North Haledon winners are all smiles. From left: Betty Lotz, the first woman ever elected to the council in this community; Peter Sloomaker and James Botbyl.

## Incumbents return

**Prospect Park** — Republican council incumbents Martin Ver Hage and Robert Adams easily turned back one of the strongest challenges Democrats were able to muster.

Ver Hage received 924 votes and Adams, 860, winning in each of the borough's four voting districts.

Democratic candidates, Pat D'Arco and Harold Fleming, received 562 and 581 respectively. D'Arco and Fleming, both first time candidates, were two contenders who were viewed as possible winners because of the controversy surrounding the appointment of Police Chief Glenn Saltzberger. Although both D'Arco and Fleming have lived in the borough less than three years, they were confident of victory.

However, one prominent Democrat in the borough blamed their defeat on a political circular mailed to voters on Monday. He termed the circular "atrocious" and "in poor taste."

In the 35th district legislative race, State Senator Frank X. Graves became the second Democrat in the history of this borough to beat his Republican opponent, Rep. Robert A. Roe started the trend in 1976.

Graves took every district and wound up with a vote of 825 compared to his Republican opponent, Frank E. Gorman, who received 629 votes. On the other hand, gubernatorial candidate, Republican Thomas Kean, received 1026 votes against James Florio's 508 votes.

## GOP wins 2-1

**North Haledon** — The Republicans won a 2-1 victory in the race for mayor and council seats here Tuesday.

Peter Sloomaker, an incumbent councilman seeking the unexpired term for mayor, received 2137 votes compared to 924 for Democratic candidate Richard Hajjar.

For two council seats, GOP candidates James Botbyl and Betty Lotz won with 2140 and 2137 respectively. Democratic contender Martin Schottanes garnered 999 votes.

Sloomaker called the outcome "a credit to the people of North Haledon, Republicans, Democrats and independents, who realize that the incumbent party has been working in their best interest."

"In spite of our problems, the present administration has been working to bring them to resolution. We are grateful for the voters' support. Our job now is to unify the borough of North Haledon as it ought to be...so we can continue to move forward," said Sloomaker.

Betty Lotz, who is the first woman ever elected to the council in North Haledon, said the victory was "a great feeling."

## Kean gets 62% here

With a 66 percent voter turnout in Hawthorne, Tom Kean was high vote-getter, winning the borough 3974 to 2397 for Florio. Kean won in every district except the sixth where Florio received one more vote, 210-209.

With 62 percent of the vote, Kean led a Republican sweep for the candidates in the county race, but there was a Democratic upset on the legislative contest. John Girgenti and Frank Graves came in second and third respectively, marking the first time that anyone here could recall Democratic legislators winning in this traditional GOP community.

Girgenti, a Hawthorne resident who started his political career on the school board, received 3526 votes in his hometown. An other borough resident, Russell Meneve, a GOP candidate for assembly on the 35th legislative district garnered 3190 votes. Democratic incumbent Vincent "Ozzie" Pellechia received 2609 votes, while Republican Fred Burgos had 2544.

Frank Graves, the Democratic incumbent for the 35th district state senate seat, received strong bi-partisan support winning Hawthorne with 3308 votes. His opponent Frank Gorman had 2604 votes here.

Results in the freeholder race put Louise Friedman on top with 3238, followed by Fred De Furia, 3189; Joseph Lobosco, 2462 and Nick De Luccia, 2407.

For register of deeds, Frank Sylvester received 3240 to 2326 for Alex Komar.

## GOP freeholders win

A 10-year Democratic control of the county board of freeholders came to an end Tuesday when Louise Friedman and Fred De Furia won both seats giving the Republicans a 4-3 majority.

Their victory was part of a Republican sweep in Passaic County led by Tom Kean's win in this area. Kean led the ticket with 62,115 votes edging out Jim Florio at 58,522. These figures represent the final county tally including absentees.

Rocky Motta, the new county GOP leader and Jean Hughes of Hawthorne, vice chairlady, were elated with the win in a county where registered Democrats outnumber the Republicans 2-1.

"You are now witnessing the rebirth of the Republican party," said Motta at the county celebration in Clifton Tuesday night.

Friedman, who is returning to the freeholder seat she held from 1972-78, led the race with 56,226. De Furia, who also won re-election as mayor of Little Falls on Tuesday, was close behind with 51,491. Their Democratic opponents, incumbent Joseph Lobosco and Nick De Luccia, received 48,528 and 46,984 respectively. These results are based on 260 out of 265 districts, minus the absentee vote. Both Friedman and De Furia promised sweeping changes in county administration.

In the race for register of deeds, Republican Frank Sylvester defeated Alex Komar 52,147 to 48,263.

## Democrats retain 35th

The 35th district's legislative slate eased its way to victory as State Senator Frank X. Graves, Assemblyman John A. Girgenti and Assemblyman Vincent "Ozzie" Pellechia were re-elected.

Their win was significant not only because the team survived a county Republican sweep but also because of the plurality that they achieved.

For Graves, who had 23,787 to 7017 for Frank Gorman (with 260 out of 265 districts counted) won the largest plurality ever in his hometown of Paterson, garnering 85 percent of the vote there.

"The outcome is a new political record," said Graves Wednesday morning. "I thank the people of Paterson, Hawthorne, Haledon, Prospect Park and Elmwood Park for their vote which translates into confidence for the representation our legislative team has provided in Trenton."

Graves carried every town in his district and in one Paterson ward, he received a vote to 376-0. He noted that in the suburban vote, he carried towns that never before elected a Democratic senator.

Congressman Robert A. Roe, speaking at Graves' headquarters, called the outcome "a tribute to Frank's strength and a bellwether for the Democratic party in Paterson."

Assemblymen Girgenti and Pellechia received 21,245 and 19,707 (based on 260 out of 265 districts) respectively. The Republican contenders Fred Burgos and Russell Meneve received 9221 and 8293 respectively.

Both were elated with their victory as the county Democrats counted their losses at the Brownstone House in Paterson Tuesday night.

## Guilty charge on damage to property costs \$600 plus

Kenneth R. Perrotta of 88 Parmalee Avenue pleaded guilty to a charge of causing damage to tangible property in last Thursday's session of municipal court. Perrotta's attorney, Adolph Galluccio, apologized to the court on behalf of his client. "This is sincerely the last time this will happen. He (Perrotta) wishes to apologize and pay for the damage." The defendant was charged with slashing tires, scratching cars with a blunt instrument and damaging the antennas. The vehicles belonged to James Alfano, 43 Eckings Avenue and Janet Tracey, 51 Buena Vista Avenue.

"I consider this type of conduct to be serious. The action of striking out at others in this manner is not understandable. This court has never and will never condone it," said Judge Donald Reenstra.

Perrotta was fined \$600 plus \$50 court costs and was ordered to pay \$1200 in restitution. He was also sentenced to 30-days in the Passaic County Jail, but this was suspended. The defendant was put on two years supervised probation.

Raymond Gambowsky, the owner of Bedlam Brass Bed Co., 85 Ethel Avenue, pleaded "not guilty" to a charge of abducting a rear fire exit, but was found guilty by Reenstra. Gambowsky was fined \$50 plus \$15 court costs.

## North Haledon case heard in boro court

A North Haledon case involving four charges against a Prospect Park woman and counter charges of assault against three of that community's policemen was heard in Hawthorne municipal court last week.

Mrs. Donna Maria Bleeker of 251 North 11th Street, Prospect Park was charged with resisting arrest, using profanity, assault and disorderly conduct. The arrest stemmed from an April 15th incident in which Bleeker entered North Haledon police headquarters to inquire about the theft of her 12-year-old son's bicycle.

According to Ptl. Lawrence Rudesyle, Bleeker shifted the discussion to her 18-year-old son, Barry, against whom two warrants had been issued for contempt of court. The officer testified that Bleeker became loud and abusive, and despite a warning by police, continued to act in a disorderly manner.

Rudesyle said when he informed Bleeker that she was under arrest, he put his hand on her shoulder in an attempt to calm her down. She then began to punch and kick the officer, he said.

Bleeker was handcuffed and put in the jail cell for several hours until bail was posted. She filed counter charges against Rudesyle and Ptl. Robert Wingate and Ptl. Ferrante for assault.

Rudesyle said he only used "as much force as was necessary to effect the arrest."

Bleeker testified that she had her 12-year-old son with her when she went to headquarters. "My son watched two men literally pick me up and put me in jail. He didn't know where to go."

The defendant was found guilty of resisting arrest and using profanity and fined \$200 plus \$20 court costs. She was found not guilty of assault and disorderly conduct. Judge Reenstra dismissed the charge against Ferrante and found Ptl. Rudesyle and Ptl. Wingate not guilty of assault.

Fire Prevention Chief Louis J. Bay signed the complaint against Gambowsky for parking a trailer in such a way as to block the rear exit.

The defendant explained that he has gone through all the proper channels to gain information on borough regulations and now has the trailer parked ten feet from its original location.

A Prospect Park resident was found guilty of using loud and profane language at the Triangle Diner on October 21. Charges were filed against Maxine Caroline Orbach, 25, North 11th

Street, Prospect Park by Jane Van Boarcom, 67 Center Street Clifton, who waitresses at the diner.

Van Boarcom stated she had waited on the defendant when she became loud and abusive and stated she didn't like Van Boarcom's hair style.

"I'm guilty of cursing," said Orbach, who was fined \$50 and \$15 court costs.

Mary Cosme, 9057 Palisade Avenue, North Bergen was found guilty of writing a check for insufficient funds to Robert Coltenback, 49 North 15th Street, her former landlord. She was ordered to pay restitution in the amount of \$410. A \$25 fine was issued and suspended.

Two Paterson men, John Evans, 34 Erie Street, and Vincent Vordano, 557 River Street who were arrested on October 27 for shooting BB guns on Wagaraw Road pleaded guilty to the charge. They stated that they were taking target practice at trees. Fines were issued to each defendant in the amount of \$15 plus \$10 court costs.

## Borough youth sentenced to term at Yardville

A 17-year old Hawthorne youth was sentenced to an indeterminate term (three-year maximum) at the Yardville Correctional Center last month. Kevin Lindenthaler had pleaded guilty to theft, after admitting he stole rings worth \$850 from a home on Arlington Avenue on November 7, 1980.

Lindenthaler was sentenced by Judge Adolph Romei who released the juvenile's name. The judge stated, "The right of the public to know outweighs any possible influence the disclosure of his name would have on the youth's rehabilitation."

The hearing for this matter was held on August 3rd in the juvenile and domestic relations court. Lindenthaler pleaded guilty to the theft and also to a charge that he had

violated probation that was imposed for two break and entries he had committed in 1979 when he was 15 years old.

Romei set September 14th for sentencing, but when Lindenthaler reappeared before the court, his attorney asked for the jail term to be stayed for 30 days to give the juvenile the opportunity to show the court that he deserved a break.

According to Assistant Prosecutor Kevin Wronko, following the 30 day review, the judge found that Lindenthaler "had not availed himself of the opportunity and sentenced him to Yardville."

The rings which were stolen from the borough residence were not recovered and no restitution was ordered.

## the dimmer side

by Pam Hickman

October 27

During the night, about \$76 worth of gas was syphoned from several trucks owned by Singer Interstate Carriers, 17 Passaic Avenue.

While investigating a car accident on Barnford Avenue, police learned that the driver was a 16-year-old youth who had taken his parent's car without their consent. Due to the boy's lack of driving experience, he had struck four parked cars. The juvenile was released into his parents' custody pending immediate juvenile court action.

Sometime during the night, four wheel covers and the windshield were broken on a vehicle owned by Daniel Peacock, 444 Lincoln Avenue.

A custodian of Hawthorne High School reported that "someone" had stolen the American flag from the flag pole during the night.

Complaints and counter complaints were signed by Peter Barkenbush, 74 North 11th Street and Amer Lee, 21 Westervelt Avenue, following a fight between the two men.

The owner of The Kid's Shop, 111 Wagaraw Road, reported that two women had stolen a ski jacket valued at \$50. An investigation is continuing.

October 29

Four wheel covers were stolen from a vehicle owned by Raymond Stellingwerf, 515 Goffle Hill Road. The stolen property is valued at \$200.

October 30

While he was attempting to cash a check at Alfred's Jewelers, 580 Lafayette Avenue, police were called to the scene and they arrested Matthew Kraccek, 76 North Walnut Street, Ridgewood on charges of stealing and forging a check.

A second complaint was signed against Kraccek by the owner of Diamond Liquors, 205 Diamond Bridge Avenue, also for forging a check. A court date will be set.

October 31

Scott Ver Hauge, 37 Hanover Place, Wayne, reported that while he was driving his car on Goffle Road, someone threw an object at his windshield and sped away.

While investigating a disturbance on Mohawk Avenue, police arrested three adults and one juvenile for disorderly conduct. Arrested were Peter Barkenbush, 74 North 11th Street, David Weir, 34 Macfarlan Avenue, and Joseph Balesic, 214 Holt Street, Hackensack. While making the arrest Ptl. Peter Vander Pyl was assaulted by a 15-year-old borough youth. The youth was also placed under arrest, being charged with disorderly conduct pending juvenile court action. The three adults also face court hearings.

November 1

Police stopped Kenneth Gauff, 197 Hiawatha Place, Oakland, on a motor vehicle violation. Gauff was charged with improper passing and also arrested for disorderly conduct. A court appearance is pending.

While investigating the motor vehicle violation, Ptl. Peter Vander Velde observed a juvenile with an alcoholic beverage and a knife. The 17-year-old borough resident was then placed under arrest, pending juvenile court action.

November 2

After parking his van near Frank's Deli, Lafayette Avenue, Daniel Faber Jr., 40 Dietrich Lane, North Haledon reported that the vehicle was entered and a stereo, valued at \$359, was stolen.

Kids' vote 57%; actual vote, 62%

## School children elect Kean

The week before the gubernatorial election, elementary school children in the borough voted Tom Kean into office. Out of 857 voters, the Republican candidate received 489 votes to 368 for Jim Florio.

The 57 percent victory was close to Tuesday's actual results in the borough. Hawthorne gave Kean 62 percent of the vote.

In Franklin School where 129 students, grades five-eight, voted, Kean won nearly two to one. The GOP contender received 82 votes to Florio's 47.

Jefferson School's grades four-eight cast 141 for Kean to 77 for his opponent. There were 218 votes cast.

The fourth grade at Washington School voted Kean into office 33 to 16 out of 49 votes cast.

The margins were slimmer at the Roosevelt and Lincoln Schools. Out of 216

votes at Lincoln School, there were 109 for Kean and 107 for Florio. The fourth grade's results 33 to 9 for Kean made the difference because grades five-eight votes 76 to 98 for the GOP candidate.

At Roosevelt Kean received 124 and Florio, 121. Out of 245 votes cast, the results were 109-92, grades five-eight but Florio won 29-15 in grade four.

The mock election was conducted by the middle grade students in the district's Path program. The group read newspaper articles and collected campaign literature to explore the candidates' positions on various issues. School representatives announced the election.

The fifth grade students put up bulletin boards and counted the votes. The sixth graders wrote a news sheet called *The Path Press* and provided information on both candidates.

## editorial

for the week of November 4th

### Some mistakes are not that easily corrected

Like most newspapers, it's not our policy to correct mistakes that are made in other publications. This time we're making an exception because of the concern expressed by several of our readers about an item in last week's Press.

The issue involves a letter to the editor in which a borough resident expressed her dismay over a news item which reported that Judge Adolph Romei had sentenced a seven-year-old Hawthorne youth to three years in jail.

Just to set the record straight the youth was 17 not seven. The article

which was published in a Paterson paper on October 14, had the "7" in the headline, the story and even mentioned that the youth had been on probation since age "5".

The correct account of the juvenile court case is published on page three of this week's Press. A correction to the account was also carried in the October 15th edition of the same daily newspaper, but the revision said only that the previous day's story about 17-year-old Kevin Lindenthaler was "incorrectly reported." Needless to say, there are several Hawthorne

residents who never saw the correction.

The three-time mistake makes it easier for us to understand the value of that old newspaper style which requires every number under 10 to be spelled out. Modern newspaper styles have discarded this practice, but in our case, having learned the craft of typesetting from an 80-year-old linotype operator, now deceased, the tradition continues.

The real issue here is not typographical errors. Our newspaper makes its share of "typos" and also

has its embarrassing moments.

The crux of this matter is the outrage that many borough residents, most of them mothers of their own children, felt about the prospect of a seven-year-old being remanded to prison.

In spite of the public's fear about rising crime rates and increasing problems with today's juveniles, it's obvious that the public wants rehabilitation to be attempted before more drastic measures are taken. It's a topic that deserves further treatment in future issues.

### Strengthen the nation's gun law

810 18th Street, NW  
Washington, DC 20006

Dear editor,

The Attorney General's Task Force on Violent Crime has recommended four common-sense steps to strengthen the nation's gun law and make it more difficult for the criminal and the crazed to acquire handguns.

The task force has urged the president to stop the importation of "Saturday Night Special" parts; require that handgun buyers be checked out to make sure they don't have a criminal record before they pick up a handgun; put behind bars anyone who uses a gun in the commission of a crime; and have handgun owners report the theft or loss of their weapons.

This gives President Reagan, himself nearly killed with a Saturday Night Special, an opportunity to lead this Congress in an effort to stop handgun violence in America. If passed, these handgun control measures would save lives and help make America safe

once again.

Write the president today and urge him to adopt the task force's recommendations. You can use this address: President Ronald Reagan, The White House, Washington, D.C. 20500. Do it today. Every letter counts!

### Voting counts

Dear editor,

I would like to thank all of residents who took time out from their busy schedules to vote on Tuesday. The public expresses its views through the voting process. The leaders selected must try to serve the needs of the public.

Even though I am not old enough to vote, I realize the importance of this privilege and will be sure to vote when the time comes.

Sincerely,  
Donald Dykstra

### A hazardous intersection

Prospect Park, NJ

Dear editor,

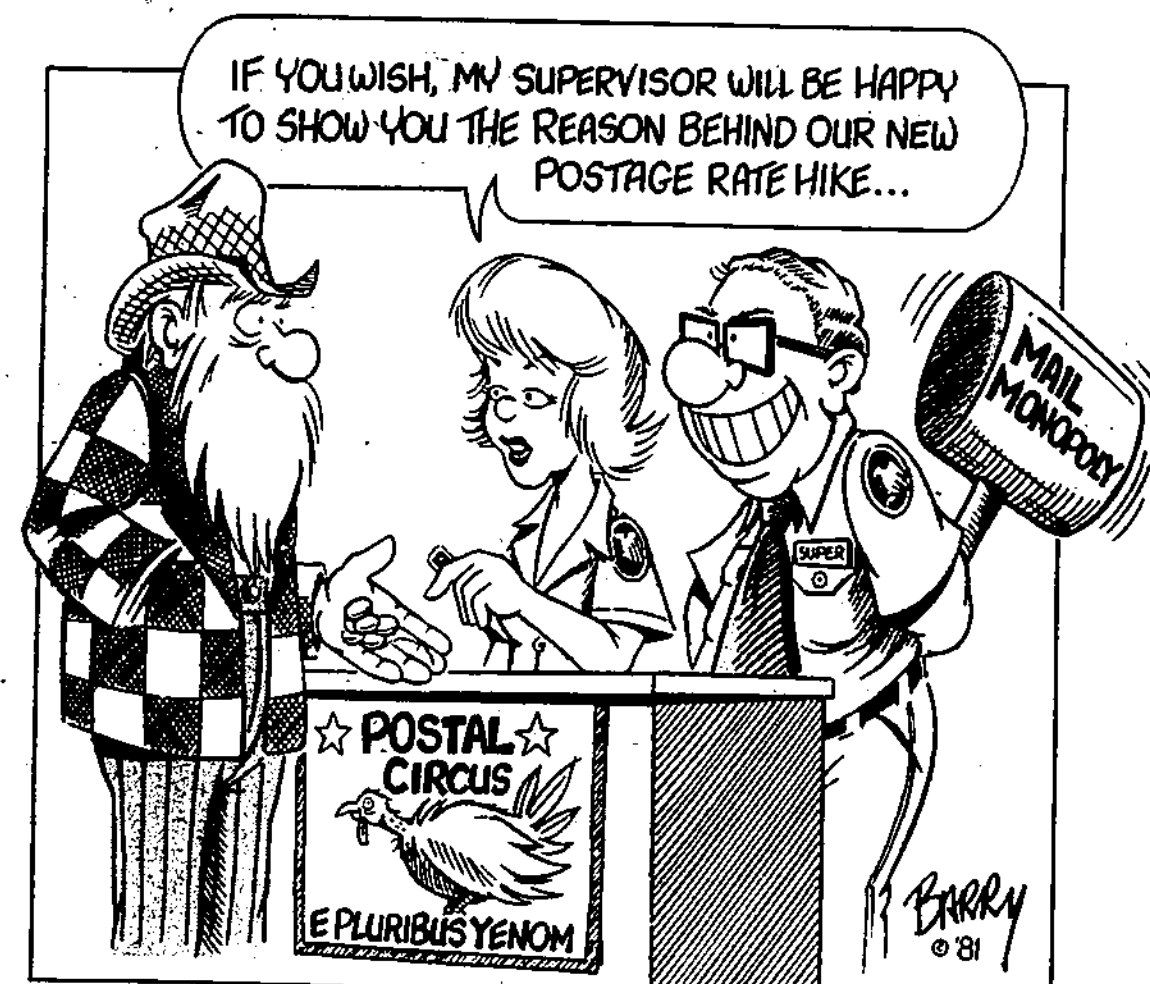

I am writing to support Ed Krug's letter concerning the hazardous situation at the corner of North 8th and Brown Avenue.

Something should be done before a big accident occurs there. I travel that route everyday and I'm always apprehensive about

crossing that intersection.

Why must we wait until something happens before action is taken? We definitely need a light for better traffic flow or parking laws which would prevent parked cars from obstructing a motorist's vision.

Sincerely  
Mrs. Frank Ochab

## Old world cuisine in North Haledon restaurant

Carl Orrico, owner and head chef of the family-operated Roman Gourmet Ristorante, practically grew up cooking in his grandmother's restaurant in Salerno, Italy. Fortunately for area diners he has brought some of that old world culinary knowledge to his own restaurant in the A&P Shopping Center on High Mountain Road in North Haledon.

Carlo, only 24, already has over 10 years kitchen experience and it shows in his meticulous preparation of the many traditional Italian dishes that you'll find here. He is a stickler for freshness and quality in his meals.

Each day he arrives early in the afternoon to start preparing his sauce for the evening dinners, which include 27 entrees and 17 pasta dishes, augmented by five or six daily specials, all reasonably priced.

One of the specials, Scallopini Di Vitello Benivoglio (\$5.95) is a dish Carlo learned from his grandmother in Italy. This dish begins with tender sliced veal sautéed in butter and olive oil then simmered in marsala wine sauce to which mushrooms and a light brown sauce are added. The veal is then served over garlic bread that has been baked with a layer of mozzarella cheese and topped with mushroom sauce. It is one of the favorites of the Roman Gourmet patrons.

four large butterfly shrimp, dipped in egg batter, fried, wrapped with prosciutto, sautéed in butter and white wine sauce, topped with mozzarella and baked in the oven. The shrimp is then served over fresh spinach that has been sautéed in butter and garlic sauce.

In the relatively short time that the Roman Gourmet has been open, it has developed a loyal following. Regular patrons come in and request dishes that are not on the menu that night and Carlo is glad to accommodate them.

One of those popular requests is Saltibocca a la Romano (\$6.25) which is tender slices of sautéed veal, served over spinach, topped with sliced prosciutto and mozzarella cheese and served in a white wine sauce.

Seafood lovers will delight in the selections on the regular menu and in the daily specials. The menu features Scampi or Shrimp Fra Diavolo for only \$6.50. Lobster tail, broiled, or Fra Diavolo is less than \$10.00 and there are also two choices of calamari or seungilli for \$5.50.

If you decide you may want to try a little of everything, there's the Seafood Platter. It contains a combination of lobster tail, shrimp, mussels, clams, calamari, and seungilli served in a spicy marinara sauce for only \$7.95.

A seafood special you're sure to remember is the Scampi a la Romano (\$6.75). This creative dish consists of

To accompany your entree you may choose from a selection of appetizers which includes a Hot Antipasto big enough for two and a traditional Italian favorite, Mozzarella on Carozza (\$3.25) which is a brick of cheese dipped in egg batter and seasoned bread crumbs, fried and baked and served with tomato sauce.

There is also a choice of homemade soup each day such as minestrone, pasta fagioli and lentil and escarole. In addition, all entrees are served with spaghetti, saled or ziti. There is no liquor sold on the premises. Customers are invited to bring their favorite wine and the restaurant will provide the proper glasses and ice if needed.

In such an informal setting, patrons sometimes linger over a pot of Demitasse and some Homemade Cheese Cake or a Cannoli after their meal.

The Roman Gourmet is open Tuesday through Saturday from 2 to 11 pm and on Sunday from 4 to 10 pm. Reservations are not needed.

## Ravens win their first game, ruffling Park Ridge Swans

In an outstanding performance by the entire team, the Ravens ruffled the feathers of the Park Ridge Blue Swans and won their first game of the season 7-0. Pam Verwers was the leading scorer with four goals followed by Denise Noone with two and Mary Beth Krupa, one.

Kelly Hallock, Ruth Dykstra, Dria Lobosco, Laura Van Olden and Laura Kandravy led the defense. Laura Sebetich, Sue Raso and Tricia Salloum were outstanding at midfield. Wings Beth Elwood and Rita Goel also played well.

The Cosmoettes defeated the Oakland Peppers 2-0. Heather Kearns and Cindy Kenerson scored the goals. Goalie Chris

Rainey made some excellent saves. The defense, led by Tara Giardi, Caryn Cantello, Sara Van Doren and Kathi Heller stopped anyone coming their way. Kim Stoll had a great day.

Even though the Sparks were defeated by the strong Glen Rock Jacquards 3-0 the team put up a good fight. Getting an ovation half time from both teams for her excellent saves was goalie, Lauren Bender. Putting up a great defensive wall was Holly Stratton, Susan Berdan and Christine Moore. Carol Mier and Kelly Rooney were a strong midfield.

Another win belonged to the Nuggets when they defeated the Upper Saddle River Orion, 4-1. Tony Marano had two goals followed by

Sam Mohamad and Joe Caldaron. Chris Beane, Bob Dockray and Jay Timmer controlled the defense. The North Stars lost to the Glen Rock Jays and the Polar Bears to the Ramsey Panthers.

The Miners had their first win of the season against the Wyckoff Scorpions in a tight but well played game 2-1. Team unity and control aided in this win. Scoring the winning goals were Eric Wolf and Scott Maggio.

The trappers were overcome by the Glen Rock Flames and the Lumberjacks were defeated by the Mahwah Bicentennials. Upper Saddle River's Scourge took the win over the

Mounties and the Solarites lost their first game of the season to Hobokus.

## Juniors tie Ramsey 0-0

The Hawthorne Junior Cubs played Ramsey to a 0-0 tie on Saturday. The Juniors did everything well except get the ball in the end zone.

The defense was tough, forcing five Ramsey turnovers. Chris Bender recovered an opponent's fumble. Scott Turner intercepted three passes and Mike Magna intercepted one. Steve Casapulla had eight assisted tackles while Jeff Collier and Glen Longowski each had six.

On the offense, the interior line of Kyle Johnson, Enzo Fassano, Bobby Greenwood, Daryl Swofford and Rich Nelrhings allowed the Juniors 69 yards rushing and 49 yards in the air for a total of 118.

Collier had 12 rushes for 41 yards and Bender and Matt Stansfield shared the rest.

Turner connected with John Carlino for a 20-yard reception on a pitch pass from Collier. Johnny O'Hagan handed in a 23-yarder.

The Juniors face Rutherford Friday night under the lights.

**Sunday B Squad**

The Sunday squad battled to a 0-0 tie with Glen Rock. The offensive thrill of the day came late in the game when Russ Meneve hit Billy Hendricks for a 22-yard pass down to the Glen Rock nine yard line, but the clock ran out before Hawthorne could score.

Linebacker Greenwood led the defense with nine assisted tackles and one interception. J. R. Mazzola had two solos and two assists. End Mike Quattorolla had two solos. Mike O'Keefe, Brian Murphy, Albert Giarrusso and Jeff Knorr also played well.

## Pee Wee Cubs play their final game of the season

Last Friday night, the Pee Wee Cubs played their last game of the season, losing to Fair Lawn 28-0. The victory, crowned Fair Lawn as the undefeated champions of the Lakeland Junior Football League.

The A team includes Keith Kientopp, Tim Hart, Dan Loffio, Bill Clare, Kurt Bookholt, John Popper, Bob

## TURK'S ALLEY

by Sabine Turco, Jr.

### GMC MONDAY EARLY Walker bowls 620

Doug Walker bowled 201-223-620 to lead Gertrude's No. 2 team to a three game win over North Haledon Shell. Vi Art Five took two games from Gert's No. 1. Charlie Smith had a 603 series in a losing effort for the beauty salon.

Dean Brake won two from We Five and The Golden Steer won two from GMC Lanes. GMC still leads the action with a 16-8 record. Golden Steer is close behind with a 15-9 record.

### GMC TUESDAY EARLY Schillinger leads

Herb Schillinger, after bowling a good 600 series two weeks ago and a big 700 series last week, continued to hold the hot hand as he had games of 215-236 and a 621 series. His performance led EG Vending to a three-game sweep over Park Inn Catering.

Meanwhile Lord Jim's Tavern used a 211-218-600 by Ed Shannon to take all three from Poughkeepsie Finishing. The wins moved Lord Jim's into first place, one game ahead of the finishers.

Shortway's Barn took two from Rolling Hills behind Chuck Witten's 224. Marge's Kitchen won two from the Assassins. Mark Flar bowled 221 for the winners and Don Sweetman, 225 for the losers to round out the night's action.

### GMC WED. SPORTSMEN Degenars rolls 634

League average leader Rudy Degenars started right on top of the action, bowling games of 225-234-634 for Witco Chemical, but his team lost all three to first place Paterson Machine. John Denise led the way with 204-226-603.

Jerry Zahn bowled games of 204-213-608 to lead DeBoer's Pharmacy to a three-game sweep of Pearson Trucking. John Tamarro's 212-608 led Kaytes Ford to a three-game win over Valley Tone Farms.

Steiginga's Landscaping won all three from Andy's Five. Ron Steiginga's 233-600 led the landscapers.

## Hawthorne Press sweeps Bernardo's Bananas by seven

by Warren Olsen, Jr.

Ken "Beetle" Bailey's 238-266-671 and Warren "Silver Fox" Olsen, Sr.'s 204-205-580 powered the Hawthorne Press to a seven point sweep over Bernardo's Bananas and Ed Baker's 201-534. Ken's 266 is the high game so far this season. Gizzi Heating took five points from Lin-Gor behind Jim Ferrigno's 245-204-598 while Joe Muia had a 204-538 for Lin-Gor. Marty Zollo (247-582) and Eric Bollman (212-220-578) led DeLuccia's Funeral Home to a four point win over St. Anthony's C.C. Joe Messina (203-216-592) and Ernie Messina, Jr. (200) were high men for St. Anthony's.

The Stoney Roaders took five points from Mar's Construction behind Sal Marino, Sr.'s 208 while Sal Marino, Jr. (202-222-598) and Bob Ardis (205) was the best

for Mar's. Even though Alan Brown (215-562) and Bob Hendricks (200-532) were high bowlers for Englehardt's, they could only earn two points while the other five

## Hearing averted, Sasso back as school board president

by Martha Whitlock

North Haledon - School Trustee Joseph Sasso was reinstated as president of the Board of Education last Wednesday, following a three-hour closed session. The settlement, which was reached at the school board meeting, caused cancellation of a state hearing which was scheduled for last Thursday on charges that Sasso had abused his power as president.

"We've negotiated and arrived at an understanding," said Sasso. He said the board took this action "in the best interest of the district."

The compromise averted litigation filed by the board against Sasso. As part of the agreement Sasso will drop all aspects of a lawsuit which he had initiated in an attempt to overturn the appointment of Paul J. Ortenzio as superintendent of schools.

Sasso says he is "satisfied." He hopes the board can now proceed in a constructive manner, working together to resolve the problems in the school system. Robert A. Scialla, who had been board president during the litigation, was reinstated as vice-president. Scialla was also reappointed finance chairman.

The board regrettably accepted the

resignation of Board Secretary Diane Padula which was submitted at last week's work session. Padula cited "personal reasons" for her resignation which was effective November 3.

Dr. Paul Ortenzio, superintendent of schools, was appointed temporary board secretary. He will hold this post until a new secretary is found.

In other business, the board approved the appointment of Marta Guarini as art instructor for the remainder of the 1981-1982 school year at a salary of \$12,500 which is at step 1 on the guide. Ortenzio told the board Guarini has substituted for North Haledon and has worked in commercial art.

After Anne Kellner, the librarian in the school system, told the board of the need for additional help, the board approved the advertising for a part-time librarian for Memorial School at the rate of \$8.75 an hour. Trustee Peter De Palma pointed out that a librarian would cost more than a substitute. Ortenzio agreed, but said the district needed someone with a degree of competence to best serve the school and will seek a person who holds a library media specialist certificate.

The raise for substitute teachers was approved. Substitutes will now be paid \$30.

## Prospect Park Patter

by Bert Nawyn

The ratification of Mayor Nick De Graaf's appointment of Glenn Saltenberger to police chief in which Councilmen Fred De Ruiter, Bob Adams and Al Marchitto supported the motion, was a welcome change from previous council sessions.

It was unfortunate that the controversy over Saltenberger's appointment arose. It wasn't necessary. The entire five month debate was an exercise in futility.

Councilman Ed Dietrich has consistently voted against the appointment of Saltenberger for police chief and to date, has not yet explained the reason for his negative vote. The councilman has indicated that he'll give his reasons at a later date.

With the controversy of the naming of the chief now over, it's now up to the mayor and council to bring the department up to full strength so that residents may continue to receive full police protection.

...

Concerning this topic, residents feel more secure now that the culprit who is suspected of being responsible for a number of break and entries has been captured. He was nabbed in a neighboring town and since his capture, there has been no more break-ins in the borough.

We certainly don't agree with the scare tactics which caused a few residents to demand that 10 policemen be appointed to the police force to stop the burglaries. As Mayor De Graaf said, "You can put a policeman on every corner of the borough and you will not stop burglars from breaking into a house. They work in the dark of night, making as little noise as possible, going through yards, to get away."

In three of the homes that were broken into, the people living in the houses were home at the time. In one first floor apartment, the burglar used a picnic table to get into a bedroom window while the resident in the apartment was sitting in another room.

If a homeowner cannot detect a thief in his house, how can 10 more men added to the police force stop the burglaries? During the period of the burglaries, Saltenberger added men to the force and they did patrol duty.

...

Two men took the test for police chief. Both were sergeants. Sgt. Howard Zuidema said he was pleased Saltenberger was the top man and stated he would give the chief all his cooperation, as he has done in the past. "He's the best man for the job and I congratulate him," said Zuidema.

...

The continued downward trend in enrollment in area schools is causing much concern in education circles. In the borough, the local school population went down from 495 to 470 students. At its peak the student population was slightly over 600.

In North Haledon, student population has been declining for the past four years and this year it's at 615, down from 641.

In Hawthorne there is a decrease of 125 students from last year with enrollment pegged at 2,253.

Manchester Regional High School shows a decline of 35 students from 904 to 869.

Only in Haledon has there been an increase, from 574 to 581.

...

It was a quiet Halloween and Goosey night in the borough with no police incidents reported. Police Chief Glenn Saltenberger said, "We were pleased with the conduct of the children and teenagers. We received no complaints at all and it was a fun night."

Police said that the only visible incidents were soaped up windows in business areas and concluded, "This was one of the first Goosey nights that we had no complaints whatsoever. The kids had fun, but they did no damage and this shows a respect for 'other peoples' property."

Fuel-switching is no  
nickel-and-dime  
proposition.

Before you go to the unnecessary expense of changing your heating system from fuel oil to natural gas, remember: converting an entire heating system is an expensive proposition. Not only will you have to purchase all new equipment and pay to have it installed, but you'll also be paying to have the old equipment dismantled. Sure you're worried that your old equipment is wasting fuel. But doesn't it make more sense to modernize your existing oil-burning equipment than to go to all the expense that conversion entails? Now, especially with the new 15-percent tax credit for modernization of oil-burning equipment recently authorized by Congress, modernization is a more economical option than conversion. Call your independent heating oil dealer. He'll tell you how to get more for your heating dollar, for less.

## GOP retains council

(Continued from page 9)

told the people the truth and I think they have responded at the polls," said Lotz, who as former GOP borough leader has served in many campaigns but never before as a candidate.

"There's a place for women in government," she said. "I am looking forward to serving and feel that I can be a valuable asset to the community." The council vote paralleled the race for governor in which Tom Kean received 2119 votes and Jim Florio, 1066.

North Haledon, which now belongs to the 40th district having been carved out of the 35th this year, bolstered the GOP legislative victories. For Senate, Garret Hagedorn received 2079, to Democrat Mitch Kahn's 759. For assembly, Republicans Cary Edwards and Walter Kern won with 2032 and 2030 respectively. Arthur Carmano and Charles Christofolis received 771 and 747 respectively.

The freeholder race results were: Friedman, 1845; De Fu 1701; Lobosco, 1175 and De Luccia, 984. In the contest for register of deeds, Sylvester beat Komar 1887 to 864.

## SMAC clinic November 19

North Haledon - The tri-boro SMAC (35 blood tests) clinic will be held on November 19, at the Prospect Park Municipal Building.

Pre-registration will take place at the North Haledon Municipal Building, Tuesday, November 10, from 6:30 to 8 p.m. and Wednesday, November 11 from 2-4 p.m. and from 6:30 to 8 p.m. Pre-registration is required.

There will be no November hypertension clinic. The next clinic will be held on the third Thursday of December.

## Police seek Paterson man

Prospect Park - A 44-year-old Paterson man, indicted on drug charges by a Passaic County grand jury, is being sought by Prospect Park police for failure to appear in court on motor vehicle violations.

While driving his car, James Porter of Alabama Avenue was pulled over by police at Haledon Avenue and North Seventh Street. In the August 9th incident, Porter was charged only with driving an unregistered and uninsured car until police reportedly

found 15 foil packs of cocaine in his shirt pocket and an uncut amount of drugs in the back of the car.

He is now charged with possession and intent to distribute about 18 grams cocaine, which has a street value of about \$1,500, according to police. Ptl. Leonard Breure and Richard Fieldhouse made the arrest.

Breure said Porter failed to show up for court after he was released on \$5,000 bail shortly after his arrest.

## North Haledon notes

October 29

At 9:31 p.m. two 12-year-old boys, while trick and treating, were assaulted by two Hawthorne men who knocked them down and fled with their candy. The boys, badly shaken and injured, were taken to the Greater Paterson General Hospital in Wayne where they required medical attention. Police arrested two adults after receiving information from parents in the area.

Robert Watson, 18, 84 Forest Avenue, and Adel Lee, 19, of 21 Westervelt Avenue, both of Hawthorne, are charged with assault, assault upon a police officer, and theft of moveable property. Watson was found to be in possession of a quarter pound of marijuana, and is also charged with possession of over 25 grams of marijuana, and possession of marijuana with intent to distribute. Lee was found to be in possession of drug paraphernalia and charged as such.

Both men were released from jail in payment of \$1500 bail each pending court action.

October 28

A break and entry was reported at a Belmont Avenue residence. Jewelry was stolen.

## Prospect Park race

(Continued from page 9)

Borough voters gave all other Republican candidates substantial majorities in their quest for office.

Later in the night when he heard the Prospect Park results at his victory party in Schepis Restaurant at 23rd Avenue, an elated Graves said, "I am thankful to the people of Prospect Park who I will again be privileged to serve in the New Jersey Senate. That they have given me such a majority is indeed an honor. I will continue to serve them to the best of my ability."

## Correction

In last week's "North Haledon Notes," there was an item about complaints received from the parents of four young boys which led to charges against a local resident.

The account should have stated that the investigation involved four juveniles, not four young boys.

Janice Gray, 23, of 73 Ridge Road, Glen Rock was charged with careless driving when her car struck a utility pole at 4:50 a.m. She was taken to the Greater Paterson Hospital where she was treated and released.

## Greendyk, Weir are commended

Haledon — Paul Greendyk and Lori Weir, both of Prospect Park, received letters of commendation in the 27th annual (1982) National Merit Scholarship Program.

Both are students at Manchester Regional High School. The two students placed among the top 51,000 participants in the current competition.

A spokesman for National Merit Scholarship Corporation stated, "To be designated a commended student is an outstanding achievement, deserving of public recognition. The nation will benefit from the continued educational and personal development of students such as these, for they have shown exceptional promise. We sincerely hope that the able young men and women being honored will receive whatever assistance is necessary for them to achieve the high goals they set for themselves."

Of some 1.2 million students who entered the 1982 merit scholarship competition by taking a qualifying test in 1980, about 36,000 are being commended this month, as they begin their final year of high school.

## Haledon school district to participate in the Rogate program

by Martha Whitlock

Haledon - The school district's participation in a Rogate program was explained to the Board of Education by Marjorie Armenio, the district's guidance counselor, at the October 26th session. The Rogate program, New Jersey's participation in the John Hopkins Talent Search, attempts to find the most talented and gifted children in the state.

Armenio said that students are selected on the basis of the results of the California Achievement Test. Those elected have to score in the 97th percentile or above in cognitive skills. Armenio said the students selected will take the Scholastic Aptitude Test (SAT) at Manchester High on January 23, 1982.

The counselor discussed plans for an award ceremony with the board, but this matter was not finalized.

Donald Eardley, president of the Band Parents Association,

attended the board meeting along with two band members. They told the board of their concern over Manchester High School's band which has only 40 pieces.

Eardley said that by the time students get to high school they are not interested in playing a musical instrument. The students asked the board if there was any way they could start a musical program in the school so that Manchester High could increase the number in its band over the years.

Dr. Raymond Orsi, superintendent, told the students that any seventh or eighth grade student requesting to learn how to play a musical instrument could do so by going to Manchester High from 4-5 o'clock one day a week. Mr. Bender, band director at Manchester High, conducts this program.

Marie Smith, a teacher from Haledon Public School said to the board, "My daughter never told me she could go to

Manchester High and she plays two instruments." Smith urged the board to publicize this to more students.

Eardley pleaded with the board to start a program that would include grades as low as the fourth. He feels this would involve more students who wouldn't have to wait until they are in the seventh grade and maybe losing interest by that time.

"This program should be in our school and should be open to fourth graders while they are interested and hungry for it," said Robin Porter, an elementary music teacher at the school. She said seventh and eighth grade is too late to start.

Vera Cioffi, a resident of Haledon and a teacher at the school, told the board that four years have been spent coordinating other subjects. She said, "I think we could coordinate a music program, too."

## Financial program slated

North Haledon - A program entitled "How You Can Have An IRA (Individual Retirement Account)" will be presented at the North Haledon Free Public Library on Friday, November 13 at 8 p.m. Lorraine McBride, an account executive with Bernard Herold and Company, Inc., will make the presentation and answer questions.

In 1974, Congress first passed legislation allowing certain wage earners to open

IRA's. The Economic Recovery Tax Act of 1981 opens these accounts to all wage earners beginning in 1982. McBride will explain the benefits of the law and how wage earners may take advantage of the tax sheltering available under this new legislation.

The evening's program is being sponsored by the Friends of the Library and is open to everyone. There is no admission charge.

Jacqueline (left) and Christine (right) Fenton were disguised as a jack-in-the-box and a kitten at the Mayor's Halloween party.

### PTO donates movie projector

The Washington PTO presented a 16 mm Bell and Howell movie projector to the school at parent orientation night held on October 20. The purchase was made possible from funds raised during a candy sale.

Mrs. Joan Specht, school

principal, thanked the parents for their support in this project and accepted the gift on behalf of the school. Following the meeting, parents visited their children's classrooms, met the teachers and learned about the program for 1981-82.

### Ecumenical communion breakfast Sunday

The annual Hawthorne Women's ecumenical communion breakfast will be held Sunday, November 8 at St. Clement's Episcopal Church, 275 Lafayette Avenue. The speaker will be The Rev. Sharon Sullivan, co-rector of St. Andrew's Episcopal Church, Lincoln Park.

The service will begin at 6:30 am with breakfast to follow. The price is \$3.50 per person. All women of Hawthorne are cordially invited to attend.

Reservations may be made by calling the church office, 427-8118 (between 8:45 and 11:45 am) no later than Friday, November 6.

**Pharmacy Topics**  
by James Melcon

Americans are healthier than they used to be, and some credit is given to our lower-fat diets, exercise programs, and no-smoking resolutions. Death rates are down for heart disease and strokes, and life expectancy is up.

When anti-cancer drugs are taken may influence how effective—and how unpleasant they are. Oncologists at the University of Minnesota Medical Center tested the same medication given at different times of the day to find when drug would affect cancer cells the most with least effect on normal cells.

Why do some people get fat? Researchers at Beth Israel Hospital, Boston, have spotted an enzyme abnormality in the blood of some overweight people. They seem to be low in the enzyme that controls, to some extent, the burning of calories.

Therapeutic doses of manganese to treat spinal disk degeneration (slipped disk) have been reported in orthopedic journals.

This year, grades two through eight collected for UNICEF on a voluntary basis.

Mrs. Lois Skinner's fifth grade class, coordinated the project by distributing UNICEF collection boxes to the students and counted all the school collection returns.

Over \$500 was collected by the students and will be sent to UNICEF in memory of Mrs. Denekamp.

Roosevelt School Principal Harold Pomper said that this will be an annual event and thanked all those who contributed to its success.

Starting a municipal service not feasible at this time;

## Garbage contract, costing \$528,000 per year, awarded

Saying that they had "no choice," The Board of Commissioners last Wednesday awarded a two-year garbage collection contract that will cost the borough over half a million dollars per year. The award was made to Schaper, Disposal Works, Inc. of Midland Park, the only firm to bid on the contract, at a total cost of \$1,057,000.

The cost of \$528,000 per year represents a 77 percent increase over the current refuse collection program which now costs \$299,000 annually. The increase could mean as much as a 22 point tax hike in next year's municipal budget.

"It's a hard pill to swallow," said Mayor Louis Bay, 2nd. "But I think it is in the best interest to the people of Hawthorne at this particular time."

Finance Commissioner Anthony Ross said he was voting reluctantly on the matter. "We have no choice," he stated.

Public Works Commissioner Arthur Brokaw pointed out that the cost of the new contract would average out to \$88 per home per year, a rate that is less than it costs some

surrounding towns which have their own garbage collection. "I don't feel we're being raped," Brokaw said.

The commissioners solicited bids twice this year for garbage collection. In both instances Schaper was the borough's only bidder. This firm has been Hawthorne's sole bidder every time except once in the past five garbage

solicited in the bidding, the minimum contract awarded had to be the two-year program. If the board had solicited bids for a one year contract at this time, the commissioners risked having the bid come in at a higher rate.

The borough officials had been considering alternate methods for garbage collection, but concluded that no plan would be able to be

would have to be hired, and insurance and maintenance provided.

"Even if we estimated the cost to be \$100,000 a year less than the bid, there are so many costs that are not fixed — labor, vehicle parts, maintenance, insurance fees, etc., that it's difficult to calculate."

Brokaw pointed to towns like North Haledon which was set to try a municipal program and decided against it and Paterson which has abandoned its own program in favor of contracted services.

"It's an alternative," he said. "I'm not sure that given enough time that this would be the way to go. I also am not sure it wouldn't."

In the past 12 years since Schaper, which merged with Carmine Franco & Co., two years ago, has been collecting the borough's garbage, the cost has soared 487 percent. In 1969, the annual rate was \$90,000 per year.

The total garbage collection in the borough averages about 300 ton per week or 50 ton per day.

"It's a hard pill to swallow, but I think it's in the best interest of the people of Hawthorne at this particular time."

contract renewals.

On September 15, the first round of bids were as follows: \$1,105,000 for two years; \$1,765,000 for three years and \$3,465,000 for five years.

The second round of bids received on October 7 were reduced slightly. The new bids were: \$1,057,000 for a two-year program; \$1,693,000 for a three-year plan and \$3,345,000 for a five year package.

Since there was no one year contract

devised in the three months remaining for this calendar year.

Brokaw stated that the board would need at least two years to adequately research the possibility of setting up a municipal garbage collection program. He said that preliminary studies showed that four trucks would be needed (three to do the collections six days a week and one as a spare). A garage would have to be built to house the vehicles, personnel

Police Chief Glenn Saltenberger (left) is sworn in by Attorney Gordon Meyer.

## Glenn Saltenberger sworn in as police chief

Prospect Park — Sgt. Glenn Saltenberger, who has served as acting police chief for nearly 11 months, was given permanent status Monday night when the borough council voted unanimously to support his appointment.

Following the vote naming him chief, Saltenberger was sworn in by Borough Attorney Gordon Meyer and received the chief's badge from Mayor Nicholas De Graaf. The unanimous vote marked the end of a stalemate over the appointment which began in June when De Graaf proposed Saltenberger for the chief's post. The mayor had the support of Councilmen Martin Ver Hage and Councilman Robert Mulder. Councilmen Robert Adams, Fred De Ruiter, Alfred Marchitto, and Edwin Dietrich originally opposed Saltenberger's appointment.

The 4-2 vote against giving Saltenberger permanent status set off a controversy in the borough which generated 600 signatures on petitions and a crowd of 100 residents at a council meeting who came with the entire police department to support Saltenberger.

The stalemate came to an end when the council passed a resolution mandating a chief's test for all applicants. The test was administered by the NJ Police Chiefs Association to Saltenberger and Sgt. Howard Zuidema. Although the council did not disclose the results of the exam, it voted 5-1 to appoint Saltenberger as chief on October 26. The only dissenting vote was cast by Dietrich.

Monday night Dietrich made no public comment about the appointment. When questioned about why he did not continue to oppose the motion for chief, he replied "There is no longer any point in voting against this motion," adding that further opposition would be like "beating a dead horse."

During the public portion of the meeting, Sal D'Apollito questioned what the four councilmen, who had originally opposed Saltenberger's appointment, had gained by holding out. "The delay was an unnecessary expense to the borough," he said.

"The situation is over," said the mayor. "The council is in full agreement with the rules we set down for naming the police chief. The cost of the test was \$340. About three-four years ago, I tried to get a testing procedure approved for the police department. We were one of the few towns that didn't have testing. The cost is small compared to the value it provides."

De Graaf added that once a police chief is appointed, it is virtually impossible to strip him of his rank. "The council was glad to spend the money for testing to verify the chief's qualifications and to be sure that he can perform in the job and lead the department." The mayor added that without the testing, the appointment would be the choice of seven individuals (the councilmen) who are not trained in these matters.

In congratulating Saltenberger, De Graaf stated, "I have full confidence that you will perform the tasks set before you, not only to my satisfaction but also to the satisfaction of the residents of the borough." He told the chief not to hesitate to let the council know if there is ever anything the governing body can do to help him.

Saltenberger thanked the council, the people of the borough and especially the men in his department for their support. "My door is always open," he said, "inviting any citizen who ever has a problem to stop in the office and ask for assistance."

## Supreme Court upholds board in Markot decision

At Tuesday's meeting of the Board of Education, Board Attorney Reginald F. Hopkinson reported that the Supreme Court of New Jersey had upheld the local board's 1979 decision to terminate the employment of Patricia Markot, a high school English teacher. The high court's decision ends almost three years of litigation. In denying the Markot's petition, the Supreme Court awarded the board costs as did the Appellate division. The exact costs are not yet available.

Markot, who taught English at the high school from March 8, 1976 to February 26, 1979 was advised on February 14, 1979, that she would not be recommended for reappointment and a tenure contract based on teacher evaluations that were considered unsatisfactory by Dr. Robert M. Hausner,

high school principal. Following this action, Markot petitioned the board for a hearing, the first step in a series of appeal procedures.

Petitions and appeals were made to Fred Burke, New Jersey Commissioner of Education, the Administrative Law Court, the State Board of Education, The Appellate Division of the New Jersey Supreme Court and the New Jersey Supreme Court. The New Jersey Supreme Court, in denying Markot's appeal for certification, which would have allowed the court to hear the case, upheld the Board of Education's dismissal action.

In a "companion" case, Markot filed a complaint in the U.S. District Court for the District of New Jersey which, after dismissal was appealed to the U.S. Court of Appeals for the Third Circuit (again with costs) which upheld the District Court's dismissal.

## Three found guilty of disorderly conduct in Halloween free-for-all

Two borough residents and a Hackensack man were found guilty of disorderly conduct resulting from a Halloween night free-for-all on North 11th Street.

In municipal court last Thursday, Peter Ballestrieri of 214 Holt Street, Hackensack, testified that at 11:27 p.m. he observed neighborhood residents throwing eggs at his car while it was parked on North 11th Street. Ballestrieri went outside where he saw Peter Barkenbush, 74 North 11th Street, walking across Barkenbush's front lawn and accused him of the vandalism. Ballestrieri said Barkenbush had a broom handle which "He started swinging... There were 12 of them and one of me. Everyone was out of the street."

Barkenbush said he was on his way home from the party when Ballestrieri approached him. "He said I hit his car with an egg. He started pushing me. That's when I took out the stick." The third defendant, David Weir, of 74 McFarlan Avenue, testified that he saw a commotion in the street. He explained his involvement in the fracas. "I was not fighting. I was trying to stop a public inconvenience."

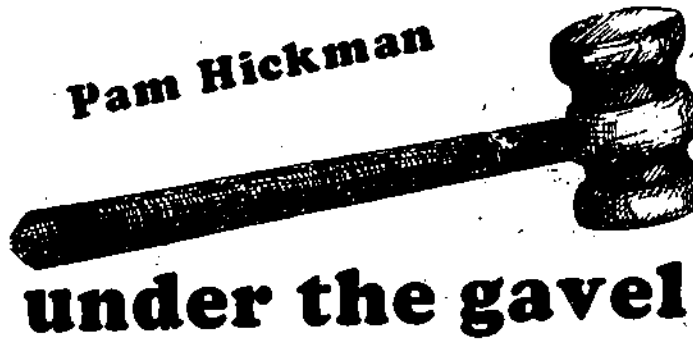

Pt. Martin Boyd had placed Weir under arrest and put him in the patrol car. Ballestrieri was put in another patrol car. A short while later, Weir stepped out of the police car and started to go home. "I was never told I was under arrest," said Weir.

Although three had entered "not guilty" pleas, they were found guilty of disorderly conduct.

Ballestrieri was fined \$100 and \$25 court costs. Judge Donald Reenstra told Ballestrieri that he had a right to defend himself, but concluded that he lost his temper and jumped on the first person he saw.

Barkenbush was also fined \$100 and \$25 costs. "He could have retreated," said Reenstra about Barkenbush, "but he did not."

Weir received the same \$100 fine plus court costs and was also

convicted of preventing a law enforcer from making a lawful arrest. He was fined an additional \$100 and \$25 court costs. Eight cases involving motor vehicle violations were also heard at last week's session.

Kevin Moore, 44 East Main Street, Paterson was found guilty of driving while on the revoked list and of operating an unregistered vehicle. He was fined \$200 plus \$15 court costs for the first charge and \$25 for the second one. The tickets were issued on October 4 by Pt. Robert Murphy.

Andrew Little of 80 Haledon Avenue, Paterson, was fined \$70 and \$25 court costs and had his driver's license suspended for six months after he was found guilty of operating an uninsured vehicle and failure to have a current inspection sticker. The charges were made on October 20.

Fredrick Marston of 35-19 Sheldon Terrace, Fair Lawn, pleaded guilty to a charge of driving while his name was on the revoked list, but testified that he had no idea his license had been revoked. Sentencing was postponed until December 3.

Ousame A. Bakir, 11 Llewellyn Avenue was fined a total of \$77.50 plus \$32.50 in court costs for three motor vehicle tickets issued on October 11. Bakir was charged with disregarding a stop sign, being an unlicensed driver and failure to have an insurance card in his possession. The last charge was amended from an original offense of failure to have insurance on his vehicle.

Louise Royant, 199 Tenth Avenue was found guilty of leaving

the scene of an accident on October 12 and fined \$25 plus \$10 court costs.

Antoniye Starev of 37 Mountain Avenue pleaded guilty to disregarding a stop sign on October 22 and was fined \$20 plus \$10 court costs.

Charges of overdue inspection and failure to have insurance against Jo Anne Bliss, 190 Eighth Street, Passaic, were amended when she showed the judge a valid insurance card. The lesser charge of having an insurance card in her possession brought the fine of \$7.50. The fine for overdue inspection was \$20. A sum of \$17.50 was also assessed for court expenses.

A Wyckoff resident was fined \$20 and \$10 court costs on each of two charges. Dean R. Silen, 53 Cedar Hill Road, Wyckoff, charged with being an unlicensed driver and with operating a vehicle with an overdue inspection sticker. His license had expired 15 days before the tickets were issued on September 17.

A bench warrant was issued for the arrest of Mark DeBlock, 38 Lakeshore Drive Prospect Park after not appearing in court on charges of driving while on the revoked list, having no driver's license and operating a vehicle with studded tires. Bail was set at \$200.

**Bleeker sentenced to 10 days in jail**

Prospect Park — Donna Bleeker, who formerly resided at 251 North 11th Street, was sentenced to 10 days in jail by Municipal Court Judge James P. Evers. She was charged with uttering loud language, arguing with her son and having her TV blaring at midnight.

Bleeker had already spent five days in jail for being unable to raise bail and the 10-day sentence was suspended. She was also arraigned in local court on a charge that she made a "terroristic threat"

## Fuel-switching is no nickel-and-dime proposition.

Before you go to the unnecessary expense of changing your heating system from fuel oil to natural gas, remember: converting an entire heating system is an expensive proposition. Not only will you have to purchase all new equipment and pay to have it installed, but you'll also be paying to have the old equipment dismantled. Sure you're worried that your old equipment is wasting fuel. But doesn't it make more sense to modernize your existing oil-burning equipment than to go to all the expense that conversion entails? Now, especially with the new 15-percent tax credit for modernization of oil-burning equipment recently authorized by Congress, modernization is a more economical option than conversion. Call your independent heating oil dealer. He'll tell you how to get more for your heating dollar, for less.

## Mary Ann Richards named borough 'teacher of year'

The Hawthorne Board of Education has approved the selection of Mrs. Mary Ann Richards as Hawthorne's 1982 teacher of the year. Richards' nomination will be forwarded to the state selection committee through the Office of the Passaic County Superintendent of Schools.

A business education teacher and coordinator of the district's Cooperative Office Education program, Richards was nominated by Dr. Robert M. Hausner, high

school principal. She is completing 12 years of experience as a teacher in the Hawthorne school system. Prior to coming to Hawthorne, Richards taught at an American school in Naples, Italy. From 1965 to 1968 she was a distributive education coordinator in the Great Mills, Maryland school system and for one year, taught business education at Pensacola Catholic High School, Pensacola, Florida.

Richards said she became "fascinated" by a

high school business course. "I thought it would be the best of all possible worlds to prepare for a career as a business educator," she said. In preparation, she completed a bachelor's degree at Georgian Court College and a master's degree in business education at Montclair State College. In addition, Richards has done extensive graduate level work in the area of career education and administration at Jersey City College, Montclair State College and Rider College.

Hausner noted that Mrs. Richards has been admired for her empathy with students, staff, employers and community members. She maintains a strong commitment to helping young people. "She has proven her

ability to motivate each student. Mrs. Richards has been instrumental in developing an outstanding Cooperative Office Education program at the high school, he said.

Richards sums up her philosophy by stating that, "Each student is an individual who has the right and responsibility to achieve success in my classes by working up to his potential. Education is my profession and love."

The nominee is a member of the National and New Jersey Education Association, the New Jersey Business Education Association and the New Jersey Cooperative Office Education Coordinators' Association.

She is married, has a daughter and resides in Midland Park.

The owner of New Jersey Tubing Co., 76 Passaic Avenue, reported that three batteries, valued at \$96, were stolen from the company's trailers during the night.

**November 7**  
Police were summoned to the Triangle Diner, 112 Goffle Road, to investigate an assault. Off-duty Pt. Louis Mercurio of Haledon arrested Raymond Doherty, 72 Brown Avenue and charged him with assault on his wife, Odele.

At 5:30 a.m. all four fire companies responded to two leaf fires on Lafayette Avenue near Maitland Avenue.

An AM FM stereo was stolen from a vehicle owned by Heidi Cassels, 372 Goffle Hill Road, while the vehicle was parked near her home. The unit is valued at \$100.

**November 8**  
A break and entry was reported at the home of Lorraine Rubenachern, 26 North 8th Street. Entry was gained through a cellar door. Cash and jewelry were stolen.

An unsuccessful attempt was also made to enter the second floor apartment of Meryl Brayman.

**November 9**  
Two windows at the Jefferson School on Goffle Hill Road were broken over the weekend.

**November 10**  
At 2:23 a.m. police stopped a vehicle driven by Kenneth Kardanow, 983 Lafayette Avenue. A 15-year-old girl, an occupant of the car, was arrested and charged with incorrigibility pending juvenile court action.

## Former members of Muchachos sought for reunion in 1982

Several former members of the Hawthorne Muchachos Drum and Bugle Corps have organized a reunion committee headed by Joyce Rohl and Bill Clarke.

The committee is looking for alumni, rosters or other information that will be useful in contacting all former members and instructors from the years 1959 through 1978.

The reunion is tentatively scheduled to be held at an outdoor facility in northern New Jersey on September 18, 1982.

All former members who are interested are urged to write to the Muchacho Reunion Committee, American Legion Post 199, Legion Place, Hawthorne, N.J. 07506.

### Hypertension screening program November 17

The Hawthorne Board of Health will hold a hypertension screening program on Tuesday, November 17 from 1:30 to 3 p.m. at the municipal building, 445 Lafayette Avenue, Hawthorne, in room no. 205.

Public health nurses will be conducting the blood pressure screening on a monthly basis. For further information call 427-4011-12.

### Garbage schedule revised for Thanksgiving

Eleanor F. Tyther, acting borough clerk, would like to notify all residents who have their garbage collected on Thursdays, that the Thanksgiving Day pick-up has been rescheduled to Wednesday, November 25. Residents must have their garbage at the curb on Tuesday evening, November 24th.

## THANK YOU

Both my family and I wish to thank the voters of Hawthorne, Prospect Park and Haledon for my prestigious victory on Tuesday, November 3.

I appreciate the vote of confidence given to me on this very important day. I am humbled by the overwhelming plurality and extremely pleased to have carried each of the municipalities I represent.

I promise to continue working to solve the state's problems. Stronger public safety laws, better living conditions for senior citizens and improvements in education are the priority items that need to be addressed.

Thanks from the bottom of my heart.

The real winners in last Tuesday's gubernatorial race were the New Jersey voters

The victory speech was a week late, but it was a victory speech, nevertheless. "Every single vote in the state has been counted . . . not by a great margin . . . but I am a winner and I am the governor of the State of New Jersey," declared Tom Kean, the Republican candidate whose lead amounted to less than a percentage point.

The declaration of victory, despite he recount which Jim Florio is expected to request, capped a roller coaster week unprecedented in New Jersey's gubernatorial races.

The figures changed daily, but in each case as the figures went up and down, Kean retained his razor-thin lead. The fluctuation over the past week was anti-climatic to the Election

comment

Disabled American Veterans . . . they paid the price for peace

The following comment was issued by the national public relations department of the Disabled American Veterans.

The screams of the wounded and the stench of gunpowder surrounded Robert Richardson, a private in America's Continental Army, but he fought on until a British cannonball struck his hand spike. It broke in two, one end tearing his belly open. The wind from the cannonball left his right arm useless. Richardson's blood had paid the price of peace and freedom. But, for the rest of his life, he was totally disabled.

For a while, the Continental Congress provided the Revolutionary War veteran a disability pension of half his military salary. It helped, but Richardson was unable to support himself on this meager allowance. Even this pitance ended shortly after the War of Independence when the new national government turned responsibility for disabled veterans over to the individual states and their Poor Law systems.

Life was tough — really tough — for Richardson and other patriots wounded in the

Night results that dribbled in over the TV.

Anyone who stopped watching the results after CBS News projected Florio a winner at 8:02 pm just minutes after the polls closed went to bed thinking the Democratic candidate was the winner.

From our vantage point as we travelled from one campaign headquarters to another and we picked up county election results, the lead changed teams more times than a pro basketball game.

At a GOP celebration in Clifton where the county candidates were savoring their victory, the focus of the party was on the TV coverage of the governor's race. We sat glued to the TV until it became apparent that no clear cut winner would be decided on

November 3.

Just before we turned in for the night, we caught a glimpse of Jim Florio on NBC giving a speech that made him sound like the winner. Only the commentator's remarks after his speech put the cliff-hanger back into perspective. It was still too close to call.

Although political experts will continue to draw conclusions from the closeness of this race, we think the only thing the cliff-hanger tells us is that both sides are dissatisfied with the present situation in the state and on the national level.

The plan for determining New Jersey's future will be one of the most challenging tasks ever to face any governor or its legislature. The Democrats continue to hold a major-

ity in both houses, leading in the Senate 22-18 and in the assembly 43-37, but the split is so close that neither party really has control.

As a result, the voters will reap the benefits from the 1981 election. The legislators and the governor will have to listen to the voice of their constituents. There are few that can afford to adopt a "public be damned" attitude.

The competitiveness of last Tuesday's election was an asset to the electoral process. All those apathetic citizens who never bother to vote because "it doesn't make a difference" have been proven wrong. The real winners in this gubernatorial race were the voters, the men and women who made their choice and let their voices be heard.

struggle to free America from colonial chains. Many were reduced to begging.

Things are better for the two and a half million disabled veterans living in today's America. But, for Veterans Day this year, it's appropriate to recall what happened to the disabled veterans of our Revolutionary War. What happened to them established a pattern that has, to some extent, been played out after each of our country's nine wars — a pattern of forgetfulness that's playing itself out again today, just six years after the last American was killed in Vietnam, our most recent war.

Perhaps that's understandable. When wars end, people want to get back to normal, peacetime life, leaving the turmoil and anxiety of war behind. Following the Vietnam War, the most unpopular war in our nation's history with the single exception of the Civil War — the process of forgetting has been unusually rapid. People want to bury the bitter social division of the Vietnam years. That's good, but there's a tragedy in the way we're going about it: When people forget about wars, they tend to forget about the sacrifices that veterans, particularly disabled veterans, have

made. And when the public forgets the needs of disabled veterans, so do their elected representatives.

Maybe that's why the Veterans Administration (VA) hospital system has been hit by one budget cut after another for the past five years, forcing the VA to turn thousands of eligible veterans away from the doors of its health care facilities. Maybe that explains why job programs for disabled and Vietnam era veterans have been kept too small to make a serious dent in the employment problems these veterans have experienced. Maybe that's why we've seen, for the first time this year, curtailments in GI Bill educational programs.

Maybe that's the reason veterans' preference in federal employment was attacked so viciously back in 1977 and 1978. Maybe that's why the VA and other federal agencies were so slow initially in recognizing the seriousness of such problems as the defoliant Agent Orange, the exposure of Cold War veterans to radiation in atomic weapons tests, and the post-traumatic stress difficulties of half a million or more Vietnam veterans.

Think about it. Could it be that the American people have forgotten the warriors as they went about the process of forgetting the trying times of war? The 700,000 member Disabled American Veterans (DAV) believes this is exactly what happened . . . not just after Vietnam, but after World War I, World War II, and the Korean War as well. But no veteran

of any war should ever be forgotten. Without the sacrifices these men and women made, there would be no United States.

Back in 1903, Theodore Roosevelt said something that nearly every American would probably agree with. "A man who is good enough to shed his blood for his country is good enough to get a square deal afterward," he stated. Looking at veterans' programs realistically, it's unlikely that our country would ever let the plight of its disabled veterans get as bad as it was for Private Richardson and his disabled comrades following the American Revolution. But it would be a mistake to simply assume, without giving it much thought, that all of our political leaders are bending over backward to make sure veterans — even disabled veterans — are getting the kind of "square deal" Roosevelt was talking about.

For Veterans Day, 1981, we must ask ourselves a very basic question. Can we do too much to guarantee a square deal for a sailor whose arms were crushed when a Nazi torpedo smashed through the hull of his ship, for the pilot whose body was burned and disfigured when his plane was shot down over Korea . . . for the Marine whose legs were blown off by a Viet Cong booby trap in the Mekong Delta . . . or for the World War I soldier who lost his sight in the Battle of the Marne? Every American owes these people a debt that can never be repaid.

Mountain Avenue in dire need of repair

94 Mountain Avenue  
Hawthorne, NJ  
November 6, 1981

Dear editor:

I am a resident of Mountain Avenue and I was told that when the Hawthorne Hills project was in progression and Nelson Avenue repaved, the borough would make major repairs to Mountain Avenue. Anyone who has driven on Mountain Avenue can attest to the horrendous condition of the road and knows this repair needs to be done.

A note of thanks

Dear editor,

We would like to express our sincere appreciation to all who have shown so much concern for our son Michael, during his stay in the hospital. The cards, gifts and letters were very heartwarming.

Our special thanks to Frank Wolf, the Solarite soccer coach and Mr. Mott, the CYO basketball coach for their personal visits along with all Mike's teammates.

We also wish to mention the devotion of his teacher, Mrs. Meric and his classmates and everyone, who continues to pray for Michael's recovery through this difficult time.

Sincerely,  
Judy Sasso  
and  
Tony Sasso

In your report of the Planning Board's meeting of the hills plan, it was stated the project would take several years before it is even started. Now the residents must live with this existing condition until that time, and if that's not bad enough, we are now being "dumped on" too. The approach to Mountain Avenue is via Nelson Avenue where not only do we have to pass the burned-out, tumbling down, half dismantled, rusted, abandoned quarry structures, but now this property has become the dumping place for old refrigerators, chairs, mattresses, and garbage of all kinds.

Everyone else in town has to clean up so why can't the invisible landlord of that property be made to get rid of the old buildings and equipment and clean up the mess.

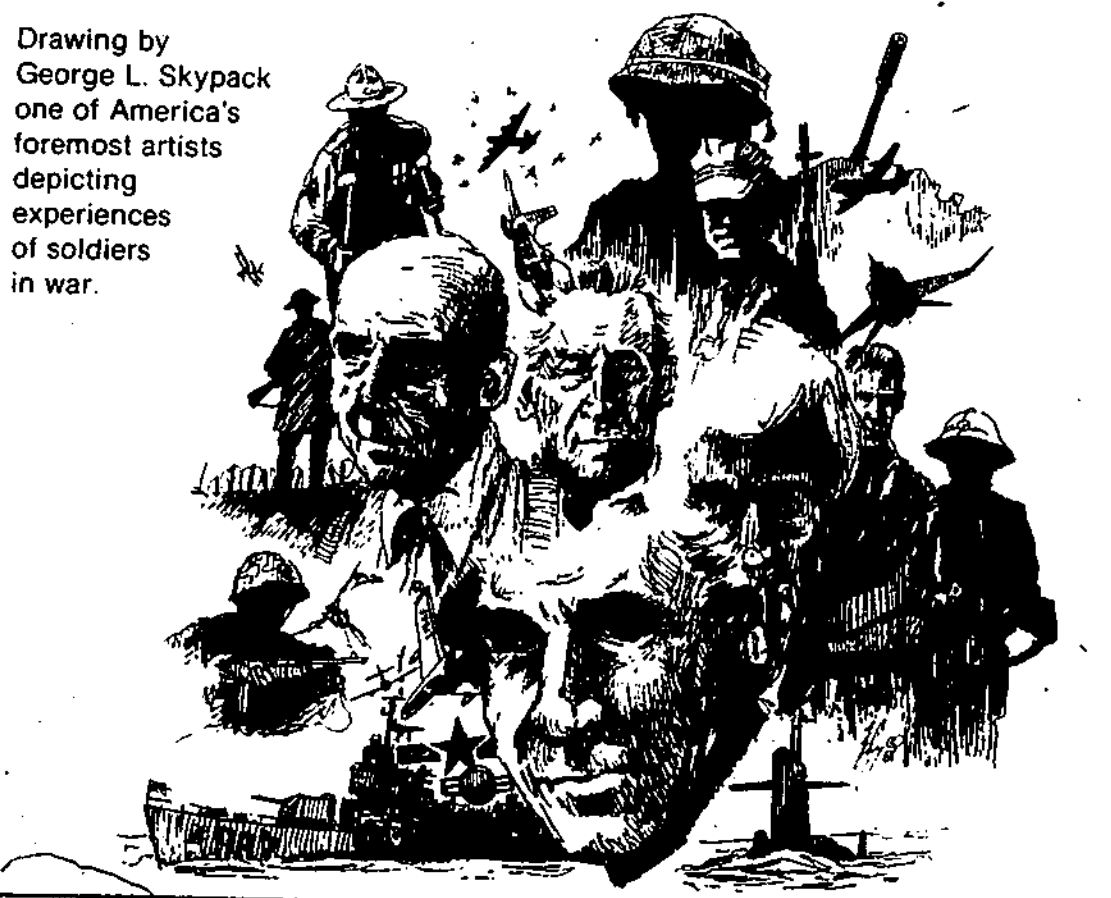

Respectfully submitted,  
Alice Marion

A new beginning

Dear Editor,

The recent elections prove the people want a change in the way the government is run. The high cost of education, energy, taxes, food and clothing is intolerable. Let us support our president and our state and local leaders as they seek to make a new beginning.

Sincerely,  
Kevin Hartog

Hurray BSA:

Scouts to enter exhibit in show

Troop 93 will take part in one of the biggest scouting events in the history of Passaic Valley Council. The 1981 scout show entitled "Hurray BSA" will take place at Passaic Valley High School on November 14 from 10 am until 6 pm.

The troop's exhibit will include rabbits, snakes and a variety of other small animals. As part of the "Save Our American Resources" program area, the troop has built a miniature oil drilling apparatus and will cover several important ways to use our resources while not harming the environment.

Over 100 other packs and troops encompassing most of Passaic County will be involved. Tickets are available from any scout in the area, or at the door. The admission is \$2 for one adult or two children under 12 years. The ticket includes a drawing for a trip for two to the Super Bowl in January.

The troop held its first camping trip of the year on October 3-4 at Sandy Hook, where the scouts toured the US Coast Guard station and the pre-Revolutionary lighthouse.

On October 7, Tom Hauser and Frank Matthews received the life scout progress award. The star progress award was presented to David Lota, Richard Malizia and Robert Shovan. Joe Goellner, Doug La Forge and Craig Van Deusen received the second class progress award. Scott Garsia and Scott

Mickens received the scout award.

Troop 93 meets at the Hawthorne United Methodist Church every Wednesday from 7 to 9 pm.

Eighth grade orientation Tuesday

All eighth grade students and their parents are invited to attend the eighth grade orientation program to be presented at Hawthorne High School on Tuesday, November 17, at 7:30 pm in the auditorium.

The program of studies at the high school will be explained, and information

to aid students in program planning and wise course selection will be discussed. All parents should plan to attend this meeting because it will provide them with an overview of the high school curriculum and an opportunity to meet the administrators, guidance counselors and department chairpersons in the high school.

Jim Chapin to address Democrats

Jim Chapin, former national director of the Democratic Socialist Organizing Committee (DSOC), will speak on alternatives to the Reagan

administrations' economic policies at the next meeting of the Hawthorne Democratic Unit on Wednesday, November 18. The meeting will begin at 8 pm at the Llewellyn Avenue Firehouse.

The theme of the meeting, "Is There Life After Reagan?", will focus on DSOC's attempts to formulate a

progressive economic and political program for the Democratic Party around which Democrats can coalesce in 1982 and beyond.

DSOC was formed in the early 70s by left-wing Democrats who believed that true reform could be attained in this country through the Democratic Party. DSOC has since worked to infuse the party with many of its socialist-oriented viewpoints on such topics as democratic economic planning, and was active in the effort to secure

the 1980 Democratic Presidential nomination for Ted Kennedy.

Chapin has been active in Democratic politics in New York State and served as a delegate for Senator Kennedy at the National Democratic Convention. He is also chairperson of World Hunger, the organization founded by his brother, the late singer Harry Chapin, to combat that world-wide problem.

The public is invited. Admission is free and refreshments will be served.

## Senior Cubs trounce Rutherford Black Knights

The Hawthorne Senior Cubs rebounded from their first loss of the season, trouncing the Rutherford Black Knights 36-6 on Friday night.

The first period was scoreless and the scoring didn't begin until midway into the second period when Billy Sansone threw a 51-yard TD pass to Mike Hanrahan, putting the Cubs ahead 6-0.

The very next time the Seniors took possession, Sansone again hooked up with Hanrahan for a 50-yard gain, putting Hawthorne in a first and goal situation on the six yard line. Sansone then connected with Matt Manley for the TD followed by a toss to Mark Manley for the two-point conversion. At half time, Hawthorne led 14-0.

The Cubs scored once again in the third period with Dean Cupo going over from the two-yard line. Sansone connected with Hanrahan for the two-point conversion as the Cubs increased their lead to 22-0.

Shortly after that, the Black Knights started their TD scoring drive with their quarterback sprinting 15 yards for the score. Their PAT attempt failed as Cengiz Dotday and Mike

Mazzola sealed the hole.

Cupo scored on the Cubs' next series, capping a 66-yard drive with a five-yard TD run. Sansone connected with Matt Manley for two more points.

The Cubs final score was set up with a 23-yard pass from Sansone to Hanrahan, followed by a nine-yard TD pass from Sansone to Matt Manley.

Sansone started out with one pass completion in six attempts, but finished by completing his last 10 in a row going 11 for 16 for a total of 207 yards.

Fine blocking by Craig Domalewski, Dave Wilkerson, Ken Iannaccone, Jim Stansfield and Douday aided the team effort.

Stansfield and Wilkerson combined for an 85-yard running attack with each one blocking well for the other. Cupo had two fumble recoveries and Stansfield made two pass interceptions.

The Cubs travel to Ridgewood next Saturday for their season finale and a chance to win the league championship.

### Senior B Squad

The Senior B Squad lost to the Clifton Junior Mustangs 28-6 over the weekend. In the first

series, Clifton drove 65 yards for a TD in just eight plays.

The Cubs retaliated with a 35 yard completion to Don La Greca from Andy Vita and then came back for a 10 yard scoring pass from these two players to tie it up at 6-6.

Just before the half, Clifton scored again and went on to score twice again en route to the Mustangs' victory.

Mazzola and Chester Radwin were two bright spots in the Cubs' loss.

## Library happenings

To help celebrate Children's Book Week the Louis Bay 2nd Library will sponsor a contest to encourage boys and girls to "think book."

Children ages five through 13 years are invited to create an original slogan for a T-shirt related to books, reading, or libraries.

Prizes will be awarded to the most original entries. T-shirts will be on display in the Children's Room of the Library.

For further details visit the library.

On Wednesday, November 18, at 3:45 pm Al Harding will delight and mystify his audience with baffling magic. Harding will use live rabbits and doves during the show. Members of the audience will participate in many of the tricks. Free tickets are available at the library.

The week of events will conclude on Friday, November 19 with films at 3:45 pm. The films that will be shown are *From the Mixed Up Files of Mrs. Basil E. Frankweiler* and *Doughnuts*.

## Gloria Concert Band to play at Fall Festival of Music

The Gloria Concert Band under the direction of Don Butterfield will participate in the 14th annual Fall Festival of Music at Manchester Regional High School, Haledon on November 14 at 8 pm.

The concert will feature Helen Rosengren, who has been soprano soloist for the past 19 years for Dr. Norman Peale at Marble Collegiate Church in New York City and has appeared with the New York Philharmonic. Also appearing will be the Hillside Singers, a 112 voice children's choir from Hillside School of Closter, under the direction of Helen Kay. In 1978, the Hillside Singers were selected to appear at the Eastern Division of Music Educator's National Conference in Atlantic City.

The Gloria Band will perform such numbers as *Grecian Dance By The Sea* by John Racavay; *Amazing Grace* arranged by John Edmondson; *Carousal* by Richard Rodgers and *March-Overture* by Don Butterfield.

Tickets are available from Gloria Band members and from the Christian Education Boosters from the Second and Midland Park Christian Reformed Churches. They will also be sold at the box office on the night of the concert.

## Area arts

### Art auction scheduled at Boys Club

The Hawthorne Boys Club in cooperation with the Rothchild Galleries will hold an art auction on Sunday, November 15. The club house at 150 Maitland Avenue will be open for viewing at 1:30 pm with the auction scheduled to start at 2:30.

About 250 pieces, including original oils and graphics, will be auctioned off to the highest bidder. Works of Dali, Picasso, Miro, Warhol, Chagall, Delacroix and others will be on display.

The auction is open to the public. Everyone who attends will receive a free gift. Area residents are invited to attend and consider a purchase as an investment or as a Christmas gift. The bidding will begin at \$20. All pieces are framed and guaranteed by the Rothchild Gallery. For further information, call 427-6931.

### Crystal Ship sails to The Bottom Line tonight

Crystal Ship sails to the Bottom Line this evening, November 12. Led by Hawthorne's Joe Tag, the group does a Renaissance of The Doors and is now beginning to form its own identity by playing original material.

The band has successfully played the East and Midwest states and entertained a crowd of 15,000 people at Great Adventure this past summer.

The Bottom Line is located at 15 West 4th Street, New York City. The band's schedule also includes an engagement at My Father's Place on November 13, the Ritz Theatre in Elizabeth on November 14 and the Tower Theatre in Philadelphia on November 25.

## Discover a great little place — Lord Jim's

When Jim and Carol Pisacane opened Lord Jim's, several years ago, it was with the intention of offering quality food at reasonable prices in a clean comfortable setting. Six years later, it can be said that they have indeed succeeded in their intentions and have brought many pleasurable hours to area patrons who want "to discover a great little place."

The rough-hewn lumber on the walls, the beams and the antiques that decorate the place were taken from a barn in Albany that belonged to his father-in-law.

An old stone fireplace, which adds to the cozy atmosphere, stands on one wall next to the long bar. Behind the bar are two antique mahogany showcases. The warm atmosphere is equally conducive to a business lunch or an intimate evening drink with special friends.

Jim, who coached football on the college level, now coaches football and wrestling at Don Bosco High School in Ramsey. He was also one of the originators of the Hawthorne Junior Wrestling Program. He provides hospitality at night. Carol oversees the operation of the business during the day.

Whether you come to this charming little hideaway for lunch, a drink, or a late night snack, you can expect quality and courteous service.

The lunch menu begins with blackboard specials, most notably the famous Lord Jim's 1/2 pound hamburgers and cheeseburgers. A hearty roast beef sandwich is only \$2.95, as is the cheese steak.

The Mark IV is a hefty portion of roast beef, lettuce, tomato, bacon, with blue cheese dressing on a hard roll, all for only \$3.10. An equally delicious bargain is the Whirlybird—Taylor ham and melted cheese on a hard roll with French fries for just \$2.75. The French fries, which are steak fries, are a favorite snack for regular customers.

In addition to the features there is always a hot bowl of homemade soup and other specials such as meatloaf, stuffed shrimp or kielbasa.

In order to continue in his efforts to provide quality, Jim is coming out with a new, even more diversified menu featuring an open steak sandwich and a large cheese board, big enough for four people to share as a late night snack over their favorite wine. The Cheese Board includes four different cheeses, salami, crackers and hot cocktail sauce for only \$3.30.

There are many attractions to add to the fun. Monday night reflects Jim's interest in sports with a Monday Night Football

## Evers sends Shaw hearing back to Haledon

Prospect Park — Last month Municipal Court Judge James P. Evers sent the Janet Shaw case back to Haledon Municipal Court. Shaw had been charged with making harassing phone calls to the Haledon police department earlier this year.

Evers' refusal to hear the case was granted after Shaw's attorney, Isabel Stark, argued that the complaint had been sent to Prospect Park without the defendant's approval.

Stark asked that the complaint be dismissed on the grounds that there was an unreasonable delay in prosecuting, that the statute was being selectively enforced and that there was no applicable claim relating to the statute that allegedly was violated.

Evers did not rule on the dismissal motions, stating that those issues would be handled by the judge who eventually "decides the case."

## Haledon board considers program to save energy

by Thom Ammirato

Haledon — Energy was a major concern at the Haledon Board of Education meeting on November 9 as Superintendent D. Raymond Orsi reported on the heating difficulties involved in maintaining adequate temperatures in the Absalom Grundy School, The Margery Stansfield School and the new addition.

Each part of the school complex, according to Orsi, represents its own unique heating problems since they were built at different times with different heating systems.

The Absalom Grundy School represents the most difficult problem since it was built 50 years ago when energy was cheap.

In order to find a way to create a more efficient energy program Orsi recommended that the board invite Ernie Fredericks, president of the Passaic County School Board, who evaluates the use of energy in buildings, to speak to the board about a plan for more efficient energy use.

Last year the board spent \$15,480 on fuel oil and \$28,564 on gas. Any

recommendations made by Fredericks will not be implemented until the 1982-83 heating season.

### New music program

In other action the board approved a new music program that would implement choral and instrumental programs for grade school children. The instrumental program will be targeted primarily at grades four-six. Grades kindergarten through three will be given classroom music work and grades seven and eight will be given classroom and the option of instrumental work.

According to Mrs. Porter, the music teacher, the children will be given work in small

At the same time, Evers said he was disturbed by an affidavit filed by Stark charging that the Prospect Park court might also be prejudiced against her client. The judge termed the affidavit "at best improper and, at worst, a breach of ordinary conduct" by the attorney.

Haledon Police Chief Vincent Quaglinetti filed the complaint against Shaw a number of weeks ago alleging that on March 5 and 6 nuisance calls received at the Haledon police department were traced to Shaw's house by the telephone company.

According to the police chief, one of the calls was made to a private department line for which only a police employee would have known the number.

The calls reportedly were made around the same time that a sex discrimination suit filed by Shaw against the chief and the borough who was about to be heard in Superior Court in Paterson.

## Revaluation — only a matter of time for the borough

by Bert Nawyn

There's much talk about a revaluation and it appears that it's only going to be a matter of time before the borough of Prospect Park undergoes a reassessment of all its property.

The last revaluation in the borough occurred in 1969 and the tax books were revised in 1970. The one before that took place in 1956 and was on the books in 1957.

Why a revaluation? The state of New Jersey requires that all property be assessed at 100 percent, but that would entail a revaluation or an upgrading of property each year. So municipalities tend to put revaluations off from year to year and that is what happened in most municipalities in Passaic County.

Not only is a revaluation costly, it's a big headache for everyone concerned. The cost of a revaluation for the borough of Prospect Park could reach as high as \$50,000 (about 15 tax points). That's the municipality's cost without the individual burden for the taxpayer whose assessment may increase from \$25,000 to \$70,000.

In Ridgewood, taxpayers have brought suit against the assessor of that town and have asked for action by the Bergen County prosecutor because the assessor accepted the figures of the revaluation firm.

Most municipal officials are reluctant to order a revaluation because this would put them on the so-called "hot seat" with the

property owners. They wait until they are ordered to conduct a revaluation by the County Board of Taxation.

Both county taxes and school aid are based on the true or market value of property each year. This is done through an equalization ratio which differs in each town. The equalization ratio is determined by the sale price of property in relation to the assessment of that property on the assessor's books.

As an example, if property is assessed at \$25,000 and sells for \$50,000 the equalization ratio is 50 percent to true value. All sales for the year are gathered and the percentage is arrived at and applied to the assessed value. Thus, while Prospect Park's assessed value is \$31.5 million, the equalized value is \$64.8 million and this is the way county taxes for the borough are based.

This tax year, Prospect Park received one of its biggest county tax increases, approximately \$63,000, equal to over 20 tax points. This increase was due primarily to the decrease in the equalization ratio from 58.17 percent to 50.63 percent of true value. The year before, Prospect Park's county taxes increased only a few thousand dollars because the borough's equalization ratio increased less than one percentage point.

Two-family houses in the borough are selling for as high as \$95,000. A property owner who just a few years ago purchased

property for \$50,000 now has it for sale for \$110,000. One family houses, despite the high interest rate, are selling for between \$60,000 and \$70,000. Their assessments, however, are based on the value of the property as of 1969, causing the equalization ratio to decrease.

As the equalization ratio goes down, the municipal tax rate increases. The one goes down and the other goes up. If the equalization ratio remains level, as it did a few years ago, the tax rate remains constant. Last year it went up only two points.

When Prospect Park was last ordered to revalue its property in 1969, its equalization ratio was 92.81. The equalization ratios since revaluation remained constant for a few years, which indicated that the revaluation stood up fairly well. Then, with inflation and the tremendous increase in the cost of housing, the equalization ratio started its downward trend. This is how it looked for the past 10 years...

Year	Equalization Ratio
1970	100.00
1971	100.63
1972	91.55
1973	83.77
1974	77.14
1975	70.86
1976	65.05
1977	65.76
1978	62.95
1979	58.68
1980	58.17
1981	50.63

This problem is not unique to Prospect Park. Municipalities such as Wayne and Clifton, which revalued at the same time as Prospect Park in 1968, have already undergone revaluations. So has Totowa. Throughout the state the same situation exists, whether considering south or central Jersey.

Prospect Park undoubtedly will receive an order from the Passaic County Board of Taxation to conduct a revaluation within the next year. The borough will go out on bid for the revaluation and award the bid to the lowest contractor. Teams of people will fan throughout the borough and measure each house, inspect the house from basement to attic, and place a current value on the property. The value should reflect the current market cost of the property.

There is no question that some property owners will get hurt in a revaluation. Others

## Prospect Park council meeting

(Continued from page 1)

### North Haledon sewer agreement

In other matters, the mayor reported that the sewer agreement between North Haledon and the borough has met the approval of the council and will be turned over to the borough attorney for review.

De Graaf emphasized that the project would not cost Prospect Park any money. "The attorney's fees, the engineering costs, the audits, the repair, etc. will be the responsibility of North Haledon." The mayor said that certain matters will be subject to the consent of Prospect Park.

### Ordinance finalized

A public hearing was held on an ordinance to prohibit the establishment of massage parlors and sex shops in the borough and the measure passed unanimously. The only comment on the ordinance came from Sal D'Apollito who stated he approved of the proposed measure.

### Senate Bill S-3300 opposed

Councilman Martin Ver Hage reported that the council opposed S-3300, a bill that would empower the attorney general, in conjunction with a newly-created law enforcement policy council, to establish and promulgate minimum standards with respect to recruitment, selection, training, promotion of individual officers and performance with respect to operations of local law enforcement agencies.

De Graaf stated that he had contacted Senator Frank X. Graves, who assured the mayor that he would not be a proponent of the bill because of its threat to home rule.

Ver Hage asked for letters to be sent to the legislators from this district, explaining the borough's opposition to S-3300.

### Police typist appointed

Mrs. Doris Struck was appointed to the position of temporary typist/special police woman. Councilman Ver Hage, reported that a few weeks ago, a woman was arrested in the borough and neither of the two special policemen employed by the borough was

available to guard the woman. He said that it was the chief's recommendation to hire a part-time typist who could also serve in the policeman's capacity.

Councilman Dietrich questioned whether any consideration had been given to hiring a violations clerk, whose position could be incorporated with the need for an extra policewoman. De Graaf responded that this approach had not been considered.

### Parking situation questioned

The parking problem on North 10th Street was brought up by Edward Williamson, who lives on that street. Councilman Robert Mulder replied that the committee is looking into the matter of trying to make parking more available at night.

Williamson also complained about the fumes that were being emitted from a paint shop in the area. De Graaf told this resident that the matter is being handled by the building official and fire subcode official. "All tenants in that building are being inspected to comply and we are setting up a new procedure to prevent future problems."

Councilman Ver Hage added that the place was operating full blast on a Sunday with a big exhaust fan going.

The council voted to approve the purchase of a test volt ohm meter and authorized the expenditure of \$470 to rewire generator lighting. The purchases were recommended by Councilman Adams.

Councilman Mulder reported that the street committee is considering purchase of a sewer cleaning machine for approximately \$2500.

The council also approved an amendment in the rules and regulations for the use of borough hall. No fundraising will be permitted except as approved by the council on an individual basis.

At the same session, the board granted permission for the fire auxiliary to hold a wine and cheese party in borough hall as a fundraiser for the fire department.

will benefit. One thing that will result from the revaluation is a tax rate that will decrease by either half or two thirds.

A revaluation does not necessarily mean that taxes will go sky high. If the tax rate is \$6 based on a \$20,000 valuation it will be \$2 based on a \$60,000 valuation.

Equalization ratios in 1980 for Passaic County municipalities range from the high of 70.24 for Totowa to the low of 36.21 for North Haledon. The revaluation is coming and it will probably be recorded on the tax books by 1984.

## Jr. women to hear crime victim talk

North Haledon — New Jersey Council On Crime Victims Chairman Robert Grayson will address a meeting of the Manchester Junior Woman's Club at 8:15 pm on November 19. Grayson's topic, "VictimVision," will explore the plight of crime victims throughout New Jersey and the country, and what can be done to help. He will also discuss some of the victim-related legislation now pending in the New Jersey State Legislature.

"For every \$51 spent on the criminal, \$1 is spent on the crime victim, and unfortunately, that same inequality exists for the victim throughout the criminal justice system," according to Grayson.

One of the co-founders of the New Jersey Council on Crime Victims, Grayson also serves as crime victim advocate for the city of Paterson.

Himself the victim of a violent mugging by four men six years ago which left him blind in his right eye, Grayson has received nationwide attention for his work on behalf of crime victims. A former newspaper reporter, the chairman has written numerous articles on the topic of crime victims' rights and has written *The Victim's Companion*, an informative booklet to help crime victims through their ordeal.

## Obituaries

### Lena Gow

Lena M. Gow, 85, died November 5 at the Christian Health Care Center, Wyckoff. Born in Massachusetts, she lived in Clifton and Haledon before moving to the borough two years ago. She was a former member of Calvary Baptist Church, Clifton.

Mrs. Gow was predeceased by her husband, William, who died in 1961. She is survived by a son, the Rev. William Jr. of Batavia, NY; two daughters, Mrs. Mildred Meenan of Hawthorne; Mrs. Margaret Ellis of North Haledon; a sister, Mrs. Martha Blakely of Massachusetts and seven grandchildren.

### Rose Fiore

Rose Zisa Fiore, 85, died November 3 at Greater Paterson General Hospital, Wayne.

Born in Italy, she came to this country in 1920, settling in New York, and then Paterson before moving here 16 years ago. She was a sewing machine operator and was a member of St. Anthony R.C. Church. Her husband, Carlo, died in 1940. She is survived by a daughter, Mrs. John (Lena) Silvestri of Hawthorne, three grandchildren and five great grandchildren.

## DOROTHY MABEY

In loving memory of our dear mother who passed away three years ago on November 6, 1978.

We shared so many happy times, we shared some sad ones too. The saddest day of all, dear mother, was the day we lost you.

Sadly missed by JoAnne, Laura, son-in-law Algi, and granddaughter Tanya Nicole.

## Feliciano inducted into American College of Surgeons

Dr. David Feliciano, son of Dr. and Mrs. Vincent Feliciano of Hawthorne, was recently inducted into the American College of Surgeons. Dr. and Mrs. Vincent Feliciano attended the meeting of the college which was held in San Francisco. There were 11,000

surgeons from all over the United States in attendance.

Dr. David Feliciano presented two papers during the meeting, "Trauma to the Stomach, Duodenum, Pancreas" and "Management of Chest and Great Vessel Injuries."

In July 1981 he was invited to lecture on "Trauma" to the medical staff at the White House.

The inductee resides in Houston, Texas with his wife, Barbara, and two children. He is an assistant professor of surgery at Baylor Medical School.

## Kiwanians hear presentation on aerospace defense

An interesting program covering the North American Aerospace Defense Command, (NORAD) was presented by a representative of New Jersey Bell to the Kiwanis Club. The meeting was held on November 3 at Macaluso's Restaurant. The program included a

discussion of NORAD's mission, between a NORAD officer from the Cheyenne Mountain Complex, Colorado Springs, Colorado and Tom Mc Mahon, staff specialist for New Jersey Bell, through use of a conference type telephone.

NORAD is a joint operation of the defense forces

of the United States and Canada working together to provide warning and assessment of a ballistic missile attack, surveillance of space, and control of the sovereign airspace of the United States and Canada.

A question and answer session followed the presentation.

## Weddings

Mrs. Chester A. Roszkowski

### Roszkowski - Noorman

Janet L. Noorman became the bride of Chester A. Roszkowski at a double ring ceremony at St. Paul's Lutheran Church, Paterson on October 3. The Rev. Robert J. Palkewicz officiated. A reception followed at The Bethwood. The bride is the daughter of Mrs. Eva Noorman and the late Cornelius Noorman of Hawthorne. The bridegroom is the son of Mr. and Mrs. Chester A. Roszkowski of Ridgely Park. Sharon Malakoff was maid of honor. Bridesmaids were Noreen Roszkowski and Lois Ehlberk. Donald, French served as best man. Ushers were Gene Roszkowski and Kevin Conklin. The bride is the quality control supervisor of the hematology laboratory of St. Barnabas Medical Center, Livingston. The groom works for a printing company in Ridgely. Following a wedding trip to Disney World and the Bahamas, the couple will reside in Hawthorne.

### Griffin - De Boer

Denise Gayle De Boer and Michael LeRoy Griffin exchanged marriage vows in a double ring ceremony at St. Michael's Episcopal Church, Wayne, on November 1. Officiating was the Rev. Frederick Gutekunst. A reception followed at the Wayne Manor for 150 guests. The bride, the daughter of Dorothy and Arthur De Boer of the borough, was given in marriage by her father. The bridegroom is the son of Leroy and Myrtle Griffin of Woodland, California. The maids of honor were Debbie and Donna De Boer, sisters of the bride. Bridesmaids were Dianne and Karen Griffin, sisters of the groom. The flower girl was Jamie Guidry, daughter of friends of the bride. Best man was Dan Carlson, a friend of the groom. Ushers were John Watson, cousin of the groom, and Ron Davis and Dave Righetti, friends of the groom. The bride is a graduate of Hawthorne High School and the Institute of Professional Electrology in New Jersey. Prior to her marriage she worked as an electrologist, was the instructor of the Hawthorne High School flag twirling squad, and was a member of the William B. Mahinney Memorial Ambulance Corps. The bridegroom is a graduate of Woodland High School, Woodland, California, and attended American River College in California. Formerly with the Texas Rangers and the New York Yankees, he is now a pitcher with the Chicago Cubs. The couple will spend some time in both New Jersey and California during the winter, and will reside in the Chicago area during baseball season.

### David - Schneider

The Drawbridge Inn, Fort Mitchell, Kentucky, was the scene of the autumn wedding, of Patricia Ann Schneider of Independence, Kentucky, and Kenneth George David of Burlington, Kentucky. The bride is the daughter of Mrs. Norma Hurst and the late Harold Hurst of Scottsburg, Indiana. The groom is the son of Mr. and Mrs. Albert J. David of the borough. Magistrate Margie Miller of Kenton County, Kentucky officiated at the double ring ceremony. Musical selections were rendered on the harp by Linda Grieser of Cincinnati, Ohio. The bride was attended by Mrs. Betty Bennett of Hanover, Indiana, as matron-of-honor. Michelle Allen, daughter of the bride, was junior bridesmaid Robert E. Arnold, of Florence, Kentucky, brother-in-law of the groom, was best man. A poolside cocktail reception and dinner at the Drawbridge Inn immediately followed the ceremony, after which the couple left on a wedding trip to St. Thomas, Virgin Islands. They are now residing in Burlington, Kentucky. Mrs. David is employed by Hale-Justis Drug Company of Cincinnati, Ohio. Mr. David is the production manager of Meese, Inc., Leona.

### Griffin - De Boer

The bridegroom is a graduate of Woodland High School, Woodland, California, and attended American River College in California. Formerly with the Texas Rangers and the New York Yankees, he is now a pitcher with the Chicago Cubs. The couple will spend some time in both New Jersey and California during the winter, and will reside in the Chicago area during baseball season.

Mr. and Mrs. Michael L. Griffin

## Exxon station's expansion denied by Adjustment Board

All phases of an application by the Exxon Corporation requesting variances for construction of an additional service bay at a gas station on 454 Lincoln Avenue were denied by the Board of Adjustment Tuesday night. Also denied in the unanimous vote were variances relating to a proposed storage area, a dumpster area, construction of a 24 by 24 foot canopy and all phases of the application relating to signs.

Variances were granted to permit two driveways on Lincoln Avenue, one of which would be 30 feet wide and the other 35 feet wide. Another driveway, 35 feet wide, would be permitted on Parker Avenue. Among the conditions, were that the most northerly driveway on Lincoln Avenue had to be located a distance of five feet from the northerly property line. The driveway on Parker Avenue may be located at a distance of 10 feet from the corner radius.

Another condition for these variances is that the applicant install low plantings to channelize motor vehicle traffic across areas traversed by pedestrians on Lincoln and Parker Avenues.

Construction of one new 8,000 gallon and two new 6,000 gallon fiberglass storage tanks will also be allowed provided that the five 2,000 gallon and one 6,000 gallon steel tanks and the existing waste oil tanks are all removed. The construction of leak detectors must also be included with the installation of the new tanks.

The board also granted a variance to allow the applicant to build a pump island with four by six foot dimensions. One pump with six

hoses will be permitted in a location 16 feet from Lincoln Avenue provided the applicant further installs an impact or shear valve with the pump. Also required is an adequate modern safety device to protect against the contingency of a motorist driving away from the pump while the pump hose is still in his/her vehicle.

In its findings, the board determined that the existing service station, known as Schoppert's Exxon, is a valid non-conforming use as presently constructed, located and operated. The decision also states that the changes and modifications in the property and operation of the station which the applicant sought would amount to substantial extensions of this non-conforming use and would result in substantially increased activity in and around the service station.

The board also mentioned the probability of increased traffic congestion going in and out of the station and increased hours of operation.

Other considerations in the decision were the proximity of the station to residential uses in the area.

The proposed expansion would increase the noise and odors associated with a filling station and could deprive the neighbors of some of the light and air. These aspects would depreciate the property values of these residences.

The board rejected the claim of hardship on the basis of an undersized lot and noted that there are several service stations located within a short distance of the premises that could serve the common good.

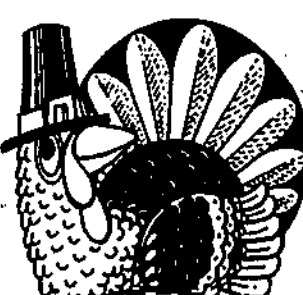

## Police arrest three for burglaries

Hawthorne police made two arrests in connection with a break and entry and an attempted burglary last week. Both arrests were made on November 11. The first one occurred at 10:15 am when a report was received at headquarters that there were two suspicious persons who had attempted to gain entry into 350 Goffle Road.

Police arrested two men one block away on the description of the concerned neighbor. The men gave the arresting officers the names of Manuel Rozero and Raul Rivera of Paterson. They were later identified as Jesus Garcia, 27 of 52 Highland Avenue and Kerwin Colon, 27 of 617 East 11 Street, Paterson. When police arrested the men they were found to be in possession of a large screwdriver. Garcia and Colon faced charges of attempted burglary and possession of burglary equipment and of supplying police with false information. Court action is pending. Ptl. Peter VanDerVelde and Ptl. Thomas Pomroy made the arrest.

The second arrest was made by Ptl. David Noble. While investigating a burglary at Hawthorne Greenhouse, 135 Tenth Avenue, Noble learned that neighbors had spotted a suspicious man in the area. Noble checked with the Greater Paterson General Hospital in Wayne to find someone who may have sustained injuries during a break and entry. The officer learned that George W. Decker, of 190 Tenth Avenue had received treatment for cuts in his hand from glass. Decker also matched the description given to police by the concerned neighbors, and was arrested for the break and entry. He is presently incarcerated at the Passaic County Jail in lieu of \$1400 bail.

## Alert officer on foot patrol spots Arlington Ave. fire

The alertness of a police officer on foot patrol Monday night brought quick response to a fire at an Arlington Avenue residence. Although there was no one home when the fire was reported at 8:46 pm, the family pets, a dog and a cat, were asphyxiated. Ptl. Gary Nelson reported that there was a working fire at 29 Arlington Avenue and the fire department was alerted.

Three fire companies responded to the scene along with two Wyckoff companies called in on mutual aid. Hawthorne's Fire Company No. 2 was out of service, since the motor on its engine needs repair.

Fire Chief James Aldi, Jr., said the fire started in a rear wall of the house in the kitchen and dining room area. "The back of the house was engulfed with flames and there

was tremendous smoke and heat damage."

Louis J. Bay, the borough's fire prevention official, said the blaze was not one that could be termed "suspicious." An estimate of the damage was put at \$25,000.

The two-story structure is the residence of Nelson Lindenthal and his children. There was no one at home when the fire occurred and no injuries were reported at the scene.

The fire chief thanked Wyckoff Company No. 1 for sending its hook and ladder to the scene and Fire Company No. 3 of Wyckoff under the direction of Chief Stanley Gordon for answering the alarm. Police V.J. Mangiafico commended Ptl. Nelson for his alertness.

During the height of the fire, a false alarm was sent in from the corner of Washington Avenue and Division Street.

## Van to be presented to Steele

On Sunday, November 22, the congregation of the Second Reformed Church of Wyckoff and representatives from the Hawthorne Rotary Club and other service organizations, will present to Mark Steele, the keys to a specially equipped 1980 Chevrolet van. The van was purchased by the church. The Hawthorne Rotary Club raised about \$3500 at their recent Octoberfest to help defray the cost of equipping the van with special controls for a handicapped person. Additional monies will be given by other local service organizations to meet the total costs involved.

Steele, a member of Second Reformed, was left a partial paraplegic following surgery in May 1980 for a benign tumor of the spine. He is a 1977 graduate of Hawthorne High School. He plans to attend Ramapo College, majoring in either accounting or computers. The van will enable him to get around more independently than he has been able to in the past few years.

The presentation will take place at the 11 am morning worship service. Pastor Bruce Hoffman will officiate. The van will be on display following the morning service.

## Two arraignments made in connection with recent burglaries

Two arraignments were held Thursday night in connection with two arrests made on November 12.

George Decker of Tenth Avenue appeared in court on a charge of break and entry and theft. Police apprehended him after he gained entry into Hawthorne Greenhouse, Tenth Avenue.

Bail was set at \$4000 by Judge Donald Azar who was filling in for Judge Donald Reenstra. The case was referred to the court in Little Falls where the matter is scheduled to be heard on November 18.

The second defendant was Kerwin Colon of 67 11th Avenue, Paterson, who was charged with attempted break and entry and possession of an unlawful weapon.

When Colon appeared in court, he stated that he was not Colon, but had given the arresting police officers a false identification.

He gave his real identity as Raul Ravery, 5-100 East 38th Street, Bronx, New York.

### Drunk driving conviction costs \$515

**Prospect Park** — A Midland Park man was fined \$515 in municipal court by Judge James Evers for drunk driving and lost his license for 18 months. Frank Pinkham, 24, of 291 Godwin Avenue, Midland Park, also received a 30 day suspended jail sentence and was required by Evers to attend 10 Alcoholics Anonymous meetings before January 1, 1982.

The offense was his second drunk driving conviction and carries a mandatory fine of \$500. When police arrested Pinkham at 3 o'clock in the morning, he had his four-year-old daughter in the car with him.

Ronald Groff of 263 Haledon Avenue, Haledon, was fined \$275 for careless driving and leaving the scene of an accident. Groff told Judge Evers he hit two cars parked on Brown Avenue and then turned down Wagawar Boulevard to go home and call police to report the accident. When he arrived at his home police were waiting for him.

Before imposing the fine, Evers told the defendant that he had a previous conviction for leaving the scene of an accident and said, "You should have remained on the scene."

Henry De Loach of 493 Colonial Avenue, Paterson, was fined \$145 on a number of motor vehicle violations. These included charges of having no insurance on his car, using fictitious license plates, driving an unregistered vehicle, and using license plates of another car. De Loach also lost his license for six months.

Robert Lees of 122 Belmont Avenue, Paterson, paid the court \$85 in fines for having no insurance and no registration for his car. He also lost his license for six months.

Brian Caldwell of 448 Nineteenth Avenue, Paterson, was fined \$50 for going through a red light and being an unlicensed driver.

Maxine Ohbach, formerly of 283 North Eighth Street, was fined \$60 for making unnecessary noises in her apartment by "hollering and yelling." Ohbach had been told by her landlord to vacate the premises.

Ravery was remanded to Passaic County Jail, with bail pending at \$2000 for each of two charges.

A court hearing was also set for November 18 in Little Falls court.

In other matters, Richard Besset of 343 Wagawar Road, paid a \$35 fine and \$15 court costs for charges of obstructing public

passageway and refusal to move upon request. Judge Azar, upon hearing that both charges resulted from the same offense, merged the two complaints into one.

Jack Bouyahi, of 100 Pierson Mill Road, Pompton Lakes, was found not guilty of careless driving on a complaint signed against him by Donald Sherlock of 14 Hannah Road, Oakland.

Sherlock testified that he was travelling north on Route 208 when his vehicle broke down in the slow lane of the highway. He said since there was no shoulder, he left the disabled vehicle in the slow lane with the emergency flashers on and went to call for help.

According to Sherlock, when he was about 150 feet from his vehicle, a car driven by Bouyahi struck his car.

Bouyahi testified that his reaction time was very limited and a car passing him in the center lane prevented him from pulling to the left.

November 10

The owner of Everett's Market, 157 Westervelt Avenue, reported that paper products which had been delivered outside the rear of his store were stolen. Total value of the goods is \$85.

November 13

During the night, John Kuiper Inc., 7 Fifth Avenue, was broken into and about \$150 in petty cash was stolen.

While Thomas Baker of 14 Corizzo Place, Belleville, was at the Meeting Place, 150 Mohawk Avenue, his car was stolen.

The vehicle was later recovered in Little Falls where its driver, Richard Stryker of 156 Westervelt Avenue, was involved in an accident. Stryker was charged with the offense.

November 15

Several mailboxes on Highview Terrace, Mandon Terrace and Beverly Road were damaged during the night.

At 4:47 am, Michael Duburow of 21 Wagner Place was awakened by the noise made by an intruder. The culprit was in Duburow's bedroom and fled before he could be identified.

An undetermined amount of cash was stolen. No forced entry was made and it is possible that the thief entered through an unlocked door.

### Course selection day at HHS today

Course selection day for freshmen, sophomores and juniors at Hawthorne High School will be held on November 19. During their regular classes, students will learn about the courses being offered in each high school department for the 1982-83 school year.

This program will enable students to gain in-depth knowledge of required courses, elective courses, and new course offerings plus a better understanding of selecting courses which are best suited to their individual needs.

### Parents invited to hear Dr. Coletta

The public is invited to childhood education at William Paterson College.

The program will begin at 7:30 pm in the school auditorium. Refreshments will be served following Dr. Coletta's discussion. There is no admission charge.

November 16

A complaint was filed by the Hawthorne High School administration against Helen White, 68 Macfarlan Avenue for not sending her 14-year old daughter to school on a regular basis. Court action will be taken.

November 16

Arthur Hinda, 34 Richard Street, Passaic, and James Prommel, 462 Route 46, Denville, reported to police that their vehicles had been damaged by stones. Both men are employees at Rudco Corp., Thomas Road North.

Police observed an open door at Granny's Chicken, 344 Lincoln Avenue. Three Hawthorne youths were apprehended in the area and face juvenile court appearances.

November 17

A bomb scare was called into the borough schools early in the afternoon. The voice of the youthful caller said that there was a bomb in the school, so all the facilities were evacuated.

#### CORRECTION

A November 10th report incorrectly identified Kenneth Kardanow as the driver of a car in which a 15-year-old girl was arrested for incorrigibility. The driver was Richard Stryker, 153 Westervelt Avenue. Kardanow was a passenger. The error was the result of the information supplied by police.

#### The next step in the process will be scheduling

conferences for each student with his/her guidance counselor. The purpose of this conference is to make certain that the students' schedules reflect their interests, needs, and abilities, as well as graduation requirements.

These conferences will be held during November and December 1981 and January 1982. Students will then be required to take their proposed schedules home for parental approval.

### Tax abatements for four properties

Tax abatements for four borough properties were authorized at Monday's session. The reduced assessments have been granted to: H. Vertolomo, 33 Buena Vista Avenue, a \$135 refund for an assessment reduced by \$3000; M. Boyd, 309 Hawthorne Avenue, a \$27 refund for an assessment reduced by \$600; M. Sauerland, 141 Sixth Avenue, an \$81 refund for an assessment reduced by \$1800 and E. Mehl, 36 Woodside Avenue, a \$45 refund for an assessment reduced by \$1000.

### Park-ride area

A communication was received from Peter Carelis of 418 Lincoln Avenue, who requested a location for a park-ride area to accommodate about five cars from 7 am to 6:30 pm.

Mayor Bay suggested that the former Boys Club on Goffle Road would be a suitable location and suggested that Carelis get in contact with the county park commission which owns the property.

office of Police Chief V.J. Mangialico. Applications will be available Monday through Friday between the hours of 9 am and 4:30 pm.

To qualify for the appointment, an applicant must be between the ages of 18 and 35 and must pass written, physical and oral examinations. The police test will be held in accordance with State Statute Title 40A: 14-123.1a which gives preference to borough residents.

### Revised county transportation plan

A revised draft of the Passaic County Planning Board's 1981 Transportation Plan has been received by the borough, and a hearing on the plan will be scheduled at a later date. The mayor authorized the borough clerk to send a copy of the draft to Fred Gaechter, the borough's transportation representative.

### Truck bids sought

The borough clerk was authorized to advertise for bids for the purchase of a new 1982 one-ton truck. The vehicle will be used by the water department. The specifications call for the bidders to maintain a service facility within the immediate vicinity of the borough.

### NJ Bell approves revised ordinance

An updated ordinance regulating NJ Bell Telephone's right to use various public ways, sidewalks, streets, roads and other public places has been approved by the utility. The ordinance, number 1366 was originally passed 50 years ago and had to be renewed this year. Final reading was held on October 7. NJ Bell granted its approval on November 7 and paid the borough \$229 to cover the cost of legal and advertising fees.

## Leaf fires — concern for motorists and public works department

In the past month, about five or six vehicles have been damaged as a result of leaf fires in our borough. These incidents have prompted Fire Chief James Aldi, Jr. to issue a strong reminder to motorists, warning them not to park their cars on piles of leaves.

According to the fire chief, the catalytic converters on late-model cars stay warm when the motor is turned off and can easily ignite with oil or other combustible materials to start leaf fires.

It's logical advice to tell a motorist

not to park a car on a pile of leaves. There's obvious hazards to doing so, in addition to the possibility of a fire. Human nature being what it is, it's not unusual for a driver to forget the danger after parking in the leaves time and again with no problems.

Another aspect to be considered is that in some areas of the borough, there's no place else to park except in a leaf pile. We think the fault extends beyond the motorist.

The public works department of the borough announced that leaf collections would begin the week of

November 1st. It's now almost three weeks later and there are still areas close to the center of town where leaf piles abound.

The flat areas of the borough where residents must rely on street parking should be given the priority for leaf collections. More of the newer residences in town have driveways and garages and recent developments also have fewer trees than the older parts of the community.

We think it would be far better to abandon the entire leaf collection program if it can't be run more

efficiently. It wouldn't be an enormous inconvenience to require all borough residents to bag all their leaves and include the bags with their garbage collection. It would be safer than the condition which currently threatens borough motorists. Once a car becomes engulfed in flames near a leaf fire, there is not always a chance to salvage a vehicle. Some of the cars have been totally destroyed.

We urge motorists to avoid these risks when parking their cars, but we also see the need for a speedier system of leaf collection borough-wide.

## letters

### A mere thank you would be inadequate

Dear editor,

This letter is going to try and convey what we feel in our hearts. A mere thank you is inadequate.

About 16 months ago we were offered assistance from the N.J. Division of Rehabilitation for our son, Mark, who was disabled after having major back surgery. Their help enabled him to stay as an in-patient at Kessler Institute for three months and to continue as an out-patient for physical therapy three times a week for the past year. They were responsible for many devices that he needed to enable him to become semi-ambulatory.

Mark is a paraplegic and needs a porch lift, which was promised to him last December by D.V.R. He is still waiting for this item to make him fully self sufficient. A few months ago our pastor, the Rev. Bruce Hoffman, from The Second Reformed Church, Wyckoff, informed us that the consistory and our church family were interested in sharing our burden and were discussing plans for securing a van that could be equipped for Mark's needs. This vehicle would enable him to fulfill his plans to return to college in the near future and

eventually to return to work. Recently a 1980 van was purchased for Mark.

About six weeks ago, Arthur Brokaw, president of our local Rotary Club and a personal friend of ours offered the assistance of the club. In conjunction with Bob Brady, owner of the Golden Steer Restaurant, an Octoberfest was held on October 26. To say it was a success is an understatement. The Octoberfest netted \$3,500 and the van is now in the shop where the special controls are being installed.

We wish we could thank everyone personally. However, since the restaurant and the over-flow tent were filled with concerned and loving family, friends, co-workers and people we didn't even know, and since donations are still coming in, we are taking the opportunity to have your paper help us express our feelings.

This account shows why a mere thank you is inadequate. To all of you who have given so unselfishly, our sincerest thanks and may God richly bless each and every one of you.

Most sincerely,  
Harold and Hazel Steele

### Gratitude expressed to the voters

Dear editor,

I would like to express my gratitude to the voters of District #40 for once again expressing their support and approval of my service in the state legislature in Trenton.

I have always tried to express the views and concerns of this district, and have always felt that the quality of life, and level of governmental service, can be improved by the initiation of new positive programs to assist my constituents.

I look forward with eagerness to serving District 40 for another term, where I hope to see the adoption of initiative and referendum, a capping of the gross receipt tax, support for child care centers and a new juvenile justice code.

This state is beset by many problems — but none is beyond solution.

Once again, thank you for expressing your support for my endeavors.

Sincerely,  
Walter M.D. Kern, Jr.  
Assemblyman District #40

### A note of thanks

Dear editor,

The family of William Volkman would like to thank all our relatives, friends and neighbors for their kind expressions of sympathy. It would be impossible to express our appreciation to everyone in person.

### Great American Smokeout being held today

The 52 million Americans who habitually smoke will be the focus of the American Cancer Society's Great American Smokeout scheduled to be held today.

The Smokeout, now in its fifth year, is an annual event designed to encourage smokers to give up cigarettes for a 24 hour period. Last year, nearly five million people were able to make it through the entire Smokeout without a cigarette, and 2.2 million of those people made it beyond the 24 hours.

Smokers will be getting encouragement

locally from their non-smoking friends and family members. Area schools, businesses and health organizations have already begun displaying Smokeout posters and passing out "Kiss Me I Don't Smoke" buttons. A variety of Smokeout activities are also being planned.

The Smokeout's national chairman, Dallas' Larry Hagman, is urging all smokers to make an effort to participate in the Smokeout. Hagman quit smoking several years ago, and feels that quitting is "the best birthday present you can give yourself."

## Senior Cubs win North Jersey Junior Football League title

The Hawthorne Senior Cubs defeated Ridgewood 20-12 and won the North Jersey Junior Football League championship with a 9-1 record on Saturday.

Dean Cupo returned the opening kickoff 60 yards as he ran up the middle and then cut to his right when a seam opened behind the blocks thrown by Cengir Dotday and Kenny Scanlon for the Cubs initial score. The PAT attempt failed. That was all of the scoring in the first period.

The Cubs controlled the second period play with great running by Cupo and Jimmy Stansfield. Their first drive of the quarter saw Stansfield following the blocking of Alan Begyn,

Ken Iannaccone and Mike Hanrahan, who scored on a short run. The pass from Billy Stansfield to Mark Manley was good for two points and a Cubs 14-0 half time lead.

Ridgewood answered back with a 12 play time-consuming drive and came away with six points on a fourth down and four yard run up the middle. The score at the end of the third quarter was 14-6.

The Cubs scored their final points of the year as Sansone connected with a TD pass to Mark Manley and a 20-6 lead. Ridgewood was not through yet. They put on a march of their own and capped it with a 20 yard pass scoring play but missed

the extra point.

The Senior Cubs season ended with them knocking on the door for another score with first and goal on Ridgewood's four yard line.

The Cubs defense was led by Dean Cupo's seven tackles and six assisted tackles. Sansone, Matt Manley, Dotday, Iannaccone and Mike Mazzola played well to contain the Ridgewood running attack.

The Cubs running attack accounted for 177 yards on 33 carries exclusive of Cupo's run back and three completions for just five throws.

## Pumas score first win, Rockettes edge out an undefeated team

by Ellen La Rosa

The Pumas scored their first win of the season, defeating the Fair Lawn Crusaders 10-0 in a total team effort. Pam Hovey scored the only goal.

Playing with only nine players, the Ravens were shutout by the Franklin Lakes Blizzards 3-0.

The previously unbeaten

Wyckoff Braves were defeated in a close 1-0 contest by the Hawthorne Rockettes.

Iris Scheck scored the goal amid the outstanding play by

the rest of the team.

In a superb game, the Cosmoettes crushed the Ridgewood Gremlins 6-1. Heather Kearns scored from a corner kick. Cindy Kenerson had an outstanding day, scoring five goals on assists by Danielle Hyke, Arlene Velocce, Michelle Rinaldi and Kearns.

Many excellent saves by goalie Chris Rainey and Kathi Heller insured the win. Maria Guaraglia played well at the midfield position.

Boys soccer

Hawthorne's young men's squad (under 19) beat Franklin Lakes in their final game of the season. The 4-1 win featured a hat trick by Nunzio Sibillo and one goal by Robert Zwer. Goalie Dave "Butch" Balka made many saves.

Ridgewood's Force wasn't strong enough to stop the Nuggets. Tony Marano scored twice and John Caamano, once in the 3-2 victory.

The Huskies shut out the Mahwah Bicentennials 2-0 in the final five minutes of the game. Goals were made by Mike Le Pore and Sissar in a total team effort.

Team spirit was high for the Polar Bears despite their 3-1 loss to the Upper Saddle River Lions. Sam Alfano scored on a corner kick with an assist from Sal La Rosa. Alfano, La Rosa, Ryan Sherry and Frank Porporino were good on defense. Roy Wilson and Antonello Pietrafesa also played well.

The North Stars lost a close game to Ramsey's Commando's 2-1. The defense

was as strong as ever. Mohamad made the goal on an assist by Giannella.

The Trappers were defeated by the Ridgewood Dragons. Michael John Teter scored for Hawthorne.

The Solarites were back to their usual form as they beat the Wyckoff Torpedoes 5-2 on two goals from Jason Koch and Michael Wolf's first hat trick this year.

Despite the rain and strong wind, the Solarites defense comprised of Michael Kirchhoff, Leo Orcioli, Billy Missonellie and Carmen Ferrara held off Wyckoff's attack in the second half.

## Unknowns defeat GMC 54-50

The Unknowns edged out GMC 54-50 in the men's adult basketball league action on Monday night. M. Kneis was the high scorer with 22 points despite his team's loss. Leading the scoring for the winners were D. Kleppe with 18 and D. Siss with 13.

North Jersey Fire Protection trounced V. Ruta and Sons, 96-51. Carey Cornett was the leading scorer for the winners with 28 points

followed by Frank Cornett, Jr. with 22. S. Mulder added 16 points; A. Vitagliano and F. Cee, 12 each. For V. Ruta, W. Kutzleb accounted for 14 points and E. Revell, 12.

R. Deyden scored 21 points to lead Sports Nut to a 59-48 win over the Golden Steer. R. Porkny led the losers with 18. Teammate J. Koningswood added 14 points. M. Wentink scored 12 points for Sports Nut.

## TURK'S ALLEY

by Sabine Turco, Jr.

### GMC MONDAY EARLY White leads GMC

Ed White bowled 200-223-601 to lead first place GMC Lanes to a two game win over Gertrude's No. 2 team. Dean Brake took all three games from Gertrude's No. 1 team with Jack Boydell leading the way with 246-598. Boydell also won the turkey for bowling the high game of the night.

North Haledon Shell won two from the Golden Steer and We Five took two from Vi Art Five to close out a very low night's scoring.

Allen Ruocco won the night's second turkey for most pins over his average with a 212 game.

### GMC TUESDAY EARLY Sweetman bowls 636

Don Sweetman had a strong 246 game and a 636 series for the Assassins, but his team still lost all three games to first place Lord Jim's Tavern.

Second place Poughkeepsie Finishing took two from Marge's Kitchen. Jules Mendreys bowled 208-211 for Marge's.

Fourth place EG Vending won two from third place Shortway's Barn to move within one and a half games of the third spot.

Dennis Benvenuta had a pair of 200 games and Brud Reiman bowled 222 to lead Park Inn Caterers to a two game win over Rolling Hills Landscaping.

### GMC WED. SPORTSMAN De Genaars, Pearson lead

League average leader Rudy De Genaars, since borrowing Willie Sansone's ball, has been averaging well over the 200 mark. His 217-226-228-671 performance led Witco Chemical to a two-game win over Valley Tone Farms. Bob Fayerweather had 251-633 and Ed Gilsinan 623, both for Witco. Jay McNamara bowled 225-235-631 for Valley Tone.

Willie Sansone bowls and works at GMC, but it seems that Rudy De Genaars is bowling better with Willie's ball. Rumor has it that Rudy made an offer for the ball, but Willie is holding out for big bucks. Stay tuned for further developments.

Jack Pearson Sr. led Pearson Trucking with his performance of 222-223-225-670 to a two game win over Steingia's. De Boer's took two from Kaytes Ford behind John Tammara's 610. Bob Woods bowled 616 for Paterson Machine in his team's win over Andy's Five.

## Juniors close out season with a win

The Junior Cubs closed out this season with a 6-3-1 record blanking of a tough Ridgewood team Saturday.

### Cadillac wins

Leo Higgins' 229-599 and Coy Mincey's 222-572 powered Cadillac's to take all seven points from DeLuccia's Funeral Home. Tony Zisa (200-556) was high man for the men in black. St. Anthony's C.C. swept seven points from Lin-Gor behind Joe Messina's 208-562. Al Bollman had a 223 for Lin-Gor. Passaic Citizens surprised league leading Gizzi Heating by taking five points from them. High man for Gizzi's was Desbee Brown (203-570).

Pete Mariconda (202-534) led the Back Trackers to a five point win over the Stoney Roaders. Tom Baker's 214-556, Ed Baker's 201-556, and Ray Schamble's 200 paced Bernardo's Bananas to a five point victory over Mar's Construction. Duke Kriwol (219-542) was the best for Mar's. With a dramatic comeback off the injured reserve list, Bill "The Legend" Boyle shot 202-599 leading the Hawthorne Press to a five point win over Englehardt's. Ken "Beetle" Bailey aided the winners with his 204-561. Alan Brown bowled 233-581 for the defeated.

Running backs Jeff Collier, Matt Stansfield, Chris Bender, Steve Casapulla, and quarterback Scott Turner ran well behind the blocking of tackles Glenn Langowski and Kyle Johnson, guards Lorenzo Passano and Bobby Greenwood, center Mike Magna, and ends John Carino, Johnny O'Hagan and Rich Nehrings.

Collier rushed 12 times for

38 yards, Stansfield, eight

25 yards; Bender, four for 20

yards; Casapulla, two for nine

yards; and Turner one for eight

yards. Turner also hit Carino on an eight yard pass

for a total offense of 108

yards.

Bender scored first on a

nifty 12 yard run behind

Passano and Langowski.

Collier closed out the scoring

with a power run from the

four yard line behind

Greenwood and Johnson.

Darryl Swofford led a tough

defense with an outstanding

day. Swofford made nine

tackles on the day, two tackles

for Ridgewood losses. Bender

had eight tackles and

Casapulla had six. Collier and

Russ Meneve blocked a punt

to further disrupt the

Ridgewood attack.

### Appetizers, appetizers, appetizers...

#### Elegant Pate

Makes about 2 cups.

1½ pounds chicken livers  
1 half small onion  
1 cup (2 sticks butter or margarine, softened)  
1/3 cup minced onion  
1 teaspoon salt  
Dash cayenne  
1 tablespoon dry mustard  
¼ teaspoon ground nutmeg  
¼ teaspoon ground cloves

1. Cook livers with the onion half in boiling salted water to cover until tender, about 15 minutes; drain.

2. Place chicken livers, butter, minced onion, salt, cayenne, mustard, nutmeg and cloves in container of electric blender. Whirl about 2 minutes at high speed or until smooth. Turn into a medium-size bowl. Cover; chill for several hours. (Can be made several days in advance). Serve garnished with sieved hard-cooked eggs with assorted crackers.

#### Cheese Puffs

Bake at 350° for 15 minutes.

Makes about 4 dozen.  
½ cup (1 stick) butter or margarine, softened  
½ pound process American cheese, shredded  
1 cup unsifted-all purpose flour  
¼ teaspoon salt.

1. Beat butter and cheese in a medium-size bowl with electric mixer until smooth. Stir in flour and salt until well-mixed; knead lightly with hands to form a soft dough.

2. Roll into balls a teaspoon at a time; place on greased cookie sheets.

3. Bake in a moderate oven (350°) for 15 minutes or until golden. Serve hot.

**TO FREEZE:** Freeze unbaked puffs on a cookie sheet; transfer to plastic bags; return to freezer.

**TORREHEAT:** Bake frozen, on cookie sheet, allowing a few extra minutes baking time.

#### Hot Clam Dip

½ cup (1 stick butter or margarine  
1 can condensed cream of mushroom soup  
2 packages (8 ounces each) cream cheese, softened  
1 can (7 to 8 ounces) minced clams, drained and liquid reserved  
1 teaspoon Worcestershire sauce  
¼ teaspoon liquid red pepper seasoning

1. Combine butter and mushroom soup in a medium-size saucepan. Cook over low heat, stirring constantly, until smooth and hot.

2. Stir in cream cheese, clams, Worcestershire and red pepper seasoning. Remove from heat; add reserved clam liquid. Serve hot; if you wish, with assorted crackers or crisp potato chips.

Makes about 4 cups.

### Loco-Motion Vaudeville entertains children

Loco-Motion Vaudeville, a theatre presentation reminiscent of the vaudeville era, entertained the students at Lincoln School recently. The gymnastic team's show featured innovative juggling, acrobatics, comic situations, unicycling and slapstick from old-time theatre.

The program was the first of a series of educational assemblies which will be sponsored by the Home and School Group.

During the past three years, Loco Motion has played at over 200 colleges and universities.

## Sloutmaker issues plea for unity in challenges ahead

**North Haledon** — A plea for unity was issued by Mayor Peter Sloutmaker, when he was sworn into office on November 10th. The mayor, who was elected on November 3rd replaces Mayor Harold Peters whose interim term expired. Peters was appointed when former Mayor John Carbone stepped down earlier this year.

In calling for public involvement in local government, Sloutmaker said the greatest concern "relates to our ability to cope with continued inflation and escalating taxes at a time when our economy is weak and the growth in our tax rate base is very small."

"Our people are alarmed by the continued demands, by the implementation of broader school programs, costs of county services, and wage and benefit demands from every sector, including those on a municipal level. These concerns are especially heavy upon our senior citizens," said the mayor.

"Continued fiscal restraint has to be exercised at all levels, especially as it relates to municipal and school spending where, to a great degree, we can influence and control it through our elected officials. You, the voters, are going to have to speak out and demand it. We must economize wherever possible, cut

wasteful and frivolous spending, and limit our actions to those areas which are basic to our needs and only to those that are absolutely necessary. At a time when our ability to provide extras is limited due to non-growth and reduced revenues at national, state and local levels, we don't have any other choice. Our fiscal position has improved minimally over last year but without a substantial change in our tax rate base, all

"We knew all along it wasn't going to be filled with beds of roses. . . . We'll meet the challenge to do what's right for North Haledon."

increases and expenditures will result in a direct pass-on to the taxpayers," he continued.

"This area of improving our tax base is a subject that we plan to address in the near future. In order to obtain a measure of tax relief we have to reexamine our former positions and explore areas which will provide revenue in excess of service costs. At the same time we must strive to maintain the rural character we all desire. From the discussions we've had with the voters in the past

month we believe our citizens accept this reality because they too feel the need," said Sloutmaker.

The mayor cited the pitfalls that lie in the road ahead, adding that there are many uncertainties. "We knew all along it wasn't going to be filled with beds of roses. There's much to be done, but I feel myself to be very fortunate to be surrounded by hard-working and conscientious public servants, including those who will be joining us in January...with everyone's help, we'll meet the challenge to do what's right for North Haledon. To this end, we solicit your aid and welcome your support. It isn't a task that's limited to elected officials only — every citizen has a stake in their community's future and we can only be successful if everyone does their part. In unity there is strength and when this is coupled with determination, we can and will succeed."

Sloutmaker, resigned his seat on the council prior to taking office. The GOP county committee will submit three names for the appointment of a replacement who will serve until December 31, 1982.

James Botbyl and Betty Lutz, who were elected to council seats in November will take office in January. They will replace

## Prospect Park Patter

by Bert Navyn

Since we left right after the election for a one-week visit with our children in Michigan, there was no time to do an analysis of the recent election. Yet, an analysis should be made because some significant things happened on November 3 and these findings indicate a turnabout of past trends.

First, while there was a Republican sweep throughout the county, State Senator Frank Graves became the second Democrat in borough history to gain more votes than his Republican opponent. The first candidate to do this was Congressman Bob Roe.

While 1026 voters cast their vote for Thomas Kean, only 629 voted for Republican candidate for senate, Frank Gorman. There is no question that Graves, who has been named by *New Jersey Magazine* and *The New York Times* as one of the ablest legislators in Trenton, has found a niche in Prospect Park.

The second significant trend is that for the first time in over a dozen years local council candidates polled higher votes than the county ticket, winning by greater margins than before. In fact, Councilman Mart Ver Hage was second high man on the ballot, topping everyone else but Kean. Bob Adams held his own with the county ticket but received 64 votes less than Ver Hage. There is no question that the controversy over the appointment of Glenn Salenberger as police chief contributed to this difference. Many believe the difference would have been significantly greater had Adams not introduced the resolution, the week before election, appointing Salenberger as chief. It was a controversy that needed resolving before election day.

There were, in our opinion, two significant factors which contributed to the defeat of the local council candidates. One was the 11th hour appointment of the police chief, the other was the brochure which the Democrats sent to voters the day before election. One prominent local Democrat called the brochure in "bad taste."

Fortunately, the voters of Prospect Park take pride in their homes and are well aware of what is going on in the borough. One of the statements in the brochure addressed the new property maintenance code which had been in effect since 1978. The statement was, "Look around you, there is no visual evidence of such a code being enforced."

The fact is that in April, letters were sent by the housing department to more than 50 property owners requiring them to fix up their houses either by painting them or by installing

aluminum siding. A complete report of this was given to the council at their workshop meeting but since the Democratic candidates were not at this meeting, they probably were not aware of this report.

In August of this year, a follow-up statement was submitted to the council concerning 24 property owners who had completed the required work. Of the remaining number, five were working on their properties, and 17 had not yet begun their work. The Democratic council candidates did not mention this report either. To date, the scorecard is definitely better since over 30 of the housing improvement projects have been completed.

Just for the record, aluminum siding was put on 26 houses during the past year, nine houses were painted, 83 houses received exterior improvements, 37 houses were improved on the interior, and numerous property owners made improvements to the grounds of their property.

Imagine the reaction of a property owner who had been ordered to improve his property when he received this brochure.

One such property owner told me, "I was visited by one Democratic candidate and we talked for quite a while and although I am an independent voter who usually voted Republican, I thought it was time for a change. The brochure changed my mind. These people don't know what is going on in the borough."

The Democrats also made the mistake of putting in their brochure a letter which had appeared in *The Hawthorne Press* during the Salenberger controversy. While the letter was appropriate at that time, it was not appropriate after the situation had been resolved. The writer of the letter had indicated his support for Bob Adams before he received the brochure.

There are lessons to be gained by both Republicans and Democrats in the past election. The Republicans have made significant gains with the local candidates polling better than the state and county candidates. The Democrats must learn to bring issues of merit.

In the meantime, there are 300 persons who live in the borough, some for as long as 20 years, who are not registered voters. Both parties would do well if, during the next few months, they got these people on the voter rolls.

## Police make two drug arrests

**North Haledon** — Two drug arrests were made in the borough over the weekend. During the course of one arrest, a Bergenfield man attempted to eat the evidence.

On November 14 at 8:45 am David Frost, 19, of 37 Berwin Place, Bergenfield, was stopped by a police officer who noticed that the brake lights on Frost's car weren't working. During the check, the officer discovered that Frost was in possession of cocaine, under 25 grams of marijuana and drug paraphernalia.

The arrest was hampered when Frost attempted to consume the drugs. After being charged, he was released on \$1000 bail pending court action.

The second arrest occurred as the result of a bench warrant that had been issued to Mark De Block of 6 Dunkerly Lane. An officer had been dispatched to his residence at 7:40 am to issue a

contempt of court citation to De Block for failure to appear in municipal court. He had been charged with possession of under 25 grams of marijuana.

Following that visit, police obtained a search warrant and returned to the premises. After searching the home, the officers arrested James Dunkerly, 60, of the same address and a 16-year-old juvenile.

Dunkerly was charged with possession of a controlled dangerous substance (quaaludes), possession of over 25 grams of marijuana, intent to distribute both and possession of drug paraphernalia. He was released on \$1500 bail.

The juvenile was charged with possession of under 25 grams of marijuana and drug paraphernalia. He was released in the custody of his parents pending juvenile court action.

## More than \$100,000 embezzled from Manchester HS

**Haledon** — More than \$100,000 has been embezzled from the accounts of Manchester Regional High School according to auditor's reports, school officials revealed last week. The audit was ordered last spring when it became apparent that shortages existed in student activities funds under control of Business Administrator Robert Gillespie. On July 2, a few days after the matter was turned over to the Passaic County prosecutor's

November 10

At 1 am a resident at 58 Oxford Street was awakened by a strange noise. Upon investigating, she found nothing disturbed or missing, but at 6 am, she discovered that her front door was open. Nothing was missing and there were no signs of a forced entry.

At 7:55 pm, a fire was found burning at J.I.P.S. where a control knob on a stove had broken off and a gas fire had started. All fire companies responded.

While shopping at the Haledon Foodtown, Haledon Avenue, a wallet belonging to Elsie Datzko, 195 Terrace Avenue, North Haledon, was stolen from her purse which was unattended in a shopping cart. The purse contained \$150 in cash.

## Sanford to be installed at Sixth Reformed

**North Haledon** — The Rev. Ronald D. Sanford will be installed as pastor of the Sixth Reformed Church, 21 Pleasant View Drive on Sunday, November 22 at 3 pm.

A native of Poughkeepsie, NY, Sanford is a graduate of Hope College, Holland, Michigan and New Brunswick Theological Seminary. He was ordained in 1977 by the Classis of Montgomery. He

has served as pastor of the Owasco Reformed Church, Owasco, NY. At present, he is enrolled in a three-year program at Westminster Theological Seminary, Philadelphia, where he is pursuing his doctor of ministry degree.

Mrs. Sanford is the former Margery Barrowman, a native of Yonkers, NY, who also is a graduate of Hope College.

The Sanfords are the parents of two children, Tobey and Kyle.

The new pastor succeeds the Rev. Charles W. Krohe, Jr. who left Sixth Reformed to assume the pastorate of the Seventh Reformed Church of Grand Rapids, Michigan.

The new pastor will be the 15th to officiate at the church which celebrated its 100th anniversary in 1967.

## Blind singer in concert

Blind singer, Ken Medema, will present a concert on Friday November 20 at 8 o'clock in the Hawthorne Gospel Church. Blind since birth, Medema learned to play the piano by listening to tape recordings on reading music written in Braille.

He holds bachelor's and master's degrees from Michigan State University in classical music which he incorporates into his compositions. "My songs are not overly complicated," he says. "It is a sort of eclectic style which enhances and complements the message of the text." His clear, rich baritone voice carefully styles the vocal line so that the thrust of the message cannot be avoided.

## Food collection this weekend

On Saturday, November 20 and Sunday, November 22, St. Anthony RC Church will sponsor its annual food collection for the needy. Parishioners are requested to bring canned goods and non-perishable items to the church before the liturgy.

He is survived by his wife, the former Henrietta Wagoner, a daughter, Claire Bockmann, and a son, Donald, both of Franklin Lakes; a sister, Sadie Mason of Paterson; eight grandchildren and six great grandchildren.

**Fuel-switching is no nickel-and-dime proposition.**

Before you go to the unnecessary expense of changing your heating system from fuel oil to natural gas, remember: converting an entire heating system is an expensive proposition. Not only will you have to purchase all new equipment and pay to have it installed, but you'll also be paying to have the old equipment dismantled. Sure you're worried that your old equipment is wasting fuel, but doesn't it make more sense to modernize your existing oil-burning equipment than to go to all the expense that conversion entails? Now, especially with the new 15-percent tax credit for modernization of oil-burning equipment recently authorized by Congress, modernization is a more economical option than conversion. Call your independent heating oil dealer. He'll tell you how to get more for your heating dollar, for less.

## GOP to hold its Thanksgiving party Nov. 23

The Hawthorne Unit of the Passaic County Republican Organization will hold its annual Thanksgiving party on Monday, November 23 at 8:30 pm in Fire Company No. 1's hall, 616 Lafayette Avenue. The party will be a victory celebration for the Republican county sweep in

the November election. A barbershop quartet will provide the entertainment and there will be drawings for turkeys and other prizes. A short business meeting will be conducted by President Raymond Guernic. The nominating committee will be appointed.

Municipal Chairman Bert Vanden Berg, Jr., Municipal Vice Chairwoman Jean L. Hughes, Bonnie Hart and Bob McKinley, who led the county committee, express their appreciation to all the voters who exercised their right by going to the polls. In addition to electing Tom Kean, a

Republican governor — the county GOP now has the majority on the Board of Freeholders and won the register of deeds position. This year the Hawthorne County Committee was actively involved in the campaign and plans to work as hard in future elections.

## Weddings

### Lattig - Duncan

The First Methodist Church of Toms River was the scene of the wedding of Janice Elizabeth Duncan and Specialist 4 Frederick Charles Lattig on October 17. The bride is the daughter of Mr. and Mrs. John Engels of Toms River. The groom's parents are Mr. and Mrs. Fred Lattig of Hawthorne.

Maid of honor was Frances Farese of Union Beach. Bridesmaids were Cindy Gysels, Lynn Ward and Lee Johnston.

Erwin Kreiner of Hawthorne was the best man.

Ushers were George Buchwald, George Duncan, brother of the bride and Andrew Matriciano. Thomas Engels, the bride's brother, was the ringbearer.

The bride is a graduate of Toms River High School North and the Stuart School of Business Administration Asbury Park.

The groom is a graduate of Hawthorne High School and now serves with the US Army Military Police in Fort Monmouth. The couple is now residing in Eatontown.

## Engagement

### Susan Coral

Mr. and Mrs. Richard Best of Fair Lawn have announced the engagement of their daughter, Susan Coral, to Ralph Anthony Botti, son of Mrs. Richard Gaugler and the late Ralph J. Botti of Hawthorne.

The bride-to-be is a graduate of Fair Lawn High School and the Berkeley

School. She is a legal secretary with the firm, Cole, Berman and Belsky in Rochelle Park.

The prospective groom, a Hawthorne High graduate, is employed at Central Jersey Service in Rochelle Park as an air conditioning-refrigeration technician.

An April 1982 wedding is planned.

Mr. and Mrs. Dennis Spykaboer

### Spykaboer - Matyasovski

Robyn Ellen Matyasovski became the bride of Dennis Spykaboer recently at the Grace United Methodist Church in Wyckoff. The Rev. Robert J. Duncan officiated the double ring ceremony which was followed by a reception at the Robin Hood Inn in Clifton.

The bride is the daughter of Mr. and Mrs. Joseph Matyasovski of Hawthorne. The groom is the son of Mr. Cornelius Spykaboer of Wyckoff.

Marcy Partinoff of Philadelphia was maid of honor. Bridesmaids were Denise Crawford and Nancy

Vanderaa. Dave Vanderaa was best man. Ushers were Thomas Matyasovski and Alan Crawford.

The bride received a bachelor of science degree from Fairleigh Dickinson University and is a registered nuclear medical technician. She is presently employed as an R.I.A. lab technician, at Erika of Rockledge. ## Seven injured in auto accident

by Pam Hickman

Seven people were injured in a two-car collision on Goffle Road last Thursday. One of the passengers was trapped in her car for over an hour until the Wyckoff Rescue Squad, who assisted at the scene, were able to free her from the wreckage.

According to the police report, William Revis, 25, of Oakland was attempting to make a left turn into the Goffle Grill, 1140 Goffle Road, when his car collided with a jeep driven by Anthony De Bari, 28, of Westwood. The accident occurred at 6:46 pm and it was about 8 pm when rescue workers freed a passenger from Revis' Camaro.

Squad with the transportation of the injured to area hospitals. All those involved have been treated and released.

November 17

While on vacation the home of Clara Veenstra, of 948 Lafayette Avenue was broken into. Household items were stolen, but the amount of missing property has not yet been documented.

November 18

At 9 am police received a report of four youths in a car with what appeared to be a handgun. The car was located and its occupants arrested. The driver of the vehicle, a 17 years old Hawthorne youth, was charged with possession of an unlawful weapon. The three other occupants, ages 16 and 17, were charged with being truant from school. Juvenile court action is pending.

## the dimmer side

Anna Kemp, 23, of Midland Park was a passenger in De Bari's jeep. The occupants of the Camaro included Rosalee Rullo, 24, of Garfield, Alim Menadi, six, of Garfield, Susan Revis, three and Jessica Revis; one, also of Oakland.

Hawthorne police and the William B. Mawhinney VFW Memorial Ambulance Corps were assisted by the Haledon Ambulance Corps and the Wyckoff Ambulance and Rescue

An alert neighbor observed two suspicious men in the area of Cedar Avenue at 2:20 pm. Police were alerted and discovered that the home of Lee Ehlman, 112 Cedar Avenue, had been forcibly entered and burglarized. Among the missing goods was a stereo which the witness saw two men carrying from the scene.

Mark Steele, a borough resident who has been a partial paraplegic since May 1980, received the gift of mobility Sunday when the keys of a specially-equipped van were turned over to him. The presentation was made at the Second Reformed Church of Wyckoff on behalf of the congregation which raised the money to purchase a 1980 Chevrolet van. The Hawthorne Rotary Club and other local service organizations held fundraisers to defray the cost of equipping the vehicle with special controls.

Pictured with Steele (left) is the Rev. Bruce Hoffman, pastor of the church. A 1977 graduate of Hawthorne High School, Steele wants to attend Ramapo College where he plans to pursue a career in computers or accounting.

## Court decision bars police director's hiring

Haledon — The borough has been barred from hiring a police director, following a decision handed down by Judge Adolph Romei last week. In the culmination of a civil trial, Romei declared illegal part of a borough ordinance which transfers most of the police chief's power to the police director.

Romei's decision relied heavily on a new law which prevents elected officials from interfering with the police chief's authority. The law takes precedence over the job description adopted on the local level.

Borough officials have indicated that they will not appeal the decision, but may do something else in the police department to provide better protection.

The lawsuit was initiated by the New Jersey State Association of Chiefs of Police and the Haledon PBA Local 114 to fight the ordinance passed by the council four months ago.

Other provisions of the ordinance which include a table of organization for the department, requirements for appointment and other regulations, were declared valid.

The November 16th decision states that the transfer of chief's powers to a police director would reduce the chief in rank and would in effect, constitute a demotion. Romei also stated that a chief cannot be stripped of all his powers without just cause and without a hearing.

The ordinance, which was adopted on March 30th, was described by the judge as a scheme "to displace Police Chief Vincent Quaglietta" as the functioning police chief. Quaglietta was hired in March 1980 and in July 1980, Mayor Sam Sibilio asked the chief to resign, but Quaglietta refused to do so.

During the trial, Sibilio told of various problems in the police department relating from what the mayor called the chief's "lack of leadership."

Quaglietta said he felt great about the outcome of the trial and hoped the \$15,000 earmarked for the police director could be used to hire additional department personnel.

## Thanksgiving services scheduled

Five borough churches will hold Thanksgiving Eve services tonight. An ecumenical service has been scheduled at the Hawthorne United Methodist Church at 7:30 pm. Parishioners are asked to bring canned goods for a holiday food basket. At St. Clement's Episcopal Church and St. Anthony RC Church, services will also be held at 7:30 pm.

At 8 pm, there will be services at the Rea Avenue Reformed Church and the First Reformed Church. The Rev. Dr. Harry Kocotos, Jr., will preach at the Rea Avenue Church on the topic, "Turkey, Football, And..." The Rev. Robert W. Jackson will deliver the sermon at the First Reformed.

Services have also been scheduled for Thanksgiving Day at local churches. The First Baptist Church will hold its program tomorrow at 10 am. At Hawthorne Gospel, the Thanksgiving service will take place at 9 am. Members of the audience will give testimonies about the good things the Lord has provided for them in the past year. The offering will be earmarked for the church building fund.

At St. Anthony RC Church, Thanksgiving Day masses are scheduled for 7:15 and 9 am.

North Haledon, Haledon, Prospect Park

Brother Dennis Sennett, administrator of Graymoor (NY) Eucumenical Institute, will be guest homilist at the annual Thanksgiving Eve ecumenical service of the Haledon Area Interfaith Committee.

Host church will be the First Presbyterian Church of North Haledon, 204 Squaw Brook Road. The service will be held at 8 o'clock this evening.

The offering this year will be donated to the Paterson Clergy Association's Fire Victim Fund.

A combined choir will be led by the host director, Raymond Tarantino. A social hour will follow.

Among the participating communities will be Lord of Life Lutheran Church, North Haledon; Cedar Cliff Methodist Church, Haledon; St. Paul's RC Church, Prospect Park, and St. Gerard Majella's RC Church, St. Mary's RC Church, Trinity Episcopal Church and Paterson Avenue Methodist Church, all of Paterson.

Thelma and George Keen of Cedar Cliff Methodist Church are chair couple of the Haledon Area Interfaith Committee.

A thanksgiving program at the Trinity Christian Reformed Church, North Haledon Avenue, North Haledon, will feature Kenneth and Sheri De Boer, who will perform in duets for piano and organ. The program will begin at 8 pm on Thursday.

Kenneth De Boer is minister of music at the Second Reformed Church in Wyckoff and is music instructor in the Clifton public school system. His wife is organist at the Second Reformed Church. Both are graduates of Westminster Choir College of Princeton.

Also taking part in the program will be Paul and Eileen De Boer who will perform trumpet and piano duets. Paul, who is associate professor at Roberts Wesleyan College in Rochester, NY, received his master's degree in music from the Manhattan School of Music. His wife received her degree in music from Wesleyan in Princeton.

Bethany Christian Services will benefit from the program. Everyone is invited.

The Rev. Bernard Van Someren will deliver the message at the Thanksgiving service at the Second Christian Reformed Church, North 11th Street, Prospect Park. The public is invited to attend the program scheduled for Thursday at 9:30 am.

A service of praise and thanksgiving will be held on Thanksgiving morning, at 9 am in the sanctuary of the Second Reformed Church of Wyckoff, 475 Lafayette Avenue. Pastor Bruce Hoffman will conduct the service and bring the message. The worship service will include a gariloun prelude on Thanksgiving themes, traditional hymns of praise, special choral music and participation by the congregation in personal seasons of praise and thanks to God for his many blessings.

The church wind ensemble and Pastor Hoffman will also be participating in the Wyckoff Community Thanksgiving Eve Service to be held this evening at St. Elizabeth's Roman Catholic Church in Wyckoff.

## A year's probation for resident with homegrown pot

A borough resident who was charged with growing a marijuana plant and possession of under 25 grams of marijuana was given one year of supervised probation. Stephen E. Kilmurray, a Vietnam veteran, resides at 233 Diamond Bridge Avenue.

Marinus Driesse of 18 Eighth Avenue, had his license suspended for eight months on charges of driving under the influence of alcohol.

The charge carried at \$20 fine and \$25 court costs. Driesse was also charged with leaving the scene of an accident on November 4 and paid \$50 and \$15 court costs.

Fred Schipke, of 257 Park Avenue, Midland Park was found guilty of parking within 50 feet of a stop sign. He paid a minimum fine of \$5 and \$5 court costs.

Russell D. Kuiken of 202 Maple Avenue, Fair Lawn paid \$7.50 and \$7.50 court costs on each of two charges. Kuiken, who had borrowed a friend's car, was involved in an accident on November 8. He was charged with failure to produce a valid registration card or a valid insurance card. Kuiken pleaded guilty, stating that the credentials were in the car although he didn't know where the documents were located.

A bench warrant was issued for John V. Calamia, 36 Byrne Place, Bergenfield, for failure to appear in court for sentencing two weeks ago. Calamia had been found guilty of driving while on the revoked list. Bail was set at \$1000.

A total of \$125 in fines and \$40 court costs were assessed against Kenneth B. Gauff, 197 Hiawatha Boulevard, Oakland on charges of disorderly conduct and failure to keep his vehicle to the right. Gauff's car struck a utility pole on Rea Avenue in the vicinity of First Avenue.

Pt. Peter Vander Velde testified that when he arrived at the scene to assist with the accident, Gauff "acted in a threatening manner. He became loud. I told him to be quiet and then placed him under arrest," said the officer.

Linda Neill of 319 19th Avenue, Paterson, appeared in court on charges that she violated the probation set by Judge Donald Reenstra one month ago. Neill had been convicted of passing two overdrawn checks, paid substantial fines and was put on a year's probation.

Norma Lesenby of the Paterson Probation Department, who filed the charges, stated that Neill refused to cooperate with the department. "She is a serious heroin addict," said Lesenby. "She refused in-patient treatment of an 18-month period at Alpha House of Mount Carmel Guild. There is nothing else probation can do."

Reenstra told Neill that if she was not admitted into the drug rehabilitation program the next day, a warrant would be issued for her arrest.

A change of venue was granted for a case involving two Paterson police officers. The defendant, Linda Jackson, of 46 Washington Avenue, Paterson, pleaded not guilty to a charge that she made terroristic threats to the Paterson Violation Bureau Clerk Anne Marie La Femina. The charge was amended to simple assault.

According to testimony elicited in the case, the situation began on November 18, 1980, when Jackson went to the municipal building in Paterson to complain about notices she

Pam Hickman

under the gavel

had received for unpaid parking tickets. La Femina told Jackson that she had nothing to do with the notices and should seek information elsewhere in city hall.

La Femina said Jackson became abusive, used loud and vulgar language and threatened her, saying, "I'm going to get you...I'm going to kill you. I know where you live, where you work, and what kind of car you got. And I'm going to get you!"

The violations clerk retreated into a backroom, where Jackson was not permitted, but she followed La Femina and continued yelling and then lunged at La Femina. Two police officers escorted Jackson out of the building at the front entrance.

La Femina said when she was leaving the building with her father a short time later, she was confronted by Jackson outside the building. The violations clerk retreated into her office until it was safe to leave. The next seven days, she called in sick.

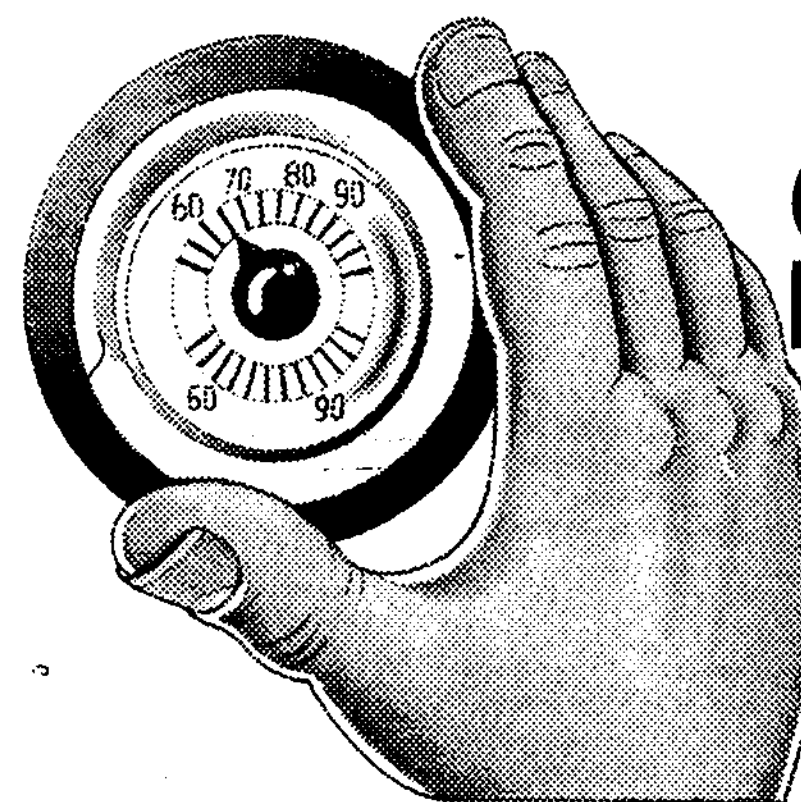

On the eighth day, La Femina resigned her job out of fear. Four persons were called as eye witnesses. Two were police officers from Paterson — Officer Bruce Price, Officer James Wittick, Regina Stussi, docket clerk and Marie O'Brien, of the violation bureau, also testified. All four confirmed the violation clerk's testimony.

When Jackson took the stand, she stated that La Femina had been "rude" and "snotty" to her and had used foul language. Reenstra found the testimony of La Femina and the witnesses to be true and credible "beyond a reasonable doubt" and found Jackson guilty.

The defendant reacted by yelling, "I demand a lie detector test. She's lying and all of the (the witnesses) too."

After calming down, Jackson agreed to pay \$200 in fines and \$50 court costs. She was placed on a one year period of supervised probation.

# Dial Down and Save!

Don't let the drop in temperature get the best of you and your energy dollars. Dial down this winter and save three ways:

## SAVE MONEY!

For every degree you lower your normal thermostat setting, you save 3% on your heating bill.

## SAVE WEAR & TEAR!

Changing the setting up and down frequently only causes wear and tear on your equipment, and may result in higher heating bills. An automatic clock thermostat can change the setting for you.

## SAVE ENERGY!

The less energy you use today, the less we will depend on foreign oil imports in the future. And America needs your help to gain energy independence.

This winter, be a conscientious conservator. Dial down to the lowest comfortable setting during the day and even lower at night or when you're away on vacation.

## Fred Gaechter elected chamber president

At the November general membership meeting of the Hawthorne Chamber of Commerce, the 1982 slate of officers and directors were unanimously elected. Fred Gaechter, of New Jersey Bell, will be the new president.

Bill Missonellie of The Hawthorne Press will be first

vice president; Tony Scordato of Scordato's Restaurant, second vice president; Steven Tarta, attorney, treasurer and Maureen Erzmoneit of Sunway Oil, secretary.

The board of directors will be made up of Gene Meyers, Hawthorne Chevrolet; Judd Hamlin; Judd Hamlin Service

Corp.; Don Lozzi, American BD Co. (Opici Wines); Seymour Pollack; Seymour Pollack Opticians; Dominic Mele, Tiffany's Florist and Stanley Berenzweig, Rag Shop.

A recently-passed amendment to the by-laws is increasing the number of

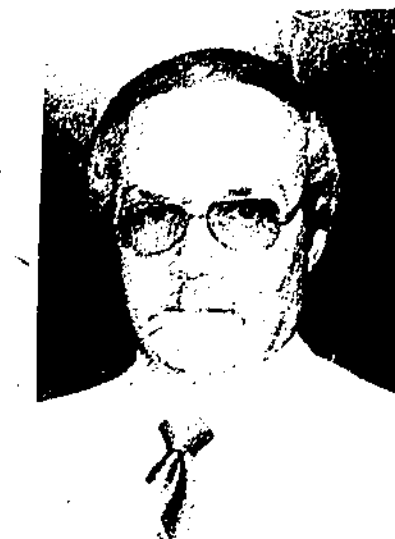

alternates on the board of directors from four to eight. The 1982 alternates are: Al Marsiglio, Citizens First National Bank; Marguerite Vesey, Servo Tek Products; Satya Srikonda, Shanthi Travel; Tom Maher, Alpha Security Systems; Margo Lane, Lanc Electric Co.

Marge Shortway, Shortway's Barn; Phil Hoffman, Hoffman Exxon and Bill Buchmann, B and S Sheet Metal Co., Inc.

Gaechter is a lifelong

borough resident and a graduate of Hawthorne High School. He is currently employed as a staff manager at AT&T, Basking Ridge. He joined the Bell System in 1962 and has served the company in various capacities. The president-elect attended Syracuse University and Fairleigh Dickinson University. He is a veteran of the Air Force for which he served as a linguist.

A past president of the Y's Men's Club of the Lakeland Valley YMCA, he was also past treasurer of the Masterwork Music and Art Foundation of Morristown, an organization in which he is still active. He is currently a member of the Tanglewood Lakes Community Associates in Pennsylvania. Gaechter

Fred Gaechter, and his wife, Judith, reside at 32 Summit Avenue.

"The chamber's goal is to make Hawthorne prosperous and a better place in which to live and to transact business," said Gaechter about the coming year. "There are numerous projects currently under review for 1982 that directly relate to that goal." He encourages the active participation of the membership in chamber activities. "It is my hope to witness further growth in our membership during the coming year."

## dimmer side

November 19

A model home at 82 Horizon Terrace was apparently used as a party location by a group of youths, according to police. There were numerous beer bottles in the house and damage had been done to the interior of the building.

November 20

A 15-year-old borough girl was taken to the Greater Paterson General Hospital in Wayne for emergency treatment from an overdose of drugs. According to her parents, the girl had taken a large dosage of prescription valium pills. The girl has recovered but faces a juvenile court hearing.

Four wheel covers were stolen from a vehicle owned by Shirley Bartholf, 55 Charners Avenue, North Haledon while her car was parked at the Inmont Corp., 150 Wagaraw Road.

November 21

A large display window was broken during the night at Alfred's Jeweler's, 580 Lafayette Avenue. A stone was thrown through the window and the alarm was activated.

Clifton Police recovered a vehicle which had been stolen from Hawthorne several days ago. The car owned by Alan Staples, 169 Second Avenue, was found abandoned, but undamaged.

November 23

The owner of Johanna Farms, 291 Wagaraw Road reported that sometime over the weekend, 82 gallons of gasoline were stolen from the gas pumps in the rear of the building. The value of the stolen gasoline is \$120.

## Applicants for patrolmen sought

Applicants for the position of police officer will be accepted now until December 11th.

Anyone who plans to take the police examination that will be held in the near future should obtain an application at the office of Police Chief V.J. Mangiafico. Applications will be available Monday through Friday between the hours of 9 am and 4:30 pm.

To qualify for the appointment, an applicant must be between the ages of 18 and 35 and must pass written, physical and oral examinations. The police test will be held in accordance with State Statute Title 40A: 14-123.1a which gives preference to borough residents.

for the week of November 25th

### Volunteers — be thankful for the job they do

The L'il League coach, the volunteer firemen, the den mother, the official who serves on a community advisory board are a representative group of the citizens in the borough. These people, all volunteers in some capacity, are not the exception. They're the rule.

As we reflect on the good aspects of our lives this Thanksgiving, let's pay special attention to the countless volunteers and their organizations for the integral part that they play in any community. All of us owe a debt of gratitude to the men and women who spend a sizeable portion of their lives engaged in public service. Their involvement requires hard work,

constant attention, and sacrifice on the part of their families who must schedule their happenings around the volunteer's activities.

Various boards in our community are made up of members who receive no compensation for the time they spend conducting hearings and making decisions. The trustees who make up the Board of Education must seek election and be put in office by the voters. The members of the other boards in the borough are appointed by the mayor and commissioners. These men and women have no easy task, especially when complex issues, such as major land developments, are pending before their boards.

In the field of public safety, there

are fire fighters, ambulance corps personnel and auxiliary police officers, whose jobs involve an element of danger. Although many of these volunteers find their jobs exciting, the life and death aspect in some of the situations they face requires a serious commitment on their part. Public safety volunteers often have to spend additional hours in the classroom to make sure they're knowledgeable in emergency care.

Rounding out the picture are the hundreds of recreation volunteers who plan programs for the youth of the borough and serve as coaches in junior sports programs.

Scout leaders, organizers of senior

citizen activities, members of service organizations, church volunteers are just a few more of the groups who raise funds to supplement civic programs and to aid worthy causes.

There are many men and women, often working behind the scenes, whose contribution to society often goes unnoticed. We focus on these volunteers and on behalf of our community thank each of them for the contribution.

We are grateful that we live in a country where freedom exists and even more grateful that we have citizens who cherish their freedom by volunteering their service to make this community a better place.

## letters

### Leaves create hazardous situations

Dear editor,

I am writing this letter in reference to the leaf problem in our town. I have seen the borough truck picking leaves up and not long after the truck has passed, there were people raking out leaves again. Something should be done. Residents should either bag their leaves or receive a summons.

In my opinion piling leaves in the gutter creates a hazardous condition. Fires can occur

in cars from catalytic converters and from other sources. The leaves also clog the sewers and when wet, they become very slippery, sometimes resulting in accidents.

I hope next year the people of this town will be more considerate and bag some of their leaves instead of raking them into the streets.

Sincerely,  
Jane West

### Congratulations to the Rockettes

Dear editor,

I would like to take this opportunity to congratulate the Rockettes for their outstanding performance this soccer season. It isn't the number of games won that makes their season significant, but the spirit these players exhibited.

The girls really pulled together and played as a team. Their performance proves that the season was well worth the time and effort. Each player deserves individual recognition, but it's easier to say that each girl was great.

The players learned to win and to accept defeat and to keep trying no matter what the outcome. As their coach, I was pleased by the improvement from the first day until now. It was all worthwhile.

I would also like to thank all the parents whose care and interest contributed to the season's fun and success.

Thanks also to Kathy and Fran who were always ready to help out.

Sincerely,  
Roy Berger

### Other options to draft registration

Dear editor,

We have been hearing reminders from our government that young men are supposed to register for what is undoubtedly to be an eventual draft. Unfortunately, we never hear about the other options. Since Selective Service registration started again in July 1980, hundreds of thousands of men have chosen not to register.

They are refusing to participate in a process that may well end in a jungle in El Salvador fighting to prop up a repressive military dictatorship; or in a desert in the Mid-East protecting US oil companies' profits; or in Western Europe fighting a "limited" nuclear war.

It is well to remember that a large standing army is invariably used for combat somewhere.

Having to decide whether or not to register is a very serious problem. It is important for an 18-year-old to be as sure as possible of the

choice he is making. The North Jersey Coalition Against Registration and the Draft (CARD) has a statewide list of trained counselors who are available for discussions free of charge.

It is also crucial that young men who choose not to register are supported in that decision — especially the ones the government will arrest and prosecute. CARD stands ready to help give that support. They can be reached at 324 Bloomfield Avenue, Montclair, NJ 07042. The telephone number is 744-3263.

Sincerely yours,  
Lois Cucinello

### A note of thanks

Dear editor,

On behalf of the Hawthorne Golden Harvesters, I would like to express the club's appreciation for the publicity your newspaper has given us in 1981.

Continued success in the coming year and years to come. Happy holidays to you and your staff.

Sincerely,

A "Teacher Recognition Day" flower is presented to Cynthia Burczynski, Washington School third grade teacher, by Dr. Frank P. Chiofalo, Jr., Hawthorne Superintendent of Schools.

### Teacher Recognition Day held

Teacher Recognition Day was observed in the Hawthorne school system during American Education Week. Last Wednesday, professional staff members received flowers and scrolls with the board resolution

designating November 18th in honor of the teachers. Parent teacher organizations in each school helped with the celebration by serving refreshments.

This is the second annual Teacher Recognition Day held in the school district. The program was initiated last year to show teachers that they are valued members of the educational community whose professional performance exemplifies a high degree of dedication.

The next meeting of the group will be on Thursday, December 3 at 7:30 pm in the high school cafeteria. All members attending are asked to bring a small gift to exchange for Christmas.

### Financial aid meeting for parents Dec. 7

Hawthorne High School will conduct a financial aid seminar for parents of seniors and juniors on Monday, December 7 at 7 pm in the high school auditorium. Students are also welcome.

The guest speaker will be Mr. Robert Chonko, assistant dean for admissions and financial aid for Fairleigh Dickinson University.

The high school counseling staff under the direction of Mrs. Appelle will be present to answer questions. This meeting is in addition to a meeting conducted by the counselors with their counselees on Monday November 30 in the school.

Pictured from left: Michael Conti, Vicki Arias, Charles Astor, Mrs. Veronica Appelle, guidance director and Dr. Robert Hausner, school principal.

### Century III winners announced

Ellena Vicki Arias, a senior at Hawthorne High School, has been named top Century III Leader in a competition there, according to Dr. Robert M. Hausner, principal. Runners-up were Charles Astor and Michael Conti.

The 17-year-old student is now eligible to compete with other local winners from around the state for one of two \$1,500 scholarships and an all-expense paid trip to the national Century III Leaders Conference, slated for March 5-8, 1982, in Colonial

Williamsburg, Va. State winners will compete for the national winner's prize of an additional \$10,000 scholarship.

The Century III Leaders program is designed to bring together and recognize student leaders who show both strong leadership abilities and an interest in the future of America. Arias was judged on the basis of leadership skills, school and community involvement, and a current events examination. She also wrote a short essay on a particular issue which challenges America in its third century.

## TURK'S ALLEY

by Sabine Turco, Jr.

### GMC MONDAY EARLY

The Golden Steer took two games from GMC and have tied the bowling lanes team for the top spot. Bob Van Dyke had 235 to save one game for GMC. Dean Brake moved into second place, winning two from NH Shell. The Front Porch took two from Gertrude's No. 2 and Vi Art Five won a pair from Gertrude's No. 1. Jack Pearson, Sr., bowled 245 for Gert's.

The Steer and GMC have 20-10 records followed by Dean Brake at 19-11, The Front Porch, 18 1/2 - 11 1/2 and NH Shell, 18-11.

### GMC TUESDAY EARLY

Jack Molenaar had games of 203-212-214 and a big 629 series to lead Marge's Kitchen to a three game win over the Assassins. Jules Mendrys had 211-230, also for Marge's. Ed Wallace bowled 208-242-623 for Poughkeepsie Finishing which won three from Park Inn Catering. Tony Iannacone bowled 236-608 for the winners.

First place Lord Jim's Tavern took two from Shortway's Barn. Ed Shannon bowled 254 for the winners. EG Vending won two from Rolling Hills with Herb Schilling (231) and Ed Gilmore (225) leading the way.

### GMC WED. SPORTSMEN

Rudy DeGenars keeps rolling along with Willie Sansone's ball as he bowled games of 223-244-654. Rudy, the league's average leader, is at the 205 mark and going higher.

Last year's average leader, Johnny Tammara had his third 600 series in a row as he bowled a big 266 game and a 613 series for Kaytes Ford in a two-game win over Steigings'. Bob Van Dyke had 614 and Ben Denise 612 for Paterson Machine. De Boer's Pharmacy won two from Pearson Trucking and Valley Tone Farms took two from the Cool Dudes to round out Wednesday night's action.

*Have a Happy Thanksgiving.*

### DeFranco wins lifting trophy

On Sunday November 15, George De Franco of Hawthorne won first place in the Powerlift Bench Press contest sponsored by the Princeton Borough Police. De Franco, competing in the 200 pound division, received trophies for lifting the most weight over his body weight.

The contest was open to all New Jersey law enforcement personnel who are committed to physical fitness and want to test their physical prowess. De Franco is a member of the NJ State Police.

### Final wrestling registration Dec. 2

The final registration for the junior wrestling program will be held from 6 to 9 pm on December 2 at the High School Den, (locker room at the football field). Elementary School boys born between January 1, 1967 and December 31, 1974 are eligible.

The team is a member of the North Jersey Junior Wrestling Federation and participates in eight dual matches, two holiday tournaments, and district and regional tournaments. Boys are matched against other competitors of their own age and weight and all boys participate in all matches.

For further information contact Frank DeLusso, 423-2754, or Frank Kabrel, Jr. 427-3819.

### Parents invited to meet director

## Rec program planned for the retarded

A recreation program for the mentally retarded will be started in January 1982 by the Hawthorne Board of Recreation. Mr. John Marsh, who has been hired as director of this new program, will hold a meeting with parents who are interested in having their children participate in this activity.

Parents are invited to attend this session on Wednesday, December 9 at 7:30 pm to meet the new director and discuss the program.

### Frosh complete undefeated season

The Hawthorne High freshman football squad completed a 9-0 season by defeating the Manchester Falcons 40-26. Both teams were undefeated going into the game.

The Bears' attack emphasized the running game, averaging more than 30 points per game. Leading the offense were backs Mike White, Brad Huntington, Scot Smith, Joe Libertino, John May and Eric Manley, guards Tackles Scott Barna and Aaron Wolfe, center John La Guardia, ends George Weber, Ken Chenu, Bob Kiener and Bryan Hughes rounded out the offense.

The defense was keyed by linemen Mike Verrengia, Joe Sinning, Dan Zimak, Kevin Foley, Steve Nazzarise, Jamie Bosland, Scot Orner and backs Ed Mc Green, George Kirchner and John Carlo.

### Monaghan runs marathon

Borough resident William Monaghan, Jr., ran in the New York City Marathon and finished in three hours, 22 minutes and nine seconds.

The 57-year-old runner is often seen training for these events as jogs along the streets of Hawthorne. Monaghan, who placed 3927, improved his performance over last year by moving 1,000 places closer to the top spot and by running six minutes faster.

## Bookmark contest planned by library group

A bookmark contest is being sponsored by the Friends of the Library and all entries will be used to decorate the library's Christmas tree and then presented to patients at Preakness Hospital in Wayne.

The contest is open to all interested persons in the following categories: Grades one-four, grades five-eight, grades nine to 12, and adult.

All bookmarks must be handmade and can be any size up to two inches by eight inches. Any type of material can be used as long as the finished bookmark is two-dimensional. Each entry must have a punch hole at the top so it can hang on the tree.

## Gillan's poetry published

Maria Gillan of Hawthorne has had a book of poetry published. *Flowers From The Tree of Night*, published by Chantry Press, Midland Park, is a collection of poems which deal with her life as a woman, wife and mother. They reveal her strong attachment to nature and have a spiritual dimension as well.

Gillan was awarded the arts creative writing fellowship in poetry for 1980-81 from the New Jersey State Council. She also won the William Carlos Williams Poetry Contest, the Sri Chinmoy Award, The Passaic Review Poetry Contest, and The Raritan River Festival Poetry Contest.

An English instructor at Montclair State College, Bloomfield College, and Bergen Community College, Gillan is also a PhD candidate at Drew University in Madison. In addition, she is the editor of *Footwork Magazine*, a literary magazine for professional poets sponsored by Passaic County Community College.

She and her husband Dennis have two children, John, a junior at Bergen Catholic High School, and Jennifer, a freshman at Immaculate Heart Academy. The Gillans are parishioners at St. Anthony RC Church.

A member of Bergen Poets and Poets and Writers, Gillan is also listed in *The International Directory of Poets, Poets and Writers Directory*, and in *Contemporary Authors*.

## Annual dinner dance set by Boy Scouts

The Northern Valley District, Passaic Valley Council, BSA, will hold its annual dinner-dance on Friday night, December 4 at the Hawthorne Fire Co. No. 1 on Lafayette Avenue in the borough. The dinner, which is open to all adult scouts and unit staff members within the district, will consist of a covered dish supper. Everyone attending is asked to bring one hot or cold entree.

The event will begin at 6:30 pm. A \$4 donation per person is requested.

Following the dinner, district officers for the 1982 will be elected. Bob Fousse, a self-employed machinist in North Haledon, has been nominated to succeed Paterson Municipal Court Judge Ronald Fava as district chairman. Vi Darby was nominated for district commissioner to replace Wayne Councilman Fred Bauer.

Contestants may submit only one entry, and the contestant's name and telephone number must be written or securely attached to the back of the bookmark. All entries must be submitted to the library by Wednesday, December 16.

Prizes will be awarded at the Friend's tree-trimming and Christmas party to be held at the library on Saturday, December 19. Festivities will get underway at 2 pm, and will include refreshments, music and caroling. The public is invited to attend.

Prior to Christmas, all of the bookmarks will be delivered to Preakness Hospital by members of the Friends of the Library group.

The Friends of the Library is a non-profit group that provides materials to the library and sponsors activities that are not covered by the library's budget. Further information about the group can be obtained by calling the library at 427-5745.

Magician Al Harding entertained borough children at the library last week in celebration of Children's Book Week. Pictured with Harding (front left) is Bill Brulfer and Vincent Valinoti (front right). At rear left is Christine Valinoti.

## Botbyl in college play

Borough resident Brett Botbyl appeared in The Defiance College production of *The Good Doctor*, by Neil Simon on November 19, 20 and 21. Botbyl played the leading role of the narrator and acted in several of the scenes. The play is a series of comical skits based on Russian folk tales.

Botbyl, a freshman communication arts major, is also a member of the choir, Chamber Singers, the Harlequins. A 1981 graduate of Hawthorne High School, he is the son of Mr. and Mrs. Eugene Botbyl, 674 Lafayette Avenue.

## Favorite recipes

Leftover Thanksgiving turkey can be transformed into some interesting entrees. In addition to your favorite cold turkey salad recipe try this hot version.

### Hot Swiss Turkey Salad

1/4 cup each mayonnaise and sour cream  
1 tablespoon dry sherry  
2 tablespoons Dijon mustard  
1 teaspoon dried tarragon  
3 cups diced or shredded cooked turkey  
1 stalk celery, finely chopped  
4 green onions, thinly sliced  
1 cup shredded Swiss cheese  
1/2 cup slivered almonds

Mix mayonnaise, sour cream, sherry, mustard and tarragon until smooth. Lightly combine this dressing with turkey, celery, green onions and cheese. Divide mixture into four to six individual greased shallow baking dishes. Top with almonds. Bake uncovered at 400 degrees for 15 to 20 minutes until salads are bubbly and almonds lightly browned.

### Turkey Mold with Mushrooms

1 cup chopped fresh mushrooms  
1 cup chicken broth  
1/3 cup butter or margarine  
1/3 cup chopped white parts scallions  
3 cups finely chopped leftover roast turkey  
1 tbl. finely chopped parsley  
1 tbl. finely chopped celery leaves  
1 egg  
1/4 tsp. nutmeg  
Salt and pepper

2 cups soft breadcrumbs  
1 (10 oz.) pkg. frozen puff pastry shells,  
lightly thawed 24 thin slices leftover turkey,  
(1/8" thick, 3 x 4 inches)

1. Cook scallions and chopped mushrooms in 2 tablespoons butter or margarine until soft, but not brown. Combine in a bowl with chopped turkey, parsley, celery leaves and half the chicken broth.
2. Beat together the egg and reserved chicken broth, and blend into turkey mixture.
3. Very lightly saute the breadcrumbs in remaining butter or margarine until light golden, but not crisp. Combine crumbs, turkey mixture, nutmeg and salt and pepper to taste. Toss together lightly.
4. Roll out each pastry shell to 8-inch circle, 1/4-inch thick. Line 6 (10-ounce) greased heat-proof molds (large custard cups are ideal) with each pastry circle, letting the ends overhang the mold. Arrange 4 turkey slices, overlapping, inside the lining of each mold. Fill with chopped turkey mixture and turn in overlapping pastry. Cover each top lightly with circles of greased foil.
5. Bake in preheated 400° oven 20 minutes. Remove foil covers and continue baking 10 minutes longer or until pastry is golden brown. Remove molds from oven and let them stand for 5 minutes. Loosen edges with a sharp knife. Unmold onto a warmed serving platter. Garnish platter with watercress, if desired. Serves 6.

For a break from turkey, try dining out at one of the restaurants listed on these pages.

## Fischer named to board secretary position in North Haledon

North Haledon - Haledon School Board Secretary Jeffrey Fischer has accepted the position of board secretary to replace Deane Padula, who resigned last month. The North Haledon trustees voted 6-0 on November 18 to

appoint Fischer at an annual salary of \$21,500. Fischer will start his new job 60 days after the date he submits his resignation in Haledon. He will receive \$24,000 during the 1982-83 term.

The 28-year-old school business official served the Haledon board for three and a half years. He was a member of the Manchester Regional School Board for five years and during that time he was elected president of the New

Jersey School Boards Association and the Passaic County School Boards Association. A graduate of Fairleigh Dickinson University, where he received a bachelor's degree, Fischer is currently

president of the Passaic County Business Officials Association. Prior to his Haledon job, he was employed by the Pennsylvania Life Insurance Company.

Fischer looks forward to the "challenge" of his duties in North Haledon and noted the sense of "stability" on the board, which has been plagued by internal feuds for the past three years.

## Haledon happenings

by Pam Hickman  
November 18

A complaint was signed by Martha Haber, borough clerk of Haledon against Ptl. David Sutton of the Haledon Police Department for harassment. The officer issued a parking ticket for a truck on the night in question and the following morning a complaint was signed by Haber for harassment.

"I don't know what she is talking about. Issuing a parking ticket and harassment don't fit together. I don't know how I could have

harassed her; she wasn't even there," said Sutton.

The truck to which the ticket was issued is owned by a relative of Haber. The officer left the summons on the windshield of the vehicle. He said he spoke to no one that evening about the ticket. The complaint will be heard in court within a few weeks.

While on patrol, Ptl. Frank Atherton noticed that a fence had been pulled from the ground at 365 Belmont Avenue. A passerby, who

refused to identify himself, stated that he had witnessed two white males pull down the picket fence and flee in a silver Impala which headed south on Belmont Avenue. An investigation is continuing.

November 20

49 year-old Maxine C. Olbach of Prospect Park was arrested at the 76 Club on Belmont Avenue for disorderly conduct. At 1:11 am she was asked by the management to leave the club and refused. When police

came to escort the woman out of the club, she began to yell profanities.

A pedestrian, who was crossing Haledon Avenue at 5:30 pm, was hit by a car and was pronounced dead at Greater Paterson General Hospital at 6:17 pm. Romeo Ormezzano, 79, of 78 North 5th Street, Paterson, was struck by a car driven by Harry Collis, 22, 1-41 37th Street, Fair Lawn. An autopsy is being performed to determine the cause of death.

## Prospect Park Patter

by Bert Nawyn

Prospect Park has experienced a 9.2 percent in the crime index for the first eight months in 1981, compared to a similar period in 1980. These figures were released recently by Passaic County Prosecutor Joseph A. Falone.

Adjoining towns experienced the following crime index percentages, Haledon was up 31.2 percent, Hawthorne, 11.8 percent, and North Haledon, up 29.3 percent. The crime index is the grand total of all crimes minus simple assaults which usually result from domestic or other types of family quarrels.

While towns such as North Haledon show a dramatic increase in the crime index, that is not to say that crimes in such towns overshadow those in municipalities such as Prospect Park, which had 89 larceny-thefts reported against North Haledon's 67. In Prospect Park the increase was 15 and in North Haledon it was 19. While the occurrences were lower in number, the percentage was greater.

The crime tally sheet for the four towns as released from the Passaic County Prosecutor's office is as follows:

	Prospect Park	Haledon	Hawthorne	North Haledon
	1980	1981	1980	1981
Robbery	2	3	2	8
Assault	7	5	6	8
Simple Assault	40	32	35	54
Burglary	50	54	75	112
Larceny/Theft	74	89	125	158
M/Vehicle Theft	9	4	22	17
Grand Total	182	187	266	357

## Two Paterson men held on \$25,000 bail for B & E's

Prospect Park - Two 18-year-old Paterson men are in the Passaic County Jail, on charges that they broke into and robbed four local homes. They are being held in lieu of \$25,000 bail, set by Municipal Court Judge James P. Evers.

Clarence Goodman of 674 East 25th Street and Tyrone Williams of 91 Straight Street are accused of breaking in and robbing the homes of Casimir Karlewicz of 104 North 17th Street, on October 15, and the homes of Charlotte Bartels, 77 North 17th Street, Sadie Rosendale, 118 North 15th Street, and Paul McDonald, 124 North 14th Street, on October 20 and 21.

At the time of the break ins and thefts, Mrs.

Rosendale and the MacDonalds were at home. The culprits put ladders up to the second story windows to enter the homes. At the Karlewicz home, where \$600 in cash was taken and over \$2,000 in jewelry and other items, the family was sleeping. Mrs. Bartels was in the hospital at the time of the break in at her apartment, which is on the second floor of the house.

Police were able to identify the two men as the intruders through their fingerprints. Police Chief Glenn Saltenberger said that prints were obtained at the scene of the robberies.

The two men were apprehended by Paterson police, who charged them with nine robberies in that city.

were sitting in the kitchen while the burglar was ransacking the bedrooms. The culprits responsible for most of the burglaries in this community have been captured and these incidences seem to have abated.

As Mayor Nicholas De Graaf said in response to a citizen who asked that 10 more policemen be appointed to the police force, "You can put a policeman on every corner in this borough but it's almost impossible to stop a man from sneaking, under the cover of night, from house to house intent on robbery."

Police Chief Glenn Saltenberger warned that as the Christmas season approaches, residents should be wary of any strangers in their neighborhood. He said, "If you see a suspicious stranger in the neighborhood, call the police. It is better that we come and find nothing wrong than to learn that you did not call and there was a robbery."

Saltenberger also asked that residents lock their windows during the winter months. He said, "Only by an alert citizenry can we keep crime down."

Borough Republicans are happy that Walt Porter is in line for the position of freeholder director of Passaic County. Long a favorite son of the borough, Porter is popular among both Democrats and Republicans. With the

Republican majority on the board of freeholders comes political patronage in appointments to various commissions and jobs on the county payroll.

Borough Republicans, who again this year turned in a splendid majority for Kean and the Republican state and county tickets, have too long been shunted aside for political appointments. It's time that recognition is given.

Sam Petrecca, president of Manchester Regional High School Board of Education, was an honored guest last Tuesday at the ground breaking ceremonies for the new Passaic County Vocational and Technical High School Special Needs Building. The new school, for handicapped students, will cost \$3.2 million, half to be paid by New Jersey and the other half by Passaic County. The state's half of the cost was secured by Senator Frank X. Graves who spoke at the ceremonies.

Two offerings will be taken at the Thanksgiving service at the Second Christian Reformed Church at 9:30 am on Thursday. The first collection will be divided between the Eastern Christian Children's Retreat and the Christian Health Care Center. The second will be for the Eastern Christian School Association.

## Children's holiday program set at North Haledon Public Library

North Haledon - The Friends of the North Haledon Free Public Library will hold a holiday program for children ages four and up on Saturday, December 5 at 1:30 pm in the North Haledon Municipal Building, 103 Overlook Avenue. Three Christmas films will be shown and a puppet show will be presented by the Manchester Junior Woman's Club.

Also on Saturday, December 5, the Friends

### Adam Zakutynski

Prospect Park — St. Paul Council #6903 of the Knights of Columbus will honor Past Grand Knight Jon K. Yancey, DD at a testimonial dinner-dance on Saturday November 28 at LaNeve's Restaurant, Belmont Avenue, Haledon. Vincent Parrillo, F.D.D. will serve as master of ceremonies.

The full-course dinner will be followed by an open bar and music for dancing by the Vic Liguari band. Tickets may be obtained from dinner chairman Samuel Petrecca, P.G.K. at 595-6423 or 595-6373.

Adam E. Zakutynski, 73, a borough resident for 20 years, died on Tuesday, November 17 in Bradenton, Florida. He had made the sunshine state his winter residence since his retirement some 20 years ago. In the summers he lived in Brick town.

Services for the deceased were held last Saturday in Little Ferry where he had lived prior to coming to Hawthorne. The eulogy was delivered by Fred Munich, of Glen Rock, a fellow former Lone Scout.

Mr. Zakutynski was born in North Bergen, and before his retirement was a marine engineer for the Erie Railroad. He was a member of the Pioneer Lodge of Masons, No. 70 F&AM.

For 50 years he was a leader of Troop No. 104 Little Ferry. In addition he was a devoted member of Lone Scouts and was extremely active in the alumni group known as the Elbeetian Legion. He always made it a point to attend the various reunions held annually in various parts of the country. He also took an active part in guiding the Lone Scout Memory Lodge in North Carolina.

Surviving him are his wife the former Laura J. Van Oosthuisen, three daughters: Laura La Bruna of Little Ferry,

Freda Youngsman of Clifton, and Edna Konios, of Stu rt, Florida; also a brother Herman Most, of Sayreville, five grand children and two great grandchildren.

## Fuel-switching is no nickel-and-dime proposition.

Before you go to the unnecessary expense of changing your heating system from fuel oil to natural gas, remember: converting an entire heating system is an expensive proposition. Not only will you have to purchase all new equipment and pay to have it installed, but you'll also be paying to have the old equipment dismantled. Sure you're worried that your old equipment is wasting fuel. But doesn't it make more sense to modernize your existing oil-burning equipment than to go to all the expense that conversion entails? Now, especially with the new 15-percent tax credit for modernization of oil-burning equipment recently authorized by Congress, modernization is a more economical option than conversion. Call your independent heating oil dealer. He'll tell you how to get more for your heating dollar, for less.

### Wedding announcement

Massman - Todzia

At a military wedding in Holy Trinity Chapel, West Point, Nadine Todzia of Hawthorne became the bride of Lt. Dean Massman. The double ring ceremony was followed by a reception at the Mona Lisa in West Paterson. The bride is the daughter of Mr. and Mrs. Stanley Todzia of the borough. The groom's parents are Mrs. Robert Davis of Palm Bay, Florida and Mr. Duane Massman of Frankmunth, Michigan.

The maid of honor was Renee Todzia, sister of the bride. The best man was Chief Petty Officer Daniel Massman of

California. The groom's brother, Melanie Sharkey, the bride's cousin, was the flower girl and Jeremy Todzia, the bride's nephew, was the ring bearer.

The bride is a graduate of Hawthorne High School and Douglass College. Her husband is a graduate of Palm Bay schools and the U.S. Military Academy, West Point, NY.

Following a wedding trip to North Carolina and Florida, the couple is residing in Fort Knox Kentucky where Lt. Massman is stationed.

### Women plan holiday meeting December 2

Mrs. Anita Kay, American home chairman, and Mrs. Ina Barker, fine arts chairman, are sponsoring a joint meeting on Wednesday, December 2, at 1 pm at the home of Mrs. Kay. Members will make favors for the Christmas party.

On Thursday evening, December 3, the Woman's Club of Hawthorne will hold a business meeting at 8 o'clock at the home of Mrs. Grace Komjian. Mrs. Betty Scullion will preside. There will be a demonstration of chocolate and candy dipping by Rose Fiorilla.

The Christmas party of the Woman's Club will be held at Macaluso's Restaurant, 161 Rea Avenue, on Thursday, December 17, at 7 pm. Mrs. Rita Simone is the chairman.

### Rosarians plan December events

The members of St. Anthony Rosary Society will receive communion in a body on Sunday, December 6 at the 8 am mass.

The group's next meeting is scheduled for Tuesday, December 8 following the 7:30 pm mass in the church. All women are invited. This mass

### Attention Kids:

Santa Claus has asked the Hawthorne Jaycee-ettes to help him this Christmas, by collecting your letters to him and delivering them to the North Pole. He wants to hear from all the good girls and boys again this year. So have your mommy or daddy help you and mail your letters to Santa Claus P.O. Box 222 Hawthorne, NJ 07506. Be sure to put in the letter your name and address so Santa will know where to go on Christmas.

A check for \$3000 was presented to Dr. Frank Manginello, (center), head of neonatology of St. Joseph's Hospital and Sister Jane Frances, (right), hospital administrator, by Jim Petrucci (left) president of St. Joseph's Intensive Care Nursery Parents Association. The parents group raised the funds through Chinese auction and a raffle to help provide much-needed equipment in the ICN.
