Children may have little bodies, but they have endless big hearts.

Did you ever see a kid swell up and practically burst when he felt he was "getting the break"?

"You just wait and see how he'll get the money to give you a ride on his bicycle, ..."

And you do give youngsters a bright new year when you give to Your Big 19.

Your Big 19 includes our Red Feather services for the Senate, the "FV", Camp Christmas Seal and the Memorial Day. It means that every child can go off on bikes in the Summer ... or build model planes, have hobbies and play games in the Winter.

It means, too, that there will be visiting nurses, clinics and hospitals to keep them healthy and strong.

So let's buy the kids in our town a great big chuck of happiness. They're only young once. Let's give them a childhood to remember!
