

The Library has PCs available for public use with Internet connectivity and productivity software like word processing. A patron must log on with a valid library card or guest pass in order to use these PCs.

Once logged on the Public PCs, all patrons are expected to comply with the Library's Internet Use Policy.

It is at the Staff's discretion on a case by case basis to grant extensions above the maximum allowed time per day.

**Present a card from the Louis Bay 2<sup>nd</sup> Library**

Louis Bay 2<sup>nd</sup> Library card holders can access the computers for the maximum amount of time allowed per day

If the patron does not have a library card, he/she will not have access to the Public PCs.

**Present a card from another BCCLS Library other than the Louis Bay 2<sup>nd</sup> Library**

Card holders from another BCCLS library other than Hawthorne can access the computers for the maximum amount of time allowed per day.

If the patron does not have a library card, he/she will not have access to the Public PCs.

**Have a library card from a library that is in New Jersey but is not the Louis Bay 2<sup>nd</sup> Library or another BCCLS library**

The patron must show photo ID and will be given a guest pass that allows him/her to access the computers for a maximum of one hour per day.

If the patron does not have ID he/she will not have access to the Public PCs.

**Are from out of state.**

The patron must show photo ID and will be given a guest pass that allows him/her to access the computers for a maximum of one hour per day.

If the patron does not have ID, he/she will not have access to the Public PCs.
