The Good Your Community Chest Dollars Do!

Children may have little bodies, but they have awfully big hearts. Did you ever see a kid vault up and practically burst when he felt he wasn't "getting the breaks?"

You just melt and want to give him the world.

And you do give youngsters a bright new world when you give to Your Big 77.

Your Big 77 includes such Red Feather services as the Scouts, the "TV," Camp Christmas Seal and the Memorial Day Nursery. It means that every child can go off onikes in the Summer ... or build model planes, learn toboggan and play games in the Winter."

It means, too, that there will be visiting nurses, clinics and hospitals to keep them healthy and strong.

So let's buy the kids in our town a great big chunk of happiness. They're only young once. Let's give them a childhood to remember!

The Good Your Community Chest Dollars Do!

Through all the towns, and in every school of you community, you will find:

- People here that are big in heart, and when they have a supply of toys, this is exactly what they do with them.
- Food to feed the hungry.
- Roof to keep the cold out.
- Clothing to keep the cold out.
- Health to keep the children well.
- Education to keep the children well.
- Happiness to keep the children well.
- Happiness to keep the children well.

Nothing is more grand than the manner we give to the world happiness. To something good with a supply of toys, this is exactly what we do with them.

VETERANS OF NEW JERSEY

We Have Been Deserted by Governor Walter E. Edge and His Republican Candidate for Governor, Alfred E. Driscoll!

Read how the $50,000,000 state surplus, publicly "dedicated" by Gov. Edge as a "sacred" post-war fund for Veterans Housing "disappeared" when the Veterans asked Edge and Driscoll to spend $50,000,000 of it on immediate Veterans' housing, right now. Before the snow flies, Driscoll and Edge FAILED US by appropriating only $450,000 for housing. The Veterans' $50,000,000 housing program, rejected by Driscoll, would have produced, immediately, 16,000 dwelling units desperately needed. The deceitful Driscoll program for only $450,000 will produce only 1,350 dwelling units. The Driscoll program is a desertion of the Veterans!

The Veterans' committee asked for an appropriation of $50,000,000 out of this $50,000,000 "sacred" Post-War Fund for immediate veterans' housing. Driscoll answered that the "sacred" fund had DISAPPEARED!

We Have Been Deserted by Governor Walter E. Edge and His Republican Candidate for Governor, Alfred E. Driscoll!

Read how the $54,000,000 state surplus, publicly dedicated by Gov. Edge as a "surreal" post-war fund for Veterans Housing "disappeared" when the Veterans asked Edge and Driscoll to spend $5,000,000 of it on immediate Veterans' housing. Right now, believe the snow flies. Driscoll and Edge FAILED US by appropriating only $6,000,000 for housing. The Veterans' $5,000,000 housing program, rejected by Driscoll, would have produced, immediately, 18,000 Veterans' homes desperately needed. The leftover Driscoll program for only $6,000,000 will produce only 1,700 dwelling units. The Driscoll program is a desertion of the Veterans!

The veterans' committee asked for an appropriation of $54,000,000 out of this $54,000,000 "surplus" Post-War Fund for immediate veterans' housing. Edge answered that the "surplus" fund had DISAPPEARED!

If He Were Your Child

When you voted for the ballot issue which your political leader is against, did you ask yourself why he is against the issue? When you voted for the ballot issue which your political leader is for, did you ask yourself why he is for it? Did you ask yourself how the issue will affect your children and your grandchildren? The issue will affect their lives. Should any political leaders be allowed to decide for you in this election? Your vote will be your answer. It will not matter how you vote. But you will have spoken your mind and that is what the elections are for. That is how we keep the government from becoming a dictatorship.

VETERANS OF NEW JERSEY

We Have Been Deserted by Governor Walter E. Edge and His Republican Candidate for Governor, Alfred E. Driscoll!

Read how the state Veterans' housing committees and the state Veterans' bonus committees were abolished, abused and closed in irreparable damage to the Veterans of New Jersey, when the Veterans asked for Edge and Driscoll to spend $50,000,000 of it on immediate Veterans' housing, right now, before the snow flies. Driscoll and Edge FAILED US by appropriating only $1,000,000 for housing. The Veterans' $50,000,000 housing program, rejected by Edge and Driscoll, would have produced, immediately, 10,000 Veterans' homes desperately needed. The deceitful Driscoll program for only $1,000,000 will produce only 1,100 dwelling units! The Driscoll program is a desertion of the Veterans!

The veterans' committee asked for an appropriation of $50,000,000 out of this $50,000,000 "sacred" Post-War Fund for immediate veterans' housing. Edge assured the "sacred" fund had DISAPPEARED!
