

Louis Bay 2nd Library and Community Center Meeting Room Policy

POLICIES

The Library desires to provide an opportunity to bring together the resources of the Library and the activities of the community by providing space for group meetings and events. To achieve this purpose, meeting room space is made available to groups for educational, cultural and civic purposes without discriminatory restrictions.

Priority will be given to

- Programs sponsored by the Library, the Friends of the Library and the Hawthorne Community Library Foundation.
- Hawthorne non-profit organizations
- Passaic County non-profit organizations.
- Professional or commercial organizations for informational, and/or educational purposes, with Board approval and for a fee.
- However, in order to use the meeting room, it is essential that an organization, whether it is a non-profit or for profit group, has insurance coverage of its own.

To encourage the cultural life of the community of Hawthorne, meeting room space may occasionally be provided at no charge to organizations that enrich the community by providing exhibitions of music, dance, art and other cultural performances that enhance the lives of community members. This waiver of fees will occur at the discretion of the Library Board Trustees.

Meeting rooms may not be used for purely social purposes or by private individuals to transact commercial business. The library will not exclude any group based on the subject matter to be discussed or based on the ideas that the group advocates.

The fact that a group is permitted to meet at the Library's facilities does not in any way constitute an endorsement of the groups by the Library or an endorsement of their policies or beliefs.

Neither the name nor the address of the Library may be used as the official address or headquarters of any organization.

Lectures or seminars by professionals or commercial associations for informational/educational purposes will be permitted at the following rates:
