How to keep a resolution to save money this year

Put your will power to work in other resolutions, too. The U.S. Savings Bond Plan helps you put your money to work for you when you can't work for yourself. With each $10 bond, you're accumulating $10 worth of savings for your future. You can buy them at any time, whether you're married or not, and you can start saving at any age. The money you invest in U.S. Savings Bonds is always safe and secure, and the interest you earn is tax-free. So why not join the ranks of millions of Americans who have already started saving for their future? Start today with your first $10 bond, and see how your savings can grow over time. With U.S. Savings Bonds, you can achieve your financial goals and live a more secure and comfortable retirement. Start saving now for a brighter tomorrow!
