
